

Council Orders New Zoning Hearing

The Lowell City Council on Monday night tabled action on Ordinance 15 after the hearing and called for new hearings on repealing the ordinance of last July, which rezoned the area on West Main Street commercial, and rezoning the area properly back to commercial.

There were several present at the hearing to protest the passing of Ordinance 15 which would repeal the commercial zoning for part of the area on West Main and re-instate it in the most westerly portion. It would also rezone East Main from Horatio Street to the city limits residential; this area is now zoned commercial.

Final Wrestling Match Here Feb. 13

Lowell Wrestlers will meet Rockford at the Lowell Gym in the final meet of the regular season on Wednesday, February 13th. Lowell presently is tied with Cedar Springs for the conference lead.

Last Wednesday night at Sparta, Lowell took another wrestling match 32 to 14. The team was still without the services of Kropf and Foss due to illness and injury.

Sparta did not have a participant in the 95 lb. class, so coach Rivers moved Mike Ortolowski up from the jr. varsity to take the 5 point forfeit. Then, Gary Kropf not being able to wrestle at 103 lbs., Rivers moved Lipscomb up from 95 lbs. to 103 lbs. for this match only. Jerry did a very fine job by defeating Preston from Sparta by a score of 7 to 4 being outweighed by 8 lbs.

In the 112 lb. class Brabo defeated Kelly 11 to 5.

At 120 lbs. Schmidt defeated Odell 6 to 3.

Doug Olin pinned Bloom in 18 seconds, getting the fastest pin of the year.

Hunt pinned Reister in 3 minutes 44 seconds in the 133 lb. division.

Patterson pinned Boyd in the 138 lb. class, in 3 minutes 7 seconds.

At 145 lbs. Hosteler defeated Murray 3 to 2 on riding time.

Meyers also defeated Williams on riding time 3 to 2 in the 154 lb. division.

At 165 lbs. Davis pinned Koning in 3 minutes 51 seconds.

In the 180 lb. class Shears defeated Rittenger 6 to 1.

Bruce Rittenger defeated Brown 5 to 1 in the heavyweight division.

Next Wednesday night the grapplers meet Rockford here at 7 p. m., with the jr. varsity scheduled to wrestle at 6 p. m. This is the final meet of the regular season. The conference meet will be held at Cedar Springs this year. The first round is scheduled for Thursday, February 21st, and the finals round are to be wrestled on Saturday, February 23rd. The championship matches in each weight division are scheduled to get underway about 7:30 p. m. at Cedar Springs. More about this later.

Methodist Box Social Monday

Last year's Box Social sponsored by the local Methodist Men was such a success both from the standpoint of a good time and from the standpoint of helping the men to pay their pledge to the building fund that they are announcing a repeat performance for next Monday evening at 6:30 p. m.

President C. A. Bradshaw says, "Let each lady bring an attractive box that will bring a good price, for the benefit of the building fund."

Rules coming down from the "good old days of the box social" provide that each lady secretly prepares a fancily decorated box containing lunch for two and that each gentleman present, not knowing who prepared any of the boxes bids on those which strike his fancy until his is the highest bid for one and then eats lunch with the lady whose box it turns out to be.

George VanderMeulen, well known auctioneer whose professional auctioneering added to the fun last year has agreed to act as auctioneer again this year.

Following supper August Post of near Caledonia will show his pictures and talk on "The Wilds of Southeast Utah".

Any interested lady is invited to bring a box. Any interested gentleman is invited to bring his pocketbook. Any interested couple is invited to bring both, but the gentleman is not supposed to see what his wife's, or lady friend's box looks like.

Cedar Defeats Lowell In Last Three Minutes Of Game Here Friday

Cedar Springs won a hard fought battle over Lowell last Friday defeating the Arrows in the last three minutes 60-50. Coach Art Bieri said it was Lowell's best game of the season; going into the last three minutes with a narrow lead, Elzinga and Abel both fouled out during these final minutes hurting the Lowell chances. At the first quarter Lowell was behind 4-12; at the half Lowell had a one point lead 22-21; at the third quarter the Arrows had a 6 point lead 42 to 36.

Meyers got 14, Elzinga 13, Slack 8, Kropf, Abel, McMahon 4 each, McIver 1. Lowell meets Sparta away on Friday night; the next home game will be February 22 with Rockford.

