

Seniors Honor Bob Perry Largest Graduating Class Plans Chicago Trip; Commencement June 6

Ninety seniors—the largest number to ever graduate from Lowell High School, will receive their diplomas on Thursday, June sixth, in the commencement exercises at the All-Purpose Room of the Runciman Elementary Building.

Many members of the class have already made application for college entrance next fall. It is estimated that over thirty percent will enter institutions of higher learning next fall. Some will enter the armed forces; some will enter the realms of matrimony; some will seek employment, and others will remain home.

Annual Trip

On Tuesday, the 28th, most of the senior class will depart for Chicago on their annual trip. They will remain there for two days, returning Wednesday evening.

While in Chicago they will visit many points of interest, including the Aquarium, the Planetarium, Field Museum, and the Museum of Science and Industry. Some will attend Cinerama, and some a ball game; and all will take a night tour of the city, including the famous Maxwell street and enjoy a daytime boat trip around Chicago.

The seniors will be accompanied on their Chicago trip by Mrs. Patricia Mullen, Miss Vivian Voorhorst, Kenneth Williams, Ray Avery and Carrol Burch.

Honor Bob Perry

At Class Day this year, the seniors honored Bob Perry, Biology instructor and coach, by dedicating the school annual "Retrospectus" to him. The Juniors will honor the graduating class with a banquet and Prom on Friday, May 24th.

Baccalaureate services will be held in the Runciman auditorium on Sunday, June 2nd, and Commencement exercises will also be held there on Thursday evening, June 6th. Pictures of all graduates will also appear next week, together with the particulars of Baccalaureate and Commencement.

The car wash will be held this Saturday, May 25, and the same good work will be done as was promised in our article last week. Ten members of each of the four classes will form work shifts and will take care of your cars from 8:30 a. m. to 4:00 p. m. You may deliver your automobile to them, but if you wish to have pick up and delivery service just phone TW7 9216 Saturday between the hours of 9:00 a. m. to 3:30 p. m.

Joan, the daughter of Mr. and Mrs. Albert Bishop of 2065 Laramie Lake Dr., Cascade, was chosen by the school as the lucky member of the junior class to take this interesting summer trip abroad. Joan's trip is being sponsored by the high school.

She will live six weeks with a German family at Duisberg, and then will also enjoy a A. F. S. conducted tour through interesting parts of Europe before her return to the States. She leaves Montreal, Quebec shortly after June 19, and expects to be back home by September 7th.

Mrs. Boyenga's Mother Dies Here Monday

Mrs. Helena Martha Voss, 89, passed away Monday morning at the home of her daughter, Mrs. George Boyenga, 830 N. Monroe Avenue.

Mrs. Voss, a native of Germany, had lived most of her life in Howard City but for the past several years resided with her daughter in Lowell.

Funeral services were held at the Maple Hill Evangelical United Brethren church, Howard City, Wednesday afternoon; interment in Coral cemetery.

The deceased leaves 5 daughters, 3 sons, a step-son, 4 step-daughters, and 24 grandchildren.

DRESS WELL
... You can't afford not to! We'll show you how, at Coons.

Library Reopening Delayed Another Week

The re-opening of the Lowell Library in all its finery has been delayed inasmuch as some of the "finery" hasn't been drying as fast as it should due to inclement weather conditions. This is not good paint-drying weather.

It is expected that the library will be open next Tuesday, May 28. The grand opening and open house will be held later, and the Library Committee Chairman G. R. Thompson states that plenty of notice will be given to the public by announcement in this paper.

McIntyre School Votes To Join Lowell: 16-0

McIntyre School District voted Saturday, May 18, to annex to the Lowell school district.

The vote at the school house on West Grand River drive, was unanimous—16 to 0.

This is the fourth school district to annex to Lowell this spring. Others are McBrides, Valley, and Star. The Pearsall district in Ionia county voted against becoming a part of the Lowell school system.

Lions Club Wants Old Showboat Programs

The Ledger has been requested by the Lowell Lions club to help them in their quest for copies of old Showboat programs, preferably last year's or those from 1955.

The club is busy preparing the 1957 program, and need copies of old programs to use in this work. If you have such a copy that you are willing to donate, just leave it at Avery Jewelers, or phone TW 7-8375 and a member of the Lions club will pick it up at your home.

Warn Residents to Ask Solicitors To Show Permit

The Lowell Village Council heard a report by Village Clerk Laura Shepard at their regular meeting Monday night concerning the great number of house-to-house solicitors who have been coming to this area, and have attempted to sell without first obtaining a permit.

There is a village ordinance prohibiting salesmen from canvassing the village without a permit. This is obtained upon application to the village clerk, and after a check is made on the applicant's record. This check-up is often very revealing, and the applicant in these cases very seldom returns to the village clerk for his permit.

It is difficult to enforce this law if the resident householder does not demand that he or she see the permit before they allow the salesman to present his "wares". A tragic case recently in the township resulted in a woman being swindled by a self-styled "insurance salesman" who sold a policy, obtained a down payment, and then disappeared—the lady never received a copy of the policy incidentally.

The ordinance is to protect the Lowell resident from being talked into a product from an outfit which is not always strictly on the up and up. If the salesman is honest he won't object to this request for a permit. If he isn't, you really don't care whether his objects or not, do you?

