Both ladies were taken to Butterworth Hospital by ambulance where Mrs. Huntington was treated for head cuts and Mrs. Hoag for severe bruises and arm cuts. The hospital expected to release them on Wednesday.

The accident occurred when Euclid Passeno, 37, of Cheboygan, who was going east on 36th Street, failed to yield the right-of-way to the Hoag car, and was hit broadside.

Passeno was ticketed for failure to yield-the-right-of-way.

## Sports award to honor the late Leonard Fase

Spring Lake high school has established a Leonard Fase Memorial Trophy to be given to its senior athlete of the year.

The award will be given in memory of Len Fase, young football and track coach at Spring Lake, who was killed in a traffic accident in 1964.

Qualifications for the award were set at: The young man must have participated in at least two sports during his senior year at Spring Lake. He must be an outstanding athlete in this class.

He must have maintained at least a C average during his high school years. He must be regarded as a good citizen with proper classroom behavior, the possession of some leadership qualities and a representative of good sportsmanship.

The young man must be an athlete who has presented himself as a good and proper representative of the high school.

The combined high school coaching staff will select at least one and not more than five young men from the eligible seniors that fulfill the above qualifications.

George DeVries, Spring Lake athletic director and coach in varsity basketball and tennis, presented the first memorial trophy in 1965 to Dick Baker.

DeVries, a teammate and boyhood chum of Fase at Lowell high school stated that he was especially proud to present this first award of its kind at Spring Lake high school because of his close association with Fase.

"This award is emblematic of Spring Lake high school's success in athletics—already begun in the short period of 3 years of the school's existence," DeVries told his student body when he made the presentation.

Fase was an outstanding 3-sport athlete at Lowell. He was the all-Grand Valley conference choice in football, basketball and one of the top hurdlers in the area. He graduated in 1957.

Continuing his athletic career at Alma, he won varsity letters in football, basketball and track. He received his degree in 1961.

Mr. Fase had been a football and track coach and junior varsity basketball coach at Spring Lake since his graduation.

National band conductors will meet at the University of Michigan July 19-23.

## Legion donation boosts Showboat profits for 1965

The Lowell Showboat profits for 1965 were given a boost last Friday, when Frank Stephens, commander of the Clark-Ellis American Legion Post, presented Showboat president, William S. Doyle, with a check from their contributions at the Showboat stadium.

In his report, Stephens recorded that the total receipts for the week of July 26 through July 31, inclusive, totaled \$1377.98. Cost of merchandise sold totaled \$762.95; leaving a balance of \$615.03 to be presented to the Showboat Corporation.

Besides this profit donation, members of the Clark-Ellis Post donated their time and workmanship.

With the different organizations donating towards the success of Showboat, perhaps next year will see an even greater effort put forth to its success.

## Scholarships go to area students

Some additional 1,500 college scholarships have been awarded for 1965-66 through expansion of the state program under Act 358 of the 1965 Legislature. Acting Superintendent of Public Instruction Alexander J. Kloster, who is chairman of the Higher Education Assistance Authority which administers the program, said that the increase in appropriation has made it possible to help a total of 4,350 Michigan youth with their college expenses this year.

Dr. John Porter, Director of the Authority, noted that the \$2,000,000 appropriated for 1965-66 scholarships has enabled the Authority to direct \$500,000 toward renewing 1,250 scholarship awards made last year and \$1,500,000 to support the new scholarships.

Dr. Porter also noted that the Act allows the Authority to make Residual Awards, which will permit full use of the appropriated funds and enable many more qualifying applicants to receive awards throughout their undergraduate years. Residual awards are made to those students who are runner-ups in the state scholarship competition when initial award winners relinquish their scholarships.

Each award is determined on the basis of the cost of the institution which the applicant chooses to attend, and his college residency status. All awards are renewable upon annual application, full-time attendance, maintenance of a cumulative C average, and continued demonstrated financial need.

Financial need is carefully determined and a detailed analysis of the income and assets of each student and his family is conducted with the assistance of persons from the colleges who are chosen for their knowledge and experience in the area of financial aids. The need analysis system of College Scholarships is used to determine financial need.