Freshmen Win; JV's Lose

Lowell freshmen won their game with Cedar Springs 50-27. Malcolm and Briggs 10 each, Fonger, Melle and Wessell 8 each, Hagen, Finkler and Rogers 2 each.

The Junior Varsity trailed throughout the game with Cedar Springs losing 65-45. Rollins got 22, Fonger 9, Biemer 8, Korstange 3, Knoohuisen 2, and Green 1.

Membership Drive Week For Y.M.C.A.

Are you interested in seeing Lowell develop into a progressive community? Are you interested in the social, mental, physical and spiritual growth of your children? This week is Y.M.C.A. Membership Week in the Lowell Area. Your Y.M.C.A. is seeking to enroll the families of this area in its program of service to our youth and adults. These are the highlights of the 1963 program for you:

During The School Year:

- A Nursery School Program for 4 and 5 year olds.
- Saturday Classes and Leagues for boys and girls, such as flag football, basketball, wrestling, gym classes, trampoline classes, track, wrestling, crafts, art, tap and ballet dance classes, bowling, etc.
- Short term Adult Classes, such as art, ladies' slim and trim, flower arranging, men's volleyball, knitting, sewing, etc.
- Club Groups for youth and adults—Senior Citizens, Junior High Clubs, bridge clubs, chess club, girls' athletic club, Junior Sportsmen's Club, etc.

A monthly night of Family Activity at the Grand Rapids Central Y.M.C.A.

During The Summer:

Baseball and softball teams for boys 6 years thru high school. A Church Softball League for adults.

The operation of the King Memorial Pool with the use of the Y.M.C.A. Progressive Swimming Program, teaching beginners thru life saving.

A Day Camp program for boys and girls 6 years thru 12 years.

A Summer Fun Club program of tennis and trampoline classes.

A One-Week Resident Camp experience for boys and girls 10 thru 14 years at the Y.M.C.A. Camp Manitou-in near Middleville.

A program of this magnitude can only be continued and kept growing through the total support of our community. King Fund earnings of \$14,265.00 underwrite the administrative and operational expenses of the Y.M.C.A. The goal is to make the program, exclusive of these overhead expenses, self-supporting. The remaining earnings of from \$4,000 to \$6,000 would then be available to expand our program in such areas as a Teen Center and Camping Center, using the former Sportsmen's Building on Consumers Power property north of Lowell.

The Y.M.C.A. is a membership organization. Though the program is offered to anyone in the community, special rates and many no charge programs are offered to our "Y" Family Members.

Rabid Skunk Attacks Dog At Koster Farm

A rabid skunk attacked the family dog at the residence of F. J. Koster, sr., 3208 Timpson, Lowell, Michigan, on Monday, January 28. Around 2:00 p. m. on that date, Mrs. Koster observed a skunk emerge from a coal bin in the yard and attack the dog. A neighbor shot the skunk when it tried to attack him.

The Kent County Animal Shelter sent the skunk to the Michigan Department of Health in Lansing for laboratory examination. The laboratory report revealed the skunk to be rabid.

Upon the recommendation of the Kent County Health Department, the Koster dog, which was not immunized for rabies, has been destroyed.

All dog owners in the Lowell area should have their animals immunized against rabies, immediately, advises Dr. W. B. Prothro, Grand Rapids-Kent County Health Officer. This is just common sense protection for family pets against the attacks of other rabid animals. This in turn is just common sense protection of children and adults who come in close contact with domestic animals.

Robert K. Richmond To Enroll In Medical School

Robert K. Richmond, 28, of Lowell, Michigan (1784 Biggs Avenue), plans to enroll in the University of Michigan Medical School in September, 1963.

Richmond, a 1952 graduate of St. Patrick's High School in Parnell, Michigan, received a two-year Associate in Science degree from Grand Rapids Junior College in June, 1960 and is currently attending Aquinas College in Grand Rapids where he is an undergraduate in Biology. He is the son of Harry H. Richmond of the Biggs Avenue address.

The U-M Medical School expects to admit about 200 persons next fall at its Medical Center in Ann Arbor. Of these, about 160 will be Lowell residents and 40 will come from out-of-state. The U-M annually accepts one of the largest entering medical classes of any school in the nation.

Successful students entering in the fall of 1963 will receive their M. D. degrees in 1967.

