How does one receive forgiveness? By repentance, which includes confession of sin, plus faith in Jesus Christ. One cannot sin with impunity and flippantly say, "God will forgive" and then expect forgiveness.

-I John 1:9 "If we confess our sins he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.'

-Proverbs 28:13 "He that covereth his sins shall not prosper: but whoso

Then there must be faith in Jesus Christ because it was He who died to atone for man's sins. See I Corinthians 15:3,

Three Injured In Roll Over Saturday

Three persons suffered minor injuries Saturday morning when the car in which they were riding failed to make the curve where Cascade Road, S. E., intersects with East Fulton, and went out of control and rolled over.

Police reported the driver, John Adams, 21, of 711 Butterworth St., S. W., was heading west on Cascade Road at about 60 miles an hour, when he lost control as he entered a curve too fast. Adams and his two passengers, Miss Patricia Dykstra, 19, of Ada, and Don Watkins, 17, of 416 Paris Avenue, S. E., were treated and released at Blodgett Hospital.

Leonard J. Murphy, 65, of 6749 Ada Drive, will retire from the State Highway Department early in October, he is a veteran member of the right-away buying divi-Murphy joined the Highway De-

number of senior citizens were 6. Along with other citizens, sen-paramount when I drew up my jor citizens would get a 20 per proposal for fiscal reform cent reduction in local property
Much criticism has been directaxes imposed for school purposes. ted at a single aspect of this program—the provision to defer property taxes for senior citizens. Without even considering the validity of these criticisms and certain who have retired and receive a general taxpayers to pay millions with Lowell Ledger Want Ads. idity of these criticisms, and certainly they have some validity, or interest.

many other benefits which my program would afford senior citizens are generally being overlooked in the debate over the property tax deferal itself. I recognize the need for senior citizen relief from the debate over the property tax deferal provision.

Here are some of the ways in the debate over the property tax in the debate over the property tax in the debate over the property tax is a sound one. Under this provision senior citizen would have the tax navers other than a senior citizen would have the tax navers other than a senior citizen would have the tax navers other than a senior citizen would have the tax navers other than a senior citizen would have the tax navers other than a senior citizen would have the tax navers other than a senior citizen would have the tax navers other than a senior citizen would have the tax navers other than a senior citizen would have the tax navers other than a senior citizen would have the tax navers of the tax nav which the program would recognize the special problems of senior citizens, senior citizens would be exempted from state and local income taxes.

In the program would recognize the special problems of senior citizens would be exempted from state and local income taxes.

In the program would recognize the senior citizens would be exempted from state and local income taxes.

In the program would recognize the senior citizens would have the choice of deferring property taxes and to the tax payers other than a modest amount to pay for administration and to cover losses. And death or until they dispose of their property.

At the outset, this would be year for as long as the program would continued.

income taxes.

2. Every citizen over 65 would receive a dcuble exemption—\$1,200—in cc puting his or her state income x. If both husband and wife were over 65, this would mean that the first \$2,400 of family income over and above social security benefits would be exempt.

3. If the city in which the senior income taxes, and the outset, this would be limited to taxes up to \$200 per year on homesteads with a market value of less than \$10,000 where family income is under \$2,000.

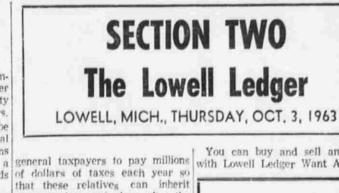

About 62,000 families would be eligible for this relief immediately. There are three basic arguments against straight property tax exemption, rather than deferral. 3. If the city in which the senior They are these:

izen lives imposes an income 1. With a few years of experiax, each couple over 65 would ence, it should be possible to tax, each couple over 65 would have a \$2,400 tax exemption over and above social security benefits in computing that tax too.

The first three points add up to the fact that the average senior citizen couple will pay no state or local income tax. In addition, senior citizens will enjoy the following tax savings:

ence, it should be possible to broaden the program to cover many more people than could ever be made eligible for straight exemption. It should be possible, in fact, to eliminate any limitations on family income and property value. This could not be done under the exemption approach without huge expenditures of general 4. Prescription drugs would be state money. empted from the sales tax—a 2. One of the principal benefits

significant savings where there is of straight exemption would be to area." the children or other heirs of 5. The 4 per cent sales tax would senior citizens. Is it fair to ask
