

City Vote Monday

Lowell voters will be given an opportunity to vote on Monday, August 31 for city incorporation of the village and an area south and west of the present village limits. The voting will take place in the Lowell City Hall from 7 a. m. until 8 p. m.

The ballot will contain a yes and no vote on incorporation of Lowell and area described as a home rule city; also voted on will be 9 charter commissioners who will draw up a new charter for the city if the proposition is approved by the voters.

On March 10 when the question was submitted last it failed by only 23 votes to be approved. On that vote there were many voters from outside the village voting on the proposition. At this election only 60 eligible voters are being asked to join the new city as residents and several have expressed

their approval feeling that increased property values will result from the move besides the insurance savings.

Charter Commissioners

The election of 9 charter commissioners from the 17 candidates is very important at this election; these men will draw a charter to serve the community for the years to come. Their decisions must be approved at a later vote by the citizens of the city.

The following are candidates: Walter W. Gumsier, John Abraham, Earl Evans, William M. Jones, Stephen Nisbet, Donald McNaughton, E. C. Foreman, Frank J. McMahon, Elmer Schaefer, Geo. Dev. Sr., Wesley A. Roth, Harold F. Jefferies, Dr. Orval McKay, Richard L. Court, Peter Speerstra, Herbert Elzinga, Dr. Robert Fezan, David F. Coons and Charles Hill.

Local Boys Safe In Yellowstone

Two local boys, Bernard Collins and David Potter, who are working in Yellowstone Park this summer, have been subjects of a great deal of concern the past few days. Bernard's folks reached both boys by telephone Monday evening of this week and learned that the boys are all right.

Dave was returning to the Old Faithful area at the time of the quake Monday night and was stranded by the eruption. He was unable to get back to his job until Thursday evening. A bus rescued a load of people in the West Yellowstone section, returning them to the East Side by way of Bozeman, Montana. Dave was among them.

Advantages and Disadvantages

As has been pointed out in previous articles and in a series that vote the greatest obstacle in obtaining a yes vote on the incorporation question is the reluctance of citizens to vote for a change. The change in itself will make no outward appearance in the community, only on the inside operation of the town government will the city vote offer a change. No more taxes will be assessed as a city than as a village. Officers of the town will only change as the charter makes for more efficiency of government. Most important will be the establishment of Lowell as a basic form of government from which the needs of the people can be best served.

Outside Village Voters

The following Lowell Township Registered Voters, who live in area to vote on question of Incorporating the Village of Lowell into Home Rule City on Monday, August 31, 1959 are:

Bert & Ella Purchase
Bertram & Mabel Scott
Eugene & Joanne Miller
George & Frances Pfalter
David E. & Bertha Miller
Olive Penock
Robert Fitzpatrick
Lena Peckham
Howard Antonides
Malcolm Kellogg
Clifford & Vera Loesch
Olga & Violet Miller
Margaret DeHann
George & Myrtle Tanis
George & Grace Lundberg
John & Ruth Trumble
Glenn & Vivian McLaughlin
Harold & Beverly DeMull
Wilhelmina Greenwald
Leonard & Pearl Murphy
John & Emma Lusk
Byron & Evelyn Briggs
John & Genevieve Weeks
E. C. & Beatrice Foreman
Archibald & Norma Duncan
Sherman & Edna Taylor
George & Edith Richter
Robert Richter
Wm. & Shirley Richter
Mrs. Beatrice Mulliner
Allen & Inez Tuinstra
Mrs. Lena Hart
Maynard & Mable Barton
Iva & Wm. Fritz
Kenneth and Barbara Huckleberry
Anyone wishing transportation to the polls for Monday's election is asked to call any of the local car dealers.

Parade Here Friday For Sunday Rodeo

A. B. "Curly" Howard, Lowell rodeo organizer and producer is planning a parade on Friday afternoon at 3 p. m. promoting the final two shows of the season, August 30 and September 20. Howard and several of his rodeo contestants with livestock will participate in the parade.

