Local 4H'ers Again Win Honors Twenty-Second Annual 4H Fair Tops All Previous Records for Entry

Lowell fairgrounds was a quiet and deserted place this week, after the great activity centered there from Tuesday through Friday, August 21 through 24, when the Kent County 4-H Fair held their 22nd annual event in Lowell.

It was the best attended fair ever, having shattered the last year's record-shattering attendance records. Exhibits were the highest ever, and the judging resulted in many prizes for the youth of this area.

Later in this article we have listed the names of the local winners, and we would like to say here that without the wonderful cooperation of the adult leaders of each club we could never have presented such a list to you. We asked their help in seeing that we were provided with their individual group's record at the fair, and we sincerely thank them for their response.

State Next Week

When the State 4-H Fair opens in East Lansing next week it would not be hard for a Kent county observer to feel at home, as 21 youngsters from this area will be there showing in the home economics division alone. In Showmanship the

Two new families have settled in their Lowell homes, and have been welcomed by Village hosts Glad Bergin, Mr. and Mrs. Dirk Venema and their three children, Mary and Barbara, twins, age 5, and Cindy 1 1/2 years, will live at 334 Vergennes. He is a new instructor at Lowell public schools, and taught at New Buffalo last year.

The other family is Mr. and Mrs. Richard Brown, formerly of Kalamazoo, who have moved into the residence at 222 Elm st. They have 4 youngsters, Rickie 7, Terry 6, Mike 2 1/2, and Faisy 5 months. Mr. Brown is affiliated with the Pennsylvania Railroad in Grand Rapids.

Art Morgan, a recent graduate from Michigan Veterans Vocational School at Pine Lake, has joined the service department of Radio Service Company.

This is the second serviceman to come from Pine Lake. The first to join the local radio and TV service organization was Glen Stott who came here four months ago.

Miss McClure Completes Nurses Training

Miss Ethelyn Caroline McClure, daughter of Mr. and Mrs. Harvey McClure, 7406 Bell rd., Clarksville, will graduate with the 1956 Class of Bronson Methodist Hospital School of nursing at special exercises to be held next Monday evening at the First Methodist church in Kalamazoo.

Miss McClure graduated from Lowell High School in the class of 1953. She intends to remain at Bronson hospital as a member of the nursing staff in surgery.

Book Store Hours to Be Extended Next Week

Lowell Public Schools' book store has been open this week, Monday through Friday, from 9:00 to 12:00 and 1:00 to 4:00, with Mrs. Charles Snay on hand to help you get ready for school.

Next week the hours will be extended to 5 p. m. Monday through Thursday, and until 9:00 Friday and 6:00 on Saturday.

As was the case last year, the kindergarten through 6th grades will rent their books from the school, and will obtain them from their teachers on the first day of school.

Join the throng that BUY MONEY Orders at Ribinger Ins. Service. Postage—Envelopes—Prompt Service—We do the work.

Bookmobile Stops Summer Schedule After Next Week

The Kent County Library will end its summer community bookmobile schedule the last week in August. Please return all your books to your regular stop during the week of Aug. 27-31.

Books not returned at that time may be taken to the nearest Kent County Branch library or returned when a bookmobile stops at the school nearest you.

For information the branch library closest to you, call Headquarters, at Cherry 1-4479.

"Standing Room Only" At Final School Meet

"Standing Room Only" usually indicates that the crowds are so packed there is no room to sit. This was not exactly the case when eight members of Thomas School district, property owners living west of Quiggle road, excluding the John Cox parcel, met to vote their annexation to Grand Rapids No. 15, newly organized school district of suburban Grand Rapids.

The meeting was held at the Thomas School Monday night, and as the desks, furniture, and everything else had been moved from the school, there was no place to sit, but standing room only.

It was a brief meeting, according to Francis Campau, but all eight present voted unanimously to join the new district. As those east of Quiggle rd., are now a part of the Lowell School system, Thomas School is no more!

Any Old Timers Remember Site Of Trading Post?

The Ledger has received a request from Edmond P. Gibson, one of the members of the State Executive Board of the Michigan, concerning the old trading post of Madame LaFramboise in Section 9, Lowell Township near the corner of Bowles rd., and E. Fulton road.

