DOUBLE QUICK-that's what our telephone men are these days, thanks to a new development by the Bell Telephone Laboratories. The Bell Labs have come up with

a new device called a "coil spring connector," making it possible for telephone men to connect and disconnect small wires in half the time. It's another example of Bell System teamwork that paid off. Finding better and faster ways of doing everyday telephone jobs like this helps Michigan Bell keep the cost of your service low, the quality high.

phone? It puts your calls close at hand in the bedroom, kitchen, den, or basement playroom. Think of the steps you'll save—for only pennies a day. And you can choose a style to fit your needs. A lovely PRINCESS phone—little, for busy housewives. Or a desk phone for Dad in the den. All are available in colors to add springtime sparkle to your home. To order, just call our business office.

THE GOOD OLD DAYS may have been a housewife's dream where the prices of butter and eggs and a lot of household things were concerned, but here's an exception: Long Distance rates actually cost less today than they did then! In 1923, for example, a 3-minute evening station call from Lansing to San Francisco cost \$6.40. The charge tonight? Just \$1.65, plus tax.

It's another way efficiencies in the telephone business make your service a bigger value than ever before.

the hurdles and the field events, the local squad was hampered by the fact that a few of the boys were working or gone on vacation. The strong point of the squad is the middle distance runs, and some very marked improvement can be seen in freshman hurdler Kent Beimers.

Charles Harger turned in a fine 56-second quarter for the mile relay team.

Coach Perry attributed part of the Red Arrow's defeat to the fine performances of Godwin's Ron Stratton, who amassed 15½ points, and Bazaire and Story, who totaled 20½ points,

TRACKMEN OF THE WEEK

Lloyd Slack, a junior who competes the high jump, relays and low hurdles, is a fine trainer and low hurdles, is a fine trainer and good competitor. He has shown improvement each week, though it is still early in the season. He has turned in good performances, reaching 5'5' in the high jump. Class treasurer during his freshman and sophomore years, Lloyd is a 2-year letter-winner in track and is a fine example of a trackman, He is a member of the Lowell football and baskethall teams and of the Varsity Choir. Lloyd resides with Mr. and Mrs. Leo Harden of 8908 Vergennes Rd.

KHRUSHCHEV'S GOAL: An Egg a day for every Russian by 1980

We hear a lot these days about our "farm problems". Yet how many of us realize that American agriculture-problems and all—is the envy and the wonder of the world?

Witness Mr. Khrushchev's recent 7 hour speech to the Communist Central Committee. He openly admitted that Soviet agriculture has fallen critically short of its goals-in spite of concentrated efforts. He also made a sweeping promise and set an heroic goal for Soviet farms: an egg a day for every Russian by 1980. Significantly, he refrained from such a rash commitment on milk and dairy products.

Witness a few more facts: (1) Our farmers make up only 8% of our population, yet they produce abundant food for all of us at the lowest cost in history. Russian farmers represent 45% of the population, yet there is a constant threat of food shortage. (2) Food takes less of our income than ever before—only 20%. In Western Europe food takes 30% to 50% of the average income -in Russia, 60%.

problems at all? Of course not. Fortunately, however, ours are not problems of shortage and near-famine. Let's keep this in mind next time we read about our "farm problems". Let's remember, too, that "farm probems" are not altogether "farmers' problems". At stake, don't forget, is the food supply of 180 million Americans. You and me.

Let's not take our egg a day, our quart of milk entirely for granted.

The Resurrection of Jesus Christ

Matthew 28:1-9 "Now late on the sabbath day, as it began to dawn toward the first day of the week, came Mary Magdalene and the other Mary to see the sepulchre. And behold, there was a great earthquake; for an angel of the Lord descended from heaven, and came and rolled away the stone, and sat upon it. His appearance was as lightning, and raiment white as snow: and for fear of him the watchers did quake, and became as dead men, And the angel answered and said unto the women, Fear not ye; for I know that ye seek Jesus, who hath been crucified. He is not here; for he is risen, even as he said. Come, see the place where the Lord lay. And go quickly, and tell his disciples. He is risen from the dead; and lo, he goeth before you into Galilee: there shall ye see him: lo, I have told you, And they departed quickly from the tomb with fear and great joy, and ran to bring his disciples word."

Modelettes Take Top 4-H Honors

Four members of the Modelettes 4-H Club gather around their leader, Mrs. Frances Olin, to display the fashions which won them top honors at the Kent County Style Preview, held on April 14 at Rogers Plaza. Jan Doyle, Mary McPherson, Karlene Detmers, and Judy Doyle brought an unusual honor to their club by top-ping 1,640 girls from Kent county. The Doyle twins, daughters of Mr. and Mrs. Cedric Doyle, have been participating in the club for 4 years; Miss Detmers, former Lowell Showboat queen and the daughter of Mr. and Mrs. Paul Detmers, has participated for 7 years, and Miss McPherson, daughter of Mr. and Mrs. Don McPherson, tops the list with an 8-year participation record. Mrs. Olin has contributed her efforts as leader of the club for the past 12 years. Following their triumph at the 4-H Style Show, the members of the Modelettes staged another showing the same evening before 100 guests at the Vergennes Township Hall. Songs by Linda DeYoung, slides of 4-H activities, and refreshments, completed the entertainment,