The rodeos will feature steer riding, calf roping, bulldogging and a wild horse race. The areas all around girl cowboys will take part in steer riding and bulldogging. Curly says, "It's the only rodeo of its kind and the first in Michigan." The shows start at 2 p. m. Sunday, August 30.

MRS. HARRIS ATTENDS CONFERENCE AT GREEN LAKE

Mrs. Herbert Harris is attending the conference on "Worship and the Arts" this week at Green Lake, Wisconsin as a representative of the First Congregational church of Lowell.

Speeding Nets Three Accidents Over Week-end

Two men, both charged with speeding, were sent to the hospital as a result of four traffic accidents over the week-end.

John H. Allen, 22, of 568 Cass Ave., Grand Rapids, suffered head and shoulder injuries after losing control of his automobile on Riverside Dr. Sunday afternoon.

Allen, whose condition was reported as "good" Monday afternoon, was travelling at a high rate of speed when he applied his brakes going around a curve. He lost control, skidded 236 feet, sheared off a telephone pole, slammed into a guard-rail and finally rolled down a 33 foot embankment. Local authorities reported that if it wasn't for the trees, Allen's car would probably have landed in the river.

Early Sunday morning, John L. Rinari, 22, of Oberley Dr., Lowell, suffered head injuries when his car left M-91 just north of Lowell, striking two telephone poles. Damages to the car were estimated at around \$2,000.

Mrs. Patricia Baldwin, 29, of 349 Montclair, Lowell, was involved in a minor accident Friday afternoon at the intersection of Main Street and M-91. Mrs. Baldwin was driving north on M-91 when a pickup truck driven by Keith L. Anderson, 17, of 12963 Phelps Ave., Kent City, ran the red light at the intersection and hit Mrs. Baldwin's car.

No one was injured in the accident that caused \$50 damages to the car and \$30 to the truck. Anderson was ticketed for running a red light.

Ernie A. Beals, 26, of Segvun Rd., was driving his car north on Grand River Dr., early Monday morning when he lost control going around a curve. Beals' car struck the Grand Trunk crossing signal near the upper bridge, breaking it off at the base. Beals was charged with reckless driving by County police.

School Lunches Start Tuesday

Hot lunches will be served in the school cafeteria beginning Tuesday September 1. Again this year, Mrs. Howard Clark and her staff will be in charge of planning and preparing the meals.

Tuesday's menu includes Bar-B-Q's, relishes, cabbage salad, cheese and chocolate pudding.

Wednesday mashed potatoes and gravy, sliced tomatoes, cinnamon rolls and apples will be served.

Thursday's menu calls for spaghetti in meat sauce, a crisp salad, bread, butter and jelly and peaches for dessert.

Friday, fish and chips, hot buttered vegetable, rolls and butter and fruit will be served.

Milk will be served with all hot lunches, but students who bring their lunches may again buy milk for 3 cents a bottle.

NOTICE ANNUAL MEETING

Annual meeting Lowell Showboat Inc. will be held September 14 at Masonic Hall. Reports of secretary and treasurer will be heard and such other business as may be brought before the group.

Louis Kingsley,
Sec. Lowell Showboat Inc.
c-20-21

Zero Hour Nears; Mon., Aug. 31 Is It!

Disagreeable connotations are related to Zero as far as pupils in school are concerned. Pupils don't like Zero in the ordinary sense of the word. Neither do they like the meaning of "Zero Hour" as it pertains to the opening of school. But schools are a "must" in the good old USA and what are schools without pupils? And so the boys and girls, big and little, are to report for the beginning of another school year on next Monday afternoon at 1 p. m. except for the kindergartners from the west side, who are to report at two p. m. It is likely that all children new to the Lowell system will have been enrolled or classified before school opens. However, if this has not been done, parents and pupils are asked to come to the school on Thursday or Friday or Saturday of this week.

Children should report to the following places for enrollment on Monday, August 31, at 1 o'clock: Boynton children-Grades Kindergarten through 6 at Boynton School.

Riverview children, grades 1 through 5, at Riverview school.

McCabe children, grades Kindergarten through 6 at McCabe's school.

