We would like to see some nice weather too, Mr. and Mrs. Avery. Maybe you could arrange to bring It with you.?

### Flood?

The Grand River will crest at 16 feet by Sunday noon, according to a bulletin received Wednesday morning from the U. S. Weather Bureau. Businesses along the Main street of Lowell bordering on Flat River, have been notified of the danger of flood, inasmuch as the flood level is 15 feet. The Cities Service plant, southeast of Lowell has also been warned. The only residential areas to be affected will probably be the southeastern section, near the Lowell

-but its price makes it one of America's 3 best sellers!

It's Bigger than Both of 'em

It's as simple as this:

Only two cars in all creation outsell Buick. And theu are two of the well-known smaller cars.

So maybe it will pay you to ask how come Buick has zoomed to the No. 3 spot with such fast-selling

Well, one answer is the beautiful and brawny Buick SPECIAL you see pictured here - and the low price it

It's the biggest bundle of high-powered performance and high-fashion luxury ever offered in Buick's lowest-And that means more people want it and can afford it,

because it's priced only a few dollars more than its two smaller-car rivals-even less than some models of those But the big answer comes from a sure fact more folks

have discovered: you get more pure automobile for your money in Buick than you get elsewhere.

Here, you get the extra wallop of big new Buick power

AIRCONDITIONING COOL NEW LOW PRICE It cools, filters, dehumidifies, Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING

H&H CHEVROLET

raised to a new high-and pouring in smooth whisper from a brand-new 322-cubic-inch V8 engine of true

Buick SPECIAL

Here, you get the matchless buoyancy of Buick's great new ride-the extra-safe feeling of Buick's new handling ease-the cutra stretch-out comfort of Buick roominess -the extra solidity and strength of Buick structure-the extra pride and prestige of Buick's new styling and dash

Here, too - and nowhere else - you can get the silksmooth performance and flash-fast response of Buick's advanced new Variable Pitch Dynaflow\*-the world's only transmission with the gas-saving mileage and switch-pitch action of the modern airplane propelles.

This week-this very day, if you wish-you can sample all these Buick blessings to your heart's content and your pocket's joy. Why not drop in on us and do just

\*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century-optional at modest extra cost on the Special.

# NITROGEN for CORN

Corn is the heavy user of nitrogen fertilizers. Your most economical N for corn is Anhydrous Ammonia - 82% N. Plow down or pre-plant applications are ideal - starts decomposition of residues early and is there for use when needed.

M.S.U. and other authorities say: "Important thing is to put it on, don't put it off".

An application of Anhydrous Ammonia on corn will return up to 40 Bu. more shelled corn per acre! Ask for testimonials of users right in this

Pays well on other row crops, too.