Mr. Gibson states this site was probably where the Gilded property is located. He states in his letter: "From newspaper accounts it seems possible that the 'chimney' and part of the log cabin of the LaFramboise post were still standing in the latter part of the 1880's, somewhere between M 21 and Grand River and were at that time seen by Mr. Thomas-Porter of Grand Rapids, now deceased. Certainly the cabin was standing 1876 for a replica of it was built and stood in Fulton St. Park in Grand Rapids during 1876 Centennial celebration."

"Hence it seems quite possible that some of the older citizens of Lowell may have seen the old ruined cabin and remember where it stood. Perhaps they could point out this location so that the Archaeological Society can investigate and mark this spot."

"I would also appreciate any information as to the site of DeMars's cabin and Trading Post at Segum, and the location of the old Indian town at Segum."

"Any and all information you can obtain in this matter will be of great help to this Society in its attempt to locate geographically the early historical sites in Lowell and neighborhood."

Official Notice

In accordance with Section 77, 6th General School Laws, Revision 6 1955.

The Board of Education of Fourth Class School District No. 1 Lowell Township, Kent County offers the following property for sale:

Such bids are to be for the structure including bell and shed only and if removed must guarantee the removal of all materials including the basement cement and or stone work and ground to be left level and such bids must absolve the Board of Education from any responsibility of injuries resulting from the removing of the same. Such bids are to be opened at the next meeting of the Board of Education.

By Order of the Board of Education,
D. A. Wingeier, Sec.

Auction Sales

Mabel R. Neal

Seven head of cattle, all bangs tested, a list of farm equipment and miscellaneous items will be sold by Mabel R. Neal at public auction at her farm located 2 1/2 miles southwest of Lowell, 2 1/2 miles west of M31, first place south of Grand River dr., or 1 1/2 miles north of 36th st., at 2517 Timponon avenue, on Saturday, August 25. The sale commences at one p.m., and auctioneer will be George VanderMeulen; clerk, Harry Day.

(See adv. on another page of this week's Ledger.)

Young Mark Fletcher Saved From Fish Pond

When young 21-month-old Mark Alyn Fletcher fell in the ornamental fishpond in the yard of his grandparents, Mr. and Mrs. Emerson Stevens, last Friday afternoon he was apparently shocked by the cold spring-fed water, but was quickly revived by artificial respiration performed by his mother, Mrs. Alyn Fletcher.

What could have been a very tragic accident was luckily averted. The Lowell Fire department quickly responded to a call for the resuscitator but it was not needed.

The Fletchers, who are from Kankakee, Ill., were visiting in Lowell last week end to be present for the silver wedding anniversary open house for the Stevenses which was held Saturday.

Mr. and Mrs. Stevens had the small pond drained immediately after the accident.

Reject Bids for School Removal; Set New Date

At a special meeting of the Lowell Board of Education Monday, August 20, it was decided to reject all bids received for the removal of the Foxes Corners School building.

New bids are now being sought, and will be opened at 3:00 p.m. Saturday, September 1, at the school house, according to Superintendent W. W. Gumsier. An advertisement concerning this will be found on another page of this week's Ledger.

The school building, shed and bell must be completely removed from the premises of the old school, which has been closed for years, and whose district only this summer voted to become a part of the Lowell district. The structure was turned over to the Lowell district, but the land on which it is situated reverts to the original owner under a clause in the property lease.

To Be Hospitalized Another Two Weeks

Carl Venneman, 52, of Lowell is recovering satisfactorily following a serious throat operation which was performed Monday, August 13, at the University Hospital in Ann Arbor, according to his sister, Mrs. Glen Vos, who visited him this past Monday.

Mr. Venneman, a driver for the King Milling Co., will be hospitalized for at least another two weeks, and will appreciate hearing from his friends. His address is: c/o University Hospital, 4th Floor, Ward 4 West, Ann Arbor.

Carl's son, Vernon, who is a corporal with the U. S. Army stationed in Japan, is now home on a thirty-day morale furlough to visit with his parents.

Jersey Milk Producers Meet Here Friday

Jersey breeders of this area are invited to attend an organization meeting at the Lowell City Hall, Friday evening August 24th to complete marketing arrangements for the branded all-Jersey-Milk.

V. L. Peterson, fieldman, will be here to answer questions. The program to put this branded product on the market this fall is expected to be a major advance for the dairy industry to make the public aware of the advantage of Jersey milk.

