Former neighbors and friends gave the welcome hándshake at the Hope Church of the Brethren Sunday morning when at the close of the service many of the congregation greeted Mr. and Mrs. A. T. McCaul spent a few days recently in Canada where they called on Mrs. Jessie of the service many of the congregation greeted Mr. and Mrs. Seymour Lape of Grand Rapids and Miss Mee Whitmere and brother ther Wilber of Holland. Seymour and Mae and Wilber were born and Mae and Wilber were born and Mae and womanhood before leaving here for other places for their location of work for years to come. We all were very pleased to see them and heartily invited them to return again. We learn that the Calvary Brethren church have purchased the Logan schoolhouse, which seemed like a very good idea, as the two properties joined and without a doubt the church can make good use of this property.

Bible Believing, Gospel Preaching Men In Every

The only way out of the spiritual and moral mess in which we find ourselves is that we have men in ALL our pulpits who believe the Bible to be God's inspired word and who believe the fundamentals of the Christian Gospel. When men do not believe the Bible to be God's own word, do not believe the eternal deity of Christ, do not believe His virgin birth, do not believe the blood atonement of Christ on Calvary, you may still have some kind of religion, but it is not Christianity! Lord, give us Bible believing and gospel preaching men in every pulpit!

"If ye abide in my word, then are ye truly my disciples; and ye shall know the truth, and the truth shall make you free." John 8:31b, 32.
