Street Lights Ordered

The hope of new street lighting for Main Street became assured Monday night when the city council compromised on the percentage of assessment for the property along the street and ordered the new lighting installed.

The \$24,532 project will be installed by the Clifton Engineering Company of Three Rivers, which has a completion date in the contract of 70 days.

Appearing at the council meeting to protest the 75 percent assessment to the facing property owners were Myron Henry and Mrs. Lyla Johnson. Also appearing was Raymond Avery who was not protesting the assessment.

Henry presented a petition signed by nearly every property owner affected, asking that the percentage of the facing property owner would pay be set at 25 per cent.

A petition by citizens of the city was presented agreeing that the city council should ask for 75 per cent from the property facing the portion of Main Street to be lighted.

In the ensuing discussion Henry pointed out that the facing property owners would be paying more than 100 per cent of the front foot cost of the project under the council plan. This was due to the fact that they were paying 100 per cent of their front foot cost plus their share of the 25 per cent of city cost through taxes.

In a compromise the 25 to 75 per cent arrangement was left, but the interpretation of the way it applies was agreed upon so that the city at large actually pays some 40 per cent of the cost of the project and the benefiting property owners will pay 60 per cent of the cost.

In dollars and cents the assessment to property owners dropped some \$1 a front foot from approximately \$4.33 a foot to \$3.25 a foot.

The council voted to accept the contract and ordered the work done immediately. This project includes 44 fluorescent fixtures on 25 foot cement poles, lighting a total of eight blocks from Amity St. to Jefferson.

The lights will be staggered all through the area except on the bridges where they will be opposite. The light will be at a standard approved by lighting engineers for safety.

Harry Day, Lowell Banker, Passes Saturday

Funeral services for Harry Day, Executive Vice-President of the Lowell State Savings Bank, were held Tuesday at 2 p. m. in the Roth funeral home.

Mr. Day suffered a heart attack Saturday morning, June 18, and died a few minutes after being taken to Blodgett Memorial hospital in Grand Rapids by ambulance.

Born on October 26, 1884, Mr. Day came to this city in 1916 from Ewart, Michigan, where he had been a member of the banking profession for ten years.

Before the Banking Holiday of 1933 he served as cashier of the City State Bank in Lowell. When the banks were re-opened, he became cashier of the newly-formed consolidated State Savings Bank.

During his forty-four years in Lowell, Mr. Day was a member of Lodge No. 90, F. & A. M., as well as an active participant in the DeWitt Clinton Consistory of the Saladin Shrine in Grand Rapids.

A Charter Member of the Lowell Rotary Club, he served that organization for many years as its first treasurer, as president, and as a member of the board of directors.

A past president of the Lowell Board of Trade, he was also treasurer and director of the State Mutual Insurance Company of Flint.

Surviving are his wife, Hazel, of 328 Jefferson Street, Lowell; two daughters, Mrs. Frederick Althaus of Lowell and Mrs. Timothy Wilworth of Cincinnati, Ohio; a brother, Walter, of Marion; a sister, Mrs. Henry Smith of Battle Creek, four grandchildren and two great-grandchildren.

Rev. Bradley Dewey, Mr. Day's grandson-in-law, officiated at the funeral Tuesday. Interment was made in Oakwood Cemetery.

Over 100 Attend Methodist Bible School

The Vacation Church School which has been in session at the Methodist Church since Monday will continue another week. Twenty teachers and helpers are leading more than a hundred boys and girls in study, worship and recreation.

Boys and girls from four years of age through the sixth grade would like to attend may still enroll. There is no charge. An offering will be taken at the close of the school to partially defray the expenses of the school.

The texts that are being used are the "cooperative texts" produced cooperatively by a number of the major Protestant denominations. This year's general theme is, "The Church."

Rev. and Mrs. J. Marion DeVinney are in general charge of the school. Department superintendents are:

Four and five year olds, Mrs. Orion Thaler; Primary (1st, 2nd and 3rd graders), Mrs. John Williams; Junior (4th, 5th and 6th graders), Mrs. David Coons.

Street Blacktop Plans Announced

The council named the streets to be blacktopped in this year's program at their meeting on Monday night. A resurfacing of M-91 in the city was authorized and started this week under state maintenance funds. Other streets will be started soon.

