Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good excessive loads off the front wheels, looks, its advanced features, are the wide stance of outrigger rear only part of the story. The big springs, Ball-Race steering, spherbonus is its remarkable roada- ical-joint front suspension. Sure, bility, the crisp precision handling you can admire the sculptured that has posted an entirely new lines in the showroom. But Chevy's standard for cars in every price a car specifically designed for class. There are reasons for this, beautiful motion-you have to of course: Chevrolet's balanced travel in this one to know just how weight distribution that takes terrific it is. Try it, this week!
