Established June, 1893

# Increase teachers' pay; no tax hike necessary

In a move to keep high calibre teachers in the Lowell Area school system and to attract new teachers, the board of bership and 175 days of sessions. education on Monday night approved an increase in the base pay for teachers with an AB degree from \$4,500 to \$4,700.

This and the normal increases in the salary schedule will hike teaching costs next year by an estimated \$40,000; and make the entire salary budget for teachers and administrative staff come to \$467,275.

Increases in the tax base, and anticipated revenues will enable the school to pay these additional costs without raising taxes, Superintendent Nisbet revealed. The board also revised the policy relating to maternity leaves. at the urging of the Child Study Club. This requires teachers to take leave at six months in the elementary school, and at the time of wearing maternity clothes in the secondary school.

Set 1964-65 School Year A vote by the teachers, approved (44 to 14) to hold the 1964-65 school year from Tuesday, September 8, to Friday,

June 11th. This would provide

### **Bands to compete** at Hudsonville

The Junior and Senior bands of Lowell high school will compete in the District 10 Band Festival at Hudsonville school this Saturday, March 14.

The bands, under the direction of Bruce Walter, will be judged on three concert numbers, by three separate judges. The instrumentalists will also sight-read two numbers before

At 8:50 a. m. the senior band will play, and at 10:10 a. m. the junior band will per-

Bands which received a division I rating at this festival will be eligible to compete in restival which will be held in Lansing on April 25. This festival is open to the

Teen of the week is Ty Reminga, son of Mr. and Mrs. Jerry Reminga of 9668 Bennett Street,

Ty is a senior at Lowell High School and is active in sports and student activities, as well

as being a good student. Ty has played on the football and track teams and is a member of the Varsity Club. He has also participated on the student

council, and in the senior play. For outside work in the summers, he has worked for Grand Valley Plumbing and Heating. Ty lists his outside interests as playing the guitar, weight lift-

ing and hunting. After graduation in spring he plans to attend Grand Valley State College, finishing at the University of Florida. Good luck to a fine senior student!

Take Bids on Bennett School The Board of Education opened 7 bids on the Bennett School, located on Vergennes Street, 4 miles northwest of Lowell. High bid of \$1,500, was from the Kent County Road Commission, for the land and building. This 2-acre plot would allow the expansion of the county gravel

Bids were also taken on new school bus chassis for 1964 delivery; four local dealers submitted bids. The low bid appeared to be from the Keith Buck Ford Agency of \$3,015 per unit for a 330 cu. in. engine. Further study of the bids and the engine qualifications will be made by the committee, before accepting the bid.

Carpenter School Bus body was the low bidder at a cost of \$4.074 per unit. The school may buy as many as five units, enough funds can be set aside in next year's budget.

Reports on Floor Cracks

Donn Palmer, Lowell High School architect, was present at the meeting to report on an investigation of cracks in the terrazoo floors in the new high school building. He told the board that the cracks are not the result of faulty workmanship or materials, and that a plan for repairing them by the contractors has been studied, and will be tested during spring

Superintendent Nisbet obtained the board's approval to prepay \$25,000 on 1959 school bonds and \$15,000 on 1955 school bonds from funds currently available

in the debt retirement fund. Snow School Joins Lowell

Voters in Snow District, southwest of Lowell, voted last week to join the Lowell Area Schools; 14 yes to 8 no. Letters have been sent to parents in the dis-

Snow district has a state equalized valuation of \$364,872.

### Mrs. R. D. Siegle heads volunteer women's activity

Heading the women workers in the 1964 Cancer Crusade during April is Mrs. R. D. Siegle, Alto, Chairman of Volunteer Activities; Mrs. Norman Waltman, education chairman; Mrs. Robert C. Greening "Lights On" chairman; Mrs. A. J. VerHoeven of Caledonia, chairman of women volunteer crusaders in the South Kent townships and Mrs. John VanProoven of Rockford,

