Who doesn't! The question is-what about a gift? Well, one of the most practical and stylish gifts is an extension phone in color! Additional phones make life so much easier, and they're appreciated all year ong. As

gifts, they're not likely to be duplicated by others. An extension phone costs only about a dollar a month, plus one-time charge for installation and color. The charges can appear on your regular telephone bill. Choose from eight smart decorator colors.

HOW OFTEN do you use a public phone? If you're like a lot of people, you're using them more and more. Especially since they're getting so convenient. Wherever you go, you're likely to find a public phone-inside drugstores and restaurants, and outside for peopleon-the-go. Gutdoor phone booths are lighted at night and open 24 hours every day in the year. It's a natural thing, when you're out, to use a public telephone-your "phone-away-from-home."

PLAN YOUR VACATION TRIP by Long Distancethe fastest, surest way to get information on resorts and travel facilities all over the country. Make your reservations by Long Distance, too-no mistake about dates or rates. Speak

ing of rates, did you know you can call places a day's drive away for less than a dollar? Take along a Telephone Credit Card, too. Then you can call Long Distance anywhere along the way and have the calls billed to you at home. Phone our telephone business office and ask about a credit card.
