MYF Elects New Officers; Reviews Year's Activities

The local Methodist Youth Fellowship recently elected its officers for the coming year. They are as follows: President—Jon Walter; Vice-President—Rebecca VanderVeen; Secretary—Judy Posthumus; and Treasurer—Darlene Mayou.

Permanent chairmen of various committees are: Faith—Kitty Ellis; Witness—Gene Walter; Outreach—Jane VanderVeen; Citizenship—Gretchen Vessel; and Fellowship—Robert Barnes.

The past year has been a very active and profitable one. Working together on our many money-raising projects was an experience well worth the time put into it. These projects were a fish fry, Father-Son banquet, a pie sale, and a car wash.

Many good times were also enjoyed at roller skating parties, hikes, and tobogganing parties. At the end of the year, to make a perfect conclusion for an active year, we took a week-end trip to Chicago, accompanied by the Congregational Pilgrim Fellowship. In Chicago we visited churches, missions, and many other interesting attractions of the "windy city." It was a very full week end, but one which will be well remembered for not only the fun, but the inspiration and those things which were learned.

Many inspiring, worshipful moments were shared within the fellowship as it worked and played together. All are looking forward to a year much like the last.

State Parks Have Library for Vacationers

Over 6,000 books are now being shipped to 32 parks in Michigan for use by vacationers during the summer months. Mrs. Loleta D. Fyan, State Librarian, announces. The unique book service, a joint program by the State Library and the Conservation Department, is now in its 11th year of operation. The books represent a variety of reader interests, with emphasis this year on science, conservation, Michigan history and outdoor hobbies. Also included in the park libraries are numerous children's books.

Average park loan is about 250 books. Patrons obtain the books at the park managers' offices where arrangements for the loans are available.

Reader interest is high among the campers and according to letters received from the park managers, the whole family enjoys the collections. Mom and the children are the heaviest borrowers, but dad is interested too. As expected, his reading habits center on hunting, fishing and outdoor books. The books also serve as a wonderful "baby sitter" during rainy days, according to mom.

Boys' Little League

Last Wednesday evening the Red team won over the yellow team 7 to 5 in an extra inning. On Thursday evening Steve Collins had a no hitter going and was ahead by the score of 3 to 0 after 4 innings but the Green rallied and won by the score of 7 to 4. Friday evening the Brown won by the score of 6 to 5. Monday evening the grey won out by the score of 6 to 2. On Wednesday evening Yellow and Blue play, Thursday Red and Green, Friday Brown and Yellow, Monday Grey and Blue and next Wednesday Brown and Green. This Saturday the Hubbardston Little League team will play a return game with the Blue team. Game starts at 2 p. m. The local team won at Hubbardston two weeks ago by the score of 11 to 9. All the boys are playing good ball and if you want to see some real ball, drive down to Recreation Park some evening. Games start at 6:15 p. m.

Let's Dress Up the Town For Showboat

The Lowell Board of Trade special promotion committee are urging all Lowell business places to "dress-up for Showboat." A concerted effort will be made to get all places of business to clean-up, paint-up and fix-up for the many guests of the community the week of July 20-25.

As the word goes the appearance of your business place reflects the products and the services offered. A little paint, or just a good scrubbing will make a store front shine

Methodist Church Vacation School June 15 - 26

The Annual Vacation Church School of the Methodist Church will begin next Monday morning and continue through Friday, June 26. Daily sessions will be held beginning at 9 a. m. each week-day morning except Saturday. Sessions will conclude at 11:30.

All boys and girls between 4 and 14 years of age are welcome. The texts which will be used in all departments are the cooperative texts which have been produced jointly by a number of the major denominations.

The daily program will include worship, story telling, hand-work, dramatization, Bible study, recreation, music etc.

Rev. and Mrs. J. Marion DeVinney are directing the school and a fine corp of teachers has been secured for all departments.

Ann Mullen Awarded Stockwell Hall Scholarship

Ann Stirling Mullen who has just completed her freshman year at the University of Michigan, has been awarded a Stockwell Hall scholarship. The \$50 award was made on the basis of dorm leadership, grades and financial need. This year Ann has served as Coffee Hour Chairman and on the Central Committee of both Fall and Spring Dorm Forums.

For eight weeks this summer, beginning June 26, Ann will be consulting at Camp Winnebago, near Toronto, Canada.