This year Washington Street from Avery to North, where sewer construction last fall badly damaged the old surface, will be completely rebuilt. Amity Street from Spring to Suffolk will be constructed, Suffolk from Amity to Hudson Street.

The parking lot on Riverside Dr. will be resurfaced and marked out for easier parking on two ways.

Later in the summer Jefferson Street, the access to the Atwood Corporation plant will be widened and resurfaced, Fremont Street at the south side of the cemetery, which will carry traffic from Jefferson to the plant will be widened and surfaced.

Spirited Crowd Attends Property Transfer Fight

A joint meeting of the Kent and Ionia County Boards of Education were held last Monday night before a large crowd of people at the Board of Education offices in Grand Rapids. The board was considering requests for transfer of properties valued at \$34,050.

By action of the board, the properties of Norton Avery and Garrett Bevier were transferred to the Lowell Area Schools over protest of residents of the Mapes School District. The transfer will become effective 10 days after the meeting, on June 30.

The property belonging to Arnold and Lillian VanEerden of Route 1, Ada, was transferred by action of the board from Lowell Area Schools to Forest Hills. The VanEerens were reminded by the board that they would have to continue to pay their share of Lowell's bonded indebtedness before they can be entered on the Forest Hills tax rolls.

Council Offers Marysville Man Manager's Job

The city council Monday night offered the position of city manager to Max Davenport, former manager of Marysville, Michigan. He has been given two weeks to accept the position at \$7,500 per year.

Davenport is 47 and has served in Cadillac and Grayling as manager before taking the office in Marysville. He comes highly recommended by fellow managers in the state and people with whom he has worked.

He was not rehired at Marysville this spring after the city council there had a change in members at the recent election. He is married and his wife is a school teacher. The Davenports have one son of college age.

Mrs. Annie Ashby, 86, Passes Here Saturday

Mrs. Annie Ashby, 86, passed away Saturday morning, June 18, at the home of Mr. and Mrs. Albert Boone, 601 West Main St., Lowell. Mrs. Ashby was born April 9, 1874, to George and Minnie DeLine, in Orleans Township.

She had resided in Lowell the past two years, coming here from Traverse City. Mrs. Ashby was a former school teacher and restaurant owner in Lowell, Newaygo and Fife Lake. Married Charles Ashby in 1920.

Funeral services were conducted Monday at 2 p. m. at the Huffman Funeral Home in Belding. Rev. Keith Melver, pastor of the First Baptist Church, officiated and burial was made in Orleans cemetery.

Mrs. Ashby is survived by one sister, Mrs. Laura Rushton of Traverse City.

B&PW Award First Career Advancement Scholarship

The Lowell Business & Professional Women's Club, at their annual dinner meeting held Monday evening, June 13, at the Methodist Church Parlor, were honored by the presence of Mrs. Mildred Chamberlain, incoming President of the Michigan Federation of Business & Professional Women's Clubs, Inc., and by Miss Arvilla Winegardner, outgoing President of the Federation. Mrs. Chamberlain conducted a candle light installation ceremony for the incoming officers of the Lowell Club.

The officers whose term will begin on July 1, 1960 are Mrs. Arvilla Winegardner, President; Mrs. Ralph Fluger, Vice-President; Mrs. C. W. Loesch, Recording Secretary; Mrs. Albert Dalstra, Corresponding Secretary; and Mrs. Sarah Chrouh, Treasurer.

Register Now For Primary

The last day Michigan citizens can register to be eligible to vote in the August 2 primary is Tuesday, July 5, 1960.

According to Secretary of State James M. Hare, the additional day is allowed when the "thirtieth day preceding" any such primary falls on a Saturday, Sunday, or legal holiday.

Election law requires that on this date, July 5, the township or city clerk "shall be at his office or in some other convenient place" between the hours of 8 o'clock a. m. and 8 o'clock p. m. for the purpose of registering voters.

"Many clerks have established other registration hours to take care of citizens in their communities," Hare said. "To avoid waiting in line at the last minute we suggest that people register at once and take advantage of the special help many registration clerks are offering."

Where and when you can register in the City of Lowell and Townships of Ada, Bowne, Cascade, Grattan, Lowell and Vergennes appears in this issue.