Village children, grades Kindergarten-1-2-3, Runciman building.

Village children, grades 4-5-6, Intermediate building.

Village children, grades 7 through 12, High School building.

Village children, West Side beginners, Runciman School at 2 p. m.

It is likely that several transfers of students will be necessary as follows: The 6th graders at Boynton will attend McCabe, the Riverview 5th grade and kindergartners will attend at Lowell; one village 2nd grade will be quartered at the Intermediate building, and

one 6th grade will have sessions in the high school building. There will be three sections of kindergarten in the same quarters as before.

Total Membership

The high school membership, as anticipated, will show a further decline due to the annexation of the Honey Creek and Egypt Valley schools to the Forest Hills system. According to an agreement made several years ago, the seniors from these areas will complete their courses at Lowell High School, but those in grades 9-10-11 will enter the high school at Forest Hills. It is expected that the enrollment in the local high school will show a marked increase beginning in 1961-62, when the larger junior high school will be entering the upper grades. There will be three seventh grades this year. The kindergarten will also show a decided increase.

Bus Schedule

Buses will traverse the same routes as they did on the last day of school in June. There will be some difficulties in ironing out the routes due to a change in areas to be served. Parents and pupils are asked to be patient for the first week or so. The students who will be transferred to another school should report to their home school and arrangements will be made to have them transferred on Tuesday morning.

Texts

As announced previously, the book store, located on the lower floor of the high school building, will be open the rest of this week. Students in grades 7 through 12 buy their books; the other pupils will pay a rental fee to the teachers.

Services Thursday For Fred Houseman, 67

Services will be held Thursday for Fred Houseman, 67, who passed away Monday at his home on 36th Street in Lowell Township.

A native of Grand Rapids, he lived in the Lowell area more than 50 years. He was a truck driver. He was a veteran of World War I, serving in France, Germany and Belgium, and was a member of the American Legion.

Surviving are his wife, Jennie, two daughters, Miss Barbara Jean and Miss Betty Jane, at home; and a sister, Mrs. John Cox of Ada.

Rev. Lester Muller of Ada Reformed church will officiate at the services at 1:30 in Zaagman Chapel in Grand Rapids. Burial to be made in Cascade cemetery.

Mill Founders Daughter Passes in Grand Rapids

Miss Florence Lee King, 344 Madison Avenue SE, Grand Rapids, passed away at home Sunday at the age of 72. Born in Lowell, Miss King was the daughter of Frank T. King, founder of the King Milling Company.

Surviving are three cousins, Rear Adm. Edmund S. Lee Marshall, ret., of Coronado, California; Mrs. John F. Conway of Portland, Oregon; and Mrs. J. J. Samples of Wheaton, Illinois.

Funeral services were conducted Wednesday at 1:30 p. m. in the Metcalf Chapel, Rev. Bruce A. Masselink of Mayflower Congregational church officiating. Entombment was made in Graceland Mausoleum.

Miss King who left Lowell and moved to Grand Rapids in 1914 was the organizer of the first west-state orthopedic clinic; a member of the Mayflower Congregational Church, Mary Free Bed Guild, and was treasurer of the board of trustees of Mary Free Bed Children's hospital and orthopedic center. She was also a member of the Women's City Club, Kent County Club and the senior board of Blodgett Memorial hospital.

Wins Trip To Chicago For Sr. Showmanship

Patience and plenty of training paid off for Jean Strand, 17, daughter of Mr. and Mrs. J. Eric Strand, when she won Senior Showmanship last week at the 4-H Fair. Jean is a hardworking farm girl, who in the eyes of her leader, Dale Shade, has well earned her trip to Chicago sponsored by the Press. This was Jean's 8th year in Dairy. She also carried 8th year in foods and 2nd year in Poultry, placing 1st in each, and numerous other projects through the years.

Jean also has a chance to go to the Detroit State Fair, when she won 1st at the Jersey Parish Show held a few weeks ago.

