# This Car Sideswiped Auto, Hit Truck | World Day of Prayer Is Friday, February 17;

Two men were injured early Monday morning in a collision on US-16 Just east of M-50. Two cars and a truck were involved. The car, badly wrecked, pictured above, was driven by James Beasly, 27, of Grand Rapids. He, and his passenger Thomas Beasly, 21, also of Grand Rapids, were treated at St. Mary's hospital for chest and thigh injuries, respectively. Kent County deputies investigating the accident, stated Beasly apparently attempted to pass an auto driven by Elmer Pierce, 21, of Lowell, sideswiped it, and struck a truck, driven by Joseph Burger, 41, of Detroit. The cars had to be towed from the scene, the one pictured above being at the Dykhouse & Buys station at Cascade, the other at the West Side Garage, Lowell. The truck was able to drive from the scene, and the driver was treated for bruises by a local physician,