Baseball Teams Win Two Games

The Lowell Junior High Team went to Clarksville Saturday and picked up an opening victory 8-5. The winning pitcher was Russ Videman. Craig Walter, Terry Abel and Denny Sisson led the Lowell attack with two hits each.

Clarksville 2 2 1 0 0 3 0 8-9
Lowell 2 1 0 0 0 2 0 5-3

In a game played Monday at Recreation Park, Saranac beat Lowell 8-5. The losing pitcher was Duane Melver. The winner for Saranac was Jackson, who went all the way. Control trouble plagued Lowell's pitchers who gave up 10 walks. Lowell out-hit Saranac, 7-6 and had but one error, Terry Abel, who came into pitch the final three innings, gave up but one harmless hit. The key blow for Saranac was a bases loaded triple by Koss.

Beats Clarksville 7-0
Led by the one-hit pitching of Don Dilly and the hitting of Frank McMahon, the Lowell Y team began its season on a winning note last Friday at Recreation Park. Don struck out 18 Clarksville batters.

Lowell 0 0 2 1 3 1 - 7-6
Clarksville 0 0 0 0 0 0 0-1-9

The next home game at Recreation Park will be Tuesday, July 5 putting Portland at Lowell. The team plays its next three games away: June 24 at Portland, June 29 at Clarksville and July 1 at Saranac.

Jr. High League Standings

Team	W	L	Pct
Yankees	3	0	1.000
Tigers	2	1	.667
Pirates	1	2	.333
Indians	0	3	.000

In games of last week, the Yankees defeated the Indians 8-4. The winning pitcher was Paul Kropf and pitching for the losers was John Kerekes. Russ Videman, Dennis Connor, and Chaz Kiel each had two hits for the victors while the losers were limited to but one hit, that by Mike McMahon.

The Tigers behind the pitching of Terry Abel, defeated the Pirates 9-4. For the winners, Terry Abel's triple and two hits by Tony Myers were the key blows. Craig Walter was the losing pitcher. Jim Boyd, who walked four times and scored three runs, gave Abel his biggest problem.

Major Issue Postponed

The next order of business concerned the transfer of a large segment of property from the former River school district, which recently voted to annex with the Lowell Area Schools, to the Forest Hills district.

Bernard Baer, of Honey Creek rd., Ada, informed the board that any action on this request would remove his contiguity with the Lowell Area Schools.

Because Mr. Baer wished to transfer his property to the Lowell district, because his request for transfer had originally been filed before those requests then under consideration by the board, because there was some doubt of the willingness on the part of some of the property owners to have their properties transferred by action of the County Board, and because, as Walter Gumsier, representing the Lowell Area Schools pointed out, there was some doubt as to the accuracy of the property descriptions, the board tabled the request for thirty days, after which time the issue will be re-opened in another public hearing.

Set 1960-61 Budget

The city will start its new fiscal year on July 1 and a budget totaling \$133,120 was approved at the Monday night meeting.

City taxes were increased one-half mill over last year to a total of 11 mills. The increase in total dollars is more than the 1/2 mill because of the increased equalization of some 35 per cent.

The 1960-61 budget is \$28,000 more than the previous year, most of this increase due to the \$9,000 in street improvements for access to the new Attwood plant and the \$6,000 in extensions of water mains for the new industry.

About \$2,000 in water main extension will be made to provide city water for the new swimming pool.

The budget provides as follows:

Police Department	\$15,025
Fire Department	3,505
General Officers	13,390
Sanitation Department	7,350
City Hall	3,900
Miscellaneous	22,400
Streets	55,050
Capital Improvements	9,900
Miscellaneous	900
Contingency Fund	4,000
Total	\$133,120

In that portion of the city just annexed, the tax for 1960 will be based on one third of the old village area of 3 1/2 mills. This concession has been given in view of the fact that they have not been part of the city for the full year. Next year they will pay the regular city taxes.

Miss Judy Haddan, a 1960 graduate of Lowell High School, was presented with the first career advancement scholarship to be given by the Lowell Club. Miss Haddan plans to enter Junior College this fall and looks forward to a career in 4-H work in which she has been active for the past nine years.