New High School Heating Plant Goes Into Operation

The two gas boilers in the new Lowell High School, under construction on Foreman Road, were turned on last week. Pictured here is the head of the custodial staff of Lowell Area Schools, Harold Buck, looking over the gas fired boilers in the new building. Starting the boilers in near-zero temperatures was quite a project; this included putting a hundred gallons of permanent anti-freeze into the system to prevent the pipes from freezing before the hot water could circulate.

Softening All Water

The stage, a large storage room, and other areas are protected by heat actuated sprinkler system for fire protection. Fire hydrants are being installed outside the building at intervals around the grounds. Frost-proof hydrants are being provided for yard sprinkling.

Shower heads in the locker rooms will have scald-proof thermostats and push button controls that will automatically shut-off after a set interval, so they cannot be left running. Hot water is furnished by an 800-gallon, gas fired, water heater. Two water coolers are included among the eight drinking fountains in the building.

Water lines in the building of 2 inches and under will be of copper. The new Lowell High School will be among the first schools using glass pyrex acid waste pipes for vents and sewer lines from the laboratory classrooms. Once the glass pipes are enclosed in earth, and concrete there is no chance of breakage.

The new school will have a complete storm system for roof and parking lot drainage; this water will be carried over to the nearby creek for disposal.

All mechanical equipment rooms for heating and ventilating the gym, auditorium, kitchen are in balconies to allow maximum useable floor space.

Attorney To Talk To Farm Bureaus

EDITORIAL Are You Supporting Your Y.M.C.A.?

This is "Y" Membership Week and your support is very much needed. Perhaps you do not participate in many of the "Y" programs, but do you know that there are many deserving boys and girls who cannot afford to belong to the "Y" program unless YOU purchase a membership? Our youth clubs and the winter, spring and fall youth classes, as well as the leagues, need approximately \$2,000 to supplement the fees we can charge these young people. This is where your support is so desperately needed.

Yes, the King Fund furnishes \$14,000.00 to cover operative and administrative expenses of our Lowell Y.M.C.A. but, we MUST SUSTAIN our own program before we can expect to bring a \$4,000 to \$6,000 additional subsidy each year from the King Fund. We feel this additional subsidy is greatly needed for development of a centrally located "Y" Youth Center for the young people and development of a camp for youth and adults on the last year "Y" leased in 1962 on the Flate River north of the Consumers dam on which already stands the Sportsmen's Club building which your "Y" purchased.

You don't have to pay all your membership pledge now, you are welcome to pay in installments. Be a vital part of your community. Be a Y.M.C.A. member and supporter. Phone TW 7-7375 NOW and let one of the faithful membership workers of your Y.M.C.A. help you decide the type of membership you need.

DO YOUR BEST TODAY FOR A BETTER TOMORROW FOR OUR YOUNG PEOPLE.

Complete All Tax Returns

Review of early-filed Federal tax returns in the Detroit District reveals that some taxpayers are failing to fill in all required data. Director E. I. Nixon said today Mr. Nixon said individual and business taxpayers particularly should carry forward to proper lines on the face of the return data from any attached schedules. Director Nixon said it is important that returns filed this year be accurate and complete. Internal Revenue is turning to electronic computers to maintain taxpayer accounts. For this system to function beneficially for the Government and for taxpayers, manual editing of defective returns must be reduced to a minimum, he said.

Mr. Nixon also called attention to the legal requirement effective this year that taxpayers enter their tax account identifying numbers on returns. For the individual this is his Social Security number, or a similar number assigned for tax purposes. Director Nixon said his office will supply application forms for any persons still needing numbers. This also applies to business taxpayers, who must enter their Employer Identification Number on their returns.

Butth Works To Obtain Hospital

Rep. Martin Both (R-Conkook Park) with every House member from Kent, Muskegon and Ottawa Counties, today introduced legislation to obtain a western Michigan hospital for mentally retarded children.

The Both bill would provide \$50,000 for site study and purchase of land options in the Kent-Muskegon area for the hospital. It is the first step toward construction of the hospital in western Michigan's most populous area. Retarded children in this area now are committed to temporary facilities at Fort Custer or to Colwell Home and Training School, approximately 120 miles away. In addition, Both pointed out, the waiting list for committed retarded children for whom there are no facilities at present exceeds 1,000.