Schedule Local Woman For Television Program

Mrs. Melvin D. Court will appear on WKZO T. V. at 12:30 Sept. 5, on the "Louise Carver's Feminine Fancies" program. Mrs. Court will display her collection of salt dips.

German Student Arrives in Lowell

The Ledger was on hand Monday forenoon to snap this picture of Miss Elke Gildhoff shortly after she arrived in Lowell, tired, a bit confused, but happy to be at her new home for the coming year. Miss Gildhoff, a 16-year-old German exchange student, will attend Lowell High School this year, under the sponsorship of the local Rotary Club. She will make her home with Mr. and Mrs. Gerald Rollins, who are pictured above with her. Mr. and Mrs. Rollins met Elke in Detroit Monday morning at 6:30. She arrived in this country Saturday, the 18th, and stated her 10-day voyage on the Atlantic was dampened somewhat by her seasickness; and she does not imagine the two-day bus trip from New York was too restful. But she managed a wistful smile for the photographer. We know everyone in Lowell wants to extend a hearty welcome to our "visitor" and wish her a pleasant stay in this country.

Long Illness Fatal To Mrs. VanderHoff

Mrs. Jessie VanderHoff, 71, passed away Friday at the Shamrock Rest Home in Lowell following a lingering illness, complicated by pneumonia. Funeral services were held Monday afternoon at the Roth Chapel in Lowell, Rev. Howard Martin officiating. Interment is in Alpine Cemetery.

Mrs. VanderHoff was born April 4, 1885, at Morley. She lived in Grand Rapids for many years, during her marriage to Fred Fuller. After Mr. Fuller's death in 1921 she brought her family of six youngsters to Lowell to live.

Her second marriage was to Myron VanderHoff, who operated the hotel in Segum for many years. Mr. VanderHoff passed away 8 years ago.

The deceased is survived by her six children: Two sons, Robert and Frederick Fuller of Lowell; four daughters, Mrs. Alice (Claude) Murray of Lowell, Mrs. Eleanor Inglewood of Grattan, Mrs. Helen Lameau of Mt. Clemens and Miss Beatrice Fuller of Kalamazoo.

Lowell Native Passes At Chicago Home

George H. Taylor, a native of Lowell passed away Thursday, Aug. 16, at his home in Chicago, after a few months' illness. He was 82.

Mr. Taylor was the son of Mr. and Mrs. Henry Taylor. He attended Lowell Schools after which he was engaged in a local barber shop. He went to Chicago in early life, married there and entered the brokerage business.

The funeral services were held in Chicago with burial in a near suburb.

He is survived by his wife, Lura, and two nieces.

Dick Dilly Saves Moose Game in Thursday Thriller

Softball fans who were on hand at last Thursday night's ball game between the Lowell Moose and Steelcase No. 1 of Grand Rapids saw one of the best games in the history of the Moose team.

The locals came out on the long end of a 2-1 score after a tight battle all the way. Dick Dilly, Moose pitcher hit the high spot of his young career with one hit against him, and that one came in, on top of the seventh inning. McShea, the losing hurler racked up only six hits.

The Moose trailed 1-0 early in the game when Steelcase scored their only run on two errors. The locals had their big inning in the sixth when they bunched three hits for their two runs.

Dick Dilly banged a home run with one man on base to put his own game on ice.

Some excellent fielding marked this game, with Pete Van Eenennaam sparkling at second base.

Tournament play in Grand Rapids and Ada forced a cancellation of Tuesday night's game. National Metals were forced to cancel their game here and efforts to locate another team were unsuccessful.

Tonight (Thursday) Creston Recreation will play here at the park, starting at 8:30.

Expect 40 at First Practice Coach Howe Calls Practice Aug. 27th; Looks to '55 Second Team for Strength

Candidates for the Lowell High School varsity squad football team numbering over 40 are expected to be out for the first practice Monday. Lowell's new football coach Jack Howe forecasts this week.

The first practice will be at 8 a. m. and the squad will meet twice a day during the first week. Physical examinations will be held Thursday, Aug. 23 at 9:30 a. m.

The Lowell team has added Greenville to this year's schedule making a nine-game schedule. The first home game will be played with East Grand Rapids on Sept. 23th.

New Boys Show Promise

Coach Howe feels that many boys from last year's second team which played a schedule of six wins and one tie with other Grand Valley second teams—show real promise for giving Lowell the winning combination this season.