North Kent Townships Goal of the Crusade this year is \$105,768.40, the same as the

total subscribed in 1963. The research work is conducted nationally under the direction of the parent organization by scientists working in laboratories throughout the country. The researchers seek to discover the cause of cancer and to

provide a positive cure for it. Through early detection and improved treatment techniques the rate of cures in cancer cases has been increased from one out of seven to better than one out of three, with the current potential close to 50 per

### Mary Monroe is named on Adrian dean's list

A report just published by the Adrian College Registrar indicates that over 10 percent of the fulltime student enrollment of Adrian College were named to the Dean's List for first

semester achievement. Miss Mary Munroe, daughter of Mr. and Mrs. Carl Munroe, 317 High Street, Lowell, a freshman student, was a member of

the select group. To be named to the Dean's List, a student must have accumulated at least a 2.25 hour ratio (based on a 3.00 grading

system) There were 105 students qualifying for this recognition. Of this number 35 were freshmen, 20 were sophomores, 20 were juniors and 30 were seniors.

# Swim team

will travel

The Lowell Y. M. C. A. Boy's Swim team will meet in a Triangular meet with Muskegon 'Y" and the West Y. M. C. A. Saturday, March 14.

The meet is being held at the Muskegon Y. M. C. A. commencing at 1 p. m. The Lowell
"Y" team has a good Midget
Division, 10 and under, as well as a couple of outstanding boys in the Prep Division, 12 and

Swimming for the Lowell "Y" will be Midgets-Greg Callier, Kraig Haybarker, Steve and Marty Wieczorek, Blake and Brooke Johnson, Mark Nisbet, Dale Kropf, Dennie DeWitt, Jon Schwacha, Pete Olson and John Gwatkin. Preps-Scot Jefferies, Ken Tapley, Danny Kline and Terry DeWitt.

Western District meet will be held Saturday, March 21, at Niles, Michigan. The Lowell boys will also see action there.

The "Y" has had to discontinue the girl's team for lack of sufficient numbers in any one age group to have meets. A minimum of two meets are required to enter the State Y. M. C. A. District meet. The girls team will be re-activiated in the summer.

### Scholarships available to

veterans' sons

Scholarships are available to the sons of veterans through the Guy M. Wilson Scholarship Fund. Application blanks for these scholarships are available from the Post Commander of each post or the guidance department at Lowell High School.

John Missig, Chairman of the Dept. Guy M. Wilson Scholarship and Education Committee requests that all Post Commanders bring this to the attention of their Post Scholarship and Education Chairmen at

Deadline date for filing applications for the scholarships is May 1, 1964. Any applications received postmarked after that date will not be considered. Selections will be made during the first week of May, 1964. Mail applications to Department Headquarters when properly

completed. The following is what it takes to win a Guy M. Wilson Scholar-

1. Be a son of an American Veteran of World War I or

World War II. 2. Average Grade: A or B school marks. 3. Records: Official transcript from the local school of scholas-

tic records. 4. Character: Highly recommended by the local Post of the American Legion and two teach-

5. Loyalty: To the ideals of American government. 6. Interests: Self-improvement through education.

7. Objectives: Worthwhile within reach, suitable to student's 8. School: Must be a Michigan

college, university or junior col-9. Each winner will receive a \$200 scholarship.

#### Evangelistic services at Lowell Nazarene Church

Special evangelistic services will be held throughout this week, at the Lowell Church of the Nazarene.

Mr. and Mrs. Glen G. Ide, jr., and daughter, Diane, will appear each evening at 7 p. m. A children's meeting is held each evening at 7 p. m. with the evangelistic services at

### Ladies play volleyball on Monday evenings

The Lowell Y. M. C. A. sponsors each week a night of volleyball for women in the Lowell area, Monday nights 8:30 to 10 p. m. The program fee is 25 cents for members and 50

cents for non-members. The informal class is held at the old high school gym. Use the south-end entrance off the playground.

#### Home Improvement section this week

Readers this week will find a special section devoted to home improvement ideas. Along with articles on many ideas on home improvements the special section is loaded with the names and addresses of business places in the community who are waiting to assist you.

Be sure to look over this thought provoking section and when you call on the advertisers mention that you saw their ad-

### Openings in knitting class

The new knitting classes are beginning this week with new enrollees being taken through next week. There are classes open for beginners, intermediates and advanced knitters.