Rep. Both said, "The need for this institution for retarded children has been established for several years. No one denies the need. We hope this bill will be the vehicle for obtaining the western Michigan facility." Specific site of the hospital would be determined by the study provided in the bill.

Archeology Proves Bible is Accurate

The historical accuracy of the Bible is being confirmed today by the science of archeology, a Michigan State University professor reports.

While 18th and 19th century "scolars" ridiculed much of the Old Testament as myth, archeological research has since proved that the Bible was often right and the scoffers were guilty of "sheer nonsense," said Dr. Francis M. Donaldson of the MSU Department of Humanities and Religion.

The Bible does not need "provisional" of the MSU Department of Humanities and Religion, Jan. 19 at MSU's Kellogg Center, yet continuing research is substantiating Biblical accounts of ancient kingdoms, cities, peoples and events.

Incidentally, the statement that Methuselah lived 969 years should not be too shocking, he said. Donaldson noted that the figure is quite modest when compared with the longevity claimed by Babylonian kings of that day, who boasted of living from 35,000 to 45,000 years.

Dogs Today Gayer, Live Longer

A dog's life isn't so bad any more. The advances in veterinary medicine and better nutrition have helped to cut down on the number of deaths due to intestinal disorders, distemper and other infectious and hereditary diseases, he reported, and dogs today generally are friskier and feel better.

Dr. Stephenson said that research six years ago found that about 50 of the 21 million puppies in America were 1 year or older. At one time, he reminded, a 12-year-old dog was considered a "three B's" better nutrition, but...

Actor To Narrate Lions Travelogue This Saturday Night, February 9

The fourth in the series of Lowell Lions Club Travelogue adventures will be held this Saturday night, February 9, at the Runciman Elementary Building at 3:30 p. m., when Doug Wilson will present "The Ganges River."

The enchanting story of India's amazing river is authoritative, invigorating, and significant. This is the first complete unrestricted all-color documentary film-lecture of the great "Ganges," and is bound to interest everyone of the community.

Mr. Wilson has traveled the world over as an actor and narrator. He starred in the motion picture "Get Outa Town" and has just returned from Korea where he completed the film "Thru These Hanks." He has also made several TV appearances.

In this exciting travelogue, photographed by Ted Phillips from the film "Mountains of Calcutta," you will see and witness Badrinath, the Himalayas, the Taj Mahal, a Hindu wedding, a elephant parade, India's movie stars, priceless gems, Queen Elizabeth's visit, New Delhi, Nehru, exotic dancers, temples, art treasures and Calcutta.

Travelogues are urged to use their season tickets to see this amazing story of this great river in a great country, or purchase their admission tickets at the door.

The next travelogue series sponsored by the local club will be held on Saturday, March 3, when Robert Auburn, noted traveler and independent motion picture producer, will narrate "Jeweled Cities of North Africa."

Mr. and Mrs. Adam Swiderski and family entertained Mr. and Mrs. Donald Graczyk and Dawn Marie of Hopkins, Mrs. Martha Graczyk and John Graczyk of Dorr, Mr. and Mrs. Norman Lentz of North Dorr, Casper Long of Grand Rapids for dinner Sunday, February 3, honoring the baptism of their son, Kevin Joseph.

The baptism was held in St. Robert's Church in Grand Rapids. Mr. and Mrs. Robert Keyt spent Saturday evening with Mr. and Mrs. Howard Gregory in Cascade.

Mr. and Mrs. Robert Keyt and family spent Sunday with Mr. and Mrs. Leslie Keyt in Lakeview.

Mr. and Mrs. Sam Ryder spent Saturday evening with Mr. and Mrs. Orrin Sterken in Lowell.

Ernest Athaus called on Mr. and Mrs. Earl McKinnis Sunday.

Mrs. Betty Baker and Mrs. Maud Skidmore spent Sunday afternoon with Mr. and Mrs. Bob Perry and children.

Mr. and Mrs. Jake Yoder of Grand Rapids were Saturday night supper guests of Mr. and Mrs. John Husar.

Mr. and Mrs. Oral Taylor and Richie Travis of near Hastings called on Mr. and Mrs. Sherman Taylor, Monday afternoon.

The Youth Fellowship Group all went to the Snow Church, Sunday evening.

CHEVROLET TRUCK QUALITY

You can see the difference wherever you look

If you believe various makes of trucks are pretty much alike, you aren't doing justice to your pocketbook. There are differences.

