Sunday-April 23-is the big day! DIRECT DISTANCE DIALING will be at your finger tips.

From then on, you'll be able to dial direct to many cities throughout the nation-and it's so easy. It's the newest, fastest way to make station-to-station Long Distance calls.

Just dial 1-1-2. Then dial the area code number, which you'll find in your instruction booklet. Next, dial the number of the phone you're calling. When the operator asks, give her the number of the phone you're using . . . and in a few seconds you'll hear the ringing of the distant phone.

Try Direct Distance Dialing. The usual low Long Distance rates will be in effect after 6 P. M. every evening and all day Sunday.

Remember: There will be no change in the way you dial places in your local calling area.

here once was an intelligent young man named Arthur Maxwell. He thought he would like to "step up" to a "medium-priced" car. So he went and looked at a model just "a few dollars more" than a Ford. At first glance it looked good. But when he got inside he exclaimed, "No radio? No heater? No automatic transmission? You call this Luxury??" He soon saw that a MEDIUM. Car with equipment he wanted became a HIGH-priced car. So, being an intelligent young man he dashed off to his Ford Dealer and bought a Ford Fairlane 500-the true luxury car in the low-price field-with all the equipment he wanted for less money than the stripped-down model he had thought he wanted. The luxurious Ford Fairlane 500 Why don't you do as Arthur did? There is nothing like it in the low-price field