For beginners there is an Tuesday evening class which meets from 7:30 to 9:30. This class will meet for 6 sessions and will cost the beginner \$4 if a "Y" member and \$6 if she is a non-member.

For intermediates, there are three times from which to chose including Monday evenings from 8 to 10. Wednesday evenings from 7:30 to 9:30 and Monday afternoons from 1 to 3 p. m. The intermediates meet for 8 sessions and the charge for lessons is \$5 for "Y" members and \$8 for non-members.

New this session will be a knitting workshop in which any advanced knitter, former students and so forth may come strictly for the knitting fellowship and help with various problems. This group will meet on Monday evenings at 7.

There will be no charge for this class since no actual lessons will be taught. This is not to be confused with the knitting design class formerly offered. That class will not be taught again until next fall. To keep this class a reasonable number visitors are asked to call Mrs. Andrews on the days they plan to come.

This will be the last chance for adults to take knitting classes this school year, so if you have an interest join now. The classes will be held in the home of Mrs. Hans Andrews at 511 North Washington here in Low-

Enrollments will be taken at the Y. M. C. A. office or by This roll is made pursuant to calling Mrs. Andrews at TW 7-8131. Adult knitting classes will resume in the fall and there will be children and teenage classes forming in the summer months. M-21 right-of-way.

win the District 67 Class B Basketball Championship. Coach Jack Kempker on the left of the picture is accepting the trophy from Tournament Manager Don Kelly. The win on Saturday night gave Lowell an 18-1 season. They lost to Holt Tuesday in the Battle Creek Regional Tournament, 58-72, to end the season. **Holt Rams down** 

The Lowell High School basketball team defeated Lakewood

last Thursday, 72-67 and Maple Valley, 97-71 on Saturday, to

**Lowell 72 to 58** The Lowell basketball team made a one-night stand of the regional competition in Battle

Creek on Tuesday losing to Holt 72-58. The Arrows got off to a poor start, and going into the second minute of play were behind 5-0. They then proceeded to be pressured into losing the ball, time after time. At the end of the first quarter they trailed 13-21. At the half, Lowell pulled to

within 5 points of Holt, 31-36. Holt maintained this lead throughout the game. The Arrows were down 51-46 at the three quarter mark. Nelson and McIver tied for high point man with 16 each.

Kropf had 8, Abel 7, and Walter 6. This wind-up game of the basketball season, leaves Lowell with a commendable 18-2 season Went to Regional in '54

The last time Lowell had been able to go to regional competition was in 1954. The Arrows led by the high scoring of Bob Grummett, play-

ed two games before they were

#### Merit scholarship tests taken at high school

Thirty-seven students at Lowell high school took the 1964 National Merit Scholarship Qualpal, announced today

The test was administered at the school at 9 a. m. on Tuesday. March 10. All students who wished to be considered for Merit Scholarships, to be awarded in 1965, took the test at that

The qualifying test was a 3 hour examination of educational development. The test is the first step in the tenth annual competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, colleges, associations, unions, trusts, and individuals

The test scores of students who took the exam will be reported to their schools before May 15. The scores are used by counselors in many high schools to help students made decisions about college attendance and

### Modern dairying farmer's topic

This Thursday night, March 12, the Lowell Area Adult Farmer's Forum will be presented a program of information on 'Modern Dairy Practices.'

Robert Knisley, Extension Dairy Specialist, will speak on breeding, feeding and management as related to the business of milk production. This topic covers a multitude of considerations, and Mr. Knisley will endeavor to supply information which is useful in all of these areas.

We wish to extend our cordial invitation to all farmers in the Lowell area to attend our adult farmer meetings any time it is possible. The meetings take place in room A-5 of the new high school, and many say the coffee really isn't so bad. We begin about 8 p. m. and continue until-. Refreshments will be served as usual.

#### MAURICE HANCHETT, 62 PASSES AWAY IN IDAHO

Word has been received here of the recent death of Maurice Hanchett of Louiston, Idaho, a former Lowell resident. He was 62-years-old. His moth-

er was the former Mrs. Myrtle Roosch. Mr. Hanchett has one brother, James of Kalamazoo; and two sisters. Doris and Edith.

