reported this year to the Michigan Department of Health, including 35 in Detroit, two in Lenawee county, one in Genesee county, and two in St. Clale county. Proceedings of the Soviet Union and is author of the books "Leninism" and "Marxism" published by the Harvard University Press.

Of the Russian political cityation.

two in St. Clair county. During the same period of 1956.

Even normal persons after the sitters nave themselves become involved in tragic circumstances through their sitting jobs.

This makes it imperative that the sitters persons after the sitters per Even normal persons, after smo- sitters parents know the situation said: "The question of who is goking one cigarette, register higher blood pressure, increased pulse and lower temperatures in the hands and feet. So reports a recent magazine article.

Sitters parents know the situation in the solution of that the young person will be in as well as that the employer should know basic facts about her.

Here are some of the most important things that baby sitters must do:

1. Before the parents leave, know a whole." 1. Before the parents leave, know where they can be reached and when they expect to return.

2. Get from them a list of emergency telephone numbers which include the fire department, police, a doctor, close relative and reliable neighbors.

The struggle for power in Russia, Dr. Meyer opines, is also a struggle against power. And with scant information, self-styled "experts" on Russia have done too much irresponsible speculation, he added. liable neighbors.

3. If there is no phone in the home, ask for specific instructions to follow in case of an emergency.

4. Know the following: where first aid supplies are located, how young, he could not even afford open them unless you are absolu- the age of four, he dreamed tely sure that it is all right to do were done in chalk on the kitche

6. Toys small enough to swallow should be kept away from the baby and toddler.

You're getting old when the gleam in your eye is from the sun hitting your bifocals.

7. In case the child is choking,

bringing out the latent talent in all M. S. U., East Lansing, Michigan.

sary.

"And while you're in his office," he continued, "you can also receive a tetanus booster if you haven't had a tetanus shot in the last five years, The two boosters can be given to you in just one injection. And in the other arm you can receive a polio shot if you need one."

To Baby Sitters

Baby sitting has become a definite part of our culture. This you need one."

Last five years, The two boosters can be given to you in just one injection. And in the other arm you can receive a polio shot if you need one."

Through December 10 a total time of year, there will be a locational system is geared to bringing out the latent talent in all the population and we have known for some time that the Russians have been producing more and better engineers than we are."

The higher the grade average in Russia, the more scholarship more ey the student gets, Dr. Meyer stated.

SPONSOR BAKE SALE IN ADA SATURDAY, JAN. 11

The 4-H Horse and Western Equipment group of Ada will hold ers. a bake sale Saturday, Jan. 11, 1958, between 1 p. m. and 4 p. m. at the Village Store in Ada. The purpose of the sale is to purchase uniforms for their drill team which and cards sent during my stay will show in the summer.

The group is now making western equipment such as horse halters. bridles, saddle blankets, western belts and moccasins as their winter project. Mr. and Mrs. George ! VanderWarf are the leaders of was so kind and thoughtful to us Women of the Moose meeting to attend the meeting this group.

An alligator has tremendous powor in its bite; but, the muscles used to open those jaws again are unbelieveably weak. A man can easily hold an alligator's mouth shut with one hand. That is the secret of performers who wrestle alligators in shows,

BUILD WITH PLYWOOD

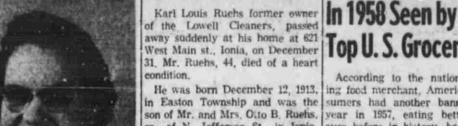

Here is an easy-to-build plywood storage unit that will transfer the bump-your-head space under a sloping ceiling into one of the most useful areas of the house. The storage wall can be shaped to fit any slope and has space for clothes, bedding, desk supplies and dead storage. Complete plans may be obtained by writing Douglas Fir Plywood Association, Tacoma 2.