Seven boys who played in last year's second team backfield are Tony Stormzand, Leonard Fase, George Henderson, Don Dawson, Larry Rosenberger, Charles Ryder, Gary Eickhoff, and Tom Kutchey.

1955 Second team linemen who will join this year's varsity are: Dick Connors, Kerry Shoemaker, Jim Shepard, Bill DeHaan, Bill Miller, Mike Martin, Stan Wingeier, Lee VanderWerf, Brian Estes, Lon Kauffman, Dick Rutherford, Leonard Venneman, Jim White, Peter McPherson and Truman Stahl.

A new sophomore to report from Alto is Frank Poial. Others are expected at the first practice and after school begins.

Next Week's Schedule

All students who plan to enter Lowell high school for the first time should enroll Friday, August 31st, or Saturday, September 1st, unless they have done so previously.

There will be a course of study and a detailed announcement concerning the opening of school in next week's Ledger. Parents and students are requested to examine the Course of Study in advance of actual enrollment.

Textbooks should be purchased in accordance with another announcement in this paper. Books will be rented to children in grades 1 through 6, and will be sold, to all

Personnel Changes

Five instructors who taught in Lowell last year will be missing, due to resignations. Mrs. Gladys Doyle has retired from the profession; Miss Gracia Denton will teach and be librarian in the Grand Rapids system; Mr. and Mrs. John Scholten have entered training in the sacred and religious department of music in an eastern university; and Miss Joan Johnson will teach in Lansing.

It was found necessary to employ eight people for replacements and to take care of an increase in enrollments and additional functions.

Mrs. Florence Carman will be a full-time librarian. She has had several years of experience as a librarian, one year's experience as a teacher-librarian, and is a graduate of Central Michigan college, with a year's graduate work at the University of Michigan.

Dirk Venema will teach fifth grade and help in football. He is a teacher with one year's experience and has a B. A. degree, and has completed some work toward a master's degree.

Mrs. Blanche Mullen, a local woman, who has had very successful experience in teaching at Grandville and Ypsilanti, will be in charge of art in grades and high school. She has a degree from Eastern Michigan College and has completed some graduate work.

Five teachers without any teaching experience, but who graduated with outstanding records from Hope College, will be introduced into the profession in the Lowell Schools, and their assignments are—Lawrence DeWitt, vocal music; Julia Herriek, English; David Kempker, social science and physical education; Barbara Ann Krutzenga, French, English; and Esther June Plumert, social science and English.

Largely through the efforts of Dr. Thomas B. Hill, a full-time nurse will be on duty this year. She will come under the auspices of, and will be paid by the Michigan Heart Association. Her duties will be somewhat experimental, centering around respiratory infections but she will also take care of some routine matters.

Now! Four "Pickup" truck choices with the same money-saving payoff!

Ford Trucks cost less

These four huskies have a lot in common—starting with lowest all-around cost. They're priced low. Rugged construction and modern Short Stroke power are designed to keep running costs down. And Ford trucks with their proven longer life have traditionally high resale value.

Here's something else they share—features you'll find on no other truck!

Short Stroke power, V-8 or Six!

Ford alone gives you a choice of modern

Short Stroke power—and what a choice it is! Ford's 167-hp V-8 is the best-selling best-powered truck V-8. And Ford's 183-hp Six is the only Six in this field with Short Stroke design!

Divorized comfort and safety!

You get exclusive seat shock absorbers to smooth out the ride, the widest-opening doors, and widest standard rear window of any cab! Lifeguard safety features, too, for added protection and peace of mind.

Lowell Council Proceedings

Regular Session, Monday evening, August 6, 1956.
 Council was called to order by President Speerstris at 8:05 p.m.
 Roll Call: Trustees Munroe, Fonger, Battistella, Jones, Thompson, Boelen.

The minutes of the last regular session of July 16 were read and approved.

Building permits, issued to the following, were read:
 Fred Phelps Alterations, 415 W. Main.
 Lawrence Armstrong addition to one room, 218 Vergennes.
 Lynn Gardner alterations, 909 Bowles Rd.
 Carl Hazen addition to house, 315 N. Jackson.
 Edward Adriane remodel garage, 120 Smith St.
 Manley Johnson build basement for future house, East High St.
 Trustee Munroe cited the need for numerous new panes of glass in the 4-H Building. Investigation into the use of new plastic panes is being made. The possibility of forming a Recreation Fair Committee was discussed, such committee to be comprised of two members of the Village Council, two from the Lowell School Board and two from the 4-H Club.