Lowell defeated Maple Valley on Saturday before approximately 1,200 fans to gain the Dis-

trict Championship. In the first period Maple Valley played a stalling game, but were down 30-12 at the end of the period. They took more offensive action in the second period and went to a man-toman defense to narrow the mar-

gin at the half to 40-31. At one time, they were within 6 points to tying up the game. In the second half, Lowell's offensive started moving and Tim Nelson made good use of his height under the basket to get 17 points. Paul Kropf, who has been scoring consistently, had 15 points to put Lowell ahead 64 to 46 at the three-

quarter mark. In the final period, Lowell substituted freely to win by the comfortable margin of 97 to 71. Paul Kropf led in the scoring with 26 points. Nelson had 20,

McIver 19 and Abel 11. Lakewood Game Thriller

The game with Lakewood last Thursday was one of the best of the season, with Lowell taking an early lead and keeping it throughout the game inspite of a final quarter drive that got Lakewood within two points of the Arrows.

West-Central League, boasted a 12-3 season and brought nearly a thousand fans to cheer them Over 1,800 tickets were sold to the Thursday night game; a

Lakewood, co-champions of the

record crowd for the new Lowell gym Lowell, with outstanding rebounding control, took the lead at the end of the first quarter 24 to 14. At the half the cushion had increased to 42 to 29

Lakewood came back after the half putting on the pressure and narrowed the margin to 59 to 50 at the three quarter mark. In the final period the score was parrowed to 67-65 with only 1:38 left to play, but the Arrow squad come back to win by 72-67

Kropf led in scoring with 22. McIver, Nelson and Elzinga had 13 each, and Abel scor-

### Big Challenge in Recregtion

and signs like these tell the gist of this challenge. In the wake of today's recreation explosion, there looms a rather wide gap between leisure-time demands and present facilities as seen last year when more than 43,000 families had to be turned away from state parks. The state parks bonding program has been a good "starter" in meeting part of the outdoor challenge, but a much higger effort must be made to answer long-range needs. More work also needs to be done to provide sportsmen in southern Michigan with larger areas for public hunting. As the March 15-21 National Wildlife Week theme states, "America Needs Outdoor Recreation---Act Now To Provide For The Future," -- Mich: Dept. of Conservation

#### Judy Fairfield Bus driver concerned becomes bride of with children's safety Dallas Boynton of this paper, but to the parents

Miss Judy Fairfield and Dallas of active children, and to the Boynton were united in marriage last Saturday in the Alton
Bible Church. The double ring
ceremony was performed by the
Rev. Dean Blough.

The bride is the daughter of
Mr. and Mrs. Firmie Fairfield
of Fallasburg. The bridegroom's
parents are Mr. and Mrs. Nerus

American Legion.

You will remember just recently, the terrible accident which took the lives of four children. They were returning home from a roller skating rink.
Their bus was not a school bus driver.

Simplify job of assembling glued joints with dowels which fit into holes in each piece, by first crimping dowels lengthwise by squeezing lightly between serrated jaws of pliers.
Their bus was not a school bus driver. Boynton were united in mar- American Legion.

parents are Mr. and Mrs. Nerus driver.

Berry of Coral.

For her wedding, Miss Fair
our skating rink and any activity which carries children from field chose a floor-length gown ity which carries children from of satin brocade, styled with a one place to another: to please fitted bodice, scoop neckling and consider first the color of your long tapered sleeves. Her elbow-length veil was held in place by a satin cap embroidered with seed pearls, and she carried an arrangement of pink much more visible. ried an arrangement of pink much more visible. St. Patrick's

Saturday, March starting at 9:30 p.m.

This is the BIG one, don't miss it!

