

Arrow Iron Men Bring Home Share of Grand Valley Football Title

Lowell High's champion "Ironmen" are the toast of the town this week.

Captain Charley Pierce's fighting footballers ended a 14-year famine last Friday, dumping Rockford 20-13 to win a share of the Grand Valley football title, bringing the coveted crown back to Lowell High School for the first time since 1945.

Pierce, in his second year at the Lowell helm, was rather speechless during the joyous post-game and locker room celebrations but later said, "I am very happy that Lowell has won a share of the Grand Valley football championship, and I am proud to be associated with the boys who put forth so much effort to bring this title back to our school."

The team defied pre-season forecasts which not only didn't vision the Red Arrows as title contenders, but predicted a tight battle between Lowell and Wyoming Park for the Grand Valley cellar spot. A small squad of only 26 and a comparatively light forward line seemed to support these predictions, but a spark of team spirit burst into a blaze of never-say-die determination and carried the Arrows to their title.

Ironically, this same team two years ago, as sophomores on the reserve team, compiled the unenviable record of 0 wins and 8 losses.

The Arrows finished the season with a 5-3 record and a mark of 4 wins and 1 loss in the Grand Valley.

Last Friday's contest with Rockford was a real "must" for the Arrows. The second time they had the ball the Lowell boys showed real offensive power as the front line opened holes in the Ram defense for the Arrow backs to power through. Workhorse Steve Fritz picked up most of the gains in the 78-yard march and scored from the 5. Moore sneaked for the point, but an offside penalty moved the ball back to the 7. A Moore-to-Wissman pass failed, and the Arrows had a 6-0 lead.

With two minutes remaining in the first half, Larry Christiansen got behind Lowell defenders and took a pass from John Campbell to tie the score, climaxing a drive that covered 82 yards in 18 plays for the Rams. The kick for point was low.

Lowell took the second half kickoff and marched 59 yards in 12 plays to score, Fritz pushing over from 3 yards out. Quarterback George Moore tallied the extra point on the reliable sneak over his left guard, hard-blocking senior Larry Wingeier.

In the final period the Arrows took a weak Rockford punt on their own 46 and scored in 9 plays, again with bread-and-butter fullback Steve Fritz punching out most of the yardage. Moore's sneaks netted the score and point after touchdown, giving Lowell a 20-6 lead with 8:30 remaining in the game.

Eight minutes is a long time, as the Ironmen found out. Rockford came back to score in six plays with Drake Knapp going over from the three-yard line. The Rams threatened again late in the contest, but sophomore Don Dilly came up with a clutch pass interception on the Lowell 35 with one minute remaining to give the Arrows the ball game and the Valley Title.

Lowell 6 0 7 20
Rockford 0 6 0 13
Fullback Steve Fritz carried the

igskin 27 times for 145 yards. The team co-captain, the heart of the Lowell offense all season, finished second among Valley scorers with 11 touchdowns for 66 points.

Ironmen in this contest for Coach Chuck Pierce ends Jon Walter and Fred Wissman, tackle Dick Ward, guard Larry Wingeier, center John Wakefield, and backs George Moore, Jerry Boone, Dale Dilly and Steve Fritz, Frank McMahon, usually a member of this two-way crew, was weakened by a week-long seige of flu and saw mainly defensive action, playing his usual fine game at middle line backer. Senior Bob Thaler, 155 pound guard, handled the 190-pound McMahon's right tackle spot on the Arrows' offensive unit. Jim Lawrence replaced guard Jim Barnhart when the Arrows were on the defensive. Several other boys also saw limited action.

Thus the 1959 Red Arrows climaxed a highly successful football season.

