### **BUCK SHOT** Gotschall Discusses Board Decision!

Editor's Note: (This article was submitted by Norman Gotschall, Lowell High School teacher and basketball coach. He was notified last week that the Lowell Board of Education plans to appoint another member of the faculty as basketball coach for the 1962-63 school year. The board offered him a contract for next year to head the guidance department). A week ago Monday night our

### **Expositions On The Lord's Prayer**

Beginning this Sunday, February 18th, we will begin a series of messages on the petitions of the Lord's Prayer. Modernists and liberals believe this prayer is for everyone and that everyone can pray it. This is not so. This prayer is for Christians. for Christians only, and for all Christians.

"No one cometh unto the Father but by me" said Jesus. Unless one receives Jesus Christ into his heart and life he has no right to come to God as Father. On the other hand, everyone who does receive Christ may pray this beautiful prayer, " . . . he that receiveth me," said Jesus "receiveth him that sent me." John 10:40, Receive the Son and you receive the Father. Then you can pray, "Our Father who art in heaven . . ."

LOW-COST ELECTRICITY SERVES YOU FOR JUST PENNIES A DAY!

As you read this message, take a look around you. Quickly check off how many electrical products serve you. Lamps, TV, radio, stereo sets. In your kitchen — electric range, dishwasher, food waste disposer and many small appliances. In your laundry — electric dryer, washer, electric hot water heater. Isn't it surprising how the list of flameless, fumeless electrical servants grows? It's surprising, too, that for all this day and night electrical service, your electric bill remains low. For comfort, convenience, safety, and value, nothing measures up