A Chevrolet truck welcomes comparison. Look at the little things on it—latches, hinges, stitching in the upholstery. Notice how strong the tailgate is, the rubber matted chains that keep it from sagging.

The body floor is made of select wood to eliminate the rust problem and give you better flooring. The side panels are double-walled; you might dent the inside but it won't show through.

Chevrolet designs suspension systems to fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense!

If you are going to need a new truck this year, you should look at the quality Chevrolet has to offer. We may bring over a new '68 so you can examine it!

Loses House In Friday Fire
Mr. and Mrs. Paul Kinyon and children had in misfortune to lose their house trailer home by fire Friday evening about 6 p. m. Luckily, no one was in the trailer at the time, as Mrs. Kinyon was in the barn assisting her father, Lawrence Dygert, with the milking. The Alto Fire Department was called at once, but because of the extreme heat, only one of the trailers in the trailer court was saved, and only a couple of pieces of furniture and a few clothes could be saved.

Also, five m. the fire broke out again, and the fire chief was called. This time the trailer was burned completely. It is thought that a fuel oil stove either exploded, or developed a leak.

The Kinyons are living with the Lawrence Dygerts for the time being, but plan to build a house later. The loss was covered by insurance.

"It's you feel neglected think of Whittier's father."

Polity Price Prospects
"Exp. prices will be about the same in early 1963 as a year ago, economist H. E. Larzelere of Michigan State University forecasts. But, he believes prices will take a drop late in the year since more egg-type chicks are being hatched."

The MSU specialist is a member of a national board which each year takes a look in the crystal ball to see the future of the egg, turkey and broiler industries.

The experts see more turkey than lower prices for the holiday birds next fall. Unless there is a drastic change, there will be over-expansion in the broiler business. The number of birds expected in the first quarter will be up about 12 per cent over 1962. This may come as good news to those who drive the broiler, but it could mean a lean year for poultry profits to the broiler grower.

This year, for the first time, people can receive tax refunds in 11 S. Savings Bonds, which are 3 1/2 per cent interest, compounded semi-annually, when held to maturity.

Congressman Jerry Ford Reports Educational and Agricultural Bills Proposed for Congress To Act On

The President's messages on Education and on Agriculture were received by the Congress last week.

The all-inclusive message on education was introduced by Mrs. Ed. Kaufman bill, H. R. 3000, introduced by the Administration by Chairman of the Education and Labor. The President's message that there exists "an enormous need for public education in the field of economics." He then explained the kind of education that he is minded by saying, "I think it is quite remarkable that the basic puritan ethic of the American people should be such that they want to deny themselves tax reduction because of their fears of deficits and the additions to the national debt; and because they do not understand that their spending, in effect, makes this contribution to the national growth and full employment."

This was in reply to a comment by a member of the Joint Congressional Economic Committee that many citizens felt they should not have a tax cut in view of the budgetary \$10-billion deficit, and \$300 billion debt. As we saw last week, one private adviser stated it was "irresponsible" to favor a balanced budget. Now it is "prudent" to be willing to share the tax burden. The New Frontiersmen are not only shooting at sound principles but are also raising our basic ethical standards.

In the seven titles and 21 parts of the bill is a four-year \$1.5 billion program of grants to public schools for the construction of new schools, for the salaries and aiding school construction on the elementary and secondary level. The bill also authorizes additional funds for instruction loans for colleges, for student loans and insurance of private loans to students, graduate fellowships, teacher, adult education, vocational education, the training of the handicapped, testing and testing programs, college and public libraries, science and mathematics instruction, collection of statistics, and university extension services.

In addition to the \$1.5 billion mentioned above the cost of these other programs will reach \$1.5 billion over a three or four-year period.

Some of the proposals continue existing programs which have been supported; others establish necessary and justifiable programs which are not now being supported. The Committee on Education and Labor must still determine the kind of program of public hearings beginning February 4th. In subsequent newsletters I will report on any action taken by the Committee and give my evaluation of its recommendations. The Committee has introduced legislation relative to assistance to higher education which the Committee will also be asked to consider.

Agricultural Message: The House Committee on Agriculture has initiated hearings on cotton legislation prior to the President's agricultural message last Thursday. If a program for the 1963 crop is to be developed there should be a new bill by the end of March. Whether the President's request for additional subsidies on cotton sold immediately will be approved remains to be seen. Personally I cannot support any bill which will increase the cost of our farm-subsidy programs by \$400 million as the President's cotton proposal will do.