NOTES—The Grand Valley title provided a fit housewarming gift for coach Chuck Pierce who, with the help of assistant coach Don

Kelly, is building a new house on N. Washington St. It was also a dandy birthday present for quarterback George Moore who celebrated his eighteenth birthday Saturday. The team, coaches, and managers were the guests of Mr. and Mrs. Bud Moore Monday evening for a turkey dinner with all the trimmings. The left side of the Lowell line calls themselves the "Flying W's" (Wissman, Ward, Wingeier and Wakefield). They have done a fine job of blocking all season. The right side of the offensive line Friday night (Barnhart, Thaler and Walter) averaged only 143 pounds but matched the Flying W's in tearing apart the Rockford defense. Dick Ward and Larry Wingeier, who have alternated at kick-off duties all year, got off some tremendous boots Friday. A new slobback formation unveiled by the Arrows forced the Rams to loosen their defenses, allowing Fritz to make several long gainers. Twelve seniors ended their football careers for L. H. S. Friday in a fashion not soon to be forgotten by the people of Lowell. Hail the champs of 1959!

The Season in Review
Ionia 20—Lowell 19
The Ionians retained possession of the V. F. W. trophy by nipping the Arrows, scoring a touchdown on the final play of the game and adding the extra point after the game was over for the win. Fritz scored twice and Dilly once for the Lowell team. The game provided the first indication that the Arrows might be stronger than expected.

Lowell 33—Wyoming 12
The Arrows displayed real power marching to a 27-0 half-time lead. Dilly ran a reverse 60 yards to score on the first play of the game. Fritz tallied twice to lead the attack. Wyoming was never really in the game. Lowell takes Valley lead.

Lowell 14—East G. R. 13
Fred Wissman's blocked kick on an East extra point attempt gave the Arrows their first win over the Pioneers since 1951. Fritz scored both touchdowns. Lowell fans were jubilant, and the Arrows still lead the Valley chase. The squad's "Ironman" nickname comes out of this game.

Lowell 13—Grandville 12
The biggest game of the season. Homecoming fans saw Dilly again score on a 75-yard reverse on the first play. Grandville rated fourth in the state, came back strong and held a 12-7 lead most of the game. A 50-yard pass from Dilly to Wissman with 40 seconds remaining set up the winning touchdown, a 23-yard screen pass from Moore to Fritz as the final gun sounded. Lowell was the only team to beat the Bulldogs in 1959 and the only Valley team to score on the Grandville defense.

Godwin 34—Lowell 6
A fired-up Wolverine team caught the Ironmen on an "off" night.

Kelloggville 25—Lowell 7
Two "off" nights in a row? Must have been the rain.

Lowell 25—Sparta 19
The Arrows looked much improved; that zip and fire had returned. Fritz scored twice, and Boone and Moore once each for the win. A Moore to Wissman pass for 58 yards set up the winning tally. The Arrows are tied with Godwin and Grandville for top spot in the Grand Valley.

Lowell 20—Rockford 13
The game that won the title. With Fritz carrying the ball 75 percent of the time, the Arrows racked up two scores in the second half to break a 6-6 halftime deadlock. Rockford came back strong but a pass interception by Dilly put the championship on ice. Grandville tripped Godwin 12-0 to share grid honors with the Arrows. Lowell goes wild over its Arrows.

GRAND VALLEY STANDINGS

THE LOWELL LEDGER

Established June, 1893 LOWELL, MICH., THURSDAY, NOVEMBER 12, 1959 Number 30

\$300,000 Available for Y.M.C.A. Program in Lowell

At a meeting of citizens Monday evening it was revealed by Chet Hall, secretary of the Grand Rapids Y. M. C. A. that the Frank Twining King Memorial fund left by the late Florence King to the Grand Rapids Y. M. C. A. to be used in Lowell for the establishment of a program here, would be at least \$300,000 and might be as much as \$400,000.

Hall told the assembled group of over 150 that the principal and earnings of this fund may be used in Lowell for a program similar to that now in progress at the West Side Branch of the Grand Rapids Y. M. C. A. for the boys and girls of the community.

Gould Rivette, chairman of a five man nominating committee, named Monday night, said that a check of charter members signing up at the meeting was 120 and that application blanks for others who would like to become a part of this organization will be available at all the Lowell churches and at the Village Clerks office in the City Hall.