Pres. Arvilla Winegardner spoke to the group of the aims of the National Federation, and Mrs. Chamberlain discussed the importance of each club in the state and national setup. Detailed reports of the Michigan State Convention were given by our delegates, Mrs. Arvilla Winegardner and Mrs. Ralph Fluger.

A fine dinner was served by Job's Daughters under the direction of their Guardian, Mrs. Arnold Wittenbach. A quartet made up of Janet and Judy Doyle, Sharon Ellis and Judy Posthumus entertained the guests with a group of enjoyable songs. They were accompanied by Mrs. Wittenbach.

The next meeting will be a picnic on Sunday, July 10, at the summer home of Mrs. Bernice Bell at Lincoln Lake.

Rotary Plans Annual Picnic and Barbecue

Last week our Rotary Club was shown a color travelogue of our own Michigan water wonderland by Norton Avery of the Avery Color Studios. These pictures covered many nearby spots and places in Ionia and Kent counties; wild life, streams, covered bridges including the mighty Mackinac in the day and in the night with its wonderful lighting, also many scenic places in the upper peninsula. This truly was an outstanding production and enjoyed by all.

Next week as for the past twenty years our club will enjoy our annual picnic at Fallsburg Park, at which time Ernie Foreman will be our host to his annual Charcoal broiled chicken barbecue with all the trimmings. This has been one of the outstanding events of the year which everyone looks forward to. When this event was first inaugurated by Ernie we had a small club of twenty members, but he has shared his growth with our members down thru the years. Many thanks are due Ernie for these many happy occasions.

Lowell Boys Officers of Wolverine Boys' State

William R. Smith, Centerline Road, Lowell was appointed Justice of the Peace of the City of Washington in a mythical "51st State", formed at the 23rd annual Wolverine Boys' State, a government education program on the Michigan State University campus at East Lansing.

The American Legion, Department of Michigan, and its 70,000 members sponsor the patriotic program, which is intended to help teenagers develop leadership qualities, learn the responsibilities necessary for good citizenship, and gain a greater understanding and respect for the Democratic form of government.

Over 1,000 boys—considered the cream of Michigan's high schoolers—are participating in this eight-day (June 16-23) "learn by doing" course in city, county and state government.

The other boy attending Boys' State from Lowell is Charles J. Ford, and David F. Davis, Grand River Drive, Route 2, Lowell, today is city councilman of Harrison City.

SHOWBOAT QUEEN PICKED

The Lowell Showboat Queen and her court will be picked at the Showboat Committee meeting, June 22, held in the Runciman building at 8 p. m.; Wednesday evening.

Representatives from Stations WION, WOOD, and the Grand Rapids Press will act as contest judges. The public is invited to attend the judging and the organizational meeting for Showboat.

Pictures of the Showboat royalty will appear in next week's Ledger.

Fathers Play Sons Saturday Night Here

The fathers of the boys playing on the Junior High traveling team have challenged the boys to a ball game on Saturday, June 25, at 6:30 p. m. Some of the fathers who are playing will be: Jack Fonger, Mac Fonger, Bill Dawson, Pat McCormick, Rex Collins, Paul Kerekes, Gordon Sharpe, Bill Nowak, Carl Christiansen, Wm Uetschy and Virgil Roudabush.

Herb Elzinga will manage the Junior Team that night; a silver donation will be taken for the Lowell Baseball Federation.

The fathers will attempt to show the boys some of the finer points of the game, or maybe the other way around.

Nazarene Bible School Graduates 82 Children

The Vacation Bible School at the Nazarene Church ended last Friday with a picnic dinner in the parsonage yard. One of the best programs yet presented was held on Thursday evening. Noah's Ark animals and rainbow as a back ground for the program, was a help to the boys and girls who did a splendid job with songs and skits under the supervision of Mrs. Culver, teachers and helpers. Many thanks to them, parents and all who helped to make a wonderful success of the school.

There was an average of 82 children daily. They were in favor of offering taken today to be sent to the Nazarene Navajo Indians in Arizona. The offering came to \$23.

Best of all boys and girls accepted Christ as their savior and learned more about a better way of life He has for all of us.

Expand Bank's Activities

The new management group look forward to the completion of their modern banking home now under construction on East Main Street and have plans to expand the services of the bank when the new facilities will allow. The move to the new building is planned for late in the fall.

