We Need Help

We hope every 4H leader in this area reads this notice. We need help from VOU!

The 4H Fair is coming up just a few days, and we would appreciate it very much if each individual club leader would make it his or her responsibility to see that this paper receives a list of all the prize winners in their particular group.

That way we won't miss anyone. The 4H work 's very important, especially to the young-sters taking part in it. And we want to be sure we give credit where credit is due.

Deadline for the August 22 issue is Tuesday morning, August

It is impossible to obtain this information from the Kent County 4H office in time for our August 22 edition. So please help us
