This Friday night at Ionia, new Lowell High head football coach, Charles Pierce, will unveil his 1958 edition of the Red Arrow football squad as it tangles with the rugged Ionia Bulldogs at 7:30 p. m. The season-opener for both clubs will see a fierce battle for possession of the V. F. W. trophy

BUCK SHOT

By Norman Gotschall

The second day of our trip found us a little impatient with our poor fishing. We noticed several lakes connected to the river so we followed a small stream toward one. From one lake we went to another and finally we began catching some large Walleyes and Northerners. We released the Northerners and made fillets out of the Walleyes.

We decided to take a swim. We pulled up on a beautiful beach and waded out. The joy of swimming was soon removed for the remainder of the trip when we discovered many leeches (blood suckers) floating in the water. They were black and were as long as five inches. Whenever we waded into the water, we developed a "leech walk". This consists of keeping most of your body out of the water—most of the time and was accentuated by prancing motions with hands dangling in the air—much like an Indian war dance.

We soon found ourselves many miles from the river. An uncharted portage would save at least a day of time. With a little apprehension, we oriented our maps by compass and figured out the direction we must take to hit a small corner of KB Lake, and "started out".

Four hours later we realized that: (1) we were completely exhausted (2) it was getting dark (3) we weren't near the lake and (4) that the "mile" portage was "as the crow flies"—and we were quite sure by now that we weren't crows.

The terrain had been very tough. We thought we had traveled "more than a mile," but no lake. We left the food, canoe, and supplies, and carefully blazed a trail on Compass Point. We went through swamps, over rocky cliffs, and we crashed our way through brush with cramping legs. At dark we found the lake—never had anything look so good. We strung our hammocks, had supper of dried apricots and water, and stretched out in the hammocks. Although sleep came fast, we had time to think. We realized out of the water we were not much better off than fish, and if we could find our gear, it was going to take a lot to lure us away from water into the unmarked Canadian bush again.

Next morning we arose at dawn and followed a ridge back toward our blaze. It was a short cut and within two hours we were pushing off into KB Lake toward an island to prepare a feast. We cooked oatmeal, fried fish, drank milk and had snacks of peanut butter and cheese. At last we were contented. We washed our clothes and rested while they dried. We packed into the canoe and shoved off. Then John said, "Where's my paddle?"—it was nowhere to be found. We were sure it had fallen from the canoe. (KB Lake had about 300 miles of shore line). We searched the coves nearest us to no avail. Three hours later, we returned to the island discouraged. Oh, we could fish the lake and return to Oba, but it began to look like the 130 mile trip to Hearst was impossible. Dejectedly, we paddled around the windward side of the island and practically bumped into the paddle. How it had floated against the wind we will never know, but who cared now. Our spirits rose, and we set out toward the outlet. The lake was dotted with islands and rocks, and we began to fish from a few of these rocks with considerable luck. We again assembled some Walleye fillets.

Cascade First Aid Men Assist at Oakfield Fire

Harold Ballast, Harold Gardner, and Grover Buttrick from the Cascade First Aid unit, gave first aid to badly burned Grattan Township Fireman, James Geldersma, and Garret Seigel, who were fighting a barn fire Sunday night in Oakfield Township.

The fire destroyed the barn and five head of young stock, valued at \$35,000, belonging to Burley Nielson, just north of M-44 on Ashley Avenue. The Cascade unit was asked to assist at the fire by the sheriff's department.

IN CHARLOTTE HOSPITAL

Mrs. Warren Reed of Keene, is in the hospital at Charlotte, after a sudden illness while visiting her son in Grand Ledge last week.

Hooker Chapter Head Has Outstanding Year

Cory Cookingham, High Priest of Hooker Chapter No. 73, Royal Arch Masons, is being congratulated on the outstanding year enjoyed by the organization. The officers and their leader, Mr. Cookingham, have enjoyed many successful projects and at the same time had an increase of 14 members, the greatest growth in any of the past 10 years.