The examination date for the 1966-67 scholarship program will be Saturday, November 20. Students desiring information about the state scholarship procedures for the 1966-67 year should contact their high school counselor or principal.

Additional state scholarship winners for 1965-66 is this area include: Verle J. Vosburg, 8755 Bolt Drive, SE, Ada; Paul Livingston, Route 2, Clarksville; Tom Avery, Hawley Highway, and Mary Griener, Route 2, both of Saranac.

State of Michigan scholarships have been awarded to the following Lowell students:

Jane E. Bennett, 421 Washington Street, who will be attending Central Michigan University; Noel Christoff, 624 Riverside, Western Michigan University.

Roger Alan Keech, Route 2, Grand Rapids Junior College and Richard P. Leeman, 524 Amity Street, Grand Rapids Junior College.

Fire Chief Frank Baker said the fire appeared to have started in the hay mow. It was out of control when the fire department arrived.

There were 56 union members present for a sympathy demonstration march for the Newell employees who went on strike last January. The marchers carrying signs marched from the 4-H grounds down Main St. and back to the Newell factory.

The demonstration was very quiet and peaceful. In town in case of any disturbance were members of the State Police, Sheriff's Department and Lowell Police Dept.

A tornado alert on Monday afternoon at 3:30 sent citizens of the area home to cover when the siren was sounded. Tornado funnels were sighted in the area, but none touched down. No serious windstorm damage was reported from the high winds, that swept through the community.

Burt Ford, 30 year old resident of Route 1, Lowell, saw enough of the Ionia Fair on Thursday while attending with his daughter, and decided to walk home.

**4-H pledges natural beauty program support**

National leaders of the vast 4-H Club movement have pledged active support of President Johnson's program for natural beauty. Announcement was made by Secretary of Agriculture, Orville Freeman, in June, at ceremonies launching a National Campaign of Youth for Natural Beauty.

Named as honorary chairman of the campaign was the President's younger daughter, Luci Baines Johnson.

America's 24 million 4-H Club members and 500,000 volunteer leaders are expected to spearhead the program not only in rural areas, but in their suburban and urban home areas as well. They will seek the aid of their families and other adult and youth groups interested in conserving and improving the nation's natural beauty resources.

Individually, 4-H members may earn recognition at county, state and national levels including medals of honor, ribbons, trophies and educational scholarships. These awards will recognize the achievement of the individual in beautifying his home grounds and participation in community improvement activities.

Clubs will be encouraged to engage in projects of a neighborhood or community nature and will be recognized with attractive certificates. Although a club's activities may center around a specific project, such as a Snappy Bean Sandwich, it is expected that many 4-H Clubs will volunteer their programs for total community beauty.

Supervision of the program will be handled by the Cooperative Extension Service of the Land-Grant Universities and the U. S. Department of Agriculture.

Language has made noise

Ever since the descendants of Noah tried to build a tower that would reach to heaven, one man's language has been another man's noise.

It was a severe punishment for the arrogance of man, who today is confronted with more than 2,700 spoken languages, not to mention dialects.

Along with problems of communication, the glut of languages has provided another instrument for expressing national pride, and even hostility.

The ancient Greeks, for example, called all non-Greek speakers "barbaroi," or "babblers"—an unhappy ending for the word "babel," which originally meant "gate of God."

They say money doesn't go far these days, but a lot of our income tax dollars go to the far corners of the earth to nations we never hear of, some go to the moon and some are even on their way to Mars and Venus. Never heard of any of them making a round trip though.

Language has made noise

Ever since the descendants of Noah tried to build a tower that would reach to heaven, one man's language has been another man's noise.

It was a severe punishment for the arrogance of man, who today is confronted with more than 2,700 spoken languages, not to mention dialects.

Along with problems of communication, the glut of languages has provided another instrument for expressing national pride, and even hostility.

The ancient Greeks, for example, called all non-Greek speakers "barbaroi," or "babblers"—an unhappy ending for the word "babel," which originally meant "gate of God."

**Carter killed at Marne; services held Tuesday**

Dick Carter, 30-year-old race driver from Breckenridge, Michigan, died of injuries received Saturday night when his car flipped during the feature race for super modifieds at the Berlin Raceway in Marne, Michigan.

