

Ada Twp. Board Monthly Meeting
Lowell Michigan
The monthly meeting of the Ada Township Board was held Monday evening, February 12, at the board room of the town hall. Present were Mayor Jones, Councilmen Jones, Marsh, Townsend, and an absentee, Townsend. A letter was read from the Kent County Library Board asking the township to assume an \$800.00 share of the support of the local library services.

Lowell Council Proceedings
Regular session Monday evening, February 12, 1962, in the council room of the city hall. Council was called to order by Jones at 8:07 p. m. and the roll was called by the clerk. Present: Mayor Jones, Councilmen Marsh, Townsend. Absent: Townsend Burch, Gumber.

The Amazing Mr. Dorin
Ernie Dorin was born in Kansas in 1882 and later farmed in Texas and tended 40 head of cattle. The horse and the plow were his tools in those days. In 1932 and 1933 he used a portable motor generator to dry up the land and cover it with dust. I guess it was too dry so Ernie pulled up and came to our water wonderland, Michigan in 1935 and joined his sister, Mrs. Edna Henderson.

Plan Fluoride Program
Any parents having children who wish to take advantage of the Fluoride Program starting in July at the Alto school please call Mrs. Nancy Yetter at UN 8-3331. Children of the ages of 3, 4, 5, 7, 10 and 17 are eligible for this service. Children of other ages are required to have written request from their dentist in order to participate in the treatment.

Father of Alto Man Passes in Grand Rapids
Elmer Lipscomb passed away at his home, 1248 Bemis Street, S. E., in Grand Rapids on Thursday morning, February 15, at the age of 81.
Funeral services were held Saturday afternoon at the Methodist Church at 2:30 p. m. The Rev. C. F. Forberg, pastor of the church officiated. Burial was made in Rosevale Memorial Park.

Methodist Church
About forty persons were present at the annual church conference of the Alto and Boone County churches. The meeting was held on Thursday, February 13, at the Alto church. The Rev. Keith Avery, superintendent of the Grand Rapids District presided. Slides of Albion and Adrian colleges, Garret Seminary and the new Aldergates church being constructed in Grand Rapids were shown to illustrate the purpose of our present capital funds crusade for higher education and church expansion. Reports were heard from the pastor and officials. Nominating committee recommendations for the coming year were read. The ladies of Alto WSCS served lunch in the basement after the meeting was completed.

Civic Spirit Town's Big Advantage
A community with real civic spirit has a competitive advantage in the scramble for growth. Richard Wagner, President of the Chamber of Commerce of the United States, said today.
"Industries looking for new sites are more likely to be attracted to a community getting things done on its own initiative than to a city relying mainly on federal subsidies," Mr. Wagner said.
"The 'let's-do-it-ourselves' city is more likely to attract industries that are reflected in good schools, adequate transportation systems, equitable taxes, a fair attitude toward labor-management relations and the other ingredients of a good business climate."
"In fact," he added, "a depressed community with a driving civic spirit of this kind is adding to its abundance of labor force, which is doubly attractive to persons looking for places to locate new plants."
Mr. Wagner, who is Chairman of the Executive Committee of the Champlin Oil & Refining Co., called on civic and business leaders to inventory the human and financial resources in their communities as a first step toward planning and executing programs for economic progress.
"The reward for communities willing to find the means to do the job themselves," he said, "will be the achievement of a more vibrant economy and better living standards than could ever be realized under massive federal subsidies and control."
Mr. Wagner renewed the National Chamber's offer to help any community in the country start its own program to attract new industries, create new jobs, renew blighted neighborhoods and improve community facilities.
"If Congress approves the proposal for a Department of Urban Affairs and Housing," he said, "it would be creating a Trojan Horse to permit a takeover by the federal government of local government responsibility."
"Skill local leadership, initiative and decision-making provided by voluntary civic and business groups, which can best determine realistic local needs and capacities."
"—drive a wedge between city and state."
"—slow the nation's economic growth by hindering community adjustments to natural supply and demand market forces."
"Besides," Mr. Wagner said, "a Cabinet-level department, based for the first time on a geographical rather than a functional role, could be used by a national administration as a political weapon to keep itself in power through its control of subsidy programs."
He added:
"The issue of cities at the very heart of the limited government concept established by the Constitution to assure perpetuation of human freedom and an economic system based on free choice rather than political convenience." Remember when you used to bed with the curfew? Today they just blow it to wake you up.