Rodeo

Ladies and gentlemen this is our 2nd year in Junior Rodeo, and it is getting better by the year. Now we need your cooperation in this undertaking. You can see by the hand-bills the wonderful help we are getting by the businessmen, local clubs such as Moose Club, Lions club, Y. M. C. A., Boy Scouts, American Legion and V. F. W.

We are having a camp out after Saturday night's Rodeo, wiener and marshmallow roast, then lights out and breakfast cooked on the Rodeo grounds.

We need help, and you can help by buying a ticket and send a youngster the Saturday night show or Sunday afternoon.

Thanking you, I remain,
Curly Howard

Right Charcoal Does Best Barbecue Job
With spring fever in the air, you probably have reason enough to dust off the outdoor grill and get ready for the best barbecue season. While you are dusting off the grill, give a little thought to the charcoal you will use. Different brands of charcoal are made in different ways, and made from different materials, according to Virginia Hill, Michigan State University Food Marketing Agent for Grand Rapids area.
If the label is marked, "hard wood"—then chances are you will be buying Michigan hard wood charcoal briquets. Those who are experienced chefs know there is a performance difference among the various types of charcoal.
No one really has a right to tell you how and what kind of charcoal to buy with your money because you have a right to buy whatever you please—but a tip from the expert chefs tells us that hard wood briquets rate an "excellent" at the grill.
Best way to find out about charcoal briquets is to make a few tests of your own at home. Buy a small bag and decide for yourself which brand will serve you best during the forthcoming barbecue season. A top quality steak does not require a lot of charcoal. Most people cannot afford to ruin a \$1.20 coffee and coulede are furnished. Mrs. Glenn Layer is program chairman, Mr. and Mrs. Elmer Miller are in charge of refreshments.

Giant Sparklers Hazardous Devices

Giant sparklers, one of the most hazardous devices appearing in the market, are being sold in Michigan, are singled out in a warning by the local firewrecks to merchants and residents by the City, School and Y. M. C. A. Lowell lost the game but a success and it is deeply appreciated.

Thanking you again, I am Sincerely, Walter Alley—Chairman

SOIL and WATER CONSERVATION

Conservation farm plans have been completed with the following farm owners: Herbert Pitt, Solon Township, 56 acres; John Self, Solon Township; Claude Esting, Farm 5 Township; and William Mober, Sparta Twp. *

One of our new District Foresters is Durrant Nurseries, Cascade Twp. Their crops are, of course, trees and shrubs. Mr. Durrant asked the District for assistance on land use planning based on his soil capabilities on the thirty-acre area. We will assist him with a soils' capability map, a conservation planing plan, a site system layout and an irrigation pond. The present lack of drainage prevents early season tree and shrub removal and has caused damage to some of the lining out stock.

Lloyd Cogswell, District Forester, reports that this week is the time to start spraying for European Pine shoot moth. It is recommended to use 3 pounds wettable 50 per cent DDT per 100 gallons of water.

If you have pine trees that are being grown for Christmas Trees, pruning should be started now. With good pruning, you can expect to get 85 to 90 per cent good quality trees as compared to about 20 per cent if not pruned. Pruning should be completed by State or parties with whom you entered into the agreement to agree to this cancellation, just as you originally agreed to its initiation.

With a marriage contract it is not that easy. It may be dissolved only in certain ways prescribed by law, and there are only three ways: annulment, divorce, or death.

Twenty-one members of the Alto Garden Club met at the home of Mr. and Mrs. Fred Pattison Wednesday, June 15, at 8:45 a. m. and drove to Freedom to the very beautiful home of Mr. and Mrs. Martin Vanhulkes. It is a very well landscaped and cultivated country house yard with a multitude of lovely blooming plants and trees, well worth one's time and trouble. Mr. Vanhulkes was charming host and gave the club many helpful hints on horticulture. He also gave each one a large bouquet of Poincianas, a Chrysanthemum plants to those who wanted them. The club next visited the home of Blanch Findlander, then to Branch Spaulding's lovely home and from there to the Jones Nursery. Here they saw many wonderful arrangements of roses as well as the roses.