MONDAY A BUSY DAY FOR REV. AND MRS. DE VINNEY

The Rev. and Mrs. J. Marion DeVinney had a busy and happy day on Monday, June 8. At 10 o'clock in the forenoon they attended the graduation exercises at Goodrich Chapel of whom Miss Marion Yoki was one of the graduates and within a few hours to become their daughter-in-law. They attended the wedding rehearsal luncheon at the Parker Inn at 1 o'clock in the afternoon, and from there to the rehearsal.

To complete the day and evening, they went to the John and Charles Wesley Chapel, Albion, for the wedding ceremony of their son, Richard DeVinney, and Miss Marion Yoki, which was performed by Rev. Marion DeVinney, father of the groom.

After the wedding reception was over, the DeVinneys traveled homeward to Lowell, saying that Monday can be just as busy as any other day of the week.

Charity Horse Show This Weekend

The Grand Rapids Riding Club will hold its 19th Annual Charity Horse Show. The show will be held at Lowell Fair Grounds. They will feature five shows beginning Friday, June 12, at 7 p. m., Saturday, June 13 at 10 a. m., 1 p. m., and 7 p. m., and Sunday, June 14, at 1 p. m.

The proceeds of the show will benefit Grand Valley Council, Boy Scouts of America, to decrease the expense of sending several boys to summer camp.

The Saturday morning show will feature large classes of western horses for Junior Riders. The show is point approved and a member of the Michigan Horse Show Association, Michigan Association of Western Clubs and American Quarter Horse Association.

There will be many other classes of riding competition featuring approximately 300 horses. Classes for five-gaited horses, Tennessee Walking horses, Fine Harness horses, Morgans, Palominos, Quarter horses and ponies. Equitation and pleasure classes will also be judged. Three thousand dollars in prize money and trophies will be given away.

One of the outstanding features of the show are the hunters and jumpers classes. Many young people will be competing in these classes on a beautiful outside course. Walter Alley and Gerrit Buth are co-chairmen of the show. Admission price \$1 for adults and children under 12 free accompanied by their parents. For general information concerning entries and tickets call Mrs. Mabel Thomson, Secretary at R1 2-6328 or Mrs. Walter Alley, assistant secretary, at CH 5-5157.

Construction Started This Week on Building Materials Center

Construction was started this week at the west village limits by O. E. Bieri and Sons on a \$50,000 building materials center for Bruce Walter, owner of Lowell Lumber & Coal Co., and Cornell Lumber Co. The new building, pictured above, will be constructed of masonry and glass, with the main building 40 x 100. Plenty of parking area will be available. The new center will be one of the most modern in the nation, and will offer supplies and services to everyone from the do-it-yourself handyman, to large building firms. Material will be displayed so that the public can shop in attractive surroundings and enjoy the conveniences of self-service shopping.

May Schedule Remedial Reading Classes Here

A few parents have requested that classes in remedial reading be offered during the summer so that their children might find it possible to improve their reading habits. Teachers have listed those children who are in need of such training and letters are going out to these parents asking them to attend a preliminary meeting on Monday, June 29, at 9 a. m. in the Runciman building.

The letter asks parents to bring the children. Classes are designed especially for children who are having difficulty, but attendance will not accelerate promotion to another grade.

If there is a sufficient turnout, the classes will be offered without any expense to the parent, except perhaps for materials.

If the program is offered, the classes will be conducted by Mrs. Hester White and Mrs. Yvonne Spring, who were in charge last year.

Milk's a Bargain in Health Goodness; June is Dairy Month

Chances are you might not use any more milk this June Dairy Month than you used last month, but you might use more ice cream because you like ice cream when the weather is hot. You might even use more milk, if you discover that your family is not getting enough according to Virginia Heit, Michigan State University Food Marketing Agent for Grand Rapids area.

What is enough? The foods and nutrition experts say two glasses a day for adults and 3-4 glasses a day for children. What this means is that if there are four in the family (two adults and two children), you really should be using around three quarts of milk a day.

You might say you are spending too much money for milk when you look at the milk bill and decide to cut down on the amount you are buying—but are you really spending too much? Let's look at what we buy when we purchase milk. Say you do need three quarts a day—that's about 60 to 75 cents. Sixty to 75 cents means you buy most of the calcium, riboflavin and a large percentage of the protein needs for the day. You also get some iron, Vitamin A (if the milk you drink is not skimmed milk), some thiamine and some Vitamin C. There's health-goodness in each quart of milk you buy. For the money—you get a lot.

