

Deer Hunters Take To The Woods Saturday

An estimated 600 local hunters will join the 400,000 who will be in the woods this week end for Michigan's firearm deer season which opens on Saturday, November 15.

The opener this year falls on Saturday, which should intensify the usually heavy hunting on the front end of the season.

Of prime interest will be the state-wide concurrent special seasons. The Department has issued special permits to 55,601 licensed hunters, each of whom may hunt the entire 16-day season in their properly permitted area, and take a buck, doe or fawn, as they choose.

This is the first year all special seasons have run concurrently with the regular 16-day buck season. Experience with these concurrent seasons has shown them popular with hunters. Also, some deer that might otherwise be wasted are recovered by permit holders.

Again this year, the Department will operate deer checking stations along principal north-south highways where hunters may, if they like, have their deer checked for age, weight and physical development. Information gathered at these stations helps state biologists with deer management programs.

Also, highway counts of deer on cars will be made and the figures statistically calculated to determine total deer kill.

In past years, this method has given quick and rather accurate estimates of the kill.

Jim Kerr, 54, Killed When Jeep Rolls

James Kerr, 54, was fatally injured at an early hour Saturday morning when the jeep he was driving left the road, struck two trees and rolled into a deep ditch a quarter mile west of Lincoln Lake Rd., on Bailey Drive.

The accident was not discovered until near 8 a. m. when Morgan Wheat, sr., 1180 Nash Ave, driving by, saw a wheel and tire from the jeep alongside the road and then observed the jeep wrecked in the deep ditch. He summoned Frank Stephens, Lowell Police Chief, who called an ambulance and wrecker.

Kerr who was pinned in the four foot ditch, his feet and legs in the freezing water, was still alive when removed from under the jeep by help from a passing car and the ambulance crew. He was dead on arrival at Blodgett hospital.

James Kerr was unmarried and lived with his mother, Mrs. George Kerr, 11569 Bailey Drive, and was well remembered in West Michigan as a boxer. In 1929 he won the national fly weight amateur championship in Boston after defeating every opponent brought before him. He never fought professionally although many thought he was West Michigan's outstanding boxer. His interest in boxing led him to encourage many local youth to become proficient in the sport.

He is survived besides his mother by six brothers, Leonard, Carl, George, Lawrence, Albert, all of Lowell, Keith of Ft. Louis, Wash.; eleven sisters, Flossie Kerr of Lowell and Susan Kerr of Grand Rapids; Mrs. Esther Stahl and Mrs. Elise Maloney of Lowell; Mrs. Emma Baldwin of Holland; Mrs. Della Austin of Kalamazoo; Mrs. Ethel Stock of White Cloud; Mrs. Eva Rigney and Mrs. Rose Schoolmaster of Grand Rapids; Mrs. Ann Haskins of Nunica and Mrs. Selma Dahl of Spring Lake.

Services were held Monday afternoon in Lowell with burial in Oakwood cemetery.

Arrows End Season Friday With Greenville

Fourteen seniors will don their pads for the last time this Friday, November 14, in the Arrows' 1958 grid finale with Greenville here. Leading this group are Charles Ryder, a four-year varsity regular, and Truman Stahl, a third-year varsity performer. This is Ken Spooner's third varsity year, the second at Lowell. Other seniors are Joe Strouse, Frank Poisal, Jim Williams, Steve DeVries, Larry Metternick and Terry Shepard, Joe Stanley, Don Heaven, Bill Mathews Mike Organeck, and Guy Watrous round out the departing group.

This will be the third meeting of the two clubs. The Arrows have maintained complete domination of the Yellowjackets, defeating them last year 39-31 and 46-6 in 1956.

Rockford Wins 25-20

Rockford jumped off to a 19-6 first quarter lead and increased it to 25-6 at halftime. A scrappy Lowell crew battled back, holding the Rams to only 18 yards rushing the last half, but fell 5 points short 25-20.

The Arrows' first score came on a pass from Fred Wissman to Charlie Ryder, breaking over the middle, who scored. A late second period injury to the passing hand of quarterback, Fred Wissman, which required 12 stitches, put reserve quarterback, George Moore, at the helm of the Lowell offense. Moore directed the team's comeback, throwing a quick pass to hard-running Charlie Ryder for Ryder's second score. Spooner added the point.

In the final period the Arrows penetrated to the Rockford one-foot line, but lost the ball on downs. On the following play a jarring tackle by end Steve DeVries caused a Ram fumble which an alert Frank Poisal, the other end, fell on in the end zone for a touchdown. Frank is a guard on offense. Steve Fritz tallied the extra point.