TO ALL ROYAL ARCH MASONS OF HOOKER CHAPTER NO. 78

Vacationtime is about over, and with the hope that we are all rested and eager to enter into our fall work, I am reminding you of our next regular convocation September 2, at 7:30 p. m. In addition to our regular business, there will be work in the M. E. M. Degree.

Emil O. Nelson,
High Priest

Peter Kahle Enters LHS This Monday

"You can get a whole meal or even buy jewelry in a drug store," answered 17-year-old Peter Kahle, Lowell High's exchange student, when asked what was one difference he had noticed between our country and Germany since he has been here.

It is not surprising that Peter noticed this, for his parents, Mr. and Mrs. August Wilhelm Kahle, are both pharmacists in his home town of Bremerhaven, Germany, which is a seaport on the North Sea. Peter further stated that in Germany a drug store may only sell pharmaceutical supplies and nothing else.

Last month Peter, along with 161 other exchange students, left Europe by ship for the United States. First stop after arriving in New York was Montreal. From there Peter travelled by bus to Detroit and then to Ann Arbor, headquarters for the Michigan Council of Churches, his sponsor. "I admire the hospitality shown by the American people," said Peter, commenting on his first few days in America. While in Lowell Peter will be sponsored by the local Rotary Club. He will be living with Mr. and Mrs. James F. Droeger of N. James St. in Lowell.

Peter, who enrolled as a senior at Lowell high last Tuesday, will probably find going to school in America quite different, especially being able to sleep late on Saturday morning. In Germany, school is held six days a week, and students are given only six weeks vacation a year.

Speaking with others, except for bull sessions, and reading will present no problem for Peter who can write both English and German. He can also write Greek and Latin which will be valuable if he finally decides to follow his parents into pharmaceutical work.

Peter also hopes that some day he will get the chance to enter a university in southern Germany, which like our own are very crowded. Peter also said that many German students do not get the chance to finish even high school due to financial reasons.

Outside of school, Peter is very interested in photography, reading and classical music. One of his fondest hopes is that during his stay in our country he will get the opportunity to see more of it.

Lowell Beer Store open every day and evenings until 10 p. m. Sunday until 7 p. m.

Additions To Teaching Staff Three Newcomers

Except for a teacher of girls' physical education, or a teacher for one of the first grades, the staff is completed for the ensuing year. The Board of Education has been extremely fortunate in being able to sign experienced teachers for the vacancies mentioned in the Ledger heretofore. Mrs. Helen McMahon will teach English in grades nine and ten. Mrs. McMahon originally taught Homemaking, but is also well qualified to teach English, especially since taking some refresher courses.

A. David Petrilli, with five years of training and as many years of actual experience in teaching English in Akron, Ohio, will teach the subject to seniors and juniors. He will include some public speaking in his courses and he plans to coach a play.

Mrs. Patricia Mullen, at her request will be teaching American History and other social science subjects.

Mrs. Virginia Elzinga has had several years of experience in teaching in the elementary grades and she is also prepared to teach physical education to girls.

Mr. Gumsier is looking for someone with a degree who could teach in either capacity, and Mrs. Elzinga has graciously consented to teach either position.

These three teachers, together with the other three newcomers already mentioned in the Ledger, will complete the teacher roster, except for someone to take either first grade or girls' physical education. If this is found to be impossible, then girls' physical education, as such, will not be offered this school year.

Services For "Red" Bryant Held in Lowell

Funeral services were held in Lowell Tuesday for Laverne "Red" Bryant, 44, formerly of Alto, who died from stab wounds received while camping in the UP, last Thursday.

Besides his wife, Doris, Bryant is survived by two sons, Dean of Grand Rapids and Larry of Felch; a daughter, Linda of Felch; his mother and father, Mr. and Mrs. Laverne Bryant of Morse Lake Rd. SE, Alto; two brothers, Lawrence of Manhattan, Ill., and Clarence of Aurora, Ill., formerly of Lowell.

Funeral services were conducted by the Rev. W. P. Reynolds with burial at Bowne Center cemetery.