Carter was pronounced dead on arrival at Butterworth Hospital. Cause of death was a fractured neck according to hospital authorities.

He was leading the 10-mile feature event and attempted to pass a slower car on the straightaway. A wheel on Carter's car caught the rear wheel of the slower car, causing his car to flip over and end on the tenth lap. Carter was thrown from his car on the last lap.

Services were held at 2 p. m. on Tuesday at the Whitney Funeral home in Breckenridge, which was Carter's home town.

He was born August 17, 1934, and would have been 31 years old Tuesday. He was one of the most colorful dirt track drivers in the state, and started racing at the age of 16. His vast experience covered rides in super modifieds, midgets, sprint and what have you. He will be sadly missed in the racing world by his spectators.

Carter is survived by his wife, Shirley, and three children.

This was the third death in 15 years of racing at the Marne oval. Glenn Rocky and Wally Galeski died as a result of track injuries in 1959.

Jim Murphy of South Haven went on to win the feature event.

Heat race winners were Bob Knight, Rich Senneker, Larry Verne Koomes and Carter. The Australian pursuit was captured by Duane Knoll, who later was struck from the board by a flying stone and was treated at Butterworth Hospital.

**LAWRENCE WINS HASTINGS FEATURE**  
Larry Lawrence of Lowell piloting No. 77 toured the 4-mile oval at Hastings Friday night ahead of his fellow competitors to win his first feature event of the season.

Finishing second in the action-packed event was Dick Aspinall of Middleville. Lawrence grabbed an early lead, after working his way through traffic from ninth starting position, and was never challenged for the lead.

Norm Aspinall, Tom Edwards and Scott Orr got tied up in traffic and were unable to catch Lawrence before the checkered flag dropped.

Preliminary winners were: Lyle Jenkins, first heat; Bill Shields, second heat; Al Lewis, third heat; Ben Brown, fourth heat; and Tom Edwards, pursuit.

The fast car dash ended in a dead heat with Gordie Bissett and Norm Aspinall sharing the honors. Harry Foote of Kalamazoo, driving No. 15 won the first consolation race with Ray Aspinall grabbing the second win.

Tom Edwards won the grudge race, and Wild Bill Shields won the hectic Demolition Derby.

**TOM EDWARDS TAKES BIG ONE**  
Tom Edwards, the Purple Bandit, won the 200-lap non-stop feature event for semi-late models at the Galesburg Speedway Saturday night.

Wilson Sincier led the race for 195 laps and was forced to drop back with rear end troubles before the race was completed.

The wedding vows of Miss Carol Faith VanderMey, daughter of Mrs. Herman VanderMey, Sheridan Avenue, SW, and the late Mr. VanderMey, who was Marvin C. VanTimmeren, son of Cornelius VanTimmeren of Ada and the late Mrs. VanTimmeren, were solemnized Thursday evening in Grandville Avenue Reformed Church.

The former Miss VanderMey wore a white organza gown with pearl hand clipped imported lace trimming the neckline, the midriff, the front of the skirt and the panels forming the waist train. A pearl gown held her English illusion veil, and white gossamer and staphanotis made her bouquet.

Miss Helen Joyce VanderMey, sister of the bride, who was her sister's maid of honor, wore a turquoise peau de sole gown with an empire waistline accented with pastured beads and a matching pillbox.

The bridesmaids, Miss Shirley J. Meindersma and Miss Felene Dykstra, wore gowns which matched the gown worn by the maid of honor. She wore three-trimmed turquoise pompadour.

James S. Adriano was best man. Ushers were Edward J. VanTimmeren, brother of the bridegroom, and Robert L. Mellem.

The reception in the church parlors was hosted by Mr. and Mrs. Roger A. Cole and Mr. and Mrs. John H. VanderMey.

# The "Low Down" From the Congressional Record

**SOLDIERS DEATH NOTICES BY TELEPHONE, PROTESTED**

Senator S. M. Young (Ohio), "Unless this practice of notifying next of kin that a son or husband or father has been killed in action or is missing was instituted in the days when the Western Union Telegraph Co. delivered telegrams to the family home, Fuburners in days gone by, the necessity for such notifications existed only in time of war, and this method was probably the most practical means of giving the sad information to relatives of service men killed in action."

