Court Awards Precious \$2,000 Damages Tuesday

L. W. Precious was awarded \$2,000 damages in a jury trial before Circuit Court Judge Fred M. Searl Tuesday from Mr. and Mrs. John Koewers, 414 Jefferson Street.

The court award comes from a claim for groceries and money taken from Precious Grocery over a period from August 1, 1955 until July 16, 1957.

The jury trail before Judge Searl was held Monday and Tuesday of this week, the jury deliberating four March 14. hours before bringing in their verdict. In the trial Precious brought evidence of the income of the famlly and of the expenditures of the Precinct 1 family to prove more spending then

their income would warrant. A confession of Mrs. Margaret Koewers made in July, 1957, to the Kent County Sheriff's Depart-

ment was also offered as evidence. The law suit to recover what Precious estimates to be some \$5,000 embezzled from his store was started in July 1958 and was just brought to trial this week.

Falcon Wegons are priced up to \$154 less than other 6-passenge compact wagons. The 2-door model is America's lowest-price

Folcon gives the best gas mileage of any American-built wagon, on regular fuel. You can go up to 30 miles on a gallon of gasoline!

You get other folcon savings, too. Repairs cost less. Change oil only once in 4,000 miles. And the Falcon's aluminized muffler normally lasts twice as long as the ordinary kind.

Longest load floor in the compact field is yours in a Falcon. It's over 7 ft. long, with cargo space totaling more than 76 cubic feet!

Full-six-pussenger reem, too, because Falcon Wagons are built for people. There's room for hats, hips and legs. Come see these newest wonders from the Ford wagon world!

 Like the ads of local merchants Mt that you see in this newspaper. S&H Green Stamps boost business. At the same time they help keep prices down.

> Here is why: When a store sells more, it can sell for less, since bigger volume brings lower costs.

If you're going to buy a

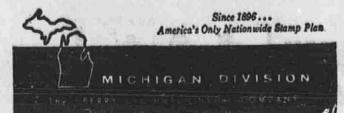

low price car...be sure

you get the better one!

Stores that use S&H Green Stamps must sell competitively. Michigan housewives are expert shoppers. They read the ads. They check and compare prices. And they can't be fooled!

Trading stamps are being saved today by two out of three American families-about 35 million in all. And their use is still growing in this and other

The blood-stained uniform of a soldier boy would be treasured by a mother whose son had given his life for freedom. Blood donors, blood banks, blood plasma, blood transfusions all show how precious we consider blood to be. Yet there are "liberal" preachers on pulpits today who despise the gospel of the shedding of Jesus blood to save the lost, The Bible says, "Forasmuch as ye know that ye were not redeemed with corruptible things as silver and gold . . . ; but with the precious blood of Christ, as of a lamb without blemish and without spot." I Peter 1:18, 19.
