the UNINSURED MOTORIST

For 5 years the "Citizens Man"

has offered his policyholders coverage that pays for both property damage and bodily injury loss caused by the uninsured, irresponsible motorist

This coverage can be added to any Citizens' private passenger car policy for just \$7 per year. If the policyholder is involved in an accident caused by an uninsured, irresponsible motorist who cannot pay for his liability, Citizens' will take care of its policyholder's damages the same as if the motorist were actually insured. Ordinarily no deductible applies, the loss is covered from the first penny up. And this coverage not only protects in ordinary cases but covers if the uninsured driver is from outof-state, and in cases of hit-and-run, excepting only that a fifty dollar deductible applies to property damage in the case of

While this saves our policyholders from loss, it does not absolve the uninsured driver from his rightful responsibility; for Citizens' goes on to pursue the claim through all legal means.

"It Doesn't Make Any Difference What You Believe"

"It doesn't make any difference what you believe, it's how you live that counts". Have you heard this? Have you said this? Wait a minute! It makes all the difference in the world! You can't live right unless you believe right! How, or what, you believe about God, the Bible, the moral law of God, Christ, sin, salvation, the church, love and marriage, divorce, heaven, hell, etc. etc. will determine your actions.

The Bible puts it this way "For as he (man) thinketh in his heart, so is he . . . " Proverbs 23:7.

Christ's church is God's institution in this world to speak the mind of God as he reveals it in His word, the Bible, Attend a church where the preacher holds up the Bible and says, "Thus said the Lord!" and affiliate with a group of believers who believe what God says.