"Therefore, it was shocking and astounding to me to learn that today officials of the Western Union Telegraph Co. have adopted a policy of delivering at least some of these telegrams by telephone. This cold, heartless practice is inexcusable and an insult to every American with a loved one in the Armed Forces."

**A GRASS ROOTS COMMENT**

The personal delivery of the sad news by a strange messenger will be made by sympathetic military personnel and not left to cold commercial channels.

"I feel that high officials of that corporation are guilty of countenancing a reprehensible practice and also doing a grave disservice to our country."

# Congressman Ford reports Tax to raise cost of bread

The omnibus farm bill (H.R. 8811) is scheduled for consideration by the House of Representatives this week. This is the bill which the city Democratic congressmen are supposed to vote against their convictions, voted for repeal of Section 14(b) of the Tar-Hartley Act. This is also the bill which raises the cost of wheat certificates and will eventually bring about an increase in the price of bread, cereals, spaghetti, and other wheat food products.

The latest crop report by the Department of Agriculture indicates that the crop this year is up 15 percent over 1964. Wheat production is up 7 percent over last year and 16 percent above the 1959-63 average. This year's cotton crop will average 100 million bales, up from 90 million in 1964.

Our present programs, which increase the cost of bread, are providing a sound solution to the problems of American agriculture. But they are proving to be a burden on the taxpayer and consumer. The record indicates that:

1. The wheat program alone will cost the taxpayers \$1.5 billion a year. But an additional \$1.5 billion is being levied on all consumers by increasing the cost of wheat certificates. For every dollar which the farmer receives for his wheat, the consumer pays \$1.50 for the wheat. This means that the consumer pays \$2.50 for every dollar the farmer receives.

2. The cotton program alone will cost the taxpayers \$1.5 billion a year. But an additional \$1.5 billion is being levied on all consumers by increasing the cost of cotton certificates. For every dollar which the farmer receives for his cotton, the consumer pays \$2.50 for the cotton.

3. The rice program alone will cost the taxpayers \$1.5 billion a year. But an additional \$1.5 billion is being levied on all consumers by increasing the cost of rice certificates. For every dollar which the farmer receives for his rice, the consumer pays \$2.50 for the rice.

4. The sugar program alone will cost the taxpayers \$1.5 billion a year. But an additional \$1.5 billion is being levied on all consumers by increasing the cost of sugar certificates. For every dollar which the farmer receives for his sugar, the consumer pays \$2.50 for the sugar.

5. The tobacco program alone will cost the taxpayers \$1.5 billion a year. But an additional \$1.5 billion is being levied on all consumers by increasing the cost of tobacco certificates. For every dollar which the farmer receives for his tobacco, the consumer pays \$2.50 for the tobacco.

6. The wool program alone will cost the taxpayers \$1.5 billion a year. But an additional \$1.5 billion is being levied on all consumers by increasing the cost of wool certificates. For every dollar which the farmer receives for his wool, the consumer pays \$2.50 for the wool.

7. The livestock program alone will cost the taxpayers \$1.5 billion a year. But an additional \$1.5 billion is being levied on all consumers by increasing the cost of livestock certificates. For every dollar which the farmer receives for his livestock, the consumer pays \$2.50 for the livestock.

8. The dairy program alone will cost the taxpayers \$1.5 billion a year. But an additional \$1.5 billion is being levied on all consumers by increasing the cost of dairy certificates. For every dollar which the farmer receives for his dairy, the consumer pays \$2.50 for the dairy.

SERVICES—10:00 A. M.—7:00 P. M. Sunday School—11:10 A. M.

Everyone Welcome

### Hold family reunion

There were sixty-eight present at the Kropf reunion Sunday at Fallsburg Park.

There were relatives from Detroit, Flint, Lansing, Battle Creek, Saranac and Grand Rapids.

Mrs. Rosa Brown who now makes her home at the Clark Memorial Home was the only living relative of the original family of Kropfs.