The organization leaders only regret that more eligible masons do not take advantage of the opportunity to enjoy the study of Capitular masonry. This study is of great mental enrichment, when well given and it always has been with Mr. Cookingham's careful study, due we presume of his great loyalty to the Fraternal organization.

We wish for Mr. Cookingham, and his officers, the best of good wishes for more successful years in one of the greatest organizations for men in the world.

Lowell Band to Appear at U-M

Tenth Annual Band Day at The University of Michigan Saturday, September 27, will be another record-breaker, with 195 bands and 12,500 participants on hand to provide an added attraction for the football opener with Southern California, Lowell High School Band will be among those attending.

But this record-breaking number of participants will not be the only highlight of the day, since Michigan Band Director, W. D. Revelli, has come up with a real headliner: Meredith Willson, noted band conductor and composer who wrote the book, music and lyrics for the current Broadway hit, "The Music Man."

"Seventy-Six Trombones" is one of the hits from that show, and Meredith will be directing not just 76 trombones, but 1,076 trombones when the massed bands perform this selection under his direction at half-time.

Also on hand for the big day will be Forrest McAllister, editor and publisher of the School Musician Magazine as well as a composer, conductor and adjudicator. The high school bands are due in Ann Arbor at 8:15 a. m., September 27, to rehearse for the big afternoon spectacle. Lights will be burning early in homes all over the state as the 195 bands begin assembling for the ride to Ann Arbor. Two Upper Peninsula bands, Brimley and St. Ignace, will take the honors for long-distance travel.

Besides the hit tune from "The Music Man," the massed bands will play "Autumn Leaves," "March—Band Boosters," "The Best Things in Life Are Free," "Ol' Man River," "You'll Never Walk Alone," and "The Stars and Stripes Forever." As was done last year, the twirlers will be featured, along with the 1958 edition of the Michigan Marching Band, during pre-game.

Band Day was started in 1949, with 29 bands and 1,850 participants. By 1957, the figures had jumped to 188 bands and 12,000 participants.

Fall Program At Lowell Library

With summer over and boys and girls back in school, the Library is busy once more supplying students individually and through their teachers with the tools of learning. But the reading, purely for fun, that was enjoyed during the summer has not been completely given up.

At School-Age Story Hour, Saturdays at 11 a. m., a new book is introduced each week, and at Teddy Bear Time for Pre-Schoolers on Wednesdays at 11 a. m., more familiar stories are enjoyed. All those who are entitled to a certificate for completing 10 books as members of the Summer Reading Club are reminded to ask for theirs at the Library. Congratulations to the 44 youngsters who are receiving certificates. Next summer let's try for 88!

Some very interesting new books are now available at the Library. The following is only a partial list: "Mamma's Boarding House" by John Fitzgerald. Continuing his family reminiscences from the best-selling "Papa Married a Mormon," Mr. Fitzgerald presents a spirited picture of a frontier community.

"Dandelion Wine" by Ray Bradbury. All the special poetry and poignance that have long delighted Bradbury fans come together in this rich evocative story of a boy's 12th summer. "The Mapmaker" by Frank Slaughter. A novel of a great navigator who sailed 50 years before Columbus. "The Darling Buds of May" by H. E. Bates. A wealth of comedy has been crowded into this novel of the Larkin family. "Three's Company" by Alfred Duggan. Imperial Rome during the struggle between Mark Anthony and Octavian Caesar, as seen by Lepidus—the comic, bewildered and least remembered third party of that famous triumvirate.

"Exploring the Distant Stars" by Clyde Clason. This book is written for the layman who cannot understand the more specialized books of the professional astronomers. "Victoria and Albert" by Evelyn Anthony, author of "Anne Boleyn." This is the story of Victoria the wife, beginning with youth and marriage and ending with the death of Albert, the only person she ever loved.

"Helen Keller" by J. W. and Anne Tibble. A warm and understanding portrait of a woman who has stamped her personality on the times. In addition to titles mentioned there are new books in all other categories, so stop in and browse.