Those who drove and shared their care with Father were Mrs. R. D. Baneroff, Bertha Dang, Reba Cronin, Emma Guegle, Mary Haidich.

OUT WHERE THE COUNTRY CAN TEAR A TRUCK TO PIECES—

Chevy middleweights get 1/3 more work done in a day!

Where they used to deliver 2,000 gallons of liquefied petroleum gas in other trucks, Petroleum Gas Service of Long Beach, California, can now deliver 3,500 gallons a day! That's a day's work usually, over back trails and up into high rock country with maximum GVW loads. And with Chevy's Torsion-Spring Ride paving every foot of the way! You don't get any more tiring on washboard roads than you do in a passenger car, or any sideways on curves, says driver Bernie Stone. "I used to take some road rage at from 5 to 8 miles an hour. Now I can go over 200 Chevrolet's hauling for them."

If you think we're excited about Chevy's independent front suspension, you ought to talk to the truck owners who are profiting by it. They'll tell you Chevy's torsion-spring design is the hottest thing in the industry since trucks began. Drive one—that's the proof, short and sweet.

Methodist Minister Feted At Forewell Party

About 115 members and friends of the Alto and Bowne Center Methodist Churches gathered in the W. S. C. S. Hall at Bowne Center, Thursday evening, June 16, to bid farewell to Rev. and Mrs. Reynolds. Rev. Reynolds has been appointed to serve the Lyons and Bowne churches and will be moving to Lyons on the week of June 26.

In the two years they have been in Alto they have grown to love the people and the community and have enjoyed their work.

A very enjoyable program was planned by the committee Thursday evening including group singing, a play, and a social.

Some special numbers by the combined choir.

Rev. and Mrs. Reynolds were presented with a beautiful electric blanket from the churches and the choir presented Rev. Reynolds with a lovely leather covered R. S. V. Bible with Concordance.

Boasting-Sized Bass

These anglers won't have to worry about this smallmouth bass making his minimum 10-inch size limit. Such are the thrills of bass season which opens June 15, adding the last of Michigan's game fish to the legal catch list. Large and smallmouth bass are among the top species of fish taken in the state's trout waters. The largemouth is abundant in lakes throughout the lower peninsula, in many lakes above the Straits and in wadeable bays of the Great Lakes. Its look-alike, the smallmouth, is found throughout the state and along rocky shores of the Great Lakes.

Lowell Council Proceedings

Regular session, Monday evening, June 8, 1960 in the Council room of the City Hall.

Council was called to order by Mayor Pro Tem Schaefer at 8 p. m.

Roll call: Councilmen Day, Fonger, Schaefer.

Absent: Mayor Jones, Councilman Burch.

Mr. Jones was present to protest the lack of care given the cemetery. Mr. Schaefer explained to him that the City of Lowell did not have the care of the cemetery, that it was still in the hands of the Township.

C. J. Place stated that materials for installation of a catch basin were being located at the site of a necessary catch basin on Brook Avenue but no action has been taken to install same. Mr. Schaefer or contact Mr. Westbroek in this regard.

Hollis Marsh appeared in the record of hearings and others added to the City to lease a part of its airport for the installation of a hangar, telephone, gasoline supply, and building, which equipment would be borne by the interested parties, and the hangar in its entirety, would eventually revert to the ownership of the City. From a long-range point of view, Attorney Vander Veen questioned the advisability of the City's making a long-term lease, without a study of the plans, which Mr. Marsh will present at a future meeting.

Justice Rittenberger cited his need for some law volumes. The cost will be investigated by Mr. Rittenberger and Attorney Vander Veen, the possibility of securing used volumes looked into.

The minutes of the regular session of May 17, and of the adjourned meeting, May 29 were approved as presented.

Yeiter-Braman Rites Performed

The Free Methodist church in Greenville was the scene on Saturday, June 4, of the marriage of Miss Dana Jo Braman to Richard Yeiter.

The bride is the daughter of Mr. and Mrs. Elton Braman of Belding, and the groom is the son of Mr. and Mrs. Robert Yeiter, also of that city.

Mrs. Ethel Yeiter, of 803 W. Main Street, Lowell, is the groom's grandmother.

