Mr. Sherk states that on our pre-On motion by Kiel, supported by Metternick, the Board of Eduard including our present debt by Metternick, the Board of Education will continue payments of \$4,000 yearly as rent to the city of Lowell until such time as the cost of the track improvements has been completed, in addition to our already promised obligation towards the retirement of the time towards the retirement of the stores do not all the field bouse of the pulled by the property of the stores of the track improvements and subsequently 5 mills for the 10th through the 26th year.

The question of requesting unannexed districts to join us in order to help build the high school der to help build the high school

\$40,000 debt on the field house. der to help build the high school Roll call vote: Coons-yes; Wessell is raised. If all of the districts to -ves: Kiel-ves; Rankin-yes; Met- the north of us and those to the yes; Kiel-yes; Rankin-yes; Metternick-yes; Hill-yes; Rollins-yes.

On motion by Rankin, supported by Coons, a six-foot fence is to be erected along the west end from the swimming pool to the horse barns or hedge row and this will be paid for out of athletic funds and in addition will have the participation of the City for one-half the amount up to \$850.00.

Mr. Nisbet described the precautions to be taken in regard to posting SLOW signs about the Congregational church and using Safety patrols and safety zone precautions at the crossings. Following our special meeting of September 18, a decision is confirmed at this time to go to hollow metal doors on all except the main entrance doors at the Alto school and to use the cheaper type of brick. This has been ordered. It may be necessary to defer the full equipment of the kitchen at the Alto school if the bond issue is used up by other construction costs.

Our present policy of payment to the north of us and those to the south of us including Snow and Mapes were to join, our state equalized valuation would be increased 3.8 million dollars. But this joining would require the construction of another school like the Alto elementary building and it is a certain possibility that having to finance this school would imperil the success of the present bond issue for the high set a certain possibility that having to finance this school would imperil the success of the present bond issue for the high school. Probably figures from Mr. Sherk should be obtained as to whether an elementary building construction could be included in the above millage without otherwise affecting the bond issue, In other words—if it could be sold under the present five-mill levy, and no additional levy beyond the 9.35 million dollars. But this joining would require the content of another school like that the second in the sold in the success of the present bond issue for the high school.

A citizens advisory group proposition.

A citizens advisory group and the pount of the districts of the north of ternick-yes; Hill-yes; Rollins-yes, south of us including Snow and

have the citizens' committee look

Our present policy of payment at those that seem to be within of \$100 to a teacher already untreased the financial means of our district, der contract the previous year for Mr. Nisbet is to set up a schedule each six hours of credit obtained of visits to high schools in the during the summer towards ad-vanced degree is affirmed. A tea-it is tentatively scheduled for No cher who is hired therefore the coming year would not receive this payment for work during that summer and a teacher who does not already have her Bachelor's federal funds for "urban renewdegree would not receive this pay- al."

THE CHAMPIONS

Congratulations to the Rangers! We are all happy that or Forest Hills football team has won the championship of the O.K Conference. Everyone likes to be a winner. That is human nature. But the trouble with being the champion is that everyone is trying to dethrone you. And eventually someone succeeds (even the Yankees lose sometimes). Wouldn't it be wonderful if we could be the victors and no one could dethrone us? Or to be champs, not just of the O-K Conference, but of the world? Did you know we can? The Bible tells us that "faith is the victory that overcomes the world." Jesus is the Victor, the King of the world. By His death He made it possible for us to be the victors with Him forever, By faith in Him, you, too can be a member of His winning team now and forever.

Influence. Any every sign points to an awful lot of Flu this Fall and Winter.

If you suffer any of the chronic aliments such as Heart Disease, Asthma, Bronchitis, or High Blood Pressure you should not lose any time protecting yourself against Fig.

The Surgeon General's Advis-ory Committee on Influenza recommends Flu vaccination just as soon as possible, Immunication is simple but it takes two weeks before it can work to protect you. See your Doctor now for Flu shots.

To take good pictures the pro-fessional always remembers his ABC's. Be sure your sub-ject is doing something and you'll get action. Watch out for distracting detail in the background. Gef in close for good detail and always use flash for best results. You can buy a full doten of Sylvania Flashbulks at our stars at the Flashbulbs at our store at the amazingly low price of \$1.29.

As a special service to our patrons, we make available on a rental basis such sick room needs as crutches, wheelchairs vaporizers. Be sure to call us if the need arises.

THANK YOU, NEIGHBORS!

at 28th St. Phone GL 1-9307

The Instrumentation and Control Division of PneumoDynamics Corporation wishes to express our sincerest appreciation to all of you for the warm welcome extended to us.

We're busy now in building our new, modern plant for the manufacture of highly specialized components in the gyroscopic, electronic and electro-hydraulics field.

We are looking forward to becoming a real part of your Cascade community and we'll be pleased to join with you in making our area an even better place in which to live and work.

PneumoDynamics Corporation
