An important step in making the Lowell Building and Loan Association more flexible to the needs of the community was made Monday night when a meeting of the stockholders at the Lowell City Hall voted unanimously to reorganize the association started here in 1888. In the reorganization the name has been changed to the Lowell Savings and Loan Association.

At the Monday meeting of the shareholders the sinking fund type of mortgages was abolished and the declining balance of direct reduction mortgages was instituted in its place. Now borrowers and investors will be able to look at their pass books and instantly know the balance they owe or have

West Mich. Traveling League at Lowell Alleys Tuesday, Oct. 27

Due to an unexpected change in schedule, the West Michigan Traveling League is due to bowl at our Legion Lanes next Tuesday, October 27. They had originally been scheduled to roll on March 8, next year, but the date has been set ahead to the one next week.

This is undoubtedly the fastest bowling league ever assembled in this area with the average for the men running around 195 and the average for the one women's team, the National Match Game Champions Steelcase Majors, not too far behind. Top averages in the League are in the very respectable 200's.

Featured in the league is the strong Kirby team, Grand Rapids City Champs, two Sullivan teams, and five other teams composed of the very finest bowlers in the west Michigan area. Competition is stiff and some tremendous series have been rolled so far in the as yet young season, many of them in the 700's.

Altogether, this feature should show Lowell bowlers some extremely high counts and the Legion Lanes considers it a distinct honor to be able to schedule this Major League into the Alleys. The public is, of course, invited to be spectators and a good bowling spectacle is promised as the lanes have been giving up some exceptionally high scores to local bowlers already with the season only five weeks old.

The time is 9 p. m. and the date, don't forget, is Tuesday, October 27. Let's have a good turnout and show these bowlers we are a bowling town, too.

State Officials To Attend Area Democrat Halloween Dance, Oct. 31

The Southern Townships Democratic Club is sponsoring a Democratic Dance on Halloween, October 31, 1959, commencing at 9 p. m. at the American Legion Post 179, 2381 West Beltline, Grandville—across from Johnson Park. Music will be by the "Rhythm Stylis'ts" for both Round and Square dancing. A donation of \$1.00 is asked for persons attending the dance. Tickets may be obtained in advance by calling Mrs. Margaret Mudgett, Club Secretary, LE 4-2302 at any time. Free refreshments and many door prizes.

Committees are as follows: Jerry Eastman, General Chairman; Refreshments, Russel Mudgett and Nick Daniels; Publicity, Dick Wilkie and Jerry Eastman; Hall and Tickets, Russel Mudgett and Dick Wilkie; Decorations, Mrs. Violet Herr and Mrs. Mary Kloosterman; Door prizes, Wm. Kloosterman, Russel Mudgett, Dorothy Peterson, Gene Koon, Jerry Eastman and Violet Herr.

Billy Farnum, Assistant Secretary of State of Michigan will be in attendance and will be called upon to call a couple of square dances. Other representatives from Lansing are expected to attend.

State Treasurer, Sandford Brown, will be present at the dance. The public is welcome.

Gas Franchise Vote Next Thursday, Oct. 29

Lowell Township voters and this includes everyone living in the Village of Lowell, will have an opportunity to vote on Thursday, October 29, to give Consumers Power Company a franchise to distribute and sell natural gas in the Township of Lowell.

A second vote for residents of the Village of Lowell only will be held on Thursday, November 12. A good turnout at each vote is expected.

Boston Township votes this week on Consumers Power Co. gas franchise and the village of Saranac next Wednesday.

Lowell Skaters Win Top Honors At Meet Here

Several skaters from Johnston's Figure, Dance and Speed Club of the Legion's Big Wheel won trophies and ribbons for their outstanding skating at the recent Inter-Club Meet held here.

Susan Christiansen and Jerry Adams won first place trophies in the Sub-Novice dance. Mr. and Mrs. Jack Adams won second place ribbons in the Veterans Dance. Barbara Adams and Ron Lindbloom won second place ribbons in the Intra Dance. Mr. and Mrs. Dave Clark, Jr., won third place ribbons in the Veterans Dance.

Two other skaters, Sharon Riley, and Bob Tuttle, who are members of the Johnston Club but who reside in Grand Rapids, won first place trophies in Intra Dance.

Because of the accomplishments of these skaters and other members of the club who followed close at their heels, Johnston's Figure, Dance and Speed Club earned 138 points towards the Inter-Club trophy which will be awarded to the club that accumulates the most points at these meets by next April.

The closest club is the Palomar Dance Club of Lansing with 74 points.

