HOW MUCH MORE DO YOU WANT TO PAY IN TAXES?

CONSIDER THESE FACTS WHEN YOU VOTE APRIL 1st ON CON-CON PROPOSAL No. 1

SALES TAX

The present Constitution guarantees that "AT NO TIME SHALL THE LEGIS-LATURE LEVY A SALES TAX OF MORE THAN 4%." The proposed Constiuition removes this guaranteed tax ceiling by applying the 4% maximum only to a sales tax on "retailers" This change opens the door to an increase in your grocery and drug bills by permitting a CONSUMERS' TAX or a WHOLESALE TAX in addition to the 4% sales tax on "retailers". Thus, you could end up paying 5% or even 10%

INCOME TAX

in sales taxes

THE PRESENT CONSTITUTION SAYS NOTHING ABOUT AN INCOME TAX. The proposed Constitution legalizes a flat-rate income tax and none other. This provision ignores the principle of ability to pay and prohibits, forever, the adoption of a fair and equitable tax program.

PROPERTY TAXES

The proposed Constitution makes totally meaningless present guarantees of state aid for schools. The proposed changes in the school aid formula could force you to choose between lower educational standards or higher homeowner property taxes for schools.

WHY? THE SCHOOL AID FUND IS REDUCED BY \$62-MILLION (primary school interest fund) WHICH WILL NO LONGER BE DEDICATED FOR EDUCATION. THE MORE THAN \$100-MILLION HIGHER EDUCATION BUDGET WILL ALSO HAVE TO BE FINANCED, FOR THE FIRST TIME, OUT OF WHAT'S LEFT IN THE SCHOOL AID FUND. THIS WILL MEAN A DROP OF MORE THAN \$160-MILLION IN PRESENT DEDICATED FUNDS FOR EDUCATION.

TAX ASSESSMENTS

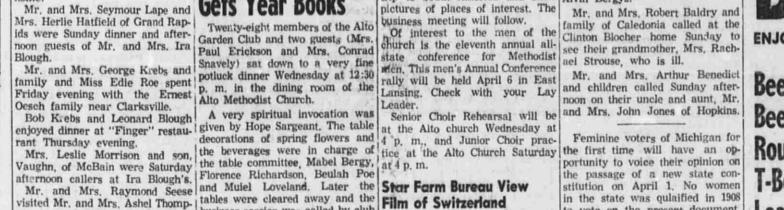

The proposed Constitution shifts more of the tax burden from large corporations to home-owners and small business by lowering tax assessments on numerous industrial properties.

GASOLINE TAXES

The proposed Constitution gives the Legislature power to raid highway funds for purposes other than road building. You would still pay gasoline taxes for highways, but there is no longer any guarantee that this money would be used to build the highways you pay for. The Legislature has attempted to raid these funds in the past but has been stopped by the safeguards contained in the present Constitution. These safeguards are eliminated in the proposed Constitution.

Consider your pocketbook. Consider your future.

Consider these changes. PROPOSAL *1 APRIL 1ST

VOTE YES APRIL 1 for the New Constitution

Do you recall the payless paydays and the ridicule these heaped upon Michigan?

Do you remember the jests about Michigan being broke?

The New Constitution makes these impossible to repeat.

Michigan needs to create 90,000 new jobs yearly to provide for our youth.

The New Constitution, and the modern basic form of government it promises, is one of the essential first steps YOU must take if Michigan is to ensourage existing industry to expand and attract new plants to locate in the State.

Michigan has all the other ingredients - skilled labor, bountiful water, growing markets, excellent wholesale services, first rate roads and transportation systems, and dependable utilities. Place all of these in the framework provided by a modern, efficient Constitution and YOU will make Michigan great again.

The New Constitution better suits today's needs and tomorrow's auspicious promises.