Hot Lunch Menu

Grilled cheese sandwiches, green beans, sliced tomatoes, with tapioca pudding for dessert will headline the menu for the week of September 22 at Lowell High School.

On Tuesday, Bar-b-ques, potato chips, pickles, fruit and chocolate cake will be served. Wednesday, potatoes, meat and gravy, celery or carrot sticks, bread and butter, and jello for dessert. Thursday, creamed turkey with hot rice will be the main course with cabbage salad and cookies. Friday, vegetable and macaroni salad, corn bread, butter, syrup, fruit and cookies will complete the menu for the week. Milk is served with every meal and also sold to those who carry their lunches.

Cross-Country Team Wins First Meet

Coach Bob Perry's defending champion cross-country team got off to a winning start Tuesday by downing the Rockford harriers 15-46 at Fallasburg Park. The Arrows took the first five places in the two mile jaunt. Senior Noel Smith captured first place with a time of 10:35. The next four places were captured by juniors on the squad. Oscar Mohn was second in 10:44, followed by Terry Buck at 10:51. Brian Hoag and Casey VanBemden had 10:55 and 11:12 respectively. Senior Ray Jones took 8th with 11:29 and junior Carroll Eckman ninth with 11:33.

The Arrows will face their toughest hurdle for the championship next Tuesday when they run the Godwin unit at Johnson Park. The Wolves downed Wyoming Park, who shared the Arrows' title last year, 20-39 Tuesday.

Licensed Representatives to Enroll Lowell Families in this Hospital Plan — Week of Sept. 22-27

Read every word of this important announcement

Help is on the way... help in the fight against frightening expense due to sickness, accident and disease. THE FEDERAL LIFE AND CASUALTY COMPANY, WITH A HISTORY OF 52 YEARS OF INTEGRITY AND FAIR PLAY, OFFERS A HOSPITAL PLAN WITH BROAD BENEFITS, PROTECTION FOR INDIVIDUALS AND FAMILIES. YOU DO NOT HAVE TO BE A MEMBER OF A GROUP TO QUALIFY!

NOW IS THE TIME to take advantage of this opportunity to enroll in Federal's Hospital Bills Insurance Plan.

Next week, FOR ONE WEEK ONLY, Federal Representatives will be in the Lowell area to explain this plan and to make it possible for you to join the more than 250,000 people who now enjoy Federal's Accident and Health and Hospital Protection.

MICHIGAN LICENSED REPRESENTATIVE OF THE COMPANY WILL CONSULT YOU ON THE PLAN THAT FITS YOUR NEED

In the comfort and informality of your own home, one of the friendly courteous Federal Life and Casualty Co. Agents, licensed by the State of Michigan, will help you enroll in this beneficial hospital plan. These informed young men are trained consultants, interested in securing a plan for you that will give you the coverage and benefits you need, under the terms that you or your family will be stricken with sickness or disease or injured in an accident. It would be well to review your present insurance plan, if you have hospital protection, to determine the correct additional protection you need, under today's living costs.

LIBERAL COVERAGE PAYS AT THE RATE OF \$150 A WEEK! FOR HUSBAND AND WIFE AND UNMARRIED CHILDREN TO THE AGE OF 19!

HERE IS WHY FEDERAL OFFERS THIS BROAD \$150 PER WEEK HOSPITAL INSURANCE PLAN

This is good news for Lowell families. Imagine what it means in peace of mind to have provided for an income of \$150 a week while in the hospital. Money to pay bills, family cared for. In truth, no longer need you or any member of your family, insured under this plan, worry about being caught short when sickness or accident strikes. We take pleasure in announcing this great Hospital Insurance Plan of the Federal Life and Casualty Company, with features that we sincerely believe make it the finest protection for the money available anywhere. LOOK AT THESE BENEFITS. Up to \$150 a week when you or any member of your family, insured under this plan, needs hospital care. Up to 18 weeks of protection for each sickness or accident, and it pays, even though you are protected under Workmen's Compensation or any other insurance benefit. Why saddle yourself with debt, along with the inconvenience that accompanies hospital care? Why drain precious family savings to cover those unexpected and unwanted expenses. You don't have to. Not when you can have this wonderful Federal Insurance coverage. All next week, during the special enrollment activities in the Lowell area, you'll have the opportunity to prove to yourself how you can enjoy peace of mind with the knowledge that when sickness or accident strikes, you'll have up to \$150 a week to depend on. Read each word of this important message and then plan to be ready for Lowell's Enrollment Week.