The Arrows regained possession with about 45 seconds to play, but couldn't connect on a long pass for a score.

Lowell	6	0	7	20
Rockford	19	6	0	25

Charles Ryder played perhaps his finest football game, displaying hard running, pinpoint passing, catching two touchdown passes for 12 points, and punting for a 44-yard average, in addition to playing a rugged defensive game. Truman Stahl and Joe Strouse spearheaded the defensive unit.

William Christiansen, Sr., Honored at Veteran's Day Dinner

William Christiansen, Sr., past commander of Clark-Ellis Post American Legion and Chairman of the Legion Memorial Building Committee, was honored at the annual Veterans Day dinner at the Legion Building on Monday evening, Christiansen, who dreamed of building a living memorial to veterans of Lowell in 1943 in the midst of World War II, has now realized his dream with the completion of the skating rink in the building.

On hand for the occasion was Michigan State Commander Jack Carey, who said that the Lowell Legion project was by far the greatest community service effort in the entire state. Henry VanDuern, 5th District Commander, pointed to the Lowell Post project as the supreme example of a service to the community. Ray Conlon, past Commander of Michigan, lauded the efforts of Clark-Ellis Post to build for the future citizens of the community.

Thirteen Year Project

In 1945 ground was broken for the start of the Legion Memorial Building, by then post commander the late Roger O. McMahon. First completed on the site of the former East Side Grade School was a bowling alley. These opened in 1947 with six alleys; two years later two more alleys were opened. The earnings from these alleys, Showboat profits, and contributions have nearly paid for the original structure and the alleys. The skating rink has been financed by another loan, but is expected to be liquidated in a few years. Appraisal of the building and the bowling alleys and skating rink is over \$200,000, all from a beginning of some \$500.

Building Committee

The Memorial Building committee consists of William Christiansen, sr., Guy Quiggle, S. D. Wingeier, Robert Ellis, and Oscar Nelson. These men and the officers of the Post have led the drive to complete the latest unit, the skating rink.

On this occasion, "Chris," as he is known to the community, was given a plaque acknowledging his efforts to bring this dream to a reality, and recognizing that without him there is little doubt that the project would never have been completed.

Christiansen Acknowledges Help

In an answer to the many compliments given him at the meeting on Monday, William Christiansen, sr., pointed to those at the dinner from the Post and Community, who made this a real community project. Without the help of community leaders and veterans of the area, the building would never have been possible. His dream of a permanent living memorial in the community that was self-supporting that would stand for years and be a tribute to Lowell men who have served in the armed forces of their country was something that everyone who has contributed in time and money to its success, could be rightly proud.

Managers of Rink Introduced

Mr. and Mrs. Neil Johnston, who have been employed by the Legion to operate the skating rink, were introduced and they gave an exhibition of skating, dancing, and acrobatic skating. They are both experienced in the operation of skating rinks in Grand Rapids and Muskegon. Mrs. Pat Johnston is a professional skater and teaches in Grand Rapids.

The Johnstons who will be given complete charge of the operation, are determined to operate in a manner that will be a credit to the community. Neil Johnston stated that skating was a dress-up sport and he expected to keep the atmosphere of dignity and good manners in effect and still maintain a place where everyone could have a good time. The rink will be open to the public for the first time

Fight Airport Leaders Hold Meeting Friday
The committee appointed last spring to lead the fight against the location of the Kent County Airport in Cascade Township will report to the citizens Friday, November 14, at 8 p. m., in the Township Hall.

Chairman of the group, William Dangi and members, Roger Wyles, Jr., Mrs. Wilbur L. Schram, and William C. Thorn will present the opinions of attorneys on the methods that can be used to oppose the proposed airport location. The committee will present plans to the mass meeting of citizens that can delay the siting of airport until such time as the county leaders reconsider their decision to move to Cascade Township. It was revealed that quick action is necessary as there will be steps taken soon to sell the present airport property.

A good turnout of Cascade area citizens will show determination to halt this move.

Plans Completed for Ice Skating in Ada
The Ada Athletic Association is happy to announce that there will be a permanent skating rink at the Ada Athletic field this winter. A committee has been formed, headed by Dr. H. O. Messinger. Those on his committee are Bob McCormack, Martin Frasin, Jim Boylan, and Ray Reihman.

There is to be a drive for funds in the near future for the purpose of buying a pump and drilling a 4-inch well. Ed Sullivan has promised to donate his time in drilling the well.

At the turn of the century, on an average day, 15 million newspapers were purchased. Today, 50 million newspapers are purchased on an average day.

