LOWELL, MICH., THURSDAY, APRIL 15, 1965

Study expansion needs in schools

The Lowell Board of Education at their meeting on Monday night approved the additions needed for the high school by the fall of 1966,

Included in the plans of architect Donn Palmer was a science room, 3general class rooms, and additional shop facilities.

Also under study is an entrance to the gym from the west side of the building with additional parking area, south

of the gym. New additions are also being studied for the Alto Elementary school A completely new elementary school on the land, just south of the high school is part of the construction scheduled for this coming year. Voters of the district will be asked to vote on these proposals in the June 14 annual school election.

Seeks Re-election

Harold Metternick of Alto, who is completing his first term on the Board of Education, is seeking re-election to the board. His position on the board is the only one expiring this year; the election is on June 14.

Petitions are available at the school administration office in the Junior High School building, and must be filed with the secretary of the board by four p. m. on May 15.

Modern Math Discussed Elementary principal Dirk Venema and two teachers, Mrs.

Hester White and Mrs. Ila Swanson, were present at the board meeting to present their views on modern math. The administration and teach-

ing staff have begun teaching this new concept of mathematics in the first, second and third grades of the elementary school, and are contemplating extending it to the entire elementary school,

Mrs. White is completing a National Science Foundation Institute course at Aquinas College, which deals with modern math teaching. She thoroughly recommends the change from normal teaching by memorizing rules.

The new system of modern math, which may baffle the average adult is a challenge to the superior student and holds the interest of average and the less talented children Modern math, Mrs. White said, is the discovery system which inspires the students to various approaches and thought

Offers Support

patterns

Mrs. Swanson, who taught the traditional math for many years and just began teaching the new method this year, told

the board that she is enthusiastic in her support of mod-Housewives are urged to altar their schedules so that ern math.

The children, she revealed, enjoy their math. The teaching rusty water will not interfere of theory instead of repetition with their wash day. helps them to think for themselves

Mr. Venema told the board the results of testing in the elementary school led him to believe that superior Lowell students were being held back to a pace not compatable to progress in other areas. their All elementary students find the modern teaching method more exciting and creative then the traditional slow, plodding

The principal did say that a training program for the teachers would be essential in the transition is made. A program to orient parents would also be

necessary. Fence Football Field The board approved the plans of the Athletic Department to construct 300 feet of 4 foot fence along the side, and 370 feet of 6 foot fence on the feet of 6 foot fence on the north end of the football field, dividing it from the baseball

The estimated cost of \$1,433 would be paid from funds in the Athletic Association. Work is also being started on the baseball diamond to fill in the l holes and improve the in-

Continuing snow storms in re-cent weeks, coupled with thaw-ing conditions between, have of how good a job is done. caused severe problems for the Kent County Road Commission. Many secondary roads in the are next to impassible county in places, and a great number are closed entirely. All are in worse conditions than has been seen for several years,

County blacktops are "alliga-tor cracking"-breaking into chunks and then popping out. Should poor weather conditions continue the breakup will likely get worse and the cost for repairs would rise.

Kent County usually spends an average of \$100,000 repairng blacktops during a year and another \$50,000 filling in mud holes and grading graveled lo-cal roads, according to Alfred Slater, an official of the Kent County Road Commission,

These figures don't account for the long-range damage to the roads, either. Once roads break up like they are doing

Lowell police and civil defense The Lowell City Water De-partment will flush the water mains this Friday, April 16, (Good Friday), starting at 8 a. m., weather permitting. workers assist in tornado disaster

Four members of the Lowell Police Department respond-ed to the disaster call, Sunday night when a thornado hit Kent County

Police Chief Avery Block, of-ficers McCarthy, Cohen and Kline were all in the disaster area by nine o'clock They work-ed until four in the morning searching for the dead and injured, and getting the civilians out of the area. Dave Clark, jr., took the Low-

lighting equipment to the Stony Creek School and kept lights going until 5 in the morning, while a civil defense center

of the building blown down, No one was hurt.

Alto WSCS to hold Easter evening service

The Alto WSCS are having an Easter evening service "His Last Week" on April 17 at 8 o'clock at the Alto Church. Special music by Bowne Center and Alto Junior and Senior choirs. The choir director is Jane Graham with Mrs. Pauline Bowman as accompaniest, Mrs. Pauline Watts and Mrs. Arlene Hatch are the narrator

and reader An invitation is extended to all the surrounding churches to come and enjoy this evening.

Bicyclist killed in Saturday mishap

Michigan State Police Trooper, Gerald Harbin (left), Ionia County Coroner, Dale Kauffman (right), Ionia's Sheriff Newton, with two other State Police officers examine the shattered remains of a bicycle ridden by Paula Wittenbach, 8, Saturday noon, when she was struck by a car driven by Mrs. Artie Smith of Saranac. A conference with police, coroner and pros-ecutor in Ionia Tuesday, determined that no criminal action would be taken against Mrs. Smith.

Four area churches unite on Good Friday

There will be a union Good Friday service at Calvary Christian Reformed Church on West Main Street in Lowell at 7:30 p. m.

