was discussed, as well as the advisability of conducting a traffic survey. (See MOTIONS).

The improvement of Division Street was discussed. Mayor Jones said this improvement was a matter of study for many, many years that it had always been a Council policy to spend money for improvements where it benefitted the greatest number of people. This improvement was estimated at between \$7000 and \$10,000. In his opinion, it should first be designed as single stop-and-go signal on state highways.

### "My Lord and My God"

Thomas, one of Christ's disciples had said, "Except I shall see in his hands the print of the nails, and put my finger into the print of the nails, and put my hand into his side, I will not believe." John 20:25.

Now notice: Verses 26-28 "And after eight days again his disciples were within, and Thomas with them. Jesus cometh, the doors being shut, and stood in the midst, and said, Peace be unto you, Then saith he to Thomas, Reach hither thy finger, and see my hands; and reach hither thy hand, and put it into my side; and be not faithless, but believing. Thomas answered and said unto him, My Lord and

Thomas saw the risen Christ, he believed, and he confessed Christ's deity: "Thomas answered and said unto him, My Lord and my God."

Then in verses 30 and 31 we have these significant words: "Many other signs therefore did Jesus in the presence of the disciples, which are not written in this book: but these are written, that ye may believe that Jesus is the Christ, the Son of God; and that believing ye may have life in his name."

Do you believe and there have eternal life?

### Win Opener 17-4

The Lowell varsity baseball team won its league opener Tuesday by thumping Cedar Springs, 17-4. The local team scored almost at will A combination of lusty hitting and vildness by Cedar Springs pitchers turned the game into a rout as early as the 2nd inning when Lowell crossed the plate six times. Don Dilly, Dan Huver, and Denny Sisson led the Lowell effort with 2 hits apiece. Dilly and Huver contributed long home runs to the local cause. Rick Beimers hurled the complete game for Lowell allowing only 1 hit and no runs over the first 4 innings. The victory was particularly sweet after a dismal spring vacation. The varsity squad played several games with neighboring schools, and dropped 4 out of 5. Coach Morse used the entire squad in these games and several pitchers in an attempt to find a winning combination.

Pitchers Don Dilly, Rick Beimers, Ron Raymor, Tom Davis, Tom Bigelow and John Kerekes toiled for Lowell and were hit hard by the opponents. Shoddy fielding contributed to the 4 losses. Lowell lost to Caledonia 13-2, and 4-3, lost to Forest Hills 7-4, and split a double header with Ionia losing 5-0 and then winning 13-12, The Lowell victory was achieved on a long 7th inning home run by Kar-
