THE END OF THE WORLD

Signs of the Last Days

"But you must realize that in the last days the times will be full of danger. Men will become utterly self-centered, greedy for money, full of big words. They will be proud and contemptuous, without any regard for what their parents taught them. They will be utterly lacking in gratitude, purity and normal human affections. They will be men of unscrupulous speech and have no control of themselves. They will be passionate and unprincipled, treacherous, self-willed and conceited, loving all the time what gives them pleasure instead of loving God. They will' maintain a facade of "religion," but their conduct will deny its validity. You must keep clear of people like this. From their number come those creatures who worm their way into people's houses and find easy prey in silly women with an exaggerated sense of sin and morbid cravings-who are always learning and yet never able to grasp the truth." II Timothy 3:1-7, The New Testament in Modern English, by J. B. Phillips

What a picture of our society today! Is it any wonder that the true gospel of Jesus Christ is rejected by the great majority of people and accepted by so few, comparatively. Is it any wonder that Jesus asked this searching question, "When the Son of man cometh, shall he find the faith on the earth?"

We invite you to our services where you will always hear the grand gospel of wist and where "the faith" is always proclaimed, -H. Buikema Christ and where "the faith" is always proclaimed, This message paid for by the Sunday School of