The nominating committee consisting of Rivette, Dr. Robert Regan, George Dey, Sr., Kenneth Pletcher and Dr. Robert Kyser, will present the membership of the Lowell Branch of the Grand Rapids Y. M. C. A. with a list of 20 to 30 eligible candidates for the local board of control of from 12 to 15 members to be voted on by the members at another meeting in about a week.

Lowell to Operate Locally
It was made quite clear by the officers of the Grand Rapids YMCA present, James Sebastian, member

Second Gas Vote Being Held Today

The second vote for a gas franchise for Consumers Power Company is being held today, Thursday, November 12, in the Village of Lowell. After the Lowell Township vote on October 29, which approved the franchise by 254 to 7 the company has gone ahead with measuring for mains and asking residents to apply for gas for home heating and other uses.

Consumers Power Company men working in the village have indicated that with approval on Thursday the village can expect to have gas available in Lowell by February or March. Contracts to build the transmission line from just south of Ionia to Lowell serving Saranac as well is expected to be let on a few days after the Lowell election.

Present Y Program
Chet Hall presented a visual slide display of the Y. M. C. A. program that is available to Lowell at all age levels, only the parts of the program desired by local boys and girls and adults will be part of the local Y work. There is no desire to replace any existing organizations or their work. Hall said, the survey of Lowell activities, he revealed, showed that 45 percent of the community young people do not now take part in any group activity. The Y program would assist present programs and help in the training of leaders in the community. A full time secretary will be employed by the Lowell board of control and he will live in the town and get the organization operating.

The interest in the swimming pool project, Hall said, is because this is something new to the community and the Y with its years of experience in operating pools and teaching swimming feel this is an area they can best serve in the immediate future. Other parts of the program will be geared to the wants and needs of the citizens.

Questions Asked at Meeting
Many citizens had questions at the question and answer portion of the program. One asked what would happen if Lowell did not form a Y. M. C. A. branch; the answer was that the King Fund would not be touched until such time as a Y program was started here. Another question was, what would those signing as charter members be expected to contribute; they were told that signing the application for membership was not a pledge, any fund raising locally would be under the operation of the locally organized board of control.

The Grand Rapids Y. M. C. A., the officers observed, is ready to establish a branch here if sufficient interest is shown. This is the wish of Miss Florence King who put this money into this fund in memory of her father. There is no other use to which this fund can be put anywhere except in the community of Lowell.

Other Y Leaders Present
Also at the meeting was Roger Roskamp, director of the West Side Y. M. C. A. boys choir, who entertained the group with several numbers. Also present was Bob Forst, boys work secretary of the Grand Rapids Y. and Wilson Whittier a member of the city board of the Y.

House Move Causes Trouble on E. Side

Lights were off all over the east side of town from 8:30 to noon. Ladies of the Congregational church were baking pies and turkey for the men's club dinner that evening. Three trees had to come down, power poles moved, and by late Thursday night the house was still in the street stuck between two big trees. After trimming out the overhanging trees the house finally reached its new home, but the road remained blocked Friday night.

William Christiansen who was having the house moved and his mover had posted a bond to cover damages and expense to the power company during the move. This would cover all the financial damages but the inconvenience to many individuals to be without electricity for nearly a day cannot be assessed.

Hot Lunch Menu

Menu for Lowell Public Schools for the week of November 16.

Monday—Green beans and bacon, cinnamon rolls and butter, apple sauce and cottage cheese.

Tuesday—Mashed potatoes and beef gravy, buttered spinach, bread and butter, jello.

Wednesday—Goulash, crisp vegetables, bread, butter and pudding cake.

Thursday—Baked beans, corn bread and syrup, cole slaw, sliced meat and peaches.

Friday—Fish stix, scalloped potatoes, buttered peas, bread, butter and orange juice.

Milk is also served with each meal and on sale in the cafeteria.

House Move Causes Trouble on E. Side

The official opening of the US-16 expressway will be attended by state highway officials and other community heads on Friday morning at 11:30 a. m. at the Whitneyville Road overpass.

This \$3,175,402 nine-mile stretch of the new US-16 super highway will offer motorists a 40-mile unbroken section of limited access highway from Whitneyville Road to a point 10 miles west of Lansing.