Your milk supply is always pure and fresh—keep it that way. The KEY words to remember are CLEAN, COLD, COVERED, DARK. Putting milk in the refrigerator as soon as possible keeps the flavor sweet and preserves valuable nutrients. As little as half an hour in the light can make sweet milk taste like medicine.

Your milk keeps longer in a cold refrigerator: cold means under 40 degrees F. Closing the container after use will make sure that the good flavor stays in the milk.

Milk tastes best when it is good and cold—straight from the refrigerator. Keep the family waiting for the milk, not the milk for the family!

Lowell Camp Fire Girls Plan Day Camp This Month

Lowell Camp Fire Girls and Blue Birds, those having just completed grades 2 through 5, are looking forward to the five mornings planned for them at their own Day Camp, Camp Mah Kah Wee. As last year, the camp will be held at the Scout cabin, and this year's dates will be June 29 and 30, July 1, 2, and 3. The Scout bus will pick up the campers at 9:45 a. m. at the Runciman School, and will return them there shortly after 1 p. m.

Each girl is to furnish her own sack lunch and provide her own drink. A fee of fifty cents per girl for the week will be charged. Registration blanks have been given out, and should be returned with the fee to leaders or to Mrs. David Coons as soon as possible.

The program will include songs, games, nature study, outdoor cooking, first aid, baby care, and handicraft. Leaders of Blue Bird and Camp Fire groups during the past year and mothers who are willing to assist will be the counselors.

A group of Camp Fire Girls from Kent Hills school in Grand Rapids, under the leadership of Mrs. Howard Stoneback, enjoyed an overnight "camp out" at the Scout cabin last Friday and Saturday.

Health Dept. Reports on Leading Death Causes in Michigan

Two changes occurred among the 10 leading causes of death in Michigan during 1958, the Michigan Department of Health reported today.

Arteriosclerosis moved up from eighth to seventh spot, changing places with immaturity. And postnatal asphyxia and atelectasis (inability to breathe immediately after birth) replaced cirrhosis of the liver as the 10th leading cause.

Two in Michigan last year totaled 65,460, according to the health department's provisional figures. This was a decrease of 484 from the comparable figure for 1957.

As they have for the last half century, heart diseases ranked as the No. 1 cause of death in Michigan last year. However, deaths from this cause were 144 fewer than the previous year.

Other leading diseases that caused fewer deaths in 1958 than in 1957 were strokes, accidents, pneumonia and influenza, congenital malformations, and immaturity.

Immaturity refers to babies weighing 9 1/2 pounds or less at birth. Cancer, the second leading cause of death again in 1958, claimed 134 more lives than in 1957. Other causes that took more lives in 1958 than in 1957 were diabetes, arteriosclerosis and postnatal asphyxia and atelectasis.

The 10 leading causes of death in Michigan in 1958 and the number of deaths caused by each were as follows:

Table with 2 columns: Disease, Deaths. Heart diseases: 25,043; Cancer: 10,963; Strokes: 7,505; Accidents: 3,215; Pneumonia and influenza: 2,261; Diabetes: 1,590; Arteriosclerosis: 1,284; Immaturity: 1,205; Congenital malformations: 1,011; Postnatal asphyxia and atelectasis: 878.

30 Million Conifers To Be Planted

Cooperators in Michigan's 75 soil conservation districts are getting their "green thumbs" limbered up for a plan nearly 30 million conifer trees this spring.

These plantings are carried out as part of the reforestation, erosion control and water management activities sponsored by the districts.

According to Russell G. Hill, extension specialist in soil conservation at Michigan State University.

Hill estimates that in addition to the 10 million seedlings an equal number is being planted by owners who are not soil conservation district cooperators.

Foresters at Michigan State say that between 2 1/2 to 3 million acres of privately owned land remains to be planted even though tree plantings have increased rapidly in recent years.

Meerschaum, used in pipes, is a soft white mineral.

If the man is gay, the girl is likely not to be gay that evening, the reason for which is a mystery.

Honey Creek to Vote July 6th to Join Forest Hills; Meeting June 22 at School

Lynn Bartlett, Superintendent of Public Instruction, has approved the resolution for annexation of Honey Creek School, District 4, Ada Township to the Forest Hills Public School District.