"He was wounded for our transgressions, He was bruised for our iniquities; The chastisement of our peace was upon Him; And with His stripes we are healed

All we like sheep have gone astray;
We have turned every one to his own way; and
The Lord has laid on Him the iniquity of us all." — Isaiah 53:5, 6

Your sins and mine crucified Jesus Christ on Calvary's cross. That's what the Bible says. You can receive the benefits of Christ's sufferings and death, however, when you recognize and confess this fact and plead forgiveness of the Lord Jesus, trust in His redeeming work and confess Him as your Savior and Lord. Then you can say with the Apostle Paul: "I am crucified with Christ: nevertheless I live; you not be the first lives in the fiech I live." yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave Himself for me." -Galatians 2:20

Attend a gospel preaching church. We invite you.

-Pastor H. Buikema

"WHO IS A PEACEMAKER?"

A peacemaker is one who has made peace with God by accepting Jesus Christ as the only Saviour from sin, and who seeks to bring others to this Saviour. The foundation of this peace is the shed blood of our Lord Jesus Christ. Peace can-not be found in depriving ourselves of something we should not do anyway during the Lenten season. There isn't one verse in the whole Bible that tells you that you shouldn't get married or eat certain meats during the season of the year that they call Lent. This will not give you peace with God, because 'Jesus Christ is our Peace.' — Colossians 1:20

### Financing can fit modernizing plans

Once having acquired a home, most families aim to improve it. Even relatively new homes require alterations and additions, repairs and replacements, to keep pace with growing families and provide extra space

While aiming to make their present house fit present needs, home owners also keep in mind the fact that improvements are a good investment, since they enhance property value.

This line of thought has resulted in local banks expanding their leading facilities to include a wide range of home improvement financing, for banks, too, agree on the worth of well-planned home improve-

ment needs, there's a sound way to finance them through your local bank. And here, to help you, is a brief rundown from the American Bankers As-

Bank Home Improvement Loan. You can borrow up to \$3,500 and take five years to repay. Interest rates can vary from five to seven percent discount. "Discount" means the full interest charges are deducted from the loan at the outset.

marily on the kind of improvement you plan and your ability to repay without hardship. Cost is slightly higher than FHA fibut flexibility is greater. For instance, you can use the money for improvements that are not built in or conregulations such as carpeting, appliances, swimming pools, or

FHA Title 1 Short-Term Loan. Here, you can also borrow up to \$3,500 and take five years to repay. Cost is less because loan is insured by the Federal

You are limited to improvements considered "essential," like modernizing your kitchen. Interest is usually five percent on the first \$2,500, four percent

FHA Long-Term Loan (Section 203K). This loan (also insured by the Federal Housing Administration) must be used for making major structural changes in your home. least 10 years old. You can borrow up to \$10,000 for as long

Open-End Mortgage Loan. Does the mortgage on your home contain an open-end pro-vision? You may be able to borrow more money on it for home improvements. Usually, your total previous mortgage payments must equal the amount you wish to borrow. To handle the extra debt, monthly payments may be increased or repayment

Mortgage Financing. If yours is a conventional rather than an open-end mortgage, you may be able to borrow the money you need by retiring your present mortgage and getting a new one for a bigger amount.

### Using foil helps in keeping paint fresh

If you plan to use only part of a can of paint and store the remainder, keep can clean by wrapping aluminum foll around the outside and over the rim.

When job is done, foil can be removed and can sealed tight without difficulty or mess.

### Save steps, increase efficiency

Today's homemaker wants a kitchen that's both practical and

when remodeling, think in terms of saving steps and aim ter, storage and activity space arranged for maximum attractiveness and efficiency.

Begin by measuring and making a scale drawing of the kitchances and other equipment, as well as plumb-ng and electrical codes, block out the countertop plan, allow-ing a 25-inch depth for counters, which should be placed to make a continuous line from sink, range, refrigerator. The bot-tems of wall cabinets should be range. Over countertops, the distance may be as low as 15 inch-

Consider a work island in addition to the usual along-the-wall counter area. This could include a convenient second sink and chopping block, as well as additional storage space.

There are three work areas

to consider in your basic plan: refrigerator and food storage center, cooking and serving cen-ter, and sink and cleaning cen-

#### Triangle Works

Even a small kitchen is easy to work in when a triangular work pattern puts everything within reach. Locate your work triangle between range, sink and refrigerator. There should be at least four, but no more than six feet between sink and cook-top; four to seven feet from sink to refrigerator; and four to rive feet between cook-top to refrigerator.