Since it is almost impossible to determine in advance of a sickness or accident, requiring hospitalization, just how much money will be required to cover the expenses incurred, or whether Workmen's Compensation and Disability benefits will be collected, Federal has designed this wonderful policy. Paying up to \$150 a week, for periods up to 18 weeks of hospitalization for each sickness or accident, Federal's policy provides benefits, REGARDLESS OF WHETHER OTHER BENEFITS YOU MAY RECEIVE FROM OTHER SOURCES. NOW, you determine what you use for the \$150 in HOSPITAL, FOR HOSPITAL, FOR HOSPITAL EXTRAS, AMBULANCE, NURSES, DOCTOR'S BILLS OR TO REPLACE THE INCOME THAT YOU LOSE WHILE HOSPITALIZED.

THIS YOU SHOULD DO NOW! COMPARE YOUR PLAN WITH ANY PLAN YOU NOW HAVE!

Some folks in Lowell will say to themselves: "That's all very well, but I have hospitalization protection." To these folks we suggest that they check right now, this week, to find out if the coverage they have would be adequate in time of serious emergency. Check the points of coverage against those published on this page, compare and see how your present protection compares with that offered by the Federal Life and Casualty Company of Battle Creek, Michigan.

OVER \$33,000,000 IN CLAIMS PAID SINCE 1906!

When you deal with Federal you deal with an old-line company that enjoys a fine reputation for integrity, honesty and fair dealing. Protecting Americans in 48 states, Canada and the District of Columbia, Federal's history of leadership in the field of Accident and Health Hospitalization Insurance dates back to 1906. 52 years of alert, progressive planning for the security of our policyholders, with policies designed to keep pace with the changing costs of living.

Quick Run Down of Benefits and Exceptions Under This Plan

- Pays up to a maximum of \$150 weekly for hospitalization up to 18 weeks for each confining accident or sickness for any member of a family, covered by this plan, while under the care and attendance of a duly licensed physician, surgeon or osteopath. Maximum \$2,700.00.
- Covers accidents occurring after date of Policy and sickness contracted 30 days after date of policy. Plans at rates of less than \$300 a week are available.
- Your plan is renewable at your aid the company's option.
- Pays Maternity Benefits at a flat rate of \$75.00 in or out of hospital, after plan is in force for 10 months or longer.
- Covers airline travel.
- Covers all Children's diseases, including Polio, to the limit of the Policy.
- War, Military and Naval Service, Federal or State Government Hospitals, Intentionally self-inflicted injury, Insanity or Mental Disease NOT COVERED, for which no premium is charged.
- Proceeds may be used for Hospital Room and Board, Hospital Extras, Doctor's Bills, Surgeon's Bills, Private Nurse's Care or to replace Lost Income.

For complete description of coverage read Policy Form 1385, Riders 1390-1391

Be Sure to Get The Facts NEXT WEEK!

In your own interest, and for the protection of your family, find out all you can about Federal's Hospital Plan. There is no obligation. Information is provided by our trained representatives, provided for your benefit. Compare Federal's plan, talk it over with your friends. You'll agree that this protection is vital to every working family in your community.

News

SURGICAL and MEDICAL bills benefits optional with hospitalization!

Now, for a small additional premium, you can provide for means of payment for Doctor, Surgeon or Osteopath Bills, separate protection, that provides additional funds for these bills, allowing you to apply a greater amount of your basic protection to other needs.

