# **Moore Resigns Municipal Utility** Post, After Six Years of Progress

The Lowell Council is looking ing from the City Hall, Seems that there are not enough seats for some organizations meetings.

Whoever may have these chairs is asked to return them.

Council Briefs

Mrs. Esther Fahrni, village treasurer in her final report to the Village Council revealed that all of the village property taxes have been paid except for \$179 out of a total tax billing of \$38,374,

The council requested permission from the State Highway Department to place overhead Christ-

mas lights over the Main Street. Mrs. Otto Conrad appeared at the council asking help in abating a radio interference nuisance near their residence on West Main St.

The Council told her there is no interference ordinance in the village but requested the village attorney to give her all the help he could with the FCC.

Extensive repairs and remodeling is underway on the Baptist Church front, on E. Main St.

### **Arthur Green Observes** 90th Birthday Tuesday

Arthur Green celebrated ninetieth L'ethday Tuesday, vember 12. He has lived in Lowell vicinity for eighty-five years having moved here from Spring Lake with his parents at the age of five, when his father was appointed section-boss of the Grand Trunk Railroad at Lowell.

Sixty-five years ago last July, he was united in marriage to Lena Onan and they still live in their farm house on Grand River Drive.

Children, grandchildren and great-grandchildren all helped Mr. Green celebrate his birthday Tuesday evening. Twenty-three were present but many members of the family were unable to attend because of distance, sickness and military service.

Mrs. Byron Green of Ann Arbor, Rev. and Mrs. Harold Green and family of Grandville, Mr. and The first buck reported to the Mrs. James Green and daughter. # **Gordon Frosts Wedded Fifty Years**

The golden wedding anniversary of Mr. and Mrs. Gordon Frost will be observed Sunday, December 1, from 2 to 5 in the afternoon at the home of their son-in-law and daughter, Mr. and Mrs. Donald McPherson, in Vergennes township, seven miles north of Lowell. The Frosts were married in Grand Rapids November 27, 1907, and have lived in Lowell since that date. They have three children, Mrs. McPherson and Mrs. Allison Roark, both of Lowell, and Oren Frost of Miami, Fla., and there are 18 grandchildren. No formal invitations have been issued and all friends and relatives will be welcomed at this celebration.

### Mrs. Wesley Crooks, 72 Dies After lilness

LOWELL, MICH., THURSDAY, NOVEMBER 21, 1957

Mrs. Wesley H. Crooks, 72, passed away Saturday, November 16, in Futterworth hospital where she had been a patient the past two Utility Superintendent who came all departments of the plant to weeks. Agent Announces 'Featurama', New Insurance Plan

A completely new and broader More Individual automobile insurance policy has been announced by Gerald E. Rol- Individual differences in children announced. Called "Featurama" the new Citizens' Mutual Automobile Insurance Company policy is in six Colorated, according to Willard C. Olson, dean of The University of Michigan School of Education.

About 150,000 telephone users in Lowell and 30 other Western Michigan Communities have Direct Dial service, McKee said. liability other than automobile, for maturity for all children. torists or the hit-and-run driver. six-year-old children will range in Marietta, and Springfield.

Both under the Automobile Medical Payments Section and under the Uninsured Motorist Section the policy covers all passengers in the insured car at the time of accident. If a child of the policyholder is struck by an automobile while riding a bicycle or his wife is struck while she is crossing the struck of the struck while she is crossing the struck while she is crossing the struck while she is crossing the struck while she is crossing the struck while she i new policy. Friends and relatives of the policyholder are covered for injury while passengers in his car.

The policy was written and illustrated so as to be easily readable and readily understood by the average automobile owner.

Select books and other classroom munities among 27 states and the District of Columbia dialable direct from Lowell phones.

"If women are so smart, why do they sit down in the movies and then try to take off their

The company reports its agents classroom situation for learning the best classroom situation for learning the at a state-wide series of meetings three R's, Dean Olson emphasizes. expressed enthusiasm of the new the teacher must plan for social 'Featurama' policy.