If you plan to use built-in cook units, locate oven within kitchen work area, but not necessarily within work triangle.

Use Range Hoods Use range hoods wherever possible. Otherwise put in an exhaust fan in ceiling. While homes may have for-

mal dining rooms or areas, roost homemakers want space in kitchen for meals and snacks.

#### CUTTING CORNERS

When cutting two pieces of molding for a mitered point in corners, make each piece a little longer than necessary, then overlap them where they will meet in the corner. Hold rigidly together, forming a right angle, and saw through both pieces for a snug fit.

### EXTRA TILES

If you have a tile floor, it is a good idea to buy a few extra tiles and keep them in reserve in case other tiles should be

# How to plan for planting

What do people think when they see your home, either in passing, or in visiting it? Often the home may be judged by neighbors and friends on the basis of its landscaping and the pleasing effect landscaping imparts to the property. The value and saleability of a home depends to considerable extent on the first impression of the property as a whole, with good andscaping, enhancing the val-

Primary points for good land-scaping include excellence of design, according to the American Association of Nurserymen. A well-designed planting takes advantage of the topography of the site to create a beautiful picture from any ventage point on the street side, in the rear yard, on the terrace, or looking at the side borders of the prop-

and screens off unsightly vistas. It ties the house to the ground in such a way that it delights the eye, as living plants, sun, earth and sky and house become part of one composi-

Adequate shade should be provided at the time of day you want it and exactly where you want it. Flowers and foliages. roses and perennials are placed for enjoyment in just looking, or so the blooms can be cut to brighten up the indoors.

Proper landscaping today takes into consideration garden or outdoor living that has become increasingly popular in the past few years. The garden

For those who enjoy fresh fruits, and who doesn't, there can be fruit-bearing trees, and small fruits like strawberries.

#### What will it cost?

When you have settled on what you want to do to improve your home, next step is determine costs. This can best be done by getting esti-mates from local dealers and

### Most homes need better wiring brought up to date.

If your home was built ten or more years ago, it's almost certain that your family and the house itself will benefit from an electrical modern job. Good enough in its day, an old-fashioned wiring system cannot deliver the "housepower" needed for the wide array of electrical equipment and light-ing which most American famneed and want.

Survey the System

Even in many homes which have been built quite recently, inadequate electrical capacity and insufficient outlets place irritating restrictions on enjoyment of electrical living.

Almost any home improvement job will require some electrical work. So, why not let the electrical contractor survey the entire wiring system? It will be far more economical to have needed improvements made ali at one time.

BACKHOE

LOADER

and

TRUCK

SERVICE

For instance, you may be planning to moderaize your letchen, or to create a laundry area for the electrical washer and dryer.

Modern standards call for at least two 20-ampere, 120 volt-circuits to serve plug-in appli-ances, plus individual circuits for major equipment such as the electric range, refrigeratorfreezer, automatic washer and electric clothes dryer. In addition there should be at least for every four feet of kitchen

your present heating plant might be adequate to heat the new room, too. If so, your home improvement dealer simply has the hot air ducts or hot water pipes extended into the new But remember that how much

comfort depends on its size and how well it is insulated. Even if an entirely new system is needed to heat the added room, thorough insulation will pay off in lower fuel bills.

heat the new room needs for

Assuming that you decide the old heating plant won't be adequate, what are your options?

1. All-electric heating of the added room is one possibility. The heaters may be base-board type units or recessed into the walls to radiate into the room. Some have blowers that force air over heated elements.

2. A new fuel-burning central plant can be installed that will neat the whole house, including the added room. If your old furnace is due for replacement, this option might make sense.

The type chosen may be oil or gas, furnishing warmed forced air or re-circulating hot water. Most of the new central fuel-fired systems are designed for add-on air condition cost than indep

cooling systems.