The bride was attended by Miss Barbara Heather, and Wayne Ware of Grand Rapids, cousin of the groom, served as best man. Leo Yeiter, brother of the groom, and John Braman, brother of the bride, seated the guests.

The newlyweds left on a four day trip to northern Michigan and will reside on their return at 7683 Scott Road, Belding.

Mr. Yeiter is employed at the Stahl Bros. Fibre Works, and both Mr. and Mrs. Yeiter are 1959 graduates of the Belding high school.

Lowell High Class of '35 Plans to Hold 25th Reunion

The Lowell High School class of 1935 will hold their 25th reunion on July 15 at the Silver Lake Country Club.

Many members of the class will travel long distances to be on hand for an evening of reminiscing with former classmates and teachers. The meeting will be the first get together of the entire class since graduation night 25 years ago.

Already Erwin Hoag, a Major in the Strategic Air Command in Nebraska, Burton Biggs of Flint, and Les Fenning of Detroit have reported they'll "be there."

Katherine Schneider Peacock, J. B. Hawk, and Herb Reynolds will comprise the reception committee.

Marion Read Baker, Ethel Thomas Rivette, C. Earl Doyle, William S. Doyle, and M. Jack Fonger are members of the Reunion Committee which is spearheading the event.

Mrs. Rivette is compiling some statistics about the class of 1935. Chief source of information is the class year book.

Though in many cases the class prophecy was amusingly inaccurate, the '35 seniors were right on the nose in predicting the future of one of their classmates.

Glendon Swarthout, the boy "most likely to become famous," became just that. A highly successful author, he wrote the book, "They Came to Cordura" and followed it up with another best-seller, "Where the Boys Are."

He hit the Hollywood jackpot when "They Came to Cordura" was made into a motion picture. Bringing each other up to date on the events and successes of their lives will occupy the members of the class of '35 when they meet on July 15. The get together will start at 7 p. m.

It will probably go on indefinitely.

YMCA SKILL CLASSES START NEXT WEEK

The Lowell YMCA classes for boys and girls, from 9 years through high school age, will begin the week of Monday, June 27. Classes will be available in tennis, archery, trampolining, baton twirling and air rifle. Call the YMCA to register, TW 7-7375.

ATTENTION HIGH SCHOOLERS

The first of a series of eight weekly fun nights, a High School Teen Canteen, will be held Thursday, June 30 from 8:30 to 11 at the Runciman Elementary school All-Purpose Room. Wear gym shoes and dress neatly but informally. Membership \$1; weekly admission 10 cents for members; 25 cents for non-members or guests.

The best time in a man's life to have trouble strike is at age 18, when he knows all the answers.

TURNING BACK THE CLOCK... Senior Citizens Remember 1904 Flood

Frank McMahon, one of the many Senior Citizens attending the first Old Timers' coffee hour sponsored by the YMCA last Thursday, contributed this picture of Fred McKay and Tom Murphy making their way across the Main St. bridge during the height of the flood that swept through Lowell at the end of March in 1904. Much damage was done by the rampaging waters, but those gathered in the "Y" lounges could remember many of the happier events of those bygone days when hip boots were in order.

In Grand Rapids about 2,500 homes were uninhabitable and several thousand men were out of employment.

Up and down the Grand River ice cakes two feet thick ripped out dams and floated away bridges. Flood waters washed out the Michigan Central tracks 4 miles west of Niles. A freight train plunged into the washout and the engineer and brakeman were boiled to death when the engine exploded.

The fireman, freeing himself from beneath a mound of coal, "terribly scalded and in a nude condition, braved the storm to find a freight train which was being down upon the wreck."

In Lowell the lower Grand River bridge was knocked askew when it was rammed by a floating section of the wooden Pere Marquette bridge.

Worst Flood on Record
All of Michigan suffered hard times in March of 1904 when spring freshets and melting ice launched the worst flood on record. Lasting for several days, the flood devastated the town of Lowell and laid waste to much of the community property.

But eighteen of Lowell's senior citizens who met in the YMCA lounge last Thursday morning, well-armed with old scrapbooks, pictures, and sharp memories, were able to reminisce over their coffee about some of the lighter events in the community during that trying period.

M. Norton Henry, former Lowell druggist who at the time of the great flood was employed in the D. G. Look Pharmacy, recalled that it was possible to row a boat from the Library Corner to the Methodist Church during the waters' crest.