Ask Children to Bring Khrushchev's Visit Issue of Life Magazine to School

Capitalizing on a suggestion made by George Welsh, former mayor of Grand Rapids, to Columist Drew Pearson—a nation-wide drive is under way to collect the October 5th issue of LIFE magazine, so that hundreds of thousands of copies may be sent to Russia in order to create a better understanding between the people of both countries. The edition of LIFE depicts Khrushchev's visit to the United States and portrays by word and picture the way the distinguished visitor was received in America.

Obviously the plan would indicate a person-to-person contact, for each LIFE magazine contains the name and address of the owner. Mr. Pearson explained the plan and his views in his column published in the Grand Rapids Press of October 12.

In cooperating with the plan, which will be adopted in all parts of the country—Lowell citizens are asked to send the copy of LIFE to the Lowell school, either to the teacher or the school offices, and they will be forwarded to Grand Rapids. The collection will be sent in on Tuesday, the 27th, so copies should be sent to the school not later than Monday, October 26th.

Three Lowell Residents Commissioned Notaries

The names of three Lowell residents who have been appointed or re-appointed as Notaries Public during the past three months has been released by James M. Hare, Secretary of State.

They are Frances DeGraw of 503 N. Monroe, Leonard E. Jackson of 923 N. Washington, and George Story of 233 N. Hudson St., Lowell.

According to Hare, the number of Notaries Public commissioned is increasing throughout the State each year.

"However," Hare said, "there are many rapidly growing areas of Michigan which do not seem to have as many notaries per thousand population as other areas."

Notaries Public application forms can be obtained from County Clerks of the Governor's Office, or from the Secretary of State in Lansing.

CARELESS BUSINESS MEN LEAVE DOORS UNLOCKED

Lowell Police have reported that in the past two week period, careless businessmen in the community have left 18 doors of their business establishments unlocked. The police on finding the unlocked doors, leave a note and lock the door.

In some cases they report, not only is the door unlocked but the keys are left hanging from the lock. More careful checking is being requested by the officers.

Lowell A & P Closes Saturday

The Lowell A & P food store, a familiar location on the local business scene for nearly 38 years, will be permanently closed to business Saturday night, October 24, it was announced today.

Closing of the store at 201 E. Main St. as a result of operational changes, was regretted by Clyde L. Taylor, General Superintendent of the company's Grand Rapids Unit serving stores in this area.

Taylor expressed the Company's thanks and appreciation to the hundreds of local residents who long have patronized the store.

Farm Census Questionnaire Mailed to Area Farmers

Questionnaires for the 1959 Census of Agriculture are now in the mail and will be in the hands of local farmers within a few days, it was announced today by Field Director John E. Tharaldson of the Census Bureau's regional office at Detroit.

The farm census questionnaires are being mailed from Chicago, Illinois with the distribution timed so that the report forms will reach farmers about a week ahead of the date when census takers will begin the field canvass.

The 1959 Census of Agriculture questionnaire is designed to provide information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment, selected farm expenditures, farm values, and mortgage debt. On the average, each farmer is asked about 100 questions, many of which can be answered by simply checking "yes" or "no."

Star Farm Bureau Wins Cowbell Award

The Star Farm Bureau met with Mr. and Mrs. George Krebs last Friday evening with a very good attendance.

We are enjoying the cowbell our group won for having the most points in the county.

Congressman Jerry Ford met with us and gave a very good talk on his recent trip to Poland and Russia. Many questions were asked, Mr. Ford answered them very satisfactorily.

Our hostess served a delicious lunch and by the time we finished our lunch and visiting it was time to leave for home.

Thank you, George and Mary, for your hospitality in your lovely home.

Plan to Open New Section of US-16 Soon

David Moody, project engineer of the State Highway Department with offices in the Christiansen building, has revealed that work is progressing nicely on the super US-16 between the Kent-Ionia county line and Whitneyville Road, and that it will open early in November. The intersection work at Whitneyville Road is under way and the blacktopping of the connection of the new road with the old highway will be finished this week.

On the new highway about all that remains to be done is to erect guard rails and install signs.

Mr. Moody replaced the former George Ledy who served as project engineer until his death from a heart attack two weeks ago.

David O'Connor has been named project engineer on the section of highway that will be built from the Thornapple River to the city limits of Grand Rapids. Offices of this group are being set up in the former Buttrick store in Cascade.

Halloween Window Painting Contest Attract Young Artists

If you can't beat 'em, join 'em. Lowell town merchants have long recognized the wisdom on this maxim, especially at Halloween time. It was an old American custom among youths of a generation ago to wax store windows on and before October 31, the reasons lost in antiquity. But the horrible results were evident in thick, incongruous patterns on and after November 1.

