WHY THE FARMER IS SWINGING TO THE **DEMOCRATIC TICKET!**

The American Farmer deserves a fair share of the nation's prosperity. But he's not getting that fair share today under the Eisenhower-Nixon-Benson Administration. For every dollar farmers earned in 1952, they get only 75 cents today, even though the cost of living is higher than ever before.

So The Farmers are Swinging to the Democratic Ticket. The farmers are swinging to the Democratic Ticket because the 1956 Democratic platform has the best farm plank ever written. It pledges to regain the 100% of parity the farmers had in 1952.

The Farmers are Swinging to the Democratic Ticket because they are fed up with broken promises. In 1952, Eisenhower promised to continue 90% of parity price supports. Today, price supports are far below that and the parity ratio is only 82%.

The Farmers are Swinging to the Democratic Ticket because they're tired of hearing Ezra Taft Benson preach to them about surpluses. They have learned from hard experience that Benson's method of disposing of surpluses is to dispose of many family farmers.

The Farmers are Swinging to the Democratic Ticket because they will work for effective, fair programs to dispose of our farm surpluses. These are: an expanded school lunch program, a new food stamp plan, and increased foreign trade. Meantime, until these programs are actually ready, under the Democratic program, prices will be protected from taking the loss for abundant production.

The Farmers are Swinging to the Democratic Ticket because the Democratic leaders are fighting the fight of the farmers to stay in business . . . they are fighting for a New Amer-ica with abundance for all Americans . . . and the farmers know it!

Here! New Task-Force 57 Chevrolet Trucks ! Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., hrough 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip-normally a 72-hour run-in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped! Come in and see how well these new Alcan hamps measure up to your job.

Alcan fleet reports up to 18.17 miles per gallon / That's the mileage reported by the Cameo Carrier, with Thrift-master 6 and Overdrive (optional at extra cost).

FIRST WITH THE MOST MODERN FEATURES: New 283-cubic-inch Taskmaster VB is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's com-plete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 30CO and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yes offer all the traditional C.O.E. advantages. Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alc.a Highway in a single forward-speed range!

Only franchised Chevrolet dealers [CHEVROLET] display this famous trademark

John Schneider were hostesses at a bridal shower given for Miss Jean TeVelde at the Schneider second and third degree burns. home on Lincoln Lake road Saturday evening. Following a few a few days until his arm heals. quiz games, Miss TeVelde opened her many beautiful and useful

gifts, and a lunch was served to about twenty guests. Miss TeVelde, who has worked for Keiser's Kitchen for the past two years, will become the bride of Henry Smit, in a ceremony on Thursday evening, October 25, at

South Boston Grange

the Ada Reformed church.

Regular meeting was held on Saturday evening, October 13, with wenty-two members in attendance. After reports of committees were given and proposals for membership read, we held election of officers with the following results: Worthy Master, Kenneth Graham; Overseer, Donald Kyser; Lecturer, Mary Walters; Steward, Ira Sargeant, Assistant Steward, Leon Normington; Lady Assistant Steward, Doris Normington; Chaplain, Rachel Dausman; Treasurer, Fred Fahrni; Secretary, Jean Kyser; Gatekeeper, Leo Newell; Ceres, Thelma Mc-Clure; Pomona, Irene Tapley; Flora, Mary Ellen Wittenbach; and Member of Executive Committee, Paul Wittenbach.

Next regular meeting will be held on Saturday evening, October 27, and the kitchen committee for that evening will be Lucille Normington, Mary Walters, Rose Tallant and Margaret Kyser. Potluck lunch unless otherwise solicited. Card playing will furnish the entertainment for that evening.

Next dance will be on Saturday evening, October 20, with the fol-Elder Glen Condon of Lowell lowing committee to serve refresh-Engagements Announced and Rev. Highlights of 1957 Chevrolet exterior design include front and rear bumper assemblies blending into the body, twin lance windsplits on the hood and flared rear fenders. A silver anodized aluminum grille screen and harmonizing color of roof and lower body further distinguish this sport sedan in the "Two-Ten" series.

decay study. One strain of rats is susceptible to tooth decay, the other is not. The research team found that that when the initial period of body growth is past, decay-prone rats grow less than their cousins who resist tooth decay better. In the same study, Drs. Waldo F. Keller of the University of Akron and E. Paul Reineke of M. S. U. appear to have found a relationship between tooth decay and JUST WALKING IN THE RAIN thyroid gland activity.
