BUCK SHOT

by Norman Gotschall

Kerry Shoemaker, last year's senior and track star, has been elected President of the Freshman class at Michigan Tech., where he is attending college. Kerry is studying engineering. We are proud of his accomplishment and offer a wish of good luck from his home town.

Leonard Fase is Lowell's only claim to present football fame in the college ranks. Leonard played three years of football for Lowell, and is playing for Alma College now.

An open letter to Mrs. Kelly, Mrs. Venema, Mrs. Lampen and Mrs. Perry: Have you noticed your husbands acting strange of late?—staring off into space, not answering simple questions, offering to do the dishes? Keep calm and collect girls—this is deer fever. Your husband is getting ready to ask you for a few week ends up north. What to do? Ah ha—this is your big chance. When he says his rifle is getting cold—answer "so is my fur coat." When he mentions going up north—say "the kids and myself would love to." After you terrify him for a few days, you should point out that you couldn't refuse such a generous husband. This will give you a well-needed rest and a new fur coat. It will give hubby a venture into the wilds in search of King White Tail. He will come back with wild tales, gusto, excitement, and a 1/2 inch beard; and he will really enjoy your cooking!

Mrs. Georgia Cook Celebrates 90th Birthday

Mrs. Georgia E. Cook spent her 90th birthday, Monday, October 13, visiting with neighbors, friends and relatives who called to wish her many happy returns.

Mrs. Cook was born in Caledonia Township, but has lived nearly all of her life in Cascade Township. She now resides in the home of a daughter in McCords, a short distance from where she taught Whitneyville school in 1887. The old hand school bell she had at that time now sits beside her chair, and is again in daily use as Mrs. Cook, who is sightless, uses it when she needs to call for assistance in moving about the house.

Since 15 years of age, Mrs. Cook has been a member of Whitneyville Grange of which her father and mother were Charter members.

Although Mrs. Cook has lost her vision she passes the time with sewing rag rugs, and keeps up on present day events with her radio. Her favorite pastime is conversation with frequent callers, among them 7 grandchildren and 7 great-grandchildren, in whose activities she takes a keen interest.

A lovely cake complete with 90 candles, made by her granddaughter, Mrs. Leonard Skalko, was a highlight of the 90-year birthday for Mrs. Cook.

Fall Activities Open For Camp Fire Girls

A full program of activities has begun this fall for the Camp Fire and Blue Bird groups of Lowell. Since the Keewano Council, of which Lowell is a part, is one of ten councils across the nation participating in a two-year period of program experimentation, certain changes have been made. Girls will now "fly up" from Blue Birds level, instead of in the fifth grade, and will begin to work on the requirements for their first rank, Trail Seeker. This will shorten the period of membership in Blue Birds to two years. Also, a new emphasis will be placed on Junior Hi Camp Fire as a separate group, with an enriched program being offered as the girls work toward the rank of Group Torch Bearer.

Leaders and assistants of Blue Bird groups this year are Mrs. Gus Abel, Mrs. Eugene Morris, Mrs. Edward Stormzand, Mrs. Louis Baker, Mrs. John Panney, Mrs. Raymond Hovings, Mrs. Ronald Fish, Mrs. Alfred Thomet, and Mrs. James Slinchcomb.

Camp Fire leaders are Mrs. John Troy, Mrs. John DeHaan, Mrs. Clara Bryant, Mrs. Norma Spier, Mrs. Charles Barber, and Mrs. Edwin Steffens.

Working with the Junior Hi Camp Fire girls will be Mrs. Earl Stark-weather, Miss Diane Johnson, and Miss Barbara VanPutten.

The Leaders' Association meets the second Wednesday of each month at 9:30 a. m., at the home of Mrs. David Coons. The new District Director is Miss Mary Hastings, representing the Keewano Council, who attends the leaders' meetings and assists with planning and carrying out the year's program.

Appreciably lower, the overall appearance of fleetness is further conveyed by an adroitly sculptured front end. At the rear, horizontal wings branch out from the center of the deck in a simulation of mobility that might have been conceived on the sands of Cape Canaveral.

Here are some of the 1959 mechanical highlights: Fundamental improvements in coil spring suspension. A new six-cylinder engine. Larger braking systems, benefiting further by flanged drums and 27 percent more lining area provide surer stops, longer life. Tires improved for durability and reduced in rolling resistance through newly developed cords. A Turbo-gear transmission of advanced design. New '59 Fords On Display

The 1959 Ford car line, which already has received an award at the Brussels World's Fair for styling elegance, will go on display at Jay Bolens Ford, Inc., on Friday, October 17, it was announced today.