WHAT GIFTS BRING pleasure every day of the year, make life easier, and are not likely to be duplicated? Additional telephones in color, of course, a welcome solution to the "what to give" problem. Bedroom phones are won-

derful for Mother. Dad would get a real kick out of a telephone for his den or basement workshop. And teen-agers think a phone in their own room is tops. Christmas will be here before you know it-a perfect time for giving gift telephones.

THE DISTANT EARLY WARNING LINE -a chain of radar stations stretching 3,000 miles across the Arcticis now in operation and will give 4 to 6 hours warning if enemy planes approach from the north. The Air Force asked the Bell System to design the DEW line. Among the thousands of men who worked for many months in the cold and desolate Arctic to complete the job on schedule were 4,478 telephone men-many from Michigan. The Bell System skills that produced the DEW line are the same ones that help make your telephone service better and more useful to you every day.

WE RAN ACROSS these figures recently, and we thought you might be interested in seeing how the telephone industry is contributing to Michigan's prosperity. Last year the Bell System's manufacturing and supply unit,

Western Electric Co., paid \$19,325,784 for supplies and materials bought from 1,223 firms in some 146 towns and cities in Michigan. That's quite a lot of business coming into the state, creating job opportunities and helping to keep the factories humming. Since we're all Michiganders ourselves, we're mighty glad

TOO LITTLE, TOO LATE is the way we Dodge dealers feel about competitors' efforts to match the Swept-Wing 58. They lowered the roof some, but left the sides high. Their windshields got smaller while ours got bigger. So much for styling. Then, for another important comparison, take ride. Here's Dodge with Torsion-Aire suspension that just about everybody admits is the greatest advance in sway-free, dip-free, silent going that any car offers. So what do these other cars do? They borrow an air suspension system that's been used in buses for two years! (Costing well over \$100.00 extra.) And most of 'em still don't have push-button driving-much less Dodge TorqueFlite-the proven automatic transmission. If you're a little disappointed in the '58 version of your car, come on in and see our Swept-Wing 58. The others are catching on-but they can't catch up.

# "How do you know when we need fuel OIL?"

Even without seeing your tank gauge, we the part we play in America's progressive know how much oil you are using-and when we should make our next delivery. This service, which we call our "degree-day" system, practically guarantees that you'll never be caught short; never run out of oil-even in the coldest weather. It's only one of the many special services we offer you-in addition to supplying you with the finest home fuel oil available at low prices.

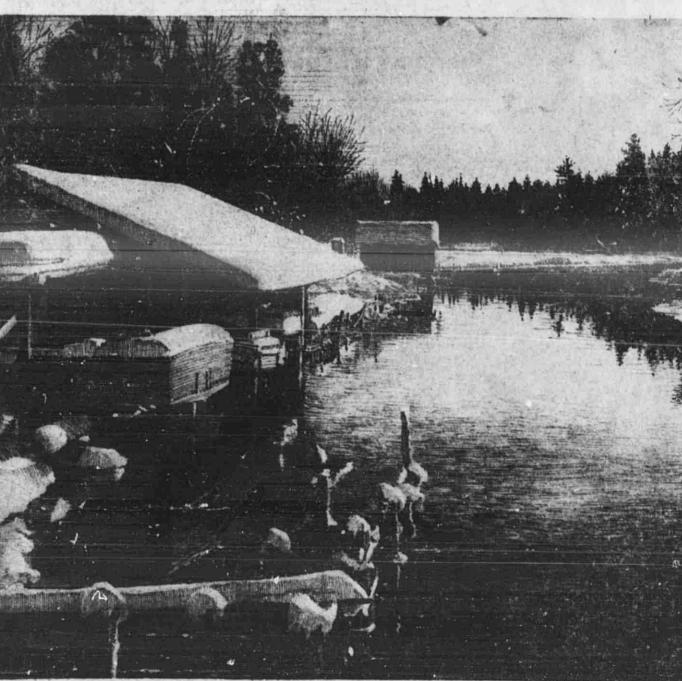

Servicing you and your heating needs is a warm, comfortable winter,

oil industry. And there are thousands of other oil companies that serve you, too. Some of them look for oil; others transport it; still others refine it into many useful products-from gasoline and oil to new miracle fibers. But we independent businessmen have one thing in common - we are free to compete with one another. And you benefit,

So call us today-and let us help you have