All this has changed (mostly, anyway). One bright day a bright merchant said to himself, "If they are going to draw, why don't they draw something pretty?" So he painted a sign of his own, "Free candy to the best artist." Besides inheriting one of the best-looking waxed windows in town, he started a trend. Now nearly everybody's doing it and it's all very organized.

This year in Lowell, children 6th through 12th grades are being asked to submit ideas for artwork in advance of Halloween, and are then being assigned windows.

Cash prizes are awarded the winners in the community wide contest.

Many in Lowell have already signed up for windows with their ideas. There is still time for others who are interested. For more information call Mrs. Barbara Fluiger at the Lowell Bakery who is chairman of the Lowell Board of Trade Store window painting program.

Church Group Officers Elected For Coming Year

The women of the First Congregational church have chosen the officers of their various groups for the coming year.

The Lila group will have as its president, Miss Hattie Lynn; vice-president, Mrs. Matt Metterick; and secretary-treasurer, Mrs. C. Chauncey Freeman.

Officers of the recently organized Dorcas group are Mrs. John Condon, president; Mrs. Howard Briggs, vice-president; and Mrs. Virgil Roudabush, secretary-treasurer.

Mrs. Nick Kloosterman, Mrs. W. E. Hall, and Mrs. W. W. Gummer are the president, vice-president, and secretary-treasurer respectively of the Perry group.

The Esther group will be presided over by president, Mrs. William Collins; vice-president, Mrs. Seymour Dawson; and Mrs. Gordon Johnson, secretary-treasurer.

Plans have been made by the Deborah group, headed by Mrs. Hollis Marsh, to have Rev. David Debbink conduct discussion periods at several of their meetings this year. Mrs. Stephen Nisbet is vice-president of this group; Mrs. Bernard Kroff, secretary; and Mrs. Richard Rutherford, treasurer.

Each member of a woman's group is automatically a member of the Women's Fellowship. Meetings are held once a month at the church. Mrs. Robert Chroux is president of the Fellowship; Mrs. Charles Houseman, vice-president and program chairman; Mrs. Thomas B. Hill, secretary; and Mrs. George Story, treasurer.

Moose Sponsor Dinner To Provide Christmas "Toys for Tots" Fund

You are invited to enjoy a family style turkey dinner on Sunday, November 1, at the Moose Lodge Hall, 210 East Main Street. By doing so you will be happy twice—the dinner will be delightful and you will be helping someone at Christmas who is less fortunate than yourself.

The Civic Affairs Committee of the Loyal Order of Moose will again sponsor their "Toys for Tots" project, and furnish Christmas dinners to the needy. The money to carry out this worthwhile work is raised each year by special events, in which the people of Lowell are invited to participate. The support which has been given in the past has been sincerely appreciated.

The Women of the Moose and the Legion of the Moose are working with the Moose members to make this dinner one of the best of the season. For you, we will be serving from one to five o'clock and look forward to greeting the folks from Lowell and the surrounding area. Tickets are now on sale.

BUILD NEW GRAIN STORAGE TOWER FOR KING MILL

Construction got underway this week for a new 110 foot grain storage tower on C & O Railroad property just west of the present grain storage buildings at the Water St. crossing of the rail road. The building is of poured concrete construction and work will go on around the clock until completed.

Something new for sidewalk superintendents is the electric motor moving the forms up the building instead of hand turning as has been done on previous poured buildings of the milling company.

More than 2500 alumni and former students attended the three-day event at their alma mater currently celebrating its centennial year, 1959-60.

Play Kelloggville Here Friday Night

Seeking to rebound after being smashed 34-6 by Godwin last week, coach Charles Pierce has made several changes in his Red Arrow lineup for the season's final home contest with Kelloggville this Friday, October 23. The visiting Rockets are currently atop the Ottawa-Kent league and whitewashed Wyoming Park 40-0 in the team's last outing. The Arrows, with a 3-1 record are tied for top spot in the Grand Valley.

A spurring offense that has produced only 33 points in the last three games (compared to 33 in one game against Wyoming) and a defense that has suddenly sprouted leaks are two gigantic obstacles the Arrows must overcome before the title clash with Rockford, November 6. Figuring prominently in the anticipated changes is 6 ft. 4 in., 225 pound tackle and linebacker, Jim Lawrence.

