READ THIS STARTLING FACT

5 out of 10 Smaller Cars wear a Pontiac Price Tag -yet none give you Any of **Pontiac's Advantages**

PONTIAC GIVES YOU UP TO 8.9% MORE SOLID CAR PER DOLLAR!

Not one of the smaller cars can give you the heavy-duty construction, the roadhugging heft and solid security that surround you in every Pontiac. Yet Pontiac's the nimblest heavyweight you ever managed-and your Pontiac dealer can show you more than six dozen advanced-engineering reasons why! Pontiac has gone all out to make this genuine big car the most docile package of might you ever had the pleasure of bossing. You'll find Pontiac's exclusive Precision-Touch Controls make steering and braking the surest, easiest you've ever experienced! Park it, cruise it, try it in stop-and-go traffic . . . this is driving the smaller jobs can't possibly equal.

PONTIAC GIVES YOU 4 TO 7 INCHES MORE WHEELBASE!

TOP TRADE-INS! The small cars extend bumpers and fenders to look big-but Pontiac puts the extra length where it countsbetween the wheels! Here's extra length that brackets the bumps instead of riding on them. And this extra length shows up inside, too, in stretch-out space for six footers. Add to Pontiac's bonus in length its all-new suspension system and you have an exclusive Level-Line Ride no car at any price can surpass . . . and a builtin sense of direction and security that will spoil you for the smaller cars forever!

"Can You See, Steer, Stop Safely? . . . Check Your Car-Check Accidents."

-AND PONTIAC HAS **ALWAYS BEEN FAMOUS** AS ONE OF AMERICA'S

PONTIAC'S PERFORMANCE

SMALL CARS CAN OFFER-

Not one of the smaller cars can measure

Small budgets love big Fords

You don't have to be rich to enjoy fine-car luxury. The new kind of Ford is America's lowest-priced* big-car . . . yet it offers the beauty, V-8 GO and luxury ride of cars costing far more!

If you love big-car performance you'll love If you love thrift you'll love our '57 Ford. No car ever before has offered such perfect blending of big-car luxury and small-car

Once you take the wheel, you'll discover how the "Inner Ford" gives you the kind of ride you have experienced before only in cars costing far more. You'll find its advanced-

design chassis and lower center of gravity let it corner as if it were on rails . . . that its pony. Six or V-8 the going is great! But even though this Ford handles like an expensive car, it's still priced Ford-low. In fact, model for model right across the board, the 1957 Ford is the lowest priced of the

Ford is worth more at trade-in time And when you go to trade your Ford, you'll find Ford's traditionally high resale value makes it worth more at that time, too. Why not come in and Action Test this funlovin', budget-lovin' Ford? Why not come in

INSTRUCTION IN

Graded Courses in Classical — Popular Beginner — Advanced

SPECIAL PIANO THEORY CLASSES - BEGINNERS ten (10) week course consisting of Theory, Ear Training, especially designed for the beginner. Course will include charts, blackboard and visual aids to ald the student in learning the fundamentals of music step by step. The textbook is written and published by Mr. Miller, who will teach the class. This method of Visual Aids does not in any way deviate from the world established, orthodox methods of teaching, they present no short-cuts, but DO afford the teacher an opportunity of presenting the rudiments of music in an unusual and interesting manner, Tuition includes all materials, Limited enrollment.