The stabbing was reported to have taken place Thursday night as a result of an argument between Bryant, his wife and stepson in a tent a few miles from Felch, a town about 25 miles northeast of Iron Mountain.

Stanley Brodie, 18, of Madison, Tenn., admitted stabbing his stepfather with a hunting knife, reported Michigan State police. Officers quoted Brodie as saying he attacked Bryant because he was beating the youth's mother, Doris, 36.

Brodie is now being held on a charge of manslaughter. He will be arraigned on this charge September 1, and will stand trial in the November session of Dickinson County court.

Stone and Glass Dominate New Walter Lumber Mart

The dominant feature of the new Walter Lumber Mart now going into the final stages of construction on West Main Street, is its maximum size glass walls (1300 sq. ft.) and the rough hewn texture of the native Onaway stone front wall.

The "everything for the home" super market is scheduled to open about the middle of September and will be a great attraction for builders big and small for the entire area. Bruce Walter, who is constructing this modern building mart revealed that a planning section is being set up in one corner of the structure with sketches, new building materials literature, and everything the hobbyist, home workshop enthusiast or the biggest building contractor could desire in planning his projects.

A new spacious blacktop parking area will be built for the convenience of the customers; and overshadowing the area will be a sign built on 6 x 12 timbers of western fir, 22 feet long each weighing nearly 500 lbs.

TWO ARRESTS HERE TUESDAY

Lowell Police officers assisted in the arrest of two local persons Tuesday for out-of-town authorities.

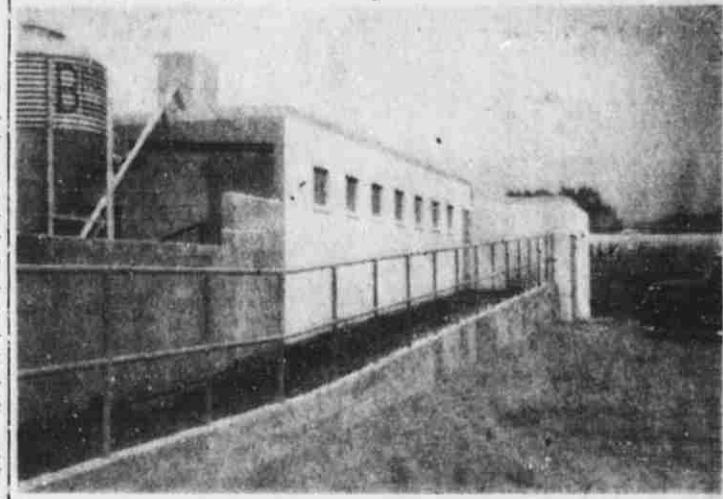

Tuesday morning, August 25, Officer DeGraw and FBI agents from Grand Rapids picked up Walter Brock at 706 West Main Street for the U. S. Army.

He had been absent without leave from the army since June 9.

Tuesday evening, Barry County officers and Officer Bill Richard arrested Gerald Cudney of Lowell on a destruction of property in Barry County warrant.

He was apprehended after a short chase into an alley near the Post Office.

New Milking 'Factory' First of Its Kind

Pictured above is the new milking "factory" that new makes Janeland Farms one of the most modern and efficient dairy farms in the country. This building is only one of three new buildings being constructed on the farm since the \$30,000 fire, pictured below, destroyed the barn, 27 calves and equipment.

"Milking 125 cows in less than two hours makes our new 'milking factory' one of the most up-to-date operations throughout the country," said James Cook, of the Thomas-Cook Janeland Farm just north of Lowell.

The \$40,000 milking parlor or "factory" as Cook calls it, is just one of the new buildings to be erected since the \$50,000 fire destroyed the barn, 27 calves, and quantities of feed, hay, and tools last December.

The all-time milking parlor features the newest equipment and the latest design to be found in a building of this type in the entire country.

It is the first milk house to ever use a flat roof design. Most buildings have a barn-shaped design in which feed is stored above the milking stalls. In this new building an automatic grain feeder brings in feed from bins located outside the building.