"The 1959 Ford car is new in concept and new in style," Mr. Jay Bolens said. "The 1959 styling theme is good taste, a result of consumer demand for more elegance and dignity in automotive styling as opposed to gaudiness or extremism," he added.

In addition to Ford engines that have been engineered for greater fuel economy, Ford offers quality-designed construction and a new, lighter Fordomatic transmission with 105 fewer parts than in 1958, Mr. Wright said.

"Every piece of body sheet metal in the 1959 Ford has been changed to reflect the good taste of the Thunderbird—America's most successfully-styled car. The Thunderbird's crisp, taut lines have given the Ford a formal quality and the impression of a bigger, heavier car without the addition of bulk," Mr. Wright added.

Ford's 1959 styling earned the plaudits of the noted fashion authority, the Comite Francaise de l'Elegance, which, for the first time in history, bestowed a gold medal for styling on an American automobile at the close of the Brussels international exposition.

The 1959 Ford engines offer greater operating economy and improved engine performance in the normal driving ranges, 30 to 70 m. p. grade gasoline in all standard engines, which can result in a saving of up to one dollar a tank full. These benefits have been achieved in part by a slight horsepower reduction.

Busy Fall At Lowell Library

The Lowell Library has become a very busy place this fall. On Tuesdays and Thursdays there is always a bustling crowd of students preparing for special assignments or doing independent research. Any one who questions the future worth of our younger generation would do well to visit the Library and observe them. On Saturday the school-age Story Hour is still doing a land office business at 11 o'clock. Last Saturday's program was a sample of the fun the children enjoy.

Two new books, "The Daddy Days" by Simon, and "I, Mouse" by Krauss, were introduced, the 5th chapter of "The Lonesome Bear" by Kinney was read. We played Hot Potato, and listened to the record "Little Hawk the Indian Boy." The Pre-school Story Hour on Wednesday at 11 a. m., is still growing, with new mothers registering to use the Library almost every week. It is delightful to see the growing maturity of these three and four year olds as they become at home in the Library and with books.

The October theme for the Library is "Books for the Light Reader" and books by such as Ogden Nash, Bennett Cerf, and H. Allen Smith are displayed as well as a book list of humor for adults. Among the new books the Library now has one very fine addition, "Investment Companies", 1958 edition. This catalog has been published annually for the past 18 years. Known throughout the financial world as "the investor's bible." This book has practical application to virtually every adult American, whether he has \$100 to invest, or \$100,000 or whether he is not yet ready to invest at all. Other titles on the New Book shelf include "White Mother" by Jessie Bennett Sams, "Lady from Savannah" by Shultz and Lawrence, the dramatic life story of Juliette Low, "The Cup of Strength" by Charlotte Paul, a searching novel of stormy marriage placed on the braving northwestern frontier—by the author of "Minding our own Business," "Night March" by Bruce Lancaster, heart-stopping in its excitement, this story of the Civil War's winter stalemate of 1863-64, is unforgettable in its sense of reality, and for those who enjoy a chilling story, Alfred Hitchcock presents "Stories They Wouldn't Let Me Do on TV."

On Friday, October 10, Mrs. VanderVeen, and Mrs. Marion Schutt as a representative from the village of Lowell, attended a thought-provoking session at the Mental Health convention in Grand Rapids. Dr. Donald Pomeroy, clinical psychologist, at MacGregor Center in Detroit spoke on "Emotional Needs of the Aged." As a result of the thought expressed during and after this meeting the library as well as the library committee hope to extend service to this segment of our community beyond the library walls. The hope is also expressed that other service agencies in the community will show concern for this portion of our citizenry.

CAMP FIRE GIRLS
For the first time in history of the Camp Fire Girls, the fourth grade girls will start the year as Camp Fire members instead of Bluebirds. This is being tried throughout 10 sections of the United States and we are in one of these sections. Therefore, the sixth grade Camp Fire Group, the Tasha's, will be in charge of the Piv-Up ceremony in which the fourth grade girls will become Camp Fire Girls.
The Tasha's group, under the direction of Mrs. Alice Barber and Mrs. Gertrude Steffens, have made the plans and will perform the ceremony with the grade group as guests and the fourth grade girls under the leadership of Mrs. Margaret DeHann and Mrs. Cora Mrs. Troy will take part.
This ceremony will take place on Thursday, October 23, in the Projection Room of the High School at 3:30 p. m. Parents of the fourth grade girls are welcome to attend, if possible. At this ceremony the 4th graders will have their kerchiefs placed around their necks by the 6th graders and join the Camp Fire Girls in so obtaining the right to wear the kerchief. Refreshments will be served by the Sunday surprise visitors of Mr. and Mrs. Horace Myers and family.