Attending this ribbon cutting event will be State Highway Commissioner John C. Mackie; Frank J. Halliday, local district highway engineer; John Hautala, local district bridge engineer; Ralph S. Shoemaker, local district traffic engineer; Lawrence Clark, head of the local district right-of-way division; Edmund S. Paloski, district office manager, and N. F. Yonkman, local district maintenance engineer.

Diane Posthumus To Head Youth Fellowship

The Youth Fellowship of the Lowell Methodist church met Sunday evening at 6:30 for the purpose of electing officers for the coming year. They are as follows:

President—Diane Posthumus; Vice-President—Diane Christiansen; Secretary—Alice Tower; and Treasurer—Dick Rollins.

Our next meeting will be held Sunday, November 15, at the home of Mr. and Mrs. Orion Thaler on 36th Street. Parents are invited. Junior Choir will be held at the church at 5:30 p. m. next Sunday, November 15.

Alice Tower, Secretary

Lowell Pistol Club Members Qualify For Civilian Marksmanship

Members qualifying for the Short Course sponsored by the Director of Civilian Marksmanship with the Army 45 cal. Automatic Pistol were as follows:

Stm	Tim	Rpd	Ttl.
A. Hoag	25	12	6 43
E. Liscomb Sr.	6	21	0 27
W. Hoag	4	30	23 57
D. Martin	31	26	21 78
D. Johnson	42	42	56 140
D. Schlernitzauer	73	55	63 191
N. Wierenga	72	51	70 193
T. Schlernitzauer	74	75	51 200
P. Schneider	66	66	84 216
B. Reynolds	55	91	75 221

Any member not having fired this course may do so Monday, December 14.

Lowell Sr. Rifle & Pistol Club elected new officers October 26, and they are as follows:

President, Dick Schlernitzauer; Vice-President, Bob Reynolds; Secretary-Treasurer, Trude Schlernitzauer; Executive Officer, Phillip Johnson; Range Officers, B. O. Moore, Nick Wierenga and Lyle Covert; Rifle Team Captain, Dale Johnson; Pistol Team Captain, Bob Moore.

Former Lowell Woman to Address WSCS Meeting

The regular monthly meeting of the Womens Society of Christian Service of the Methodist church will be held on November 19 at 2 p. m. in the church lounge. Please note that this date is a week early, as the regular meeting would fall on Thanksgiving.

Mrs. Rudi Mittag of Hart, Michigan, formerly of Lowell, will be the guest speaker. Her subject will be "Social Creeds, and Moving Populations."

Claire McCall will be in charge of Devotions and the Esther Circle will be the hostesses. Any friends or former acquaintances of Mrs. Mittag are cordially invited to attend the meeting whether you are a member of the WSCS or not.

House Move Causes Trouble on E. Side

The term "spill the salt", meaning to cause trouble, started from DaVinci's painting of the Last Supper, in which Judas is shown knocking over the salt shaker.

Showboat Sets July 25-30 as Dates in '60 Lay Plans for Construction of New Boat

Directors of Lowell Showboat Inc. met Wednesday evening at the Legion building to organize the board and start action on the 1960 Showboat. The board set the dates for the 1960 show at July 25 through 30 the last full week in July.

Elected to run the 1960 performance was Theron Richmond, president; C. H. Runciman, vice president; Louis Kingsley, secretary; D. A. Wingeier, treasurer. Other directors are Roger and Richard Bieri, Dave Clark, Kenneth Pletcher, Ray Avery, Gurney Hahn.

Investigate New Boat
Roger and Richard Bieri were named co-chairman of a committee to investigate the need for a new boat and to draw up plans and specifications if they decide that a complete new ship is necessary to operate in 1960. Richard Bieri told the directors that it may be more economical to construct a complete new boat than to keep on repairing the boat now in use, built just after World War II. Other members of the committee are Elmer Schaefer, N. E. Borgerson, Dave Clark, Paul Rieckert and Ray Avery.