Births
Mr. and Mrs. Adrian Sterzick are the proud parents of a 7 pound, 10 ounce son born in Butterworth hospital on St. Valentine's Day, February 14. The baby has been named Steven Todd. Mrs. Sterzick was formerly Miss Joyce Hill of Ionia.
Mr. and Mrs. Leon Vandawater are announcing the birth of a daughter at Elogett hospital Saturday, February 17. The baby weighed 7 pounds 8 ounces and had been named Susan Jane.

Ada Athletic Assoc. to Set-up More Recreational Facilities at Meeting
Would you like tennis courts and additional recreational facilities for your children in Ada? If so, your attendance is needed at the annual meeting of the Ada Athletic Association to be held Tuesday, March 6, at 8 p. m. in the Ada Town Hall.
The ice skating and summer recreation at the Ada field have been the results of the work and support of a comparative few, and now, with an enlarged program in view, your interest is vitally needed!
The possibilities of such a program should be of interest to each and every parent of the community. Summer tennis tournaments, badminton, swimming, and supervised play are possible, but can only become a reality by your active interest and participation.
Do you wish such a program for your children? If so, plan now on attending the annual meeting of the Ada Athletic Association on March 6, at 8 p. m. at the Ada Town Hall.

Ada Immunization Clinic
The monthly County Health Department Immunization Clinic will be held on Wednesday, February 28, 1962 from 9:30 a. m. to 11:30 a. m. at the Ada Township Hall on the Corner of Thornapple River and Ada Drive.
Immunization for diphtheria, tetanus, whooping cough, smallpox, and polio are given for all ages.
The other has a furry tail, a broad, flattened head with small ears, and short, dense fur which is a rich and glossy dark brown except for silvery gray portions around the throat and mouth.
Otters frequent streams and lakes. Lagler points out, though they often travel some distance overland to reach their water-courts—sometimes wandering 20 to 100 miles in their normal circuits.
"The otter seldom remains in one area for very long except in spring, when the female takes up residence on land to bear her young," the U-M professor explains. "The den is often in a burrow in the bank of a lake or stream with an entrance usually below water level. Occasionally the home may be located under roots of trees, in rock ledges or in hollow logs. There the female will give birth to two or three young early in May."
The otter has valuable fur, but is not plentiful and is infrequently trapped. Found only in the northern two-thirds of Michigan, it lives in a rich and glossy dark brown, mostly of its food under water—largely fish, frogs, crayfish, snails, and aquatic insects. In winter, it must travel some distance over land in search of open water, and sometimes will forage under the

COMMUNISM AND . . .

The World Council of Churches

In an article in the Christian Beacon, January 25, 1962, appears a statement in which Dr. Clyde J. Kennedy, president of Shelton College writes, "With communism out to destroy America, the Christian Church should be at the forefront at exposing it. Certainly someone ought to rise up and be concerned about the way Communists are using religion in the light of the recent gain at the New Delhi, India, when five Russian Orthodox ministers, representing Communist-controlled churches in Russia, were placed on the Central Committee of the World Council of Churches.

"We call for a thorough investigation by the proper government agencies of the way the Communists are using religion in their drive for world supremacy."

We, too, are deeply concerned at this turn of events at New Delhi, India, Is your church, your denomination a member of the World Council of Churches? Are you concerned? If you are, speak out! Ask questions! Find out!—H. Bulkema.

SOIL and WATER CONSERVATION Consumers Revolt At Poor Quality

By Your S.C.D. Directors DONALD KLINE, S.C.S. Editor

More than 100 Kent District Soil conservation cooperators and other folks interested in conservation attended the 15th Annual Meeting, February 14, at the 4-H Camp Vining, Bostwick Lake.

Amos Brerley was elected to fill a one year vacancy and Gerald Kayser was re-elected for a three year term in the Northwest District. Both men are from Caledonia.

