the boy and the CLOSED CHRISTMAS EVE

Blodgett hospital, weighing seven pounds and 12 ounces.

CARD OF THANKS

Words cannot express our deep appreciation for the many acts of kindness and sympathetic deeds shown us at the sudden death of our husband and father, Leon Buehe.

Blodgett hospital, weighing seven would have unquestionably filled ancient stargazers with awe and the feeling that a great event might be taking place.

A "nova" implies a new star, but actually is not. It is rather an old star that suddenly flares up in a display 20,000 to 50,000 times brighter than the sun. A supernova is about 100 million times more brilliant than the sun.

A time for Remembering all the kind and thoughtful and considerate people whom it has been our privilege to serve throughout the year . . .

A time for Reminiscing about the many pleasant experiences of the year soon to be put behind us

— a year abounding in blessings — a year of rewarding contacts with those with whom we work and those we work for . . .

And a time for Reverence — realizing that a precept 20 centuries old has helped make our modern world a joyful place in which to live, and which inspires us to wish you one and all ...

A Very Merry Christmas!