Mrs. Charles Krum, 83, Native of Moseley, Dies Friday at Grand Rapids

Mrs. Minnie F. Krum, a native of Moseley, passed away Friday morning at her home in Grand Rapids. She was 83.

Mrs. Krum was born February 16, 1874, just west of Moseley. She lived in that general area for very many years. In February of 1895 she married Charles E. Krum, who now survives her.

She also leaves a niece, Mrs. Clyde Francisco of Lowell; three grand nephews, Bernard Kropf and George Francisco, both of Lowell, and Lee Francisco of Jacksonville, Florida.

Mrs. Krum's sister Ella F. Jake-way and her brother Waldo Francisco, who preceded her in death, will also be well-remembered by many Lowell residents.

Services for Mrs. Krum were held in Grand Rapids Monday, with interment in Alton cemetery, just north of Lowell.

CHICKEN DINNER

Freepoint Masonic Temple Sunday, May 26, 12:30 to 4:00 p. m. Adults \$1.50, Children 5-18 75 cents, tots free.

Friday is the Big Day! Lowell Prom Theme is "Paradise Isle"

"Paradise Isle" will be the theme of the 1957 Junior-Senior Prom, which will be held Friday evening at the local high school.

Elaborate decorations have been planned for the gymnasium, which will be transformed into an island (in the Pacific we presume) complete with palm trees, blue sky, and tropical birds on the wing.

The dance will be preceded by a sumptuous banquet, in the All-Purpose room of the Runciman Elementary building. Janice Washburn will be toastmistress.

Memorial Day Services

South Boston
The South Boston Cemetery Association will hold special Memorial services at the South Boston Community Church on Decoration Day, May 30, at 9:30 a. m. Rev. Vena Evans will be the speaker.

Merriman
The Merriman Cemetery Association Memorial Services will be held Sunday, May 26, at the Merriman Cemetery at 2:30 p. m.

"FIRED" FROM PHOTO
G. R. "Butch" Thompson quickly left the group which was greeting the mayor Monday morning at 11 o'clock, when he was informed that the fire department was answering an alarm from his home on King st.

"Butch" didn't even get a chance to get his picture in the paper, with Mr. and Mrs. Ted Pearson of Oxford, and the Lowell officials. And the fire wasn't serious either, just minor smoke damage.

HOLD GRAND OPENING
Jay Bolens Ford Inc. is holding its grand opening this Friday and Saturday. There will be several door prizes and gifts for adults and children. See advertisements on page 2 and 8 of this issue.

STANDING IN LINE
... is tiresome. No waiting for money orders at Rittenger Insurance Service. Three people to serve you.

Lowell Beer Store open every day and evenings until 10:00—Sunday until 7:00 p. m.

Fire Department Will Put on Show for Final Cub Scout Packmeeting

The Lowell volunteer firemen will put on a display of their equipment and methods of operation for the benefit of Lowell Cub Scouts of Pack 3102 tonight (Thursday) at the Showboat dock, Lafayette st.

This is the final packmeeting of the Lowell Cub Scouts before their activities close for the summer. The boys have been studying fire prevention and other facts about fire for the past month.

There will be a water display with the fire hoses, and each boy will have an opportunity to examine the ever-popular fire truck.

In the event of inclement weather the meeting will be held at the scout cabin, with a less elaborate fire show by the firemen.

Time of the meeting will be 7 o'clock and of course the meeting is not closed just to cub scouts—their families, and the general public are invited.

Notice to Advertisers and Correspondents

The Memorial holiday falls on Thursday next week so the Ledger will be printed on Monday, May 27. Therefore all news items from correspondents and advertising copy must be in our hands no later than Saturday, May 25. We will appreciate your usual fine co-operation.

"Wades" Through Mud and Water Carigon Captures First in State Track Meet Mile Run -- Time 4:37.3

Bob Carigon, the Arrows' crack miler, last Saturday captured first place in the mile run at the State 'B' Track Meet with a brilliant time of 4:37.3, running in mud and water. This victory, coupled with last fall's State Crosscountry first place, ranks him as Michigan's top Class 'B' distance runner of 1956-57.

Bob was runner up in the State half mile last year, and switched to the mile about midseason of this year. His victory Saturday was only the fourth time he had run the mile in competition this season.

Henderson Earns Second
George Henderson received the Arrows' only other points by taking a second in the 440-yard dash. Len Fase finished just out of the money, taking seventh in the low hurdles.

As a team, the Arrows tied for eighth in the State scoring race with nine points. The only other Grand Valley team to score was Arrow-archival East Grand Rapids, which placed third in the 880 Relay, good for twenty-fourth place in the meet.

Dump Grandville
Last Thursday the Arrows dumped Grandville 82 to 27. The Lowell squad captured twelve firsts, missing only in the high jump.

First place winners included Len Fase in the high hurdles (15.8), low hurdles (21.0), and pole vault (10.6); Ryder in the broad jump (19.6); Heintzelman in the shot put (39.9); K. Fase in the 100 (10.85), Smith in the mile (4:58.5), Henderson in the 220 (23.8), and converted dashman Don Dawson in the half mile (2:11.9).