Kenneth Anderson was re-elected for the Northeast District for a term of three years. Norris Hessel and Theran Wheat acted as election chairmen.

A main feature of the meeting was the presentation of the 1961 outstanding cooperator plaques for each District by Paul Robe, Rockford Union Bank and Trust Co. Winners were Lloyd Hill, Alpine Twp., N. W. District and Raymond Petersen, Algoma Twp. in the N. E. District.

Green and white metal District Cooperator signs, given by the Districts, were presented to the following for outstanding work in conservation application and for neighborhood encouragement of the same: Northeast District, Raymond Petersen, Sparta; Merlyn Holden, Rockford; Ford Morris, Cedar Springs; Darcy Porter, Rockford, and Marvin Porritt, Alto, Northwest District, Arthur Johnson, Kent City; Ralph and Elmer Miedema, Byron Center; Eli G. Robbers, Kent City, and Earl Baehre Sparta.

Your directors report that the selection of outstanding cooperators is a difficult job since so many land owners have applied several practices on their farms.

Youth and their interest in conservation was the theme of this annual meeting. FFA advisers and students are to be complimented on their chapter's presentations.

Topics for the demonstrations given were: Cedar Springs—"Save Soil with Less Compaction"; Kent City—"Parliamentary Procedure and Sparta, "How Important is the Land."

Each director did his share to make the meeting a success. Their duties were: Kenneth Anderson, Welcome and introduction of the guests; E. L. Phelps and Milton Wylie, introduction of FFA Chapters; Harry Yester and Carl May, Districts' accomplishments; Amos Brerley and Irvin Rodgers, door prizes; Ed Parmeter and Frank and Gerald Kayser, financial report.

The following firms and businesses helped make this event a success as door prize donors, printing of the annual report and by furnishing refreshments: Haviland Agricultural Chemical Co., Kent City Farm Bureau, Kent City State Bank, Consumers Power Co., Morrissey Supply, Vern Wenger, Ed Parmeter, Bergy Bros., Caledonia Elevator, Rasch Orchard, Carl May Orchards, C. H. Runciman Co., and the Kent Soil Conservation Districts.

Other annual meeting features will follow next week.

Irene Lamphear, District Clerk and the SCS Staff will report District doings to you the next three weeks while Mrs. Kline and I are on vacation in Texas and Mexico. Have promised to send a weekly

coming events

The American Legion will sponsor a "Blue Water Perch Fry" at the American Legion Building on Saturday, March 10, p42-45

The Women's Fellowship of the First Congregational church will meet in the dining room of the church Friday, Feb. 23 at 1:30 p. m. The Lila Group will be the hostesses.

The Vergennes Co-operative Club will meet with Connie Odell, Thursday, March 1 at 1:30.

South Boston Extension Club will meet with Mrs. Donald Kyser for a potluck dinner at 11 o'clock, Feb. 28. Lesson will be on "Casseroles Dishes."

The American Legion will meet Monday evening, February 26 at the Hall.

births

Mr. and Mrs. Charles Benjamin are the proud parents of a baby boy born February 5, at the Boddgett Memorial hospital in Grand Rapids. The new baby weighed 8 pounds and 15 1/2 ounces and will be called Douglas Lee. His mother is the former Nancy Mills.

Mr. and Mrs. Richard Ford are the parents of a baby boy, Richard Jr. born February 16, at Boddgett Memorial hospital and weighing 9 pounds and 1 ounce.

Everything's coming up posies for the Special!

No doubt about it now, this one delivers! The Buick Special is the Industry's 1962 pride (not to mention America's happy medium-size car). Ask Motor Trend Magazine: their experts named Buick "Car of the Year," acclaimed "the power concept for the future expressed in America's only V-6 automobile engine." Ask Stag Magazine about Buick Special! "the best car

Detroit has produced in 30 years." Or, for real proof of its greatness, ask any Special owner! Then ask your Buick Dealer for facts on the 4-door sedan like: choice of 3-speed Synchronesh transmission or Dual-Path Turbine Drive*. Heater-defroster included in the low price and Buick quality through and through. Get your reward! Drive it!