Godwin caught the Arrows when everything went wrong for the Lowell crew and proceeded to tear them apart 34-6 in the worst beating a Chuck Pierce-coached Lowell team has ever suffered.

After the Lowell defense had forced the Wolves to punt early in the contest, a pass from Moore intended for Wissman was intercepted by Godwin's Walt Clawson, setting up the first of Dick Melville's touchdowns. A fake kick and pass netted the extra point. Melville scored again in the second quarter on a 24-yard reverse. A

Shooting Telephone Cables Annual Problem Here

When pheasant season opened on Monday (Oct. 19) it doesn't take much longer than a gunshot to cut off a lot of important telephone calls.

In fact it would be quicker than you could say Jack Robinson. Michigan Bell Telephone Company pointed out there were 218 cases of cable damage caused by shotgun blasts last year and renewed its annual plea to hunters: "Please don't discharge our cables."

You might say it's possible for a hunter's life to hang by a telephone line which won't work if it's not full of holes. And farmers are not at all happy if they can't get a phone call through because of damaged cable facilities.

Careless Hunting Spells Calamity

There is no substitute for hunting safety. This statement was made by a group of hunters who gathered in the woods near the town of Lowell, Mich., last week.

Most damage, of course, is caused by over-zealous nitroheads who have a good eye focused on the bird, but a hazy view of the bushes around into which they're firing.

It is a wise—and happy—family in which every member reserves some time each week for doing anything he chooses, or nothing at all.

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year. You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

Acting Governor Swainson Reports On Economies Effectuated in Government

By John B. Swainson
Acting Governor of Michigan

Lots of people talk about economy in government from time to time. Here in Michigan we are working continually for economy in state government.

This effort for economy is not something that was inaugurated at a particular time. It is a constant process. During the last week, I received a report from the Civil Service Commission showing that state employment dropped by 560 in the period from July 1, 1958 to June 30, 1959. That is a decrease of 1.3 percent.

Some departments showed an increase in employees, but the overall number was down.

It was gratifying to me to note that this decrease in the number of state employees was accomplished without hardship on employees or their families. It was achieved not by firing people, but by the process of not filling positions which became vacant whenever that could be done.

There are other examples of economy.

It was most interesting to learn of a project started by the Department of Administration which will mean a net saving of some \$70,000 in providing clothing for patients in our mental hospitals.

The Department took advantage of availability of some 60,000 yards of Air Force blue, all-wool material. This had been declared surplus and was available through the State-Federal Surplus Property Section at 10 cents a yard. Its use is limited to education and health.

Some of it will be provided secondary schools for use in home economic departments for the making of dresses and other articles designed for school use.

Some of it will be used for clothing the mental hospital patients.

The Department of Corrections Department, the prison industries will make the material into clothing for men, women and children. This will bring a great saving in clothing costs.

Michigan is the only state which has put its surplus material to use, but others are expected to follow. The Federal Department of Health, Education and Welfare is so impressed by the Michigan project that it plans to show other states what is being done here.

A showing of the clothing was made recently for mental health officials of twelve midwestern states. Samples are to be sent to the Federal Department so that they can be shown to officials from the other states.

Another economy measure, made possible through utilization of surplus material came to my attention during the week. A pilot project has been conducted at the Ypsilanti State Hospital where admitting costs of patients have been drastically reduced. By using antidepressant machines which another state department disposed of as surplus because certain operations have been eliminated, the admitting costs have been reduced at Ypsilanti from \$7.52 for each patient to 29c. Formerly it required four hours and 30 minutes to fill out the 45 forms required on admission. Now, one plate is made and the 45 forms are filled in 12 minutes.

During July 122 patients were admitted. The new system brought a saving of \$82.08 in that month.

A second study, using the same equipment, is to be undertaken at the Ypsilanti Hospital in June. Preparing inventory forms in the past has required 35 man-days. Plates have now been cut for the thousands of items included in the inventory. They can be run off in 12 hours.

It is a great temptation to agree with certain people rather than engage in a hopeless discussion and waste one's time.

WIDER HELICOPTER HORIZONS—This artist's sketch of the modern Army's HU-1 "Iroquois" helicopter shows it being used as a "test bed" for both electronic and human factor engineers use it to test Army-Navy Instrumentation Program (ANIP)-developed theories and apparatus. Insert circle shows ANIP display being tested with radar mapping information presented on bottom half and forward looking obstacle information displayed on top half of console. Airborne radar unit built by Bendix-Pacific is shown on top cabin of the Bell 'bird'.