Bob Carigon established a new school record in the quarter mile as he toured the track in 32.7 seconds to eclipse the old mark of 33.2. Bob, a regular miler, was hard pressed by Grandville's Fred MacEachron, the league's top dashman.

Bob Thaler

BANK TO CLOSE

State Savings Bank of Lowell will close Thursday, May 30, Decoration Day, a National Holiday.

Suffers Fall at Home; Not Found Till Next Day

Mrs. Hazel Patterson, 4531 Cascade Road s. e., suffered a fall sometime Thursday at her Eastmont home. She was not discovered until Friday morning by a friend, Miss Jennie Jasperse.

Mrs. Patterson was immediately taken to Butterworth hospital. She is suffering from a hip injury.

The widow of John Patterson, Mrs. Patterson was the treasurer of Grand Rapids township for 21 years. She lived in Eastmont for the past 50 years.

NOTICE OF SEMI-ANNUAL MEETING OF ADA TWP. ZONING BOARD

Ada Township citizens are hereby notified that the semi-annual meeting of the Ada Township Zoning Board, County of Kent, State of Michigan, will be held at the Township Hall in the Village of Ada at 8:00 p. m. Tuesday, June 11, 1957. Purpose is for discussion on zoning and any recommendations for changes in zoning that may be brought before the Board at this date.

John McCabe, Chairman
James McCormick, Secretary
Thomas Boylan and
Verne Morse, Members.

BIRTHS

To Mr. and Mrs. Richard Curtis May 16, at Blodgett hospital, a daughter, Deborah, weighing 7 pounds, 7 ounces.

To Mr. and Mrs. Willard Denick on Saturday, May 18, a girl, Lori Gay, weighing 6 pounds, at Blodgett hospital.

English Students Write Page of Michigan Week Edition

The Special English Class at Lowell High School with the direction of their teacher, Anna Mae Roth, have prepared the special "Michigan Week" page in the Ledger this week—this is Education Day of Michigan Week and appropriately the students, all seniors, have offered their page in honor of this special week. Pictured left to right in the above photo, in the front row, are: Nancy Condon, Elke Gildhoff, Jack Nash, James Bibbler, Darlene Stites, and Barbara Court. In the second row, left to right, are Donald Rink, Mrs. Roth, Carol Denkema, Linda Norwood, Perry Vanderveer, Larry Wittenbach, Jim Carr, Eugene Champion, Dick Tutt. Standing on the fire-escape next to the building, are Patricia Wittenbach, Marcia Keech, Cara Lee Croninger, Carol Kaufman and Errollyn Osborne. Next to Errollyn is Barbara Kelley, and in front of her are Nancy Yahnke, Ruth Ann Bloomer and Judy Fletcher. Other members of the class, but not present when the above picture was taken, were Chuck Dykhuizen and Leonard Fase.

Hot Lunches to Be a Surprise!

The hot lunch menus for the week of May 27th will be a surprise! The secretive manner of the cooks is not for any ulterior reason, but just because it is almost impossible to plan a complete menu for the full week with the holiday, and many school activities.

The lunch supervisor will endeavor to use up all remaining surplus foods before the end of the year, and the daily menu will also be determined to a great extent by the number of students who plan to eat at school each day.

A complete lunch will be served, however, and it might be fun to come and see just what you will be given to eat.

Memorial Day Safety Tips

Thousands of motorists, eagerly awaiting Memorial Day and the first of the major summer holidays, may be a little over-anxious to hit the open road, warns Safety experts.

To avoid possible tragedy, when highways are crowded and tempers sometimes short, we urge extra caution and care. Here is the list of safe driving tips for Memorial Day motorists.

1. Keep a safe distance behind the car ahead—at least one car length for each ten miles of speed.
2. Stay in your own lane on hills, curves, and in "no passing zones."
3. Don't pass at intersections and never attempt to pass more than one car at a time.
4. If you drink, don't drive.
5. Slow down when driving at night, and dim your lights to on-coming traffic.
6. Never drive a car if you are sleepy, fatigued or emotionally upset.
7. Never cross a solid double line to pass another car. It might be the last move you ever make.
8. Always get out of your vehicle by the curb-side door.
9. Slowpoke driving can be dangerous. Keep up with the normal flow of traffic.
10. Driving safely is a full time job. Don't sacrifice your life for a day dream.

Intoxicated Driver Fined \$100 Monday

Donald A. Bradley, 31, of 4 Mile rd., was arraigned before Justice of the Peace Howard Rittenger Monday morning and fined \$100 and costs of \$4.90 for driving a truck under the influence of alcohol.

Night Patrolman William Richard arrested Bradley Monday morning about 2 a. m. when he observed the truck on West Main street being driven in an erratic manner.

After spending the night in jail, Bradley was released Monday following payment of his fine.

Mr. Speerstra Buys First Poppy

Lowell Village President Peter Speerstra looks very pleased to be the first purchaser here of the poppy which reminds every citizen of this country to honor the dead and help the disabled—veterans of our country's wars, Little Miss Maureen Ann Hill, daughter of Mr. and Mrs. Charles Hill, Elm st., is the pretty "saleswoman" in the above picture. Poppy days in Lowell are this Thursday, Friday and Saturday, May 23 through 25. Both Lowell veterans' clubs will be selling poppies that day. Help them in their work, which is for the good of the veterans and their families. Memorial day is next week, so let's start remembering right now!