The president also named the talent committee for 1960; C. H. Runciman, chairman; Bill Jones, D. A. Wingeier, Forest Buck, Kenneth Pletcher and Louis Kingsley. The committee chairman moved that the group select Dan Cleary and the Music Corporation of America as the booking agent for the 1960 Showboat. Plans are to get the star of the 1960 show set early next year and build the rest of the show around that act in a production type show.

The next meeting of the group was set for January.

Firemen Called to Brush Blaze at Pond Wednesday

Lowell Fire Department was called to fight a brush fire on the east side of the Lowell Pond three miles north of the village at 6:20 a. m. Wednesday.

Frank Baker, fire chief, said the fire apparently started many hours before the wind whipped it up enough for neighbors to call the department. It might have been started the day before.

It covered about 2 acres of Conservation Department land along the pond and burned only grass and brush and a few trees. It took about 1 1/2 hours to extinguish it.

Lowell police had a complaint turned in by a motorist on Lincoln Lake Ave. at 2:15 a. m., who said he saw a fire on M-91 as he was driving into town. The night officer investigated but did not see any blaze. The fire must have flared up four hours later.

Called Back to Fire
The fire department was called back to fight the brush fire on the pond at 12:20 p. m. on Wednesday. Mrs. C. A. Bradshaw, who lives on the west side of the pond, saw the flames and notified authorities. They were still at the fire at 2 p. m.

Old Kent Bank Announces New Branch To Be Opened in Cascade Next Spring

This two-story brick and tile building, home of Thornapple Hardware, will be moved around the corner to a new foundation now under construction on Thornapple River Drive, next to the new building being erected by Thornapple TV to make room for a new branch of Old Kent Bank in Cascade. The new 30x50 banking building will set back from the road the same as Cascade Real Estate Office and next to that building. This will allow angle parking in front and on the side of the bank building. Robert Martin who is building the structure and leasing the building to the bank said completion date of the structure is June 1st. The Thornapple Hardware building operated by Ben Zoodmsma for the past ten years, was built as a garage in 1930.

Complete banking facilities will soon be provided to residents of the rapidly growing Cascade area through a new branch office of Old Kent Bank and Trust Company, it was announced today by Carl H. Morgenstern, president. "The project is part of the bank's program of continuing improvement to bring modern banking services closer to the people of the community," Morgenstern stated.

The new bank will occupy the present site of the Thornapple Hardware Store at 6901 Cascade rd. The hardware store will relocate around the corner to face on Thornapple River Drive. The bank's new office will have 1500 square feet of operating space in addition to a partial basement containing an employees lunch room and lounge facilities.

Morgenstern stated that the Cascade office will conform in design with the theme of Old Kent's other modern offices. The exterior will feature broad expanses of glass, framed by a black brick facade. The interior will be furnished in a pleasing modern decor with comfortable lobby seating, vinyl asbestos flooring and contemporary fixtures. Facilities of the new bank will include four teller stations; safe deposit boxes; automatic coin changers and receipt-issuing teller machines. Plans call for two offices in the new banking unit, an outer office for routine business and an inner office for private customer consultation. Provisions for a future drive-in window will also be incorporated into the structure.

Present plans call for completion of the project before summer, 1960.

Justice Rittenger Reports Violations For October

A total of 28 violations were handled in Howard J. Rittenger's Justice Court according to his report for the month of October. There were township violations and warrants with total fines and cost of \$255.80 and village of \$234.50. Violations are listed as follows:

- 2 Made U turn in middle of block.
- 1 Dangling objects in windshield dismissed
- 5 Speeding
- 1 Backing to interfere-accident
- 2 Reckless driving
- 2 No operators license
- 1 Driving without due caution
- 4 Improper passing and overtaking
- 1 Drove on wrong side of road-divided highway
- 2 Failed to stop at stop sign
- 1 Failed to stop for school bus-front
- 1 Failed to stop for red flashers at RR crossing
- 1 State Highway Department violation for overload of weight
- 1 Warrant operating motor vehicle while under influence of intoxicant
- 1 Warrant for reckless driving
- 1 Warrant for speeding
- 1 Warrant for larceny, did not pay fine and costs, sent to County Jail for 15 days.

