Area farms get 100 yr. plaques; is centennial

Two farms in the Clarksville area, one owned by Homer R. Henney of Route 2, and one owned by Mr. and Mrs. Bruce Fahrni of Route 1, have been designated as Centennial Farms by the Michigan Historical Commission.

The Fahrni farm, located in Boston Township, Ionia County, has been in the possession of that family since 1847. It was originally purchased in March, 1847, by Abel S. Stannard and Hannah E. Stannard, great aunt and uncle of the present owners, from Jeremiah Stannard.

The Henney Farm, located in Carlton Township, Barry County, has been in the possession of the family since 1866. It was originally purchased April 23, 1866, by Joseph R. Henney, father of the present owner, from Sally Carroll.

According to Secretary of State James M. Hare, whose department directs the activities of the Historical Commission, the Centennial Farm program in Michigan was established in 1948. Since that time certificates and metal markers have been awarded to more than 1,800 Michigan farms.

The program is administered under the direction of the Commission, while markers are provided by Detroit Edison and Consumers Power Companies.

A Centennial Farm is one which has been in the continuous possession of the same family for 100 years or more. For this purpose, the Historical Commission considers a farm to be 10 or more acres having estimated sales of more than \$50 yearly, or less than 10 acres, but having estimated sales of \$250 annually.

Persons owning farms who wish to apply for Centennial Farms certificates are asked to write for an application to the Michigan Historical Commission, Michigan Department of State, 3389 North Logan Street, Lansing, Michigan, 48918.

Chosen from the state winners on the basis of her original test score, plus personal observation and interviews during the tour, she will receive a scholarship increased to \$5,000. Grants of second-, third- and fourth-ranking girls in the nation will be raised to \$4,000, \$3,000 and \$2,000, respectively.

COMMUNICATIONS

1. Announcement by Michigan Municipal League of the State Legislative Conference, sponsored by the League, to be held in Lansing on February 22-23, 1967. Plans to attend were tabled for the January 16, 1967 meeting.

2. Letter of acknowledgment from State Representative Stanley M. Powell of Lowell's resolution protesting the new State bonding of residential builders, maintenance and alteration contractors. Read, filed.

UNFINISHED BUSINESS

Mayor Wittenbach stated that this was the time and place for the public hearing on a proposed to remove some land in the western area of a Lowell abutting M-21. The proposal would rezone the C-1 District and its boundaries. Mr. Douglas Dek of Dek Realty Company was present, asked for clarification or confirmation of minimum lot sizes for businesses in the C-1 District, inquired in relation to the following questions: forming uses; both questions were answered by Manager Olson.

Mr. Leo Denny was present to request that the C-1 area be extended beyond the street which McQueen Motor Company requested rezoning. The Manager cited the recommendation of the Planning Commission and that of the Planning Consultant which limited rezoning until an actual business was planned for a particular area and could be considered by the Planning Commission.

Mr. Earl Fry inquired as to the effect a change in zoning would have on his business. Manager Olson explained that Mr. Fry's business was already conforming to zoning, that he could not expand without acquiring more land for his operation.

Mr. Marcel Kropf asked if the sign now used at the location of his new location on West Main Street and he was assured that would be within the limits required for signs. (See MOTIONS and RESOLUTIONS).

The re-locating of M-91 to improve access to 146 and consideration of a joint project with the County Road Commission to construct connectors from the north end of Hudson Street to Lincoln Lake Avenue and to M-91 will be discussed with the Board Commission at the Commission's next meeting, if agreeable with the Commission.

CITY CLERK'S REPORT

The Zoning Ordinance which became effective December 1, 1966, as a result of the November 8, 1966, Special Election, has been amended Ordinance 25 of the City of Lowell.

THE CITY OF LOWELL ORDINANCES

ARTICLE I. The Zoning Map of the North 1/2 of Section 34 of the Zoning Ordinance, Ordinance No. 22, is hereby amended to include the following described property in the C-3 Highway Commercial Zone District:

That part of the Southeast one-quarter (SE 1/4) of Section 34, Town 8 North, Range 5 West, Kent County, Michigan, described as follows:

Commencing at the intersection of the North line of Fulton Street and the East line of Valley Vista Drive; thence North 0 degrees 15' East 80.44 feet along the East line of Valley Vista Drive to the Southwest corner of Lot 25 of the recorded plat of the North 1/2 of Section 34, East 150 feet; thence South 89 degrees 45' East 63.58 feet; thence South 0 degrees 15' West approximately 400 feet to the intersection of the North line of Fulton Street to the place of beginning.

ARTICLE II. WHEN EFFECTIVE. This Ordinance took effect December 1, 1966.

Laura Shepard, City Clerk

NOW, THEREFORE, BE IT ORDERED that the City of Lowell hereby express its appreciation for this cooperative and far-sighted response to the City's request for a joint project extending Hudson Street to connect with Lincoln Lake Avenue to the northwest, and also making connectors between N. Hudson Street and Lincoln Lake Avenue, and between N. Hudson Street and M-91. The Commission indicated they were in accord, that they would acquire right-of-way for Lincoln Avenue. Also discussed was the possibility of turning over Hudson Street as part of the County highway system. The Commission indicated they would pay one-half of the cost of the improvement. Further study by the County would be required on this matter and would be made with our City Manager when a decision is reached.