The Committee undoubtedly will take up next the dairy program concerning which many authorities feel the Administration's suggestions can only lead to greater costs and eventual stringency. Federal control over every dairy farm.

The food grains bill probably will not be acted upon until after the wheat referendum in late May or early June. At that time farmers are about 1.8 million those with 15 acres or less will decide by a secret ballot whether they want high price supports. (52 a bushel for 88 per cent of wheat produced and \$1.30 for remainder) and strict controls with acreage allotments and marketing quotas along with repeal of the 15-acre quota exemption or lower price supports. (12.2 a bushel) to those farmers who voluntarily go along with acreage allotments. The President asked the farmers to vote for straightflocking control and higher supports. Many in the know doubt that the Administration will take the necessary steps to effect this, because for the first time the smaller wheat farmers will be allowed to vote. The results of this farmer referendum on wheat will have a marked effect on legislation.

The Brooklyn (N. Y.) Public Library reports that the value of books stolen from its shelves last year amounted to \$500,000...

...and Maritime experts estimate that every ship in the world could be anchored in the 456 square miles of San Francisco Bay and its contiguous bays and straits...

Now it's "Practical" to oppose a tax cut: Chairman Walter Heller of the President's Council of Economic Advisors said Monday that there exists "an enormous need for public education in the field of economics." He then explained the kind of education that he is minded by saying, "I think it is quite remarkable that the basic puritan ethic of the American people should be such that they want to deny themselves tax reduction because of their fears of deficits and the additions to the national debt; and because they do not understand that their spending, in effect, makes this contribution to the national growth and full employment."

Important notice to drivers regarding: the UNINSURED MOTORIST

For 5 years the "Citizens' Man" has offered his policyholders coverage that pays for both property damage and bodily injury loss caused by the uninsured, irresponsible motorist

This coverage can be added to any Citizens' private passenger car policy for just \$7 per year. If the policyholder is involved in an accident caused by an uninsured, irresponsible motorist who cannot pay for his liability, Citizens' will take care of his policyholder's damages the same as if the motorist were actually insured. Ordinarily no deductible applies, the loss is covered from the first penny up. And this coverage not only protects in ordinary cases but covers if the uninsured driver is from out-of-state, and in cases of hit-and-run, excepting only that a fifty dollar deductible applies to property damage in the case of a hit-and-run.

While this saves our policyholders from loss, it does not absolve the uninsured driver from his rightful responsibility; for Citizens' goes on to pursue the claim through all legal means.

Accept Applications For Residents Of Housing Development

Ada Housing Corporation met last Wednesday and heard Don Garrison, Mid-west Director of this division of the H.L.F.A., who explained the newest features of the Federal Housing. His report was very encouraging to the local group and will be discussed at the regular meeting of the Ada Housing Corporation on February 19.

Among other items it appears that it would be advisable for those interested to express their possible willingness to become residents of Lowell in such an apartment housing unit when it is completed.

The cost of residency will according to the architect's budget plans, be \$65.00 a month with all utilities furnished. It would be greatly appreciated if interested persons would give their names to any of the following people: Mr. and Mrs. Walter Hayes, Mrs. Vera Bradley, Mrs. Robert Roeder, Walter Vander Wulp, James Boyer, Carl Peters, Joe Fuller, John Adams, Fred Dalstra, Lena McVoy, D. The God of Elijah

"And he took the mantle of Elijah that fell from him, and smote the waters, and said, Where is Jehovah, the God of Elijah?" II Kings 2:14

Martin Luther was greatly depressed at one period of the Reformation; his hopes seemed well-nigh dashed, and he had about yielded to despair. As he was coming into the breakfast room one morning, looking the very picture of hopelessness, his good wife quietly asked, "Martin, is God dead?" "God dead!" he exclaimed. "Why, woman, God cannot die. How can you ask such a foolish question?" She replied, "you have been moping for several days, looking as if your God were dead, and you a spiritual orphan." "It is enough," he said. "I deserve the reproach and you have given me new

hope. God is not dead. Oh, for the Lord God of Elijah to come and help me now." God did come to help him; the waters of persecution rolled back, and he passed safely over, bearing the precious boon of civil and religious liberty with him.

