Dilly Stars To

Lowell's varsity baseball team won its second league victory last Thursday evening defeating Sparta in a thrilling pitcher's duel 2-1. Lowell's Don Dilly and Sparta's Dennis Buck virtually matched each other pitch for pitch over seven fast innings of baseball on the local diamond. The two teams could muster a total of eight baserunners and two of these were removed on fielding gems. Sparta drew first blood in the

second inning when they collected two hits and a passed ball to take a 1-0 lead. On the first pitch of the home team half of the second inning, Don Dilly slammed a home run to left center field to tie the score. In the third inning, Sparta's lead-off man reached second base on a wild throw, was sacrificed to third, and thrown out at home, attempting to score on a squeeze play. The Sparta batter that bunted the ball on the squeeze play was the third out of the inning when he attempted to steal second base.

Lowell's catcher, Larry Miller, made a perfect peg to the bag in 1961 but he has served as a to make the out, Lowell threatened in the home half of the third pastor of the First Congregational inning. John Kropf singled, Larry Church in Marblehead, Ohio, for Miller walked, and with one out five years, being full time pastor and the two runners on base, sec- for the last year. ond baseman Denny Sisson hit a vicious line drive into left center training he obtained his BS degree field. boat." \$6.95 a gal, Williams Radio get will be on file in the clerk's & TV, 126 N. Hudson, Lowell, c3 office for inspection by the public

Coming to the Cascade Area,

street and other departments of

The city will budget \$8,400 for blacktop streets that must be kept

Capital Expenditures

Capital expenditures of \$11,585, are being planned during the coming year; the largest of these items is \$4,000 set aside for a front end loader, \$2,500 to employ a planning consultant, \$1,300 for a new police cruiser and another \$1,300 to pay for the street sweeper already authorized.

Airport & "Y" Requests The request for funds by the airport was given to the council by Hollis Marsh who submitted three plans; these ran from \$87; 557 for an A-1 airport to handle executive two-engine ships down to an estimated \$10,147 needed to obtain a license for the present size airport to handle small planes, Marsh told the council that the Airport Association did not expect this kind of money from the city but gave these estimates for information purposes. He stated that they would like to have \$1,200 to get started on the minimum program. The council took no action but will make a decision next

Monday night, Robert Forst, secretary of the Lowell branch of the YMCA was present with Vice-chairman of the board, Dr. Robert Kyser and finance committee chairman, Jud

Forst, in his presentation of the Y's need for \$2,000 itemized what these funds would be used for: he said \$1,000 was needed to subsidize the free swims and the low rates for afternoon open swims. Without this help from the city, the Y would have to eliminate free swims and increase the daily swimming fees for children,

The other \$1,000 requested would be used to help with the cost of operating the summer baseball program in which over 300 boys and girls from the community took part last year. Part of this would also be used to provide a five-weel s u m m e r supervised playground program for children 4 years thru 6th grade. This would enable the Y to provide this program at a fee of only 50c a week to par

ticipants. The requests of the YMCA received favorable comment from the council members but no decision was reached; the council expressed itself that it did not want to increase the tax rate with

out a vote of the citizens. City manager Olson revealed that there was about \$1,500 of Lea money that could be used but when this was gone a new source of revenue would have to be found the public hearing on Monday,

City and C of C Set Dates

The Lowell Chamber of Commerce and the City of Lowell are cooperating to offer the citizens of the city an opportunity to get the community all cleaned up and ready for summer with a program of "Clean-Up Days" running May 6 to May 12.

On Monday, May 7, and Thursday, May 10, the city will use an open truck to pick up any junk or other refuse left at the curb. The only limit is that nothing over 200 lbs. be put out. Last year the city crews reported someone put out a piano to be picked up; if you do have a piano to be haul-

ed away, saw it in two. This same week would be a fine time to paint-up and fix-up your home or store to make the city bright and shiny for the outdoor season ahead.

Art Club To Exhibit Work

The Art Club of the Lowell High School is sponsoring an exhibit featuring the best work to come presented with a past presidents out of the high school art classes this year. This includes life sketchto Mable Barton and Hazel Or- ing, painting, drawing, design, and

> These classes have done a good deal of experimental work using scrap materials from the local factories, such as tin strips from the Lowell Manufacturing Company, and wood scraps from the Super ior Company. Some unique pieces of sculpture have been created from this waste material. The Art Room, that temporary

Greenwich Village addition to the school, is located in the north end of the city garage directly under the Show Boat Bleachers., where the students see from the west windows some of the most paintable scenes in Lowell.

It will be open to the public Friday night, May 4, from 7 till 9 in the evening. Everyone is cordially invited.

CITY BUDGET HEARING MAY 7 There will be a public hearing on the proposed 1962-63 budget for the City of Lowell at the city hall "The lifetime coat for your 1962. Copies of the proposed bud-

de each year with severe burns.
About 6,000 are killed. And uncounted millions suffer various minor degrees of pain, discomfort and temporary incapacity.

U-M "Burn Team" specialists say 60 percent of burn injuries occur in or near the home. About 20 percent are incurred at work and the remainder in miscellaneand the remainder in miscellane- home and is getting accustomed Miss Jennie Myers was absent children under 12.

The doctors report four major Roughly half of all victims are

causes of burns in children: Ignition of the clothing—direct contract with the contr rates of burns in children: 1gnition of the clothing—direct contact with flame of stoves, fireplaces, trash fires, etc.—careless
use of inflammable liquids—and
hot liquids.

Under the last category they
note that children often suffer extensive burns from pulling containers of hot water, coffee, tea or
grease from stoves and tables.

Even the bathtub can prove hazardous, they say, because unattended children have a way of
turning on the hot water and causing serious burns to their thin skin.

Although modern "Burn Teams"