BEELDING WOMAN INJURED

Dorothy Jones, 209 Water St., Beelding, injured her hand at the Lowell Stamping Company Wednesday morning and was taken to Butterworth hospital. This spoils a record of more than a year of no lost time accident at the Stamping Company here.

NOTICE

Will not be trucking cattle after June 1. Thanks to all my customers for the past business.

p-5-6 Jack Nelson

Lowell Officials Welcome Oxford Village President, Wife

Mr. and Mrs. Ted Pearson of Oxford were warmly welcomed to Lowell by the officials of our village Monday, to open Michigan Week festivities here, Mayor Exchange Day, May 20, Mr. Pearson, who is village president of Oxford, came to our town while our own president Peter Speerstra and Mrs. Speerstra were similarly greeted at Oxford. Pictured, left to right, are Mr. and Mrs.

Oxford is a town just about the same size as Lowell, located a little north of Pontiac. President and Mrs. Speerstra met Mr. and Mrs. Pearson, enroute to their respective visits, at a coffee shop in Owosso, and exchanged personal greetings.

Warmly Greeted
The Speerstras report a delightful day at Oxford. They were met by the school band and members of the council and chamber of commerce of Oxford. A luncheon was held in their honor, and following this a special musical program was given by the high school chorus of 16 voices, and

two cornet players offered several duets.

A tour was then taken of the Oakland County Camp for Boys which is supported by County Service Club for underprivileged children. Sixteen young boys are presently making their home at the Camp, which also includes buildings and swimming facilities for 400 summer children, on a two-week rotation basis.

They also visited the gravel pit area for which Oxford is famous—purportedly being the largest producing gravel pits in the world.

Exchange Ideas
Although a meeting had not been

arranged for an exchange of ideas with the Council, Mr. Speerstra did find out some facts of special interest, inasmuch as the two towns are the same size. Oxford has its own water but no sewer system. They buy all their electricity, costing them \$8,400 for street lighting and water pumping.

Outlying townships pay the village \$125.00 each for all fire runs. And they have 156 parking meters on Main street which take in an average of \$175.00 per month revenue for the village.

HOPE COME... MEMORIAL DAY?
"I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation, indivisible, with liberty and justice for all."
These words, should be engraved within the heart of every U.S. citizen. We have freedom and enjoy it, but fail to grasp its full meaning and value. Could you seriously put it in dollars and cents? If you would be departed tomorrow... how much would you give to keep it?
Next week we will decorate the graves of those who gave their lives so that we might enjoy this freedom. The first formal observance, in 1868, was celebrated by all army posts in memory of fallen comrades of the Civil War.
Most of us won't see a parade or even display our beautiful American flag. Have you forgotten what the day is for? Many Europeans will never forget the value of freedom.
We'll be closed next week Thursday. Make your plans for a wonderful day. Whether you stay at home or go picnic, you know we've got all the "fixin's" for the best in eating. If you picnic... drive with care... the right to live is the reward of freedom.
Next week we'll talk about a great industry—stop around.

CHRISTIANDER SUPER MARKET
We have had many inquiries regarding enrollment. For those who were unable to come in for registration last week, we will continue enrollment this Saturday, May 25, from 9:00 a. m. to 9:00 p. m.

IT'S GREAT TO LIVE IN MICHIGAN IT'S GREAT TO LIVE IN LOWELL ... a community of neighbors

The World's Biggest

By L. C. Wittenbach

Cities Service Oil Company plans a MILLION DOLLAR expansion program at the natural gas storage plant in Lowell!

The present capacity of five million gallons will be increased to FIFTEEN MILLION gallons of storage space in the underground salt wells!

The flow of natural gas through a six-inch, continuously-welded, one hundred and sixty-

eight mile-long pipe line from Chicago to Lowell will be controlled entirely by the most modern automatic equipment!

When this is completed in September, this plant will be the WORLD'S LARGEST and will supply ALL of Michigan, all of the New England states and parts of Canada, by tank car and truck. Also Chicago when needed, by pipeline.

Did You Know That...?

