Little League Baseball **Organizes For Summer**

The third meeting of the year for Lowell's Little Boys League Baseball was held Friday, April 24, 1959, at City Hall.

Actual games are expected to start the first part of June or when the High School games are completed.

The forms for the boys to take home and have completed were distributed at school this week. All boys in this vicinity are eligible if they are eight years old by the first day of July, 1959 or if they have not reached their 14th birthday by the first day of August 1959. Any boy past the seventh grade is ineligible.

It was decided at this meeting boys who were cut from the Lowell's Little League to play softball. This will be on teams and in a regu-

The teams will be approximately the same as last year, although the managers may make some trades. Spring Tonic for Sportsmen

For many sporismen, winter's sting will soon be erased by

the opening of trout season. As one of Michigan's most popula

outdoor sports, trout fishing annually attracts more than 225,000 anglers. Fishermen have more than 38,000 miles of streams and rivers to chose from during the April 25-September 13 season this year. Conservation Department workers restocked public waters with approximately 2,500,000 trout last

year to enhance fishing prospects for the coming season.

WHITNEYVILLE GRANGE HAS WOMEN'S NIGHT

Whitneyville Grange No. 222 had its annual Women's night on Monday, April 13, 1959. This annual party was arranged by the Home Economies Chairman, Mrs. John Krum, with about twenty ladies in attendance. At this time dresses which had been made for the National Grange Sewing Contest, were presented for judging. Mrs. Krum introduced Mrs. He

The opening of the Seaway will also require a substantial amount of planning if our other transportation systems are to be coordinated with it. Planning will be required to prevent the wonderful lakeshores, which now make many of our lake cities so attractive, from becoming maritime slums—lakedock structures, oil slicks, and sprawling warehouses.

The Federal government can provide assistance in many instances. You may recall that recently, at my urging, the Army Corps of Engineers reallocated 4 million dollars to speed the dredging of the channels in the Erie-Huron section of the Seaway.
