Council Discusses Possible Dropping of Christmas Main St. Lighting Program

the Village Council discussed the council will depend upon the pubadvisability of dropping the Christ- lic reaction to this announcement mas Main Street lighting program so if you feel that the Christmas that has been a highlight of Christ-lighting program is worth while, mas for over 25 years. The lighting you might mention it to one of has been provided as a community the council members. service project of the Municipal Utility at an annual cost of about

In view of the Village financial condition some members of the tion from West Street and nearby council feel that here is a place protesting the vacation by the vil

Molly Wepman Named 'Woman of Year' by Local B&PW Club

National Business Woman's Week is being observed throughout the United States during this week, and Thursday, October 23, will be post- choose from 107 technical schools ert Chrouch and Mrs. C. A. Bradthe Lowell Business & Professional poned until further notice. It is Women's Club have nominated necessary to postpone this social Molly Wepman as "Business Woman of the Year."

Molly Wepman, owner and manager of Wepman's Clothing & Shoes will hold a grand opening of her new store October 3rd through 11th, And therein lies a story.

With no experience in the business Mrs. Wepman took over the small men's clothing store after her husband's death in 1950, and by hard work, determination, courage, and a genuine need to support her two children, has built the business into what it is today. The one-room store on the river front was enlarged to twice its size, new and better lines were add- Former Lowell Man Dies ed and its buying power and credit in South Lyon Last Week rating strengthened by her honesty

Long Council Meeting

The council meeting Monday adjourned at near midnight. Appearing at the meeting was a delegalage of that portion of West Street that has never been opened on the E. C. Foreman Poultry Farm. The council dropped any plans to vacate this street, Jay Bolens of North Jefferson Street requested action from the council to relieve the drainage problem in that area.

Ed Compagner, former Lowell resident, and now of Saranac, appeared at the meeting and requested that his property fronting on Main Street at the east village limits be rezoned from residential to commercial. The zoning appeal board will meet Friday afternoon Army School Program; to review request.

Mrs. Molly Wepman came to the meeting and requested change in her portion of the costs of the Commander of the Grand Rapids clean-up of the river bottom after recruiting station and local Army the fire, A delegation from Maple recruiter for Lowell area reported Street were at the meeting again a total of four enlistments from with a request for further work Lowell and Ada, the last two

Buyers of All Kinds of Iron and Metal WE HAVE FOR SALE Car Parts, Angle and Channel Iron and Pipe

Re-Enforcing Rod Earl J. McDiarmid Pick Up Service

Who in the world built this beauty... the only car with wide-track wheels?

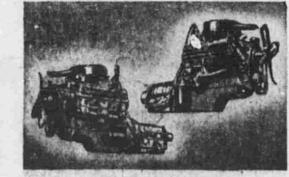

Wheels moved out 5 inches for the widest, steadiest stance in America-better cooling for engine and brakes-lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. You get the most beautiful roadability you've ever known-in America's Number 1 Road Car!

Those exclusive Wide-Track Wheels sparked a chain reaction of wonderful new ideas: You can see the trim, tailored new look . . . it's inches lower without sacrificing roominess or road clearance. The first time you drive it, you'll discover this beauty handles city corners and clings to country curves in a way the conventional narrow-gauge cars can't hope to imitate. And the ride . . . the miraculous freedom from sway, dive and bounce . . . this is an experience in buoyant travel that you won't believe-until you try it. But there's still more to the new Pontiac

to stamp it as the big change for '59:

Vista-lounge interiors with full 360-degree visibility . . . seats actually wider than a sofa . . . Air-Cooled True-Contour Brakes for smooth, effortless control,

stop after stop after stop. The industry's most advanced V-8, Pontiac's Tempest 420, gives you spectacular new responsiveness. And there's a new companion power plant, the Tempest 420E, that delivers phenomenal extra mileage-and does it on regular octane gas! Come see why no other car can possibly be so new as the new Pontiac-three series: magnificent Bonneville, dramatic Star Chief and brilliant new Catalina.

2 Great New Engines

wireels with the new Tempest 420 V-8, acclaimed by automotive experts as America's most advanced power plant. If you want the accent on economy, choos

Pontiac's new Tempest 420E. This new V-8 actually delivers better mileage than many smaller cars with so-called "economy engines" . and it uses regular octane fuel.

See Ginger Rogers on the Pontiac Star Parade, Wednesday, Oct. 15th, CBS-TV.