Be sure to ask your Federal Representative when he calls, for this valuable additional protection.

Lowell Council Proceedings

Regular session, Tuesday evening, September 12, 1938. Council was called to order by Mayor Jones at 8:05 p. m. Roll call: McMahon, Fish, Day, Doyle, Fonger, Absent: Trustee Battifella.

The minutes of the last regular session of August 18 were read and approved with one deletion and addition of quotation marks. Assurance of one building permit was reported: Clare Phillips, remodeling-renovation, 121 N. Jackson Street.

The clerk reported communications from: 1. Telephone call from County Health Department stating City River samples okay. 2. Michigan Municipal League with information on Annual Meeting for the month. 3. Check received on newly assessed property omitted from 1938 rolls.

4. Municipal purchasing data from the Municipal League. (to Mr. Westbrook). 5. Attorney Vander Veen's letter re liability of a village for rocks falling from its undeveloped street property (copy to complainant). 6. One bid received on Compensation Insurance for ensuing year. (See Motions)

Topics discussed were: 1. It was agreed that the Clerk should write a letter to the Board of Supervisors urging continuance of present library, with copy to the township supervisor. 2. Superintendent Westbrook informed Council of the condition of rural electric lines. He cited the need of a detailed study of the costs and revenues therefrom to determine the practicability of servicing such lines, and reducing rates where possible. Rural residential rates are the same as local residential, whereas the cost of operation is much in excess. He showed the need for more commercial and industrial users. Mr. Westbrook reported No. 4 engine back on the line; insurance has been two thirds of the damage, plus minor items. 3. Request for catch basin on Vergennes Road tabled for next budget.

4. The advisability of complaints, petitions, requests being presented in written form to Council. Mr. Fonger requested to publish such notice in The Lowell Ledger. 5. Street signs on hand; to be installed at once. 6. Hydrants to be installed when prices are received on desired models, expected to be ready in 7. Barring of trees at village dump to be paid for by persons depositing trees there; not to be village-owned. The clerk reported these deposits since the August 15th meeting:

Lowell Council Proceedings

Regular session, Tuesday evening, September 12, 1938. Council was called to order by Mayor Jones at 8:05 p. m. Roll call: McMahon, Fish, Day, Doyle, Fonger, Absent: Trustee Battifella.

The minutes of the last regular session of August 18 were read and approved with one deletion and addition of quotation marks. Assurance of one building permit was reported: Clare Phillips, remodeling-renovation, 121 N. Jackson Street.

The clerk reported communications from: 1. Telephone call from County Health Department stating City River samples okay. 2. Michigan Municipal League with information on Annual Meeting for the month. 3. Check received on newly assessed property omitted from 1938 rolls.

4. Municipal purchasing data from the Municipal League. (to Mr. Westbrook). 5. Attorney Vander Veen's letter re liability of a village for rocks falling from its undeveloped street property (copy to complainant). 6. One bid received on Compensation Insurance for ensuing year. (See Motions)

Topics discussed were: 1. It was agreed that the Clerk should write a letter to the Board of Supervisors urging continuance of present library, with copy to the township supervisor. 2. Superintendent Westbrook informed Council of the condition of rural electric lines. He cited the need of a detailed study of the costs and revenues therefrom to determine the practicability of servicing such lines, and reducing rates where possible. Rural residential rates are the same as local residential, whereas the cost of operation is much in excess. He showed the need for more commercial and industrial users. Mr. Westbrook reported No. 4 engine back on the line; insurance has been two thirds of the damage, plus minor items. 3. Request for catch basin on Vergennes Road tabled for next budget.

4. The advisability of complaints, petitions, requests being presented in written form to Council. Mr. Fonger requested to publish such notice in The Lowell Ledger. 5. Street signs on hand; to be installed at once. 6. Hydrants to be installed when prices are received on desired models, expected to be ready in 7. Barring of trees at village dump to be paid for by persons depositing trees there; not to be village-owned. The clerk reported these deposits since the August 15th meeting:
