Safety Program The Moose Civic Affairs Safety program held at the high school Saturday, May 25, was a real success. It was very gratifying to see so many youngsters turn out to get their bicycles registered and taped.

Safety Check 300 Cars

At the safety check on West Main Street Saturday members of the sheriff's department and ten reserves checked 300 cars. Autos with necessary repairs were noted with numerous violations listed. The program Saturday was part of "Safety Day" in Lowell.

We, as a civic organization stopped in the parking lot on the working with these children can not praise them enough for their very fine behavior, not only at the safety program, but on the grounds and during the lecture in the gym; and also at the fishing derby last year, and the Halloween party.

The children's neatness, interest and enthusiasm is beyond reproach. This gives us, as a civic affairs committee, an incentive to try and do a better job.