The Paul Kellogg Vinegar Company—

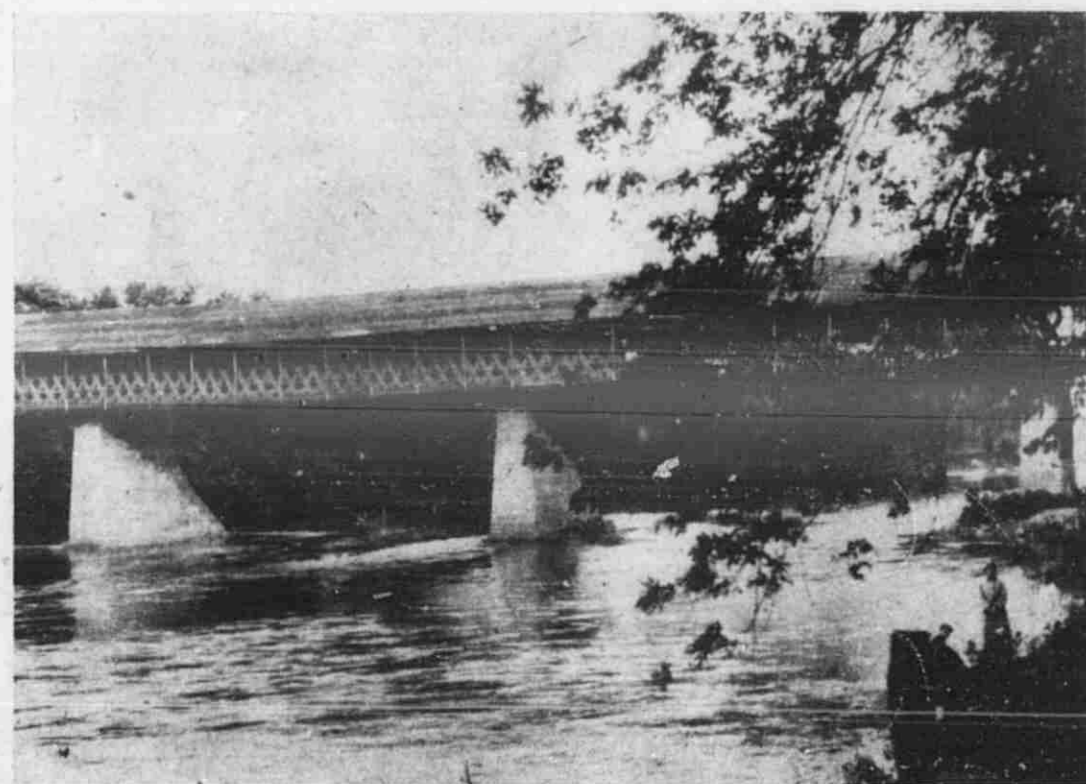

1. Is Michigan's largest individually owned vinegar factory.
2. Is the third largest vinegar company in Michigan.
3. The apples come from a radius of more than 100 miles.
4. Was founded in 1894.

Our six new-car dealers have sold over 325 new 1957 model cars this year.

Runciman Elementary School

By Ruth Ann Blomster and Nancy Condon

Cost approximately \$350,000. Students—257. Teaching staff—8. Classrooms—7. Other rooms—teachers lounge, two offices, clinic, library, All-purpose room, used two or three nights a week. Used by girl, boy scouts, PTA, church organizations for lectures, plays, dinners and general. Cafeteria with well-equipped kitchen. Built-in stage.

Pictured is the covered bridge over the Grand River at Ada, and removed in 1917 when the present bridge was constructed.

Swimming Pool

The pool will be 40 feet x 75 feet. Also there will be a separate wading pool about 25 feet in diameter for the smaller children.

There will be a fence all around the swimming area. There will be the bath houses, and walks all around the pool.

Separate from the pool will be some playground equipment for the children who do not wish to swim. The cost will be \$40-\$50 thousand.

Location for the pool is Recreation Park where we will be able to use the bath house for dressing rooms during football, baseball and track seasons. It will be arranged differently for an entirely new program.

Youth Recreation Center

(Interviewed Bill Jones)

By Errolyn Osborne

American Legion members, when they went to the people of Lowell for money, asked them to give to a fund which would be used to start a building for a bowling alley and the second floor of the building would be used for the many youth activities of the town.

Originally the second floor would be made into a roller skating rink. Possibly the second floor of the library could be used for a Youth Recreation Center where a ping pong table and other facilities could be set up.

The Village Council has been thinking about planning a full-time summer recreation program. Mr. Jones said, "I personally think it will be a long time before a building for recreation for youth is set up or a fund started."

My Impressions of Lowell

Written by Elke Gilthoff

The Lowell Community shows a great interest in other countries and its people. There have been several exchange students in Lowell and last year I had the good luck to be chosen under the "American Field Service" program to spend a year in Lowell as an exchange student from Hamburg, Germany. I was sponsored by the Lowell Rotary Club and it was just wonderful to see the Lowell people, the Lowell High School in which I am a senior, and especially my wonderful American family accepted me in their community as one of their members.

I arrived last August and since that time I talked to different clubs and groups in Lowell about Germany and my experiences here and each time I am so grateful to see how much interest the people show in my talks. I am always impressed by what the Lowell people accomplish as a community and these people helped me to learn that the American people do not only exist out of cowboys and millionaires as you could think by seeing American movies.

I never thought I would get used to a small town for Hamburg has now 1,750,000 people and I had a hard time to locate Lowell on my world maps. But I think now that I found the best place and the best family in America. By staying in Lowell for a year I learned to love America and all the American people, and I shall be proud to tell the German people what America really is like, and how friendly and helpful the people are.

Mr. Gumsor on Future of Lowell School

Written by Eugene Champlin

In the next several years the high school should remain about the same. The starting of a high school in the Forest Hills area will draw around one hundred students from Lowell High but this factor will be offset by the larger group of students coming up from the elementary school. The present building should be able to handle the expected 450 to 500 students for several years. Especially when the Junior high is moved to the intermediate building in 4 to 8 years.

An addition will be made to the elementary school in two or three years, but where and how this addition will be made is yet to be decided. There are several possible sites for new buildings and an addition may be made to the new elementary building. At any rate the community will certainly maintain a good school well able to educate the children coming in later years.

