Blaze Destroys Vergennes Barn Monday

The Lowell volunteer fire department was called early Mon-

day afternoon to assist in fighting this barn fire at the farm ten-

anted by Walter Graham, located just off 2 Mile road, about 8 miles

northwest of Lowell. According to Don McPherson, owner of the

farm, the building contained hay, milking equipment, conveyors

and a wagon. The structure was a complete loss. Spontaneous

combustion was believed to have caused the blaze. Men having

in a nearby field heard the explosion as the barn burst into flames.