3. A second fuel-burning furnace or space heater can be installed in a closet of the new-3467 GOODWOOD, S.E.-Lovely 3-bedroom brick front home. room addition, with no connection to your existing heating plant. ### Put a 'ceiling' on old cracks

Cracked, peeling bathroom ceilings are an eyesore to any homeowner, especially to one who has recently completed a remodeling job. Heat and mois-ture from the tub-shower area cause this aggravating condition.

Many homeowners are taking steps to eliminate this problem in the future by installing plas-tic-surfaced hardboard blocks. The blocks, which come in colors and patterns, can be dampwiped clean. They are factory-treated to withstand high heal and, humidity conditions, and never require painting or refin-

Easy to handle, the 16-inch square blocks can be put up right over old, cracked ceilings. Tongue-and-groove edges simplify installation. Wallboard adhesive is used to secure a strong

Plastic-surfaced hard-board also comes in four-foot panels and 16" x 8' planks for use on wall areas.

#### Ease paint plans with these tips

When a can of paint is being stirred by an electric drill with paint mixing attachment, prevent spatter by making a tem-porary lid of heavy cardboard. Push mixing rod through hole punched in cardboard.

Spinning the handle of a paint brush between the hands after cleaning will remove excess solvent or thinner effectively.

#### Keep kitchen storage handy to work areas

Storage is always a primary consideration in kitchen planing. Arrange cabinets and cupboards so that things are within easy reach of various work counter areas.

Small appliances can be out on counter tops if you use them often, but if the uncluttered look is preferred or more working area is needed, plan space for them in a cupboard close to the place where you use them most.

### Paneling adds decorating distinction

eling meant an early American setting or an expensive book-lined den. Today, paneling is used in homes of every price range and in every room in the house.

Modern furnishings especially require a setting of sufficient warmth to give rooms a softened air, but one that doesn't conflict with the decorative scheme. Warm of tone, rich and expressive woods are ideal for

expressive woods are ideal for the paneling of modern rooms. News in the use of wood in modern home decoration is the modern home decoration is the upsurge in the use of color which can be obtained by blending finishes with the wood surface. Blues, greens—even golds—can provide beautiful wall effects and may be applied to Western Pine region woods with excellent results. excellent results.

Lumber responds beautifully to stains and clear or pigmented finishes that allow the grain and knots to show through. Thus, the lumber may be left with its natural tone, or even when col-or is added with a wipe-on, brush-off finish, the wood will display its qualities of beauty and interest. It also may be painted, but then the beauty of the wood is hidden.

The size of a room and style of furniture determines the type of paneling installation. An air of spaciousness is produced by use of boards 10 or 12 inches wide for paneling. Narrower widths emphasize the direction of line, as well as lending a textural and subtly-patterned effect to the wall.

### Going up!

In home improvement activ-

ity, the trend is up and up! Last year, Mr. and Mrs. Home Owner spent more than 11 million dollars on home improvements-roughly, \$70 for every \$100 spent on new construc-

These figures, based on re-ports of the U. S. Department of Commerce, represent quite a change from the ratio of only a decade ago, when \$10 was spent for improvements to every \$100 on new construction.

# Appliances fit

remodeling plan

and budget, too

If you're remodeling your kit-chen, investigate the many new work-saving appliances avail-able. You'll find a wide choice of built-in or free-standing models to fit your budget and kitchen plan, and complement or accent the color and finish of

your cabinetry.
Although the current trend is toward built-in appliances, you may prefer to have a built-in "leok" with appliances that can be taken along if the family

Color and decorative interest are increasingly important requirements in the modern kitchen. But before undertaking any change, remember that the large color areas of your kitchen should be versatile enough to outlive changes of mood, taste and occupant.

March is home improvement

### Facts for floors

Dark spots on wood floors, caused by such things as spilled ink, liquor, fruit juices, can be washed (stained areas only) with household vinegar. Wipedry and repeat several times it necessary. necessary. Black heels marks on a floor

can be removed by rubbing with a cloth moistened with wax. If stains persist, try a fine steel wool pad with wax.

#### HOSE BUMPER

Don't throw away old garden hose. A strip of it placed along a garage wall will serve as a bumper for your car door.

Indicate on the door of your electric fuse box the rooms supplied by each current.