She came over from Switzerland with her mother, one sister and six brothers. One brother was here when they came. The next family reunion will be held at the Bernard Kropf Chalet at Pine Island Lake. Bernard is president for the coming year.

Times change. When grandma used to tell how many pints or quarts she put away, you knew she meant jellies.

### Exchange white elephants at annual potluck picnic

The Women of the Moose, Chapter 1388, held their annual picnic at the Hi-Lo gun club grounds on Monday evening, August 16.

A good attendance was on hand for the potluck supper, games, and an exchange of white elephants.

Following the supper a short business meeting was conducted.

The Chapter Night meeting for the local chapter will be held on Monday evening, Sept. 13 at 8 p. m. in the club rooms. Slated on the agenda is a short business meeting and Chapter night program. All members are urged to be in attendance.

Now that the man has proved he can walk safely in space, wouldn't it be great if he could walk safely in Washington's streets at night.

### Mrs. Bernard Daly bid "Bon Voyage" at coffee given by Esther Group

Thursday, August 12, Mrs. George Story and Mrs. Bruce McQueen gave an informal coffee, for their church group, at the home of Mrs. Story, 223 North Hudson Street.

Twenty-four guests, members of the Esther group of the Congregational Church, attended this "coffee klatch." Mrs. Bernard Daly, a long-time member, was the guest of honor. The summer coffee, an annual affair for these ladies, became a "bon voyage party" for Mrs. Daly, this year.

Thursday morning turned out to be a lovely day for a party, especially one held outside under the trees, but Monday morning, when the invitations were being issued, there was some little doubt as to the advisability of a garden party as the rain was pouring down as though it would never stop.

Mr. and Mrs. Bernard Daly plan to leave New York City, August 21 by jet for Europe, where they will travel through Norway, Sweden and Denmark.

From there they will fly to Vienna, then to Zurich, Switzerland and on to Amsterdam, Holland. They will then fly to London, and to Dublin. While in Ireland, they will spend several days touring through the country.

Mr. Daly originally came from the "Old Sod" as a small child and has never been back there to visit. They will return to the States again by jet flight, leaving from Shannon, Ireland.

Mrs. Daly said that she was very excited about the trip, as they have been planning it for two years. She is hoping for bright sunshine again the day they leave New York, as Mr. Campau told them that sunrise over the Atlantic is an unforgettable sight, and they are both looking forward to this part of the trip.

### Judith Haddan, John Clippard wed Saturday

The bride entered the sanctuary in the arm of her father, dressed in a floor-length gown of silk organza fashioned with empire waist and cap sleeves and train of alencon lace. A crown of lace and lilies-of-the-valley secured her bouffant veil of imported silk illusion. Her bouquet was of daisies, pink roses and lilies-of-the-valley.

Mrs. Donald Rogers of Fenton served the bride as matron of honor and Miss Kathryn Clippard, sister of the groom was bridesmaid. Both wore floor-length gowns of turquoise crepe chiffon fashioned in an empire style.

The girls were dressed in aqua floor-length gowns of empire styling. All of the bride's attendants carried baskets of daisies.

Attending the groom as best man was his brother, Thomas Clippard of Swartz Creek. John Myers of Flint, served as usher and the misters Carelton and David Avery, nephews of the bride, were junior ushers.

Traditional wedding music was played by Mrs. Frances Butcher of Fenton. The soloist, Donald Rogers of Fenton sang "The Twenty-third Psalm," and "The Lord's Prayer."

Mr. and Mrs. Keith Avery and Mr. and Mrs. Steven Bauer, sisters and brother-in-laws of the bride served as master and mistress of ceremonies at the reception held following the ceremony in the new Snow Christian Center.

Following a honeymoon in Northern Michigan, Mr. and Mrs. Clippard will make their home in Flint, Michigan.

### IN MEMORIAM

In loving memory of Audie Loneta Hunt who passed away one year ago, August 19, 1964.

No ones knows the silent heartache, Only those who lost can tell, Of the grief that comes in silence, For the one we loved to well. And while our hearts may, throb and ache, In our souls we're glad to know, That God has a plan and a purpose, Not ours to question why, The thoughts that comforts most, And keeps our hearts at rest, That nothing comes to us, But what our Lord knows best.