Mr. Moore reported a survey by the State Forestry Department revealed very little Dutch Elm disease within the Village; owners were given written notice to exterminate those diseased trees.

The matter of engaging a Village Auditor was referred to the Finance Committee for study and for the presentation of recommendations at the next Council meeting.

Trustee Boelen cited complaints on the condition of Reservoir Park. It was agreed that it would be cared for as the other Village parks are. He also brought up the need for identification on Volunteer Firemen's cars; Fire Chief Baker will be advised to procure same. The need for two suction pipes in the river (down town area) was stressed, same to be installed. The electric light rates were again discussed.

Motions and Resolutions
 It was moved by Trustee Boelen, supported by Trustee Battistella, that insurance bids from the Michigan Mutual Liability Company and the Auto Owners Insurance Company for Workmen's Compensation and Comprehensive Liability and Property Damage, be referred to the Finance Committee for study, with power to act.
 Yeas, 6; Nays, 0.
 It was moved by Trustee Munroe, supported by Trustee Jones, that Mr. Joseph Schwab be given

1953 DE SOTO 54 SEDAN. A real sharpie, with only 40,000 actual miles. Looks like the day it left the factory, inside and out.

1953 PLYMOUTH CRANBROOK 4-DOOR. A real nice blue bird you would be proud to own.

1952 DODGE 4 DOOR SEDANS. We have 3 of these one-owner jobs to choose from. Both are nice and clean.

1951 PLYMOUTH SEDAN. Finished in Granite Gray and very clean interior.

1951 PLYMOUTH CLUB COUPE. Dark Green color and has had all rust damage repaired.

1950 DODGE 4 DOOR SEDANS. One Light Green, the other finished in Lancer Gold.

1954 Ford 1/2 Ton V8 Pickup

CHERRY SURPRISE CAKE

(QUICK-MIX METHOD)

- 2 cups sifted King Flake Enriched Self-Rising Flour
- 1 1/2 cups Sugar
- 1/2 cup Hydrogenated Shortening
- 3/4 to 1 cup Milk
- 1 teaspoon Vanilla Extract
- 3 Egg Whites (about 1/2 cup)
- 1 cup drained Sour Pitted Cherries
- Cherry Frosting

Sift together flour and sugar. Add shortening and milk. Beat two minutes at medium speed on electric mixer or 300 strokes by hand. Add vanilla extract and egg whites. Beat 2 minutes or 300 strokes longer. Fold in cherries. Bake in 2 greased and floured 8" round pans. Bake in moderate oven (350 deg. F.) 30 to 35 minutes. Makes 2 8-inch layers.

CHERRY FROSTING

- 1 1/2 cups Sugar
- 6 tablespoons Unsweetened Cherry Juice
- 1 tablespoon Corn Sirup
- 2 Egg Whites
- 1 teaspoon Vanilla Extract
- Few drops Red Food Coloring

Combine all ingredients except vanilla extract and red food coloring in top of double boiler. Mix well. Place over boiling water. Beat constantly with rotary beater until mixture holds its shape. Remove from heat, add vanilla extract and the red food coloring. Beat until cool. Frost sides and tops of cakes. Makes frosting for 2 8-inch layers.

District Governor To Visit Rotary

John A. Collins

On Wednesday, Aug. 23, Rotarian John A. Collins, Governor of District 218, will make his official visit to the Lowell Rotary Club. John is well known in this community and has many friends here. John has visited Lowell Rotary many times but this will be the first time as an official of Rotary International.

The origin and growth of Rotary goes back to February 23, 1905, when the first club meeting took place, and the nucleus was formed for the thousands of Rotary Clubs which were later organized through the free world. Paul Harris named the new organization "Rotary Club" because originally the new members met in rotation at their various places of business.

Membership in the new club grew rapidly, and it soon became too large to meet in the places of business of the members. Then the club began to meet once each week around the luncheon table. These weekly meetings, in connection with a luncheon or dinner, are now held by Rotary clubs all over the world. Today, there are 9,119 clubs in 99 countries for a total membership of 432,000.