Sponsored by the Lowell Board of Trade and The Lowell Ledger

Showboat

By Don Rink

The Lowell Showboat is strictly a local project with the proceeds going to community buildings and recreation.

The Showboat has had about 75% of its performers local men, women, and children. The school band and some of its choir take part in each program. The endmen consist of our High School Superintendent and one of our teachers who have been with the Robert E. Lee for 17 and 13 years respectively. The rest of these colored clowns are local businessmen who are most interested in keeping this community a good one.

Master of Ceremonies, C. H. Runciman, has been with the Showboat since it began in 1932. He has been in more than 100 performances and is also our School Board President. The Showboat time is truly a happy time in Lowell.

Cooperation Among Churches

By Len Fase

Methodist, Congregational, Nazarene, Baptist, Christian Science, Catholic, Christian Reformed.

Congregational and Methodist join together for annual Easter Cantata.

Nazarene, Congregational and Methodist affiliate to present the annual Good Friday Service.

All faiths alike turn out for each others suppers and programs. General all-around co-operation among all faiths in Lowell.

Engagements Announced

Yeskey-Cox
An engagement of interest to Lowell residents will be that of Miss Barbara Jane Yeskey of Grand Rapids to David Clark Cox, Jr., of Franklin st., that city. Mr. Cox is the son of Mr. and Mrs. David C. Cox of Sarasota, Florida, but formerly of Lowell.
The senior Mr. Cox was employed in the Electric Eye Sorting plant at the Runciman company for many years when the machinery was first developed.

Mr. and Mrs. James Frederick Cahoon

The First Methodist Church of Lowell was the scene of a very pretty wedding, Saturday evening, May 11, uniting Jacqueline Sue Lawrence and James Frederick Cahoon in marriage. Rev. J. M. DeLaney performed the double ring ceremony. The parents of the bride are Mr. and Mrs. Willard Lawrence of South Boston, formerly of Geneva, Indiana, and the groom is the son of Mrs. Jessie Cahoon and the late Maurice Cahoon of South Boston.
The altar setting was beautiful with baskets of white snapdragons and pink daisies and candelabras at the sides. Mrs. Walter Olson sang "Because" and "I Love You Truly" with Mrs. Dale Hanson at the organ.
Given in marriage by her father, satin was enhanced with a peplum

Michigan Rural Beauties Tour East

Four of Michigan's most charming rural beauties will hit the road Saturday for a one week good will tour as a part of the state's annual Michigan Week celebration.
The girls are all teenage agriculture queens sponsored by organizations of the various communities represented and Michigan Department of Agriculture. They will spread the good word about Michigan in visits to Jamestown, Williamsburg, Richmond, Washington and New York.
The four queens are: Nancy Kay Phillips, 18, of Holt, Cherry Queen; Connie Hoff, 19, of Sandusky, Bean Queen; Amelia Stamm, 17, of Hastings, Dairy Princess; and Brenda Tait, 17, South Haven, Blossom Queen.
Monday they will participate in the raising of a Michigan flag at historic Jamestown as part of Virginia's 250th birthday celebration. The queens will also plant a Michigan Montmorency cherry tree at Jamestown and later will be the guests of Virginia's Governor Thomas B. Stanley.
Tuesday they will be in Washington to attend a breakfast for Michigan Congressmen, members of the Capitol Press Corps and members of the Michigan Society of Washington. During the day they will meet Agriculture Secretary Ezra Taft Benson, Michigan Senator Patrick McNamara and will go on a White House tour.
Wednesday the queens will be in New York where they will spend three days touring and meeting dignitaries including Mayor Robert F. Wagner. They are also scheduled to appear on a half dozen TV and radio network shows including Strike 1 Rich, May 24; Tonight, May 23; Robert Q. Lewis radio show, May 22; Stand Up and Be Counted TV show on May 24, and one other New York local TV show May 21.
They will be accompanied on the trip by Mr. and Mrs. Joe Wells of Colorado. Mr. Wells is administrative assistant in the Michigan

News of Servicemen

Address
Pvt. Donald E. Bergy, who has been in the service for ten weeks, has the following address: US-55380376, Co. G, MP, Tng. Regt., Box 15, Fort Gordon, Georgia.

Airman First Class Fredrick O. Grummet has re-enlisted in the United States Air Force for a period of four years.
Airman Grummet says: After discharged in March 1956, I worked at several different jobs. During this time I thought of returning and making the Air Force a career. I finally decided after talking things over with my wife that the vast opportunities offered, Pay, Travel, Specialized Schooling, and Medical Care was something a person could not toss to one side.

My prior service covered assignments at Lackland Air Force Base, Texas; Andrews Air Force Base, Maryland; and a one year tour of Iceland; and a mine-polis-St. Paul International Airport.

Airman Grummet, son of Mr. and Mrs. Ronald Grummet, of 402 Kent Street, Lowell, Michigan, was assigned to the Detachment on May 14, 1957 as a firefighter, with the Crash Rescue Unit.

Airman Grummet is married to the former Rebecca Fairfield of Oscoda, Michigan.

Army PFC Donald J. Wright, whose wife, Vera, lives at 7521 Sixty-eighth st., Alto, Michigan, recently completed a three-week field training maneuver with the 10th Infantry Division in Germany.

