The first alarm was sounded at 11:30 a, m, when a call was received, reporting a grass fire out of control at the West City limits The Kent County Fair Board met on Nash Avenue, which was start-

Burning rubbish erupting from a hind the residence of Mrs. J. B. sent the fire fighters to Parker's

Firemen, however, had little rest as another grass fire call was received, and the force returned to the scene of the first fire, where smoldering particles began to strip the land of its beauty again. Our of 46 fire calls made during

1962, 32 grass fires were answered, according to Fire Chief Frank Baker; more than % of these were contributed to carelessness. Last season the first fire was

recorded on March 29, just one

year ago to the day. April ushers in another dangerous wild fire season in Michigan as thousands of landowners take to their yards and fields to burn leaves and other debris. It's during this month and May that the costs of carelessness runs particularly high; posing a serious threat to private property as well as public

land values. Last year, wild fire damage to real and personal property (houses, barns, livestock, orchards, etc.) totaled tens of thousands of dollars with much of the toll caused by spring debris burning. Of some 6,265 acres damaged state-side by fires in 1962, nearly 5,000 burned

during April and May.

Residents are reminded, by Chief Baker, that they must obtain a free permit at Conservation Department field offices, or at the local fire department before starting open fires. A good "before-Place, George and Ruth Archart, burning" rule calls for making 96.64 Points; Third Place, Ed and sure debris is well out of the dan-

# Diamonds Are A Girl's Best Friend...

So goes the old song, but in today's busy world there's nothing more valuable to the homemaker than her Blue Star Gas Home with its efficient, dependable, fully-automatic gas appliances!

In the Blue Star Gas Home, built-in gas servants take over major household chores ... meals are turned out quickly and with little supervision, laundering is coordinated with daily chores, hot water is always available, trash and garbage can be disposed of indoors, ample refrigerator and freezer space save marketing trips and fingertip climate control keeps the family comfortably warm all

Forgotten is the old-fashioned refrain ... today it's the modern miracles of natural gas that a girl prizes!

# FORD HAS PROVED IN PERFORMANCE

bly, then competitive read and track events to date, mechanical failure forced many cars to quit. But Ford kept going—to win every time. That's performance with the emphasis on durability. Speed and accoleration play only a small part. It's corner-ing and steering and bandling. It's holding the road. It's braking surely and safely. And the consistent winner is certain to be a better car for the kind of driving you do-every day. Drive a total performance Ford and see.

MONACO Jan. 23

TRIALS Daytona, Jan. 27 A Super Torque Ford outpointed the field in braking, acceleration and economy tests at the Pure Oil Performance Trials. These tests duplicate normal driving conditions as nearly as possible . . . proved the practical side of Ford's total perform-

## Why Was Jesus Crucified?

"Surely he hath borne our griefs, and carried our sorrows; yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities; the chastisement of our peace was upon him; and with his stripes we are healed. All we like sheep have gone astray; we have turned every one to his own way; and the Lord hath laid on him the iniquity

The central truth of this great passage of scripture is that Jesus Christ took the sinner's place and suffered as the substitute sin-bearer. You and I can share in the blessings of the suffering and death of Christ only if we confess, "He suffered and died for me, a guilty sinner. He took my place."

Have you made that confession of faith?

CARD OF THANKS
