All-Activities Banquet Huge Success

Young chickens, broiled to delicious goodness over open pits constructed at Fallasburg Park, were served to 326 hungry folks last Thursday evening when the Lions and Rotary Clubs of Lowell sponsored an All-Activities banquet to honor students of the High School athletic and music departments. Don Miller. associate professor of the Poultry Department at Michigan State College, directed the cooking process, which was begun at 2 o'clock in the afternoon. He is shown in the top picture (right-front) with some of his willing assistants, members of the sponsoring clubs. In the other pictures note how the girls and boys separated into little cliques, instead of getting together like they would if so many adults weren't around. They certainly seem to be enjoying their meal though, in spite of the separation. 129 student guests were fed, and 199 adults paid for their dinner. Of course, the "help" also had to eat. That's a lot of chicken!

FOUR TIMES EVERY MINUTE, on the average, another proud new owner drives home in his big, beautiful new Plymouth! Every day, thousands of car buyers "look at all 3" and discover that Plymouth gives most value per dollar! We'd like you

to see this exciting new beauty today:

AND HERE'S WHY:

More comfort in the biggest, roomiest car of the low-price 3! The advanced styling of Plymouth's all-new Forward Look! Top economy from Plymouth's 6-cylinder PowerFlow 117 engine! The greatest visibility with the new swept-back windshield! The only truly big car ride in the lowest-price field!

Why pay up to \$500 more for a car smaller than Plymouth? Don't be fooled by the claims of medium-price cars that they cost almost the same as Plymouth. When you compare, model for model, you'll see plymouth sells for much, much less!