A brand new feature is an automatic door opener that enables workmen to open the entrance doors leading to the ramps from any one of the 10 modern stalls. Plastic solar domes make lighting conditions excellent.

Cook, himself, is responsible for many of the new designs used in the parlor. Instead of having the

Dinner Monday for Showboat Cast

A dinner will be held Monday at 7 p. m. in the Masonic Temple for the 1959 Lowell Showboat chorus, endmen, queen and court.

The chicken dinner served by the Eastern Star is a thank you gesture for the fine work of the 1959 cast.

Feature of the program will be the showing of the WOOD-TV Unit 8 film of the Lowell Showboat that was televised on Tuesday of Showboat week and members of the cast were involved in the show and unable to view the film.

All members of the cast are invited to have an enjoyable evening together.

GRATTAN TOWNSHIP 4-H CLUB COMPLETES FIRST YEAR

The Grattan Township 4-H Club reported a very good showing of different projects at the County 4-H fair this year. This is the first year for the club, and the boys and girls did very good bringing home many blue ribbons for their hard work.

Special thanks goes to all our project leaders, parents, and 4-H club members for their co-operation in making the club a success this year, hoping that next year will be better yet.

Any boy or girl, 10 years of age, who wants to be a 4-H club member may join anytime at our regular meeting, the first Thursday of every month, beginning this September at the Grattan Township Hall at 8 o'clock.

AUCTION SALE

Jacob Koemes, Wednesday, September 2-3 miles SE of Cascade on US-16, then 1 mile south on Whitteville Road to 52nd St. 8550 52nd St. SE, 50 head of Holstein cattle, milking equipment, 1959 New Holland Baler. See list on another page of this issue. George VanderMeulen, Auctioneer.

cows enter the parlor by means of a ramp, which often causes the cows to injure themselves by slipping, a series of steps have been installed. Cook also put in a two-temperature hot water system. One temperature ideal for washing, and the other, used for the "electro-brain" washer, for sterilizing the milking equipment.

The building itself is designed so that it can be entirely hosed off leaving no mud puddles. Cook further stated that Edward Ward of Lowell is responsible for the self-cleaning drainage system found in the milking parlor, which is said to be one of the finest systems in the country.

Perhaps the greatest asset of the milking building is its efficiency, for 90 cows can be milked in one hour or just 7 1/2 minutes per cow. Nearly 400 gallons of milk are obtained from one milking and kept at the right temperature in a milk keeper that has a capacity of 5,381 pounds. At the present the farm has only one keeper, but there is room for two more. Twice daily a Grocers Dairy Co. tanker picks up the milk and takes it to the dairy in Grand Rapids.

At the present Janeland Farms does a \$80,000 a year operation, but next year a hundred more cows will be ready for milking, thus making it a \$150,000 a year business.

Besides the new milking parlor, a giant pole barn, another of Cook's ideas, is being erected to provide storage for hay. The barn which is 40 ft. high and 40 ft. wide, consists of a frame supported by many tall pressure treated poles sunk five feet into the ground. There is no siding, just a frame and roof. Cook said that he would later add screen siding. Right now the barn, which is nearly completed, can hold 15,000 bales of hay; but will hold 30,000 condensed which is enough for a whole year. Cost of the barn is estimated at around \$3,500, just half the cost of a regular barn.

Next week construction will begin on a "loafing barn" 40 ft. by 105 ft. which will be used to accommodate the additional 100 cows. At the present, only 100 cows can be kept comfortably in the barn. Construction will also be started on a new silo, which will stand 50 ft. high and be 30 ft. in diameter. The new silo will be able to store 1,700 tons of corn silage.

After all the construction and rebuilding is finished, Janeland Farm will be one of the most modern and efficient dairy farms in the whole country.

"Janeland Farms would not be the success it is today, even with all the new equipment and buildings, if it wasn't for Mrs. Cook," concluded Cook. "She really knows livestock and how to take care of it."

Until nine years ago, Janeland Farms used to be the property of Earl Thomas, Mrs. Dora Jane Cook's father. Thirteen years ago Cook married Dora, and they have run the farm for nine years now.