Many Christians today feel somewhat as Luther did in those days of old. The whole world seems to be almost constantly on the brink of total disaster. Nations, which for years have been the torch-bearer of civilization, have fallen to the earth. How soon may it come to us? What is more, God's people seem to be in a state of decay. Worldliness has turned on at the church. True religion is at a discount. We would not dare to think that God is dead, but we do sometimes wonder whether He has

been forgotten us because of our faithlessness. Possibly we have just been left to our sinful selves.

Well may we ask, "Where is the Lord God of Elijah?" We need Him for reformation. We need Him for comfort and help in these trying times. Oh, if God might only be a living and ever-present reality in our lives, what a difference that would make!

Prayer
Lord God of Elijah, be very real to us in our daily life. Let us feel Thy constant presence. Keep us from hopelessness and despair in these dark days. Help us to march bravely on in the strength of faith. In Jesus name, Amen.

Camp Fire Girls

I-Yo-Pta Junior High Camp Fire Girls (8th grade) are selling occasional cards. If interested call: TW 7-7886. The purpose of selling — to help pay way for Camp August 11.
Scribe: Helen DeHaan.

E ha wee On February 1, fourteen camp fire girls went on an overnight camp out at the Boy Scout Cabin. A wonderful time was had by all. We were chaperoned by Mrs. Willard and Mrs. Barrus.

February 5, 1963 E ha wee, the meeting was called to order by president, Linda Belmers. Roll was called. We thought about our Father Daughter banquet. We decorated our boxes of candy.

All the Campfire Girls of Lowell will be taking part in a city-wide candy sale February 9 from 2 to 5 p. m.

A first and second prize will be awarded the girls who sell the most candy during this sale. The girls can count their sales towards special awards in the District.

This is your opportunity to remember your Valentine, and help a worthwhile organization at the same time. Have your dollar ready on Saturday afternoon when approached by these girls.

Distribution will be from Hahn Hardware on Main Street. If you are missed, please stop in to purchase your candy.

There will be some all-occasion bows offered for sale, too, for those who wish them. These, too, are one dollar a bag of ten bows.

The Wa-Han-Ka girls met with Mrs. Bauers group on Tuesday, January 29, and made covers for the programs for the Father and Daughter Banquet to be held this spring.

Mary Alice DeRushia furnished the treat.

Miss Stahl Weds Charles Flowers

Before an altar decorated with a cross, and a large basket of pink gladioli and white pom poms, Miss Sharron Lee Stahl became the bride of Charles Flowers, II, in the Hope Church of the Brethren on Saturday evening, January 19. The Rev. Conrad Snavely performed the ceremony.

Parents of the couple are Mr. and Mrs. Dalton Stahl of Clarksville and Rev. and Mrs. Charles A. Flowers of 13826-84th Street, S. E., Alto.

Entering the sanctuary at the arm of her father, the bride was attired in a ballerina-length gown of white lace over nylon with a fitted jacket, and a blush veil. A bouquet of roses on a white Bible with streamers tied in lover's knots, completed her ensemble.

Mrs. Judy Hilley of Clarksville, attended as matron of honor. She was attired in a pink nylon dress with matching veil headress. Miss Carolyn Mesecar of Middleville, the bridesmaid, wore a pale blue nylon dress with a matching veil headress. Both attendants carried arrangements of pink and white carnations with white streamers.

Patrick Harrison of Middleville was the best man. Seating the guests was Jack Erb of Freeport. The bride is a senior at Lakeview High School, Lake Odessa. The groom, a graduate of Lowell High School, is employed by the White Manufacturing Company in Middleville.

IN LOVING MEMORY
Of our loving husband, father, and grandpa, Benjamin Snyder, who passed away one year ago, February 7, 1962.

He is gone, but not forgotten, and as dawn another year, in our lonely hours of thinking, Thoughts of him are always near. Days of sadness will come o'er us. Friends may think the wound is healed.

But they little know the sorrow, That lies within the heart concealed.

"JESUS CHRIST CLAIMED EQUALITY WITH GOD"
If you do not honor the Son you do not honor the Father. If you do not believe in Jesus Christ as the Divine Son of God, then you do not honestly believe in God the Father. . . . Therefore Atheism is rampant in the pulpit and in the pew of many churches.