Wright, a wireman in Heavy Mortar Company of the division's 8th Regiment, received practice in night fighting, map reading and squad and platoon tactics under simulated combat conditions. He entered the Army last May and completed basic training at Fort Ord, California.

The 22-year-old soldier attended West Catholic High School, Grand Rapids. His parents are, Mr. and Mrs. Harold Wright, who live at 1019 First st., N.W., Grand Rapids.

Others in attendance were Lyle Gardner of Oak Park, Mrs. Mayme Luz of Ionia, Pete Dewey of Wayland, Melvin Lewis and his daughter, Virginia, of Lowell.

On Thursday Mrs. Luz's two brothers of Edmore, and a sister from Stanton, entertained her further by taking her out to dinner.

Then on Monday Mrs. Luz entertained Mrs. Mary Potter for their birthdays—which coincide, and which they have celebrated together for the past 32 years.

When we printed our story last week about Nancy Oatley being in the hospital at Hancock, we were in error in reporting that it was Miss Nancy Oatley, when it was really Mrs. D. H. Oatley who had submitted to surgery.

We understand that Mrs. Oatley was to return to her home in Calumet this week. The Oatleys were residents here for many years, and we know their friends here will be happy to know that Mrs. Oatley is able to return to her home.

Several of the VFW Auxiliary members from Lowell attended the 8th District Rally at the VFW National Home in Eaton Rapids, Sunday May 19th.

Miss Maryann LaDuc was woeed 8th District trustee for the ensuing year. Others attending were Mrs. Phyllis Wittenbach, Mrs. Fernie Kelley, Mrs. Hazel Ortowski and Mrs. Adah Rinard.

Increased camping fees will be in effect June 1 at Michigan's state parks and recreation areas. All camping permits issued on or after June 1 will require campers to pay 75 cents per day, plus 25 cents for electrical services, if used. Permits are issued at the individual parks.

The present camping rate is 50 cents daily, plus 20 cents for electricity.

All campers receiving permits during May will be charged at the old rate, even if the camping permit period extends into June. This will allow Memorial Day visitors to camp through the holiday week end at the old rate, if they obtain a permit before June 1.

The project for the evening will be "Weed Painting". Please collect as many interesting leaves or weeds as you can by Thursday and bring your own paints and brushes.

What you don't know costs you money—and plenty of it.

According to the engagement announcements The Ledger has received during the past few weeks, this spring and summer is going to be one of the busiest ever as far as weddings are concerned.

Everyone loves a wedding and one of the nicest ways to tell about the affair is through publication.

The Ledger welcomes such items, but in order to do justice by them there are certain things the bride-elect or her family can do to make it satisfactory. One of the most important of these is getting the information to us several days before the big event. We can't publish it if we don't know about it.

Another way you can help us give you a good write-up is to make arrangements with your photographer for a picture to be delivered to the Ledger by Tuesday morning of the week you wish the story published.

With your cooperation we can give you the kind of a report you would like to have. Congratulations, and lots of happiness.

Lowell News

Mrs. Maxine Kropf and son Johnny visited her parents, Mr. and Mrs. Loren Dygett at Caledonia, Sunday afternoon.

Mrs. Jennie Berry, and sister, Mrs. Hazel Gilbert of Grand Rapids spent Monday with their brother, Dr. L. E. Kelsey at Lake View.

Prof. and Mrs. Jack Prother of Eureka, Illinois and Mr. and Mrs. Robert Pohl and daughter, of Chicago were week end guests of the Misses Mary and Lydia Winger.

Mr. and Mrs. William Roth and Mr. and Mrs. Lloyd Wisner were guests at a buffet supper honoring Nancy Jean Roth and Robert Kuyers in Grand Rapids, Saturday night.

Albert Boone of Traverse City was an overnight guest of the Rev. and Mrs. Keith M. McIver last week.

The Rev. and Mrs. McIver attended many of the meetings of the Silver anniversary of the regular Baptist Churches which were held in the Civic Auditorium last week. They were especially interested in hearing five refugee ministers from behind the Iron Curtain.

Mrs. Byron Weeks was the guest of her daughter, Mrs. Bill Vickers of Spring Lake at a Mother-Daughter banquet given by the ladies of the church of the Nazarene, Thursday night.

Mrs. Florence Whitfield and Mr. and Mrs. Harold Bönz spent Sunday with Mrs. Wm. Cowles and Ted in Belding.

The Rev. and Mrs. J. M. DeVinney accompanied Mr. and Mrs. Gerry Owens to Albion Friday evening to attend their son Richard's organ recital. A reception was given by his parents following the recital. On Sunday afternoon the Rev. and Mrs. DeVinney attended "Parents Day" at the Tau Kappa Epsilon followed by a Band Concert directed by Richard won the cup with their presentation of "The Creation".

Freeport Masons and Eastern Star chicken dinner Sunday, May 26, 12:30 to 4:00 p. m.

A picnic will be held at the Star schoolhouse Saturday, May 25. Potluck dinner at noon, bring own service. Everyone welcome. Come meet former teachers, schoolmates and friends.