The average cost of the trip on home-operated ferries was ten cents. Other rowboat owners charged as much as a dollar and a half for longer "cruises" over the flooded area.

Walking on Water

According to an old copy of the Lowell Ledger, circulated at the coffee hour by Miss Hattie Lynn, boaters drifting by the Methodist parsonage were apt to encounter Rev. Charles Nease, water bucket in hand, walking on the waters with the aid of wooden tubs, fastened to each foot.

Mrs. Jessie Bennett Rogers remembered some of the sharp odors which greeted her when she returned to her home after the waters' recession to begin the cleaning-up process.

Her husband and his friends had lived on canned salmon during the few days she had been on safer ground. The smell of used salmon tins mixed with that of flood debris was almost overpowering.

One Drowning

Many of those present at the Senior Citizens' meeting recalled that Ralph Norman, of West Lafayette, Ohio, who had been employed with a construction gang on the Pere Marquette, drowned in 8 feet of water when he fell out of a boat in which he had been riding with Fred Jacobi and James Elliott.

A Lowell resident, Will Pullen, came close to death when he plunged into icy waters in an attempt to save a cow. Fished out and revived, Pullen next attempted to save one of his chickens, floating on an iceberg.

The hen flew away when Pullen approached, but she left a newly-laid egg behind. In a time when groceries were hard to come by, Pullen kept the egg and counted his blessings.

These and other tales were swapped at the old timers' get-together, showing the "mere youngsters" present that life in a small town over fifty years ago could be exciting even without cars, movies, or television sets.

Recorded on Tape
Much of the conversation was captured on tape, and Mrs. Barbara Davis, the YMCA secretary, will transcribe it so future generations may have a lively record of the past.

Also adding stories and anecdotes were Mr. and Mrs. Lewis Jones, Mr. and Mrs. Orrin Stenken, Mr. and Mrs. Roy Ford, Mrs. Frances Bergin, Mrs. C. H. Reynolds, Miss Agnes Perry, Mrs. M. E. Simpson, Mrs. Frank Marsh, Earl Thomas, Mrs. Hulda Fineis, and Mrs. Mattie Jacobi.

Mrs. William Collins and Mrs. Thomas Hill provided transportation for some of the group, and Robert White handled the microphone and the tape recorder.

The next meeting of the group will be held at the "Y" lounge on July 21.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our friends, and neighbors for the many kind deeds and expressions of sympathy shown us in our recent loss, of our dear husband and father. We especially want to thank Rev. DeVinney, for his kind words of comfort; and Lowell Lodge No. 90 F. & A. M. and L.O.O.M. No. 809, and all others who sent flowers and cards.

Plans for a July 2 wedding are being made by the couple.

Library Corner

Main and Hudson

New registrations at Lowell Library have been many, and each new reader is impressed with our attractive and well stocked library. Additional patrons will be welcomed and there are plenty of books for everyone.

Book circulation is at a gratifying high and the number of over-due and lost books is at a minimum. However, if anyone has overdue books, the return of such books will be appreciated. Use the book drop if you cannot come in when the library is open.

A friend of the library, Eudora P. Estabrook of Grand Rapids, presented us with a fine selection of opera, philharmonic and vocal records. Also included were books on music. This thoughtful gift is sincerely appreciated.

Remember library hours: Tuesday and Thursday, 1 p. m. to 8:30 p. m., and Saturday from 10:30 until noon, 1 p. m. to 5:30 p. m.

Where the Bible is received, and believed, and preached, not as the word of man, but as it is in truth, the word of God.

Communists Love This

Oh, how godless communism loves this, that on thousands of pulpits in so-called Christian America today there stand men professing to be Christian ministers who do not believe the Bible is true, do not believe it to be the word of God, do not believe the essential deity of Jesus Christ, His virgin birth, His atoning death, His bodily resurrection from the dead, and other basic Christian truths. But thanks be to God there are still thousands of preachers who do believe these great Christian truths and are striving to raise a generation of Christians according to the Biblical meaning of that word, Jesus to God; back to the Bible, the word of God; back to Jesus Christ, the Son of God! Back to historic Christianity.