CRIP Fund Drive Underway Here
Don Osterhouse, Campaign Director, in announcing plans for the 1958 Kent County CRIP drive for funds, states that he plans to work through the local churches even more closely than in previous years, through the appointment of a congregational CRIP representative for each participating church. The CRIP (Christian Rural Overseas Program) in Kent County is sponsored by the Kent County Council of churches.

The 1958 goal is \$5,000, which will be used to send surplus government food to needy areas overseas. Mr. Osterhouse states that one dollar given to CRIP will now send 190 pounds of food overseas. He also states that further congregational representatives as well as several township chairmen are still needed, and interested persons are asked to contact him at GL 6-9331.

James Schreier Weds. Miss R. Veldman
Miss Graeja Ann Schreier and James Richard Veldman exchanged marriage vows Friday evening at the Cascade Christian Reformed Church.

The bride is the daughter of Mr. and Mrs. Gerrit Schreier, Thornapple River Dr., and Rev. and Mrs. Richard Veldman, Kalamazoo Ave., are the parents of the bride-groom.

For her wedding, the bride chose a pure silk peasant style gown, enhanced with French Alencon lace, misted with seed pearl brocade. The gown was fashioned with a neckline and cap sleeves, and the skirt, which formed a chapel-length train, was accented by small back bows. A crown of orange blossoms held her veil and she carried sweetest roses.

Mrs. Robert Small, sister of the bride, was the matron of honor. She wore a beige gown with a head bow, and carried bronze pom-pom chrysanthemums. The bridesmaids were Mrs. Justice Wilberding of Lowell and Mrs. Gordon Anderson of Elkhat, Indiana, sisters of the bride. They wore burnt orange pearl de sole gowns and carried yellow and white chrysanthemums.

The best man was Everett Veldman, brother of the groom, and the ushers were James Spierdama and Mr. Wilberding.

Mr. and Mrs. Ellis DeLors were master and mistress of ceremonies at the reception held in the church parlor. Their assisting at the reception were Miss Martine Verlaas, Miss Susanne Ofrings, Miss Karen Kleinbeck and Miss Marjorie Muller.

After a wedding trip to New York, the bridal couple will reside at 116 Eastwood Dr., S. E.

Expert Favors Quail Hunting
A fine game bird if going to waste in Michigan, declares Gary Hunt, assistant professor of wildlife management at The University of Michigan.

"For many years Michigan hasn't had a season on quail. Recently there was some talk in Michigan of having a couple of experimental areas open for a short time in the fall for quail hunting, but this was deferred. Many farmers feel that these birds help keep harmful insects controlled. Other people enjoy their clear ringing 'Bob White' call."

"If you keep your ear to the ground you can pick up a lot of dirt."

"Not being able to match food through snow as pheasants do, they will succumb to a cold winter with deep snow. If there is a cold, wet spring, mortality among young quail is high."

"Quail are a very valuable game species. They provide excellent wing shooting and will 'hold' well for bird dogs. They are swift strong fliers and very good runners."

"If they are not too badly disturbed after being flushed in the hunting season, they will gather into their covey again. A wise hunter will not shoot at one particular covey until he has so disrupted it that the few birds left will not survive," Hunt says.

How's your horsepower?
You may have plenty of horses under the hood, but if you don't feed 'em right you won't get the kind of performance you were hoping for when you bought that new car.

To make the most of your horsepower, fill your gas tank with clean-burning, high octane Phillips 66 Fuel-Fuel. No other gasoline provides the combination of high performance components that make this the "Aristocrat of Motor Fuels."

The advantages of Phillips 66 Fuel-Fuel are noticeable immediately. Easy starting... freedom from stalling... lively acceleration! Fill up at the station where you see the orange and black Phillips 66 Shield.

Alto School News
We wish to express our thanks for the help we received from the Alto Businessmen for the Halloween parties for the children. It was a big success and everyone enjoyed themselves very much.

We had our party at school and everyone helped to decorate. We used the library for the fun house. We dressed up and had a parade. Mrs. Yetter took moving pictures of us. Refreshments of pop, lemon cream and popcorn were served. Mrs. Bowen made the popcorn balls for the primary class. We played pig on the mouth on the pumpkin, went after apples on the string, and had a fish pond.

Gary Schmidt has been sick, and we hope he will be back soon. Donnie White is back in school after his illness. Our new softball captain is Rose Marie Metternick and Ronnie Hottel.

Mrs. Mal visited Friday. She is the new Curriculum Committee from Grand Rapids with Mr. Clark's office.
