## **Easter Fashions Win Awards**

Girls of the Wolverine 4-H Club swept 8 of 25 awards at the 4-H Achievement Day at Forest Hills School last week for their outstanding clothing projects. Pictured here are back row: Betsy McPherson, Marjorie McPherson, Sharon Griffin, Mary McPherson. Arlene Detmers foreground; kneeling, Kathy Downes and Carol Lee Comdure. The girls are all wearing their winning dresses, created and made by themselves, as their winter 4-H project, They will appear with other Kent County winners at Cascade Country Club on April 18 to select the best in the county to appear this summer at East Lansing, State 4-H Fair. The girls range from the 7th to 12th grade and all have had several years of 4-H work. In the summer they show blue ribboa cattle at the fair.

These three girls are junior members of the Wolverine 4-H Club and were picked as outstanding in their clothing projects. Left to right: Cheryl Ouenday, Debby Olin and Lynn Kay Wittenbach, Debby and Cheryl will also appear at the Cascade Country Club competition in April. Debby and Lynn won style award pins which were only given to 3 out of 107 first year girls. The Wolverine group has been among the top winners over the eight years it has been in existence. Leaders are Mrs. Frances Olin and Mrs. Virginia Anderson; Style Leader is Mrs. Betty Griffin.

MICHIGAN GETS A GOING OVER these days! We bulldoze away its hills, dig trenches through its meadows and bore deep down into it. Doesn't seem to mind at all either, but not so our phone conversations and TV programs. Sometimes these come to a complete halt. And all because the underground cables that carry them have been accidentally cut by the excavations. There's an easy way to prevent this from happening and it saves a great deal of inconvenience. If you have some big digging to do, call us first-at our cost. We'll make sure that our cables won't get in your way.

will become general.

ON THE DIXIE highway, just north of Pontiac, there's an experimental phone booth. It's a test tryout of a new concept in phoningdrive-in or, more exactly, drive-up-to phoning. You drive up to the little booth, stop your car and simply reach out for the telephone. Then you phone away to your heart's content. (Proof course.) When the design is perfected, these booths

HOW WILL YOU spend Easter Sunday? Whatever you decide on, you'll probably do it with your loved ones, for Easter belongs to the family. But perhaps one or two of your family will be out of town-never mindyou can still be with them, by Long Distance. The bargain evening rates apply all day Easter Sunday. Look in your phone book to see how little it costs to make your Easter complete with a Long Distance call.

\*\*\*\*

OUTDOOR LIVING—two words that conjure up the summer ahead. And so do these: garden chairs, sunshades beach balls, outboard motors, swim suits, tennis rackets, These are the raw materials of summer pleasure. But where do you find them all? Easy! Look in your Yellow Pages. You'll find the names, addresses and telephone numbers of the dealers nearest you. You'll find the brand names you respect. With the Yellow Pages you'll be able to put your finger on just about all the things that'll help to make the summer ahead something to look back on for a long time afterward.

Friday evening a special busi- Barbara Wisner C, and Ruth Ann ness meeting of the church will be Kenyon C. held at 7:30 concerning the church ATTEND POMONA GRANGE building program. Refreshments MEETING, THURSDAY

will be served after the meeting Mr. and Mrs. Roland Depew ac-Easter will be marked with special music from the church orchestra and the Pioneer Girls Choir. In the morning service the orchestra will play "God of Our Fathers" with the trumpet solo being taken by Tim Nelson. They also will accompany the congregation for the morning hymns. In the 8 p. m. evening service the Pioneer Girls Choir will be singing "Hosanna" and "God's Love."

"The Reason for the Resurrection" will be the theme of the pasto's morning message. In the evening he will be speaking on "The Day after Revival."

Mr. and Mrs. Roland Depew accompanied Mr. and Mrs. Claud Silcox to the Kent Pomona Grange meeting at Kinney Grange, north of Grand Rapids, Thursday evening. The most outstanding part of the evening's entertainment was a very well constructed chalk talk presented by Mrs. Grace McNaughton of Ada, who is a true artist in her chosen field.

She took for her topic, the "Old Rugged Cross" and the four young people, a quartette, who accompanied Mr. and Mrs. Claud Silcox to the Kent Pomona Grange meeting at Kinney Grange, north of Grand Rapids, Thursday evening. The most outstanding part of the evening's entertainment was a very well constructed chalk talk presented by Mrs. Grace McNaughton of Ada, who is a true artist in her chosen field.

She took for her topic, the "Old Rugged Cross" and the four young people, a quartette, who accompanied Mr. and Mrs. Claud Silcox to the Kent Pomona Grange meeting at Kinney Grange, north of Grand Rapids, Thursday evening. A REAL TREAT FOR YOUR EASTER DINNER

MONDAY, APRIL 6th

# Plain talk to the man who thinks "all cars are built alike today"

buyers want above l in an automobile is uality. Yet many people sume that all cars today e pretty much the same

This is far from being the case. I can name at least 30 basic differences in the design of our '59 Mercury, Naturally, we feel these differences make Mercury a better car. For example:

The backbone of every Mercury is the frame. We use a heavy box-type construction-the heaviest in the industry Competitors use frames that are up to

WE BUILD QUALITY YOU CAN SEE Compare the way Mercury builds engine hoods. Most competitive cars use what is known as a single-panel construction. This type of hood can be twisted and turned with the slightest pressure-often flutters and vibrates when the car is in motion. At Mercury, on the other hand, we use a doublepanel construction-two layers of steel with the insulation sandwiched in between. Not only is Mercury's hood more rigid, but it looks better.

YOU FEEL THE QUALITY WITH EVERY STOP ... Mercury brakes are the largest in the field-with up to 22% more brake lining than competitive cars, And only Mercury in its field has brakes that adjust themselves mechanically. You save money by eliminating periodic adjustments. And you are safer be cause Mercury brakes stay properly

adjusted for the life of the linings. AND EVERY TIME YOU TAKE THE WHEFL All 1959 Mercurys have a flexible coupling installed in the steering system.

This acts as an insulator-absorbs road shocks that would otherwise travel up to the steering wheel. Mercury, unlike some cars, gives you this with either manual or power steering.

WE HAVE PLENTY OF PROOF THAT THIS IS THE BEST-BUILT CAR IN AMERICA TODAY We know it is the greatest Mercury ever designed and built. Never in Mercury's 20-year history have we had so much value in the product itself. Mercury has advantages everywhere over competition. The four described on this page are only typical. In future messages I'll tell you about dozens

CIRCUIT JUDGE FRED N.

We think that Judge Fred N. Searl has proved himself entirely capable and fair as Judge of the Kent County Circuit Court during the past six years. Without question he should be reelected. Your vote for him is solicited for the good of Kent County. \$ 72.1

widens the stance, not the car. Pontiac hugs tighter

Slide in behind the controls of this gorgeous automobile, pull away and feel what happens-or doesn't happen-at the first curve or corner. Less lean. Less sway, Wide-Track Wheel design is the reason. No other car, only Pontiac, has it. The wheels are five inches farther apart. This widens the stance but not the car. You're steadier, balanced, more secure. Narrow track cars can't match it. This is a big year for Pontiac-with many more to come. It can be your big year, too. Get a bright new Wide-Track Pontiac from a dealer and take it out for a drive today.