Mrs. B. Bradford Murphy will present her vocal and piano pupils in two recitals, one this Sunday and the second on Wednesday May 29. Both programs will be held at the Lowell Congregational church, and are open to the public.

Young pianists to be presented on the Wednesday evening program, which starts at 7:30, are Shirley Biggs, Judy Fairchild, Carolyn Rittersdorf, Bradford Harris, Bromwyn Harris, Fred Bowen, Patsy VanLaan, Eileen Haight, Cathy Tapley and Patti Lee.

On the Sunday afternoon program which will begin at 4 o'clock many vocalists will be heard, and Joe Mix, violinist, will be guest soloist. Mr. Mix will present a selection which was composed by former Lowell resident Victor Reynolds.

Mr. Reynolds will appear on the program as a vocalist; also to be presented are Miss Elke Gildhoff, Mrs. Charles Ellis, Mrs. Hugh Oman, James Badge, Mrs. Clark Oliver, Mrs. Gladys Matthews and Francine Reinberg.

NANCY JEAN ROTH HONORED AT BRIDAL SHOWER
Miss Nancy Jean Roth was honored Thursday evening with a miscellaneous bridal shower by Mrs. Lloyd Wisner and Mrs. Russell Faulkner at the home of Mrs. Monroe Merrill of 28th Street.

The guest of honor received many beautiful and useful gifts. Delicious refreshments were served by the hostesses at the close of a very enjoyable evening.

EXTENSION CLUB WILL MEET HERE TONIGHT
The Town and Country Home Extension Club will meet Thursday, May 23 at the home of Mrs. Philip Kropf at 8 o'clock. The co-hostess will be Mrs. William Griffith.

The project for the evening will be "Weed Painting". Please collect as many interesting leaves or weeds as you can by Thursday and bring your own paints and brushes.

What you don't know costs you money—and plenty of it.

According to the engagement announcements The Ledger has received during the past few weeks, this spring and summer is going to be one of the busiest ever as far as weddings are concerned.

Everyone loves a wedding and one of the nicest ways to tell about the affair is through publication.

The Ledger welcomes such items, but in order to do justice by them there are certain things the bride-elect or her family can do to make it satisfactory. One of the most important of these is getting the information to us several days before the big event. We can't publish it if we don't know about it.

Another way you can help us give you a good write-up is to make arrangements with your photographer for a picture to be delivered to the Ledger by Tuesday morning of the week you wish the story published.

With your cooperation we can give you the kind of a report you would like to have. Congratulations, and lots of happiness.

SPORTS

Lowell Relays Display Stars Of State Meet

The Lowell Relays held Monday were quite unusual this year, as among the participants were the state low hurdles king (Don Masengale of Ionia), state mile champ (LHS's Carigon), and state 440 runnerup (Lowell's George Henderson). The Red Arrows came out of the four-team scrap the victors with 77-1/2 points. Belding captured second with 51, Saranac was a surprising third with 32, and Ionia with 31 rounded out the scoring.

The Arrows captured firsts in the high jump, broad jump, shot put, pole vault, medley relay, mile, 440, and the 880 relay.

Lowell's sophomore whiz, Chuck Ryder, captured firsts in the high jump and broad jump, and ran on both winning relay teams to collect four blue ribbons. Ionia's ace Don Masengale took both hurdles events for the only other double event winner.

The spectacle, sponsored this year by Ionia, was held at Recreation Park, Lowell. The victors received a rotating trophy which will be passed on to next year's winner.

Arrows Hope to Tie for G-V Track Crown in Conference Meet Friday

Friday marks the date of the Grand Valley Conference track meet in which all the league schools participate. The Red Arrows, if they are able to win this meet, could move into a tie for the Valley crown with East Grand Rapids. Preliminaries, and the high jump and shot put finals were held Wednesday afternoon at Lee Field. Finals will be Friday afternoon at Lee Field.

Notables
Notable Arrow entries include L.

CARD OF THANKS
We wish to thank our relatives, friends and neighbors for their kindness and sympathy in our sorrow, the loss of our mother and grandmother, Mrs. Nettie Fryover. To Rev. DeVinney for his comforting words. Again we say "Thank you."
The Family

CARD OF THANKS
Many thanks to those who sent cards on my 75th birthday. Your thoughtfulness will always be gratefully remembered.
Mrs. Carrie Ayers

With a few good breaks, the Arrows could take the title. Last year 300 LHS students attended the meet, and as many are expected this year. Let's back our track team in their final meet!

State Police Schedule Holiday Highway Patrols
Holiday week end schedules of the Michigan State Police for 1957, the first such period being the coming Memorial Day week end, again call for all available enlisted personnel being on either desk or patrol duty, cancellation of pass days, and patrols working 10-hour shifts.
In addition, 180 National Guardsmen will be assigned to the State Police for traffic duty and 120 to sheriff departments.
The intensified schedule of the State Police over the Memorial week end will be in effect from 12 noon Wednesday, May 29, to 12 midnight Sunday, June 2.
Similar schedules are planned over the Fourth of July and Labor Day holiday periods.
The worst Memorial holiday period on record was in 1941 when 58 persons were killed, and the best was in 1950 when only four died. Last year there were 10 deaths. Part of the difference is accounted for by the length of the periods, which varies according to the day of the week the holiday falls on.
