But if we are going to have more and more cars on the roads, we have to provide facilities for them. It's a question of whether we want cars and no trees, or horse-and-buggies and lots of beautifully shaded highways?

Because of the many grass fires in this area of late, Fire Chief Frank Baker and Police Chief Frank Stephens have asked us to try and impress upon the public At Shamrock Rest Home the importance of not setting fires without permits.

It's a state law that no open fire can be set without a permit. Locally permits may be obtained from either Mr. Baker or Mr.

Of the low-price three . . :

# FORD is the lowest priced...

# FORD is the longest car...

# FORD is the most powerful-V-8 or 6!

And Ford is built to hold onto its value ... to be WORTH MORE when you sell it, too!

Every way you figure it, you get a whale of a lot more automobile for your money in a new '57 Ford. Of the low-price three . . . Ford has the longest car-over 17 feet of sculpturedin-steel beauty . . . Ford has the greatest power in both V-8 and Six engines-plus a whole new family of V-8's with a wide range of horsepower to suit every need. The all-new "Inner Ford" has new suspensions, front and rear, which are integrated and balanced to give you big-car, luxury riding comfort and handling ease. Yet, with all of its plus-value features, Ford is still the lowest-priced of the low-price three. Come in . . . see and drive the new Ford. Then let us make you an offer and show you how easily you can enjoy big-car fun and comfort

# **HOW BOUT THAT**

# By RALPH TEE

When Jr. came home from college, he told his father (who did a very nice business) that bad times were coming. And so his father took down his signs, stopped ordering as much merchandise, stopped telling people what he had to sell and, sure enough - people slowly stopped coming to him for things to buy. After a few months, the father turned to his son and said, "You were right son-things are bad."
