Remodeling Done At Legion Lanes

When bowling enthusiasts enter the American ! gion Lanes on East Main Street for a game of ten pins, they will find the surroundings completely changed. The remodeling program, which

was recently completed, includes new underground ball returns, for faster and more durable service, and Tele-a-scorers, to aid the bowlers in keeping track of their scores without bothering the person who is marking their strikes down.

An aid to the scorekeepers will be the pin indicators. The new devices register the number of pins that are left standing, after the first ball is thrown,

The 8 lanes have been completely resurfaced, and new seating has been installed. The automatic pin setters, which replaced the old machines several years, are just waiting for the league and open bowling action to start.

Ever consider Michigan's shoreline for a touring summer vacation? Here are 2,254 miles of scenic frontier along which the vacationer may find as many different moods as suit his fancy. "DESCRIPTIVE METAPHORS OF THE CHRISTIAN"

The Bible makes it very plain that all men are sinners.

Romans 3:23 "For all have sinned, and come short of the glory of God." The Bible also makes it very plain that it is absolutely necessary that men repent of their sin in order to have forgiveness.

Luke 13:3 "... except ye repent, ye shall all likewise perish." Acts 17:30 "... God ... commandeth all men everywhere to repent." Proverbs 28:13 "He that covereth his sins shall not prosper; but whoso confesseth and forsaketh them shall have mercy."

Church membership without repentance for sin and without faith in Jesus Christ is sacrilegious, for without this there is no salvation. -H. Buikema