TV News

TV IS EVERYTHING

Victor Borge believes television presents a unique challenge to an artist. "What is TV?" asks Borge. "Is it a movie? Is it a comedian going 'Ha ha ha'?" Is it the theater? No, it is none of these. The answer is that television is everything.

Borge points out that television is the one medium which can utilize live, film and tape techniques in a single show. "To me," Borge says, "television makes anything possible, and I think the possibilities have barely been scratched. I'd like to take advantage of television by doing on TV what they cannot do elsewhere."

LIFE ON THE ASSEMBLY LINE

Actor Richard Hervey believes that while acting lessons are useful, physical renovation is mandatory to success in Hollywood. Hervey relates that he has undergone the following physical repairs since his first arrival in the movie capital: permanent caps for his front teeth, a new hair color and a pair of very dark glasses to be worn as a disguise at the beauty salon.

Politicians, like show people, give the public some truth and some as a disguise at the beauty salon.

Lowell Council Proceedings

Regular session, Monday evening, October 19, 1959. Council was called to order by President Jones at 8:10 p. m. Roll call: Trustees Fish, DeLoe, Fonger, and Scherler. Absent: Trustees Thompson and Scherler. The minutes of the regular session of September 21 and of the special session of September 29 were read and approved. Police chief Stephens' report for the two weeks' period ended October 3 was read.

Capital Budgeting, Raze residence at 117 S. Washington. Communications were read from 1. Chemical Bank N.Y. Trust Company inquiring our disposition of any fractional shares resulting from merger of Chemical Bank Exchange Bank and New York Trust Company (See MOTIONS). 2. Clark-Elms Post No. 150 of the American Legion requesting improved lighting on Riverside, south of Main Street. (To Superintendent Westernbrooks). 3. Mr. and Mrs. Jerry Devine expressing appreciation for house repair. 4. Captain John Brusk of the 126th Infantry, Grand Rapids, thanking this community for their reception at time of combat demonstration in September. 5. Bid on stoker coal for city hall. (See MOTIONS). 6. Citizens Mutual Insurance Company with recommendation for elimination of fire hazards at the municipal garage and Showboat bldg. Mr. Westernbrooks reported that garage had been cared for. The clerk was directed to forward copy of the letter to the Showboat Corporation for their follow-up; and to advise the insurance company of our action. 7. Urban Keyser of the Lowell Village Inn was present to request permission to grant him permission to dispense liquor by the glass at this place of business. Attorney Van Veen advised him that the question would have to be voted on by the electorate at Lowell, after a petition had been presented requesting that such election be held. The clerk reported having made these deposits since last regular meeting: **General Fund** Sale of maps \$ 2.25 Parking fines 8.00 Building permits 8.00 Eberhard Foods 10.00 Consumers Power Co. 200.00 \$230.25 **Street Fund** Village General Fund \$183.50 Light & Power Receiving 3.75 \$187.25

Lee Fund Chemical Bank NY Trust Co. \$1,028.40 US Trust Co. of NY 25.00 \$1,053.40 Utilities Superintendent Westernbrooks reported: 1. Marking of parking spaces now completed on city parking lot. 2. Information from the State Highway Department reveals that they will not participate in street lighting, unless they re-route a highway and destroy the existing lights. The finance chairman distributed copies of items for consideration for the 1959-60 budget to the council members. He requested that each study the projects to be considered and to make recommendations at next council meeting. Trustee Doyle relayed information from the garden clubs that they will decline to landscape at the public library. He also recommended additional lights in the Post Office area (to be considered along with street lighting program). He reported that water collects near Vergennes (Loans Lake Avenue) near Elizabeth Street. (To Street Commissioner for grading.) Alto White Circle Meets

With Mrs. Gail Gould

The White Circle meeting at the home of the Chairman, Mrs. Gail Gould in Lowell was fairly well attended Wednesday evening. Devotions were given by Mrs. Ariene Hays. Mrs. Joseph Hays, brother of the Chairman, was in charge of the program. Mrs. Virginia Reynolds was program chairman and she asked Mrs. Hatch to show some of her collection of pictures taken in Canada and in the Colorado Springs area. The pictures proved unusually lovely and were well received by the viewers.

What Is A Truck?

A truck is a lot of things... food for your table, clothes for your back, heat for your home. A truck is medicine for a sick child, gasoline for an automobile carrying a traveling salesman, merchandise for the store on the corner... A truck is something you simply cannot do without—housewife, manufacturer, farmer, retailer, teen-ager, or whoever you may be. Because everything you eat, wear, or use depends on trucks to get to you... So, next time you see a truck on the road, remember—It's there because it's got a very important job to do for you.