Mr. and Mrs. A. R. Smith Celebrate Golden Anniversary

The children and grandchildren of Mr. and Mrs. A. R. Smith of Lowell, Michigan, will honor them with an open house on Sunday, August 20th from two to five p. m. The affair to mark the Golden Wedding Anniversary of the couple, will be hosted by Mr. Arvine L. Smith of Grand Rapids, Mr. and Mrs. Carl L. Smith and Mr. and Mrs. O. D. Smith of Lowell.

Catherine F. Smith, daughter of Mr. and Mrs. Frank E. Burley, was born on December 20, 1886 in St. Johns, Michigan. On August 27, 1906, she was united in marriage to Alfred R. Smith, who was born in Essex Township, Clinton County on August 16, 1885.

After their marriage, Mr. and Mrs. Smith owned a grocery store in McBata, Michigan, and from 1913 until 1921 they owned a shoe store in Alma, where Mr. Smith was on the City Commission and was Supervisor for four years. He was also a member of the board of the Methodist Church. For the next eleven years they lived in Lansing and St. Johns. In 1932, they moved to Lowell where for many years they owned a new and used furniture and antique store. Since then, Mr. Smith has been active in the nursery business and insurance.

Mr. and Mrs. Smith have three sons, nine grandchildren and five great-grandchildren.

Cub Scouts to Hold First Meeting of Year

The cub scouts will hold their annual "kick-off" meeting at the scout cabin on Thursday Aug. 30th at 7:00 p.m.

All former cubs, and any boy between the ages of 8 and 10 that is interested in becoming a cub scout, are invited and urged to attend this first very important "kick-off" meeting.

Also, all parents are urged to attend this meeting. Pack meetings will be held once a month, commencing in September; and den meetings will be held once a week.

BIRTHS

To Mr. and Mrs. Richard Bryan on Sunday, August 19, at Blodgett hospital, a son, Kenneth Alden, weighing 7 pounds and 4 1/2 ounces.

To Mr. and Mrs. Herbert Reynolds of Columbiaville, at the St. Joseph Hospital in Flint, on August 20, a daughter, weighing 6 1/2 lbs.

Landscape Specialist Urges Newspaper Cooperative Advertising

There are many advantages to co-operative newspaper ads.

That recommendation was made by Jack Jones, Dallas Texas, landscape specialist, in his address on "Progressive Promotion" at the Michigan State University Nursery and Landscape Management Conference.

"Co-operative ads, with several of the firms underwriting the cost on a sharing basis, give you the size of ad that you likely could not afford alone," pointed out Mr. Jones. Your nursery alone, he explained, likely can afford only a smaller ad, but by co-operating with other nurseries you can push seasonal specials and obtain a larger ad that will demand attention.

Co-operative ads, he said permit the smaller businessmen, like nursery owners, to use display space comparable to the larger ads used by those in competing fields.

The suggestion that advertising be in with the current human-interest news in the community was made by Mr. Jones. If the community is in the midst of a clean-up campaign, for example, the nursery advertising should take advantage of the situation, he told the conference sponsored by the M. S. U. department of horticulture.

Mr. and Mrs. Lee Bentley of Pontiac were week end visitors of Mr. and Mrs. Alvin Ketchum and Mr. and Mrs. Kenneth Huckleberry were Sunday evening callers.

Mr. and Mrs. Eugene Morris and family called Sunday on Mr. and Mrs. Lee Miller in Grand Rapids.

Typhoid Cases Mount in State; Blame Food Source

Typhoid fever cases in Michigan are now greater in number than at any time in the last 10 years, and the cause of the increase may be hidden in today's complex and widespread food distribution system.

Total number of cases in Michigan from January through August 10 was 39, an increase of 24 over the same period in 1955 and highest since 1947.

Dr. George H. Agate, Michigan Department of Health epidemiologist, said the increase is still being studied and as yet no conclusive findings have been made.

"It is possible," Dr. Agate said, "that the source of infection lives outside a patient's home community or even outside Michigan. Our experience with an increased number of cases and our search for the cause is similar to what's been happening in several other Mid-west states this year."

"Detection of contaminated food is very difficult because of the distance food now travels from point of manufacture to point of consumption. Thus, it is more important than ever to keep known typhoid carriers from handling or processing food," Dr. Agate said.