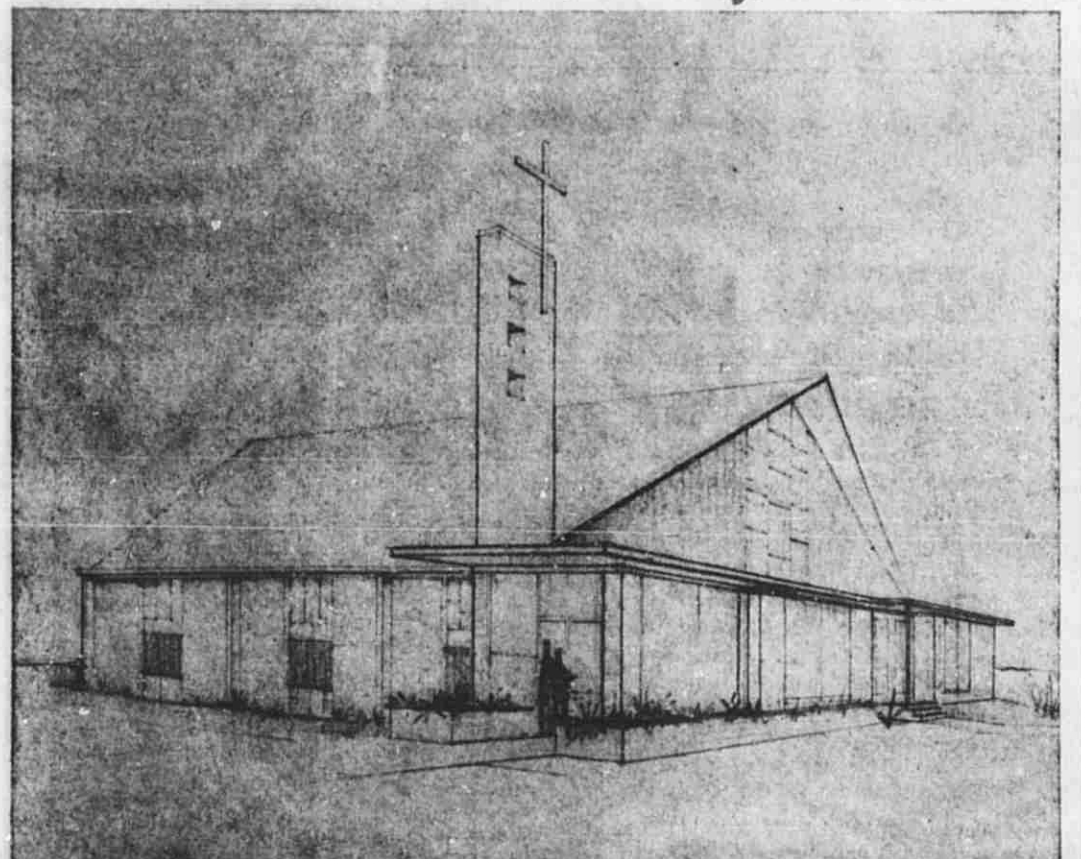

JAILED ON MISDEMEANOR

James E. Green, of Lowell, was sentenced to 60-days in the County jail by Justice Rittenger last week, for committing a misdemeanor which went under the heading of larceny.

Green was arrested by local and county authorities on a strongarm robbery complaint.

After he has completed his sentence, Green, who was already on parole, will be picked up by parole officials.

Break Ground for New Church, Saturday, in Lowell

Ground breaking ceremonies for the new Lowell Gospel Chapel will take place this Saturday afternoon, August 29 at 4 o'clock. The traditional first shovel of dirt will be dug and appropriate remarks will be made. Lowell Gospel Chapel is sponsored by the Eastern Avenue Christian Reformed Church of Grand Rapids. Evangelist Henry Bulkema serves as pastor of this group which at present meets in the City Hall at 10:00 a. m. every Sunday. The new chapel will be erected on the 3-acre plot of ground purchased last January from Geo. R. Lundberg just west of the village limits on M-21. The new chapel will be contemporary in design. The exterior will be of brick with redwood trim. The first floor will consist

