## WITH THE UNDERTAKER AND WITH GOD!

Hebrews 9:27 "... it is appointed unto men once to die, but after this the judgment."

You may not like this thought, but that's what the future holds for each of us: a date with the undertaker and a date with God. Are you ready for this double date? You can be if you have Jesus Christ as your Savior and you have committed yourself, body and soul, to Him as your Lord!

For "Christ was offered once to bear the burden of men's sins, and will appear a second time, sin done away, to bring salvation to those who are watching for him." Hebrews 9:28. What a blessed promise this is for believers in Christ!

## WORKING TOGETHER FOR **PROGRESS!**

Electricity is the low-cost energy that gives us the power to move forward to ever higher standards of living. Today, more than ever before we're using the switches to make life easier and better.

A click of the switch brings power into our homes to save time and energy for comfort and convenience.

In factory and business electricity has

helped to build unprecedented production levels - for bigger incomes.

In our communities, its switches bring better lighting and transportation, better churches, hospitals and schools, better city protection.

Its ever-ready switches contribute to comfort, convenience, production, income. Electrical growth means commun-
