Grade School Chorus to Appear Two Times Next Week

This group of youngsters is the Grade School Choir of the Lowell public schools, who will appear twice in the coming week in two programs at the school. First, on Monday, Dec. 17, they, with other youngsters in the grades one through six, will provide a musical program for the entertainment of the Parent-Teacher's Association, under the direction of their teacher, Lawrence DeWitt. This program will be in the high school auditorium at 8:00 p. m. The following Thursday the grade chorus will also appear in a festive Christmas concert in the Runciman Elementary Building, presented by the four choruses of the public school system. This program will be at 8 o'clock also, and will ensist of music of the masters and some selections from the contemporary musical scene.

THE 1957 SWEPT-WING DODGE, lower and longer, has the most exclusive styling and engineering improvements in history. Height of the two-door Lancer hardtop models like the Custom Royal Lancer shown above, has been reduced by five full inches so that the new Dodge stands barely four and a half feet high. Rear fenders sweep upward and backward to keynote the car's swept-wing styling, accenting a sport car appearance that is also a mark of the jet aircraft age.