THIRD QUARTER GAS TAX BRINGS \$1,366.50 TO LOWELL

The third quarter distribution of the motor vehicle fund collected in Michigan will bring Lowell \$1,366.50 to be used on streets in the village. Total collected in Michigan for this period was \$11,460,905.83, an increase over the same period in 1958 by over 3 million dollars.

The cost of living hasn't changed much—it still takes all you have.

Justice Rittenger Reports Violations For October

Services for 18 month old son, Lucky Lee of Mr. and Mrs. Gerald L. Hayward of 763-6th Street, Grand Rapids, were held here Monday. Burial was in Oakwood cemetery. The child died Saturday in Butterworth hospital.

Be Keeping Tips Noted By MSU Experts

The old notion that bees hibernate in winter isn't true, according to E. C. Martin, bee expert at Michigan State University.

Actually, bees cluster together on honeycombs during cold days. They are cold-blooded, but they can regulate their body temperature near 90 degrees in the center of the cluster.

Michigan's 7,500 beekeepers raise 8 to 10 million pounds of honey each year—enough to fill a freight train two miles long, says Martin.

The expert says agriculture depends on the 3,000 species of bees to pollinate the flowers of thousands of plants.

Entrances near the top of the hive usually stay open through the harshest winters. A hole three or four inches in diameter is the trick.

Feed a concentrated sugar syrup to colonies that need it. Feed soon so bees can store the syrup in their hives before clustering time. And check the feed supply next March.

Free Medical Care in Nation's Future, Professor Predicts

Somebody will have a free medical program in this country—but it won't be "socialized" medicine.

That's the prediction of Dr. Walter A. Friedlander, visiting professor at Michigan State University.

Public money is like holy water; everyone helps himself to it.

AND IN GREAT PROSPERITY! Some 3 million Americans receive \$3 billion yearly in relief from state, local and national governments each year.

Don't Prune Shrubs Now, Spring And After Blooming Best Time

The occasional pruning of shrubs is very important—a fact which many times is overlooked by the home-owner until it is too late.

Next, go to the top of the plant and cut back the remaining branches to the desired height. This should be made just above a side or lateral branch so that no stubs are left.

Different varieties of shrubs call for a different pruning time schedule. In general, most shrubs should be pruned immediately after flowering.

Star Owners Mrs. Ira Brough

Mr. and Mrs. Raymond Seese called at the Burdette Country Club at Lowell Tuesday morning.

Mr. and Mrs. Frank Ryer left Wednesday for Los Angeles, Calif., where they will visit relatives.

Mr. and Mrs. John Holcomb and family at the George Krebs home, Mr. and Mrs. Walter Gold and family at the George Krebs home.

Pruning should begin at the base of the plant. All of the dead wood is removed first, then most of the older stems, which are usually darker and harder than the new growth.

Extension Classes Will Teach Mending

The old mending basket hasn't vanished yet, its contents are merely changing.

Snow Community Mrs. S. P. Reynolds

Christian Fellowship Class of Snow Church will sponsor a family night supper at the W. S. ...

Mr. and Mrs. Kenneth Fox called Sunday afternoon on Mrs. Ed Vanderlaan at Osteopathic hospital, Harold Raymond at Butterworth hospital and Mrs. Fred Fox at her home in Grand Rapids, ending the day by having lunch with Mr. and Mrs. Don Fox of Grand Rapids.

Mr. and Mrs. Jean Bertram and Mrs. Jean Froese entertained twenty-two ladies at a stark shower honoring Mrs. Bob Stiles and Mrs. Marvin Hewitt. Games played to the occasion were suitable and dainty refreshments were served by the hostesses. The honor guests received many lovely and useful gifts.

Mr. and Mrs. E. A. Wittenbach called on friends at the Clark Memorial Home and also called recently on Mrs. Wittenbach's mother, Mrs. John Ragins Lyons, of applying the "last clear chance" doctrine.