All cases of typhoid are traceable to persons who either have the disease or have had it and are still spreading the typhoid germ. The germ can be transmitted through water, milk or other food.

There are about 200 known typhoid carriers in Michigan. All must register with the state health department. Local health officials then check, periodically, to see that the carriers practice good personal hygiene and do not work as food handlers.

About five out of over 100 persons who contract typhoid fever and recover continue to discharge typhoid germs in their wastes for the remainder of their lives. The germs often lodge in the carrier's gall bladder and removal of the organ by surgery usually converts him to a non-carrier.

Dr. Agate urged all persons who have had typhoid to submit voluntarily to frequent tests by their physicians to guarantee that they are not spreading the typhoid germ.

All typhoid cases reported in Michigan during 1956 have occurred in the Lower Peninsula. The cases have been distributed evenly throughout lower Michigan with no concentration by localities.

Foot Comforter A revolutionary insole material, made of a plastic which "breathes," is said to have unusually good wearing qualities and foot-comfort factors.

The unique material absorbs foot moisture so effectively that the shoe remains drier and even more comfortable on the foot than shoes made from traditional or other synthetic materials. It is claimed that the same capacity of the new material to absorb moisture also permits the rapid discharge of this moisture when the shoe is off the foot and, further, due to its chemically inert properties, it will not support mold or bacterial growth common to many organic materials.

Lowell: "A Barren Cattle Town?"

"I was very glad to see the protest of Grand Rapids residents along M50 in regard to slashing the trees along their highway, trees that are unnecessary to cut down. It's refreshing to know that some communities value the beauty of nature."

"I noted with interest that the Garden Club of Traverse City planted the first tree in a major landscaping project designed to beautify the main highway through the city."

"Mrs. Siegel Judd of Grand Rapids had a very interesting article worth quoting to let the people

of Lowell know how an outsider feels about M21 in our village, and I quote:

"Lowell Trees: It seems unfortunate, however, that citizen pressure should be required to prevent non-selective wholesale destruction. We shudder, for instance, to recall the Department's stripping the great shade trees of the lovely village of Lowell, turning the cool cathedral arched street into a highway as hot and barren as a Western cattle town."

Mrs. Gerhart Hosts Garden Lore Meeting

A brunch was served to the Garden Lore club members and their guests Tuesday morning on the lovely lawn of the John Gerhart home, from beautifully appointed tables decorated with artistic floral arrangements by Mrs. Otto Miller.

The most beautiful of the tables were those with Japanese floral arrangements; Japan is the native land of Mrs. Miller.

Rolls, donuts, cookies and coffee were served by the hostesses, Mrs. Gerhart, Mrs. Lawrence Watson, Mrs. Ralph Shoemaker, Mrs. Anna Yardley and Mrs. Robert Chrouch.

President of the club, Mrs. Don Dickerson, presided at a short business meeting, at which a committee composed of Mrs. Will Huffman and Mrs. Sam Ryder were appointed to contact the American Legion concerning the club's aid in beautifying the grounds at the Clark-Ellis Memorial building.

FAMILY REUNION

Stauffer

Foot Comforter

A revolutionary insole material, made of a plastic which "breathes," is said to have unusually good wearing qualities and foot-comfort factors. The unique material absorbs foot moisture so effectively that the shoe remains drier and even more comfortable on the foot than shoes made from traditional or other synthetic materials. It is claimed that the same capacity of the new material to absorb moisture also permits the rapid discharge of this moisture when the shoe is off the foot and, further, due to its chemically inert properties, it will not support mold or bacterial growth common to many organic materials.

SNOW CHURCH TO FEATURE SPECIAL MUSICAL TALENT

Snow Methodist Drive-In Church will offer unusual musical talent at its regular service this Sunday night.

As the summer season draws to a close the church will feature the "Musical Wonders", well-known and well-loved radio artists, who will play several numbers.

Also on the program is a trumpet duet, and a men's quartet, with Mrs. Eleanor Gort as accompanist.

Sid Baarda, pastor of Snow Church, promises that this is to be one of the outstanding programs of the year in Gospel music for Lowell.

Everyone is invited—there is a lot of parking space in the school and church yard. Snow Church is located on Snow Avenue, between U. S. 16 and Grand River drive, 7 miles West of Lowell. Services start at 7:00 p.m.