of an auditorium seating 160, the narthex, a pastor's study and wash rooms. The auditorium will have multi-colored glass windows. The greatest length will be 60 feet and the width across the front will be 56 feet. The auditorium width will be 36 feet and the length 42 feet. The interior will be of open beam design with oak trim. The basement will consist of an assembly room which can be divided into 4 class rooms, plus 4 regular class rooms, full kitchen and boiler room. Mr. Harvey Weemhof is the architect. Mr. Dan Vos is the builder. All are welcome to the ground breaking ceremonies for Lowell's newest church.

Logan News Mrs. Harold Yorker

Mr. and Mrs. Jay Lewis were Saturday evening visitors at the Dan Kauffman home a week ago.

Mr. and Mrs. Dan Kauffman spent the weekend with Mr. and Mrs. Ken Holt and family at Marion Indiana.

Albert Clensens was a visitor at the Harold Yorker home recently.

Mr. and Mrs. Harold Yorker attended the Schlosser Sale near Ionia as a week ago Tuesday.

Mr. and Mrs. Walter Over and family of Fisher, Ill. were Thursday dinner guests of the Harold Yorker family.

Rev. and Mrs. William Johnson and family of Pa., are visiting the Community a few days.

Mrs. Harold Yorker, Billy and Sally accompanied Mrs. Gene Foster and family to Endeavor, Wis. over the weekend.

They went across on the Clipper and came back on the C & O Ferry. They stayed with Gene Foster in the C. H. Runciman Farms.

While there the Mexican people, workers on the farms under the supervision of Mr. and Mrs. James Arcoutis of Texas, had a beautiful surprise birthday party for little Terry Foster, daughter of Mr. and Mrs. Gene Foster. Over 200 workers of the Runciman Farms and surrounding farms attended.

Terry received many beautiful gifts. Mr. and Mrs. Kenneth Blough and family and Emma Blough visited the Ernest Chang family at Elkhart, Indiana, over the week-end.

Soon Congress will give up, and go home. After a brief pause, the work of drawing evidence answers from reluctant witnesses will be resumed, by school teachers.

FOREMAN ROAD

Lester Bailey called on Mrs. Lulu Lamb in Edmore Saturday. Mrs. Adelbert Oehl, Roger and Bruce visited her brother, I. N. Wern and family in S. Milford, Indiana for a few days this week.

Mr. and Mrs. S. V. Taylor were supper guests Sunday evening at Vergennes church Sunday to Taxidermy.

Income from automobile weight taxes collected during the 1939 sales year exceeded taxes collected last year by nearly two million dollars.

According to Secretary of State James M. Hare, 71,780 more automobiles were registered in 1939 than in 1938.

Weight tax revenue on 1,344,071 automobiles registered brought in \$60,624,050 compared to \$58,853,027 collected in 1938. Most of the State income from this source is earmarked for roads and highway construction.

THINGS TO COME

For those bored with water skiing, here's a new thrill vehicle, a crowd's next stop is a 14-foot aluminum mat set in a sphere made of fiber glass. The rider sets the craft in motion by shifting his weight back and forth.

RAVENNA LIVESTOCK SALES

West Lowell Mrs. Melvin Court

Mrs. Keith Avery returned to her home in Las Cruces, New Mexico, Wednesday.

BOY DEATHS EXCEED GIRLS'

Among the 1,375 persons killed in Michigan traffic accidents last year 117 were under ten years of age. Of these 75 were boys and 42 were girls.

A check of all the handwound checks and watches in the United States would probably reveal that four out of five are indicating the time incorrectly by two to five minutes.

4-H Winners

Continued From Page 7 Fourth Year Dairy: Mary Lynn Cook B. 5th Year Dairy: Don Cook B. 7th Year Dairy: Gerald Flynn A. A. 2nd place and 3rd place Senior Showmanship.

C, egg production. Poultry, 5th year: Gerald Flynn C. Ducks, 1st year: Albert Vandertoren A. 1st place.