Twice the Speed Means Four Times The Impact! Traffic Fatalities Show

A heavy foot on the accelerator gets the blame for 45 percent of the traffic fatalities resulting from traffic law violations in Michigan. That's why the driver who goes too fast for conditions is satirized this month in the "unwanted driver" campaign sponsored by the Michigan Association of Chiefs of Police. Too Fast Con is the label given this driver for traveling faster than road, weather, traffic or other conditions warrant.

Although excessive speed is known by a very important offense by the average driver. In recent public opinion poll by the state of New Jersey showed that 80 percent of drivers think either drinking or rude behavior is the most serious offense.

Another five percent view aggressive driving as most serious. Only four percent consider excessive speed as the most important offense. This perhaps is because the word "speed" calls up visions of a lorry doddering down a quiet residential street at 85 miles an hour. It isn't that kind of flagrantly excessive speed that does most of the damage.

The big error is what police call "too fast for conditions." They are referring not to the legal restrictions of the state or community, but to common sense. What, for example, is the common sense speed as distinguished from the legal speed limit when driving down a narrow rural road at night with wet black-topped pavement? Or on a quiet suburban street where children are playing football through a city neighborhood just as a few hundred cars are moving from the high school parking lot to the nearest driveway.

it's RESULTS that count...

and Lowell Ledger Want Ads Bring Results!

The Lowell Ledger classified pages cover a trading territory of over 15,000 people. The Lowell Ledger is read weekly in more homes in this area than any other paper.

Among this large audience of Ledger readers, there are many who eagerly read the classified pages every week. That means results to your Want Ad.

Many Ledger readers are seeking to rent or purchase a place to live, or to buy furniture, appliances, building materials—both now and used—If your ad is in Ledger Classified, that means RESULTS FOR YOU!

In fact if you have anything for sale—you have for a Want Ad in the Lowell Ledger.

Rubber Checks Are Bouncing Higher in '59

Rubber checks are bouncing higher this year in Michigan, according to Det. Sgt. Fred C. Kelly, head of the fraudulent check section of State Police headquarters at East Lansing.

Heading into the last quarter, the number of checks processed through September has already exceeded the total for all of 1958. For the first nine months the gain is 36 percent more than in the same period last year.

Despite a dropoff after experiencing following the summer season peak, it is likely the year will wind up with at least a 30 percent increase, Kelly said.

The months of August and September set new all time high records with 175 and 185, respectively, being received. The previous high was 149, set in June, 1958. The number received in August was 56 percent higher than in the same month last year, while September increased 38 percent.

"An improvement in the economy should signal greater caution in cashing checks, but usually the writer is directed at teaching students the rules of safety, sportsmanship and conservation. A search for lost persons or to deliver emergency messages. A written test will be held November 21 for young men interested in this specialized career. The Conservation Department hopes to fill 25-30 vacancies late next spring.

Tips on Touring

By Carol Lane Women's Travel Authority For Safety's Sake, Relax

Take the tension and temper out of driving, and you'll eliminate major causes of fatigue. A relaxed attitude and the proper position behind the wheel will add hours of comfort to your driving. You'll be a safer driver, too!

Many motorists, I've found, encourage fatigue by assuming uncomfortable and improper steering positions. Here many drivers leave their seat so that their forearms are parallel with the plane of the wheel and their feet are within easy distance of the pedals. If necessary, prop yourself up with a car cushion for a clear view of the road.

An otopath has said that all drivers should make smiling a habit. A smile relaxes the eye and facial muscles, and when the eyes are relaxed, so is the brain. Fatigue drives out good sense, sportsmanship, and courtesy. When this happens, look out!

Make it a rule to relax. You'll enjoy your driving more, and you'll be a better, safer driver.

FOR A HUNDRED BARGAINS IN A BELL

READ YOUR LOCAL WEEKLY

Each week, your home town newspaper comes to you filled with hundreds of bargains that can aid you in making sound, economical purchases. By patronizing the local merchants who send you these opportunities, you get the added benefits of close, convenient service, fast shipping, and most important, by making the who send these bargains you're helping to build a better community for the future.