The Honey Creek School Board has designated Monday, July 6, as the date of this special election. Polls will be open at the school from 1 p. m. to 8 p. m.

Information Meeting An information meeting to explain the resolution is planned for Thursday evening, June 22, at 8 p. m. in the Honey Creek School.

Members of the Forest Hills Board of Education will be present.

The vote of Honey Creek is important to not only that district but to River School District and Regis Valley as well. There is little doubt but the County Board of Education will also assign these two districts to the Forest Hills district when a favorable vote is annex is obtained from Honey Creek, if the law requiring all districts to have kindergarten is passed by the state senate. This bill is already approved by the legislature and the governor has said he approves the decree.

Gove Lake Mrs. Leon Seelye

Mrs. Rufus Gregory returned to her home from Biogdget hospital Thursday, Friday, June 8.

Mr. and Mrs. Louise Seelye and family called at the Leon Seelye home Tuesday evening.

Mr. and Mrs. William Schultz of Grosse Pointe, called on Mrs. Ivah Phillips and Ray, Friday afternoon.

Mrs. Ivah Phillips and Ray spent Sunday evening with Mr. and Mrs. Don Phillips at Murray Lake.

Mr. and Mrs. Fred Dalstra were Sunday afternoon callers of the Clifford Dalstra family.

Mrs. Vernon Seelye is spending a few days in Biogdget Hospital for observation.

Sunday callers of Mr. and Mrs. Rufus Gregory were Mr. and Mrs. James Harker and family of Muskegon, Mrs. George Bain, Mrs. Ella Buttrick, Mrs. Edna Osmer, Cascade and Mr. and Mrs. Robert Gregory of Grand Rapids.

Mr. and Mrs. Harold Buttrick and family entertained Mr. and Mrs. Martin Robyn, Mrs. Mabel Runnels, Mr. and Mrs. Roger Weston and Mark of Kalamazoo, for Sunday dinner, honoring the birthday of Robyn. Mr. Ella Buttrick was a afternoon caller.

Do these fans who yell advice to the Friday fighters think they are heard by the boxers, or are they talking to the 500 miles distant reason for which is a mystery.

Church Membership and Crime Both Soaring in United States

America is having both a religious revival and a moral decline," says William Hard in a magazine article, "How Law-Abiding Are We-Really?" He urges the observance of Law Day, May 1, with pledges of respect for the laws of America and God.

Church membership, in proportion to population, was 36 percent in 1900, 48 percent in 1940 and 61 percent in 1957 but, in what Hard terms "a woeful paradox," we have the growth of dishonesty and violence. Since 1950 our crime rate has increased four times as fast as our population.

Bank robberies? In fiscal 1957, total of 157. In 1958: 270. Bank losses to robbers? In fiscal 1957: \$944,713. In 1958: \$1,825,561.

Not is such a white collar crime limited to poorly paid employees. The head of a business enterprise, a firm in New York says that 60 percent of dishonest behavior in business is by supervisors and executives.

Women account for 70 percent of dishonesty turned up in recent months. Dishonesty now costs America many times more each year than fire. Fraud is the most rapid.

Despite having a \$79.98 wrist watch and having wall calendars plastered all over the place, most of us don't know the time, the day, or the month when we are asked to write a letter or tell someone the hour.

When you are scheduled to appear at a White House morning conference, you leave the family after an early breakfast and allocate plenty of time to arrive before 8:30. You drive up to the gate on Pennsylvania Avenue.

As you enter a few minutes before 8:30 you see a table with hot coffee. One picks up a cup and moves down the room to the seat set up for him at the conference table. While awaiting the others, members of the staff, the Cabinet, and of the Congress chat informally.

Your Washington Review Congressman JERRY FORD

President Eisenhower holds a weekly conference on legislative and related matters every Tuesday morning at 8:30. The Vice-President, members of the Cabinet, his White House staff and the Republican leadership in the House and Senate regularly attend.

Perhaps it might be well to explain the overall purpose of these weekly conferences. First, the President wants to be fully and accurately informed on the status of his legislative recommendations to the Congress.

Second, it is an opportunity for the President to offer to the executive branch of the federal government. In other words, these meetings have a dual objective—a two way street which results in greater cooperation, a singleness of purpose and better results.