Four area churches will participate. The uniting churches include Alton Bible, Lowell Baptist, Lowell Nazarene and Calvary Christian Reformed. Taking the theme "The Three Crosses," three messages of 12 minute length will be preached by participating pastors. There will also be special

music. On Easter Sunday at Calvary Christian Reformed Church the morning worship service will be at 10 a.m. and the evening services will be conducted at p. m. Both services will proclaim the physical bodily resurrection of Jesus Christ from the

Pastor Henry Buikema will preach both sermons. Everyone s invited.

Eight-year-old Paula Kay Wittenbach, the only daughter of Mr. and Mrs. George Wittenbach of 14291 Cascade Road, (old US-16) was killed instantly Saturday noon when she was struck by a car, while riding her bicycle down the road.

The car was driven by Mrs. Clara Mae Smith, 43, of 402 Main Street, Saranac. Her daughter, Brenda, 8, and son, Martin, 112, were in the vehicle with her.

The auto and the bike were both heading east, Mrs. Smith told Michigan State Police officers, who investigated the accident. She stated that she tried to avoid hitting the girl by veering to the right,

Father of Kent

Eighty-eight year old Henry Alden Johnson passed away Wednesday morning, April 7, only one month after he had suffered a broken hip in a fall at

his Bowne Township home. Born on the Johnson farm on Nash Avenue, Alto, where he resided all his life, Johnson attended Bowne Center School, Lowell High School and was graduated from the University of Valparaiso

Mr. Johnson taught school in Kent County for several years before taking over the operation of the farm. He was also the author of numerous poems and volumes on the history of Bowne Center

He was elected Bowne Township clerk at the age of 23, a term which he served for eight years before being elected township treasurer

11

Previous to his retirement on December 31, 1955, Johnson had been a member of the Kent County Road Commission for 32 years, serving the county as supervisor and chairman of the Board. He was also County and State right-of-way buyer. Mr. Johnson, who has the longest service record of any county road commission mem-

ber, is known as the Father of the County Park system. Winning this title for his fore-

sight into future needs, he instrumented the setting aside of land for parks and was honored by having his sixth park named Henry A. Johnson Park, after him

Funeral services were conducted Friday afternoon in the Roth Funeral Home with the Reverend Beulah Poe officiating. Interment was made in Bowne **Center Cemetery**

Surviving Mr. Johnson are his wife, Edna; three sons, Law-rence (Bob), and Henry, jr., both of Alto, and Morse of Grand Rapids; two daughters. Mrs. Helen Bryant of Grand Rapids, and Mrs. Stanley (Alice) Coles of Detroit; eleven grandchildren; seven great-grandchildren; and a host of friends.

IT'S TIME TO UNSCRAMBLE TIME

The uniform time legislation introduced in both houses of Congress to end clock confusion is long overdue. On Sunday, April 25, America will again live on "scramble More than 100 million Americans will advance their clocks to daylight saving time, while 90 million people will not change. "This annual time scramble complicates the operations and scheduling of the transportation industry. It confounds the tele-vision viewer, bewilders the vacationing traveler and aggravates the businessman," Senator Norris Cotton (R.-N. H.) said. "A flood of missed appointments, and late arrivals will plague many Ameri-cans," he continued.

Let's see what happens: -15 states start daylight saving time the last Sunday in April and end the last Sunday in October. -16 other states either start or end daylight saving time-or both on different dates. -Of the 31 states, 15 observe it on a statewide basis, while

the others have local option. -And across the country isolated areas observe "wildcat DST without official sanction.

-Some states do not observe it at all. This legislation to have time and date uniformity, wherever daylight saving time is adopted should be encouraged.

OUR FIRST DUTY IS TO YOU AND YOUR CAR

There is much more to running a service station than filling gas tanks, changing oil and lubricating cars ... much more. Because our Texaco Station regularly offers that little "something extra," we were

awarded the Texaco Star Dealer Award for intearity and Service to Customers, For instance, when you drive in, we think you'll like the way our station sparkles with a friendly atmosphere.

Lions Club's 5th travelogue is Saturday Night

The fifth in this year's series of Travelogues presented by the Lowell Lions Club is scheduled for this Saturday, April 17 "Hunza Land-a Shrangri-La" is the topic of this sparkling adventure film presented by Rence Taylor.

Nestled high in the Himalayas, Hunza has been isolated from the civilized world for over 2.000 years. Few people from the outside have ever viewed its beautiful valley or its 30,000 healthy, happy and friendly people.

Dangerous passes of 16,000 feet are crossed by mule, jeep and foot, and keep the viewer spellbound.

Ordinary diseases are not known in Hunza Land, The men and women live over a 100 years and are active and mentally alert. There are no jails, police, divorces or ju-venile delinquency. Fear, hatred and crime do not exist in Hunza Land,

Be sure to be on hand when the curtain rises on this unusual film about this unusual land. The travelogue will be held in the Runciman Elementary Building and the film bebegins at 8:15 sharp.

Exchange vows