Yes: Schermitzauer, Wittenbach, Schneider, Myers, Reynolds, No: None

Also discussed with the County Road Commission was construction of an all-weather connector to 146. Indications are that such a connector has been made along these lines. Manager Olson recommended that a resolution thanking the Commission for its cooperation in recognition of their long years of service to the former Valley of Lowell be adopted.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to Mrs. Richmond and to Mrs. Arheart.

Tinned tiger taste treat

"Everything is tigers now-a-days. So I decided to put a real tiger in the tank," said Milton Brav, president of Sun Am Food Products, Chicago, at the National Fancy Food & Confection Show in New York City. Mr. Brav's company is introducing, world-wide, a canned product labeled "Tinned Tiger Real Tiger Meat in Supreme Sauce." "It's a real Bengal tiger in the can. The supreme sauce is made of white wine, mushrooms, and spices. I've been selling it to department stores by leaps and bounds. In fact, none of the buyers who stopped by our display booth failed to order some."

Mr. Brav says that he had taken a tiger meat while visiting India, where it is served on a bed of rice. "That's the way we recommend serving our product," he added. "No consumer advertising is planned. One of the show's press whippersnappers, Richard Boland, said, "Why advertise it?"

Score high on 'current affairs' test
Sue Mattek, Laura Coons and Phil Schneider, pictured here, were members of Mrs. Carol Avery's senior government and U. S. history classes, who scored the highest in a Time Magazine Current Affairs Test. The three students received certificates from TIME. More than three million college and high school students took the test.

The 1967 TIME Current Affairs Test, given at Lowell high school recently, was a 100-problem questionnaire based on national and foreign affairs. Topics covered in the test, to help students review recent news events of significance were: events of the year, the elections, the nation, the war, places in the news, the world, the newsmakers, other news events, newswords, milestones, and a true and false section. Phil Schneider, son of Mr. & Mrs. Phillip Schneider, jr., 519 North Jefferson Street, Lowell, scored highest on the test. Sue Mattek, exchange student from

Germany, who is making her home with Dr. and Mrs. R. D. Siegle of 5691 Bancroft Avenue, Alto, was second in the contest. Laura Coons, daughter of Mr. and Mrs. David Coons, 404 N. Division Street, Lowell, was third highest in the test given to the individual classes. TIMES'S Current Affairs test is given annually in the local school system, and has been in existence for the past thirty-one years. Over ten million students have participated in this annual event, sponsored by the news magazine.

Matmen win three meets

Last week was a busy one for the Lowell grapplers. They had 3 meets in 4 days and won them all. Last Wednesday night they downed Rockford 32 to 12. Then on Saturday afternoon they beat Cedar Springs in a real thriller 22 to 21. Then on Saturday night, they took a 27 to 16 decision over Forest Hills.

In the meet at Rockford there were 3 pins, all of them going the Lowell team. Carl Rasch at 95-lbs. pinned his opponent, as did Jim Huver at 120-lbs., and Ron Olson at 165-lbs. Winning decisions were Bob VanDyke, Steve Thaler, Jim Potter and Larry Powers. Joe Vezino, wrestling at 127-lbs. won a forfeit.

Losing decisions were Steve Robertson at 103-lbs., Jerry Huver at 133-lbs., Jim Nauta at 138-lbs., and Dean Richards at 145-lbs.

Coach Gary Rivers gave the two captains, John Dawson and Leo Taylor, a rest in this one as he didn't think he would need them.

Exciting Meet

On Saturday afternoon, in what proved to be the closest and most exciting meet of the year, Lowell came out on top of Cedar Springs by a mere 1 point, 22 to 21.

There were 3 pins in this meet with only 1 of them going to the home matmen. Steve Robertson at 95-lbs. pinned Townes in 5:49.

Taking decisions were John Dawson at 103-lbs., Jim Huver, Chris Wittenbach, (back after being injured at Belding), at 127-lbs., Leo Taylor at 133-lbs., and Steve Thaler at 154-lbs.

Larry Powers had a 7 to 7 draw at 180-lbs. Losing on pins were Herb Reynolds at 138-lbs., (after injuring his shoulder and being unable to use his arm), and Ron Olson at 165-lbs. Ron did a good job with Kensil, who was last year's conference champ and was only beaten once this year.

Losing close decisions were Bob VanDyke, Dean Richards and Steve Foss at heavyweight.

In Second Place

This leaves Lowell in second place in the conference with still a chance to win the conference title, if they can take the conference meet, which will be held at Sparta on Thursday and Saturday, February 16 and 18.

After downing Cedar Springs in the afternoon, Lowell came right back with another fine win over Forest Hills on Saturday night.

John Dawson had the only pin of this meet, and it was a quick one in just 54 seconds. There were 2 forfeits: one from each team, Lowell forfeited at 138-lbs., due to Herb Reynolds being injured in the afternoon and unable to wrestle.

Forest Hills forfeited to Ron Olson at 165-lbs. Winning decisions were Steve Robertson, Leo Taylor, Steve Thaler, Larry Powers and Steve Foss.

Chris Wittenbach had a 2 to 2 draw. Losing decisions by only 1 point was Bob VanDyke and Jim Huver. Also losing a decision was Dean Richards.

Down Backford

Lowell's JV's had only one meet in this busy schedule and came out on top of Rockford. Winning on pins were Kennedy, Ray Smith. Winning decisions were Commodore and Thompson. Wittenbach and Harwood lost, and the rest of the matches were forfeited to Lowell.

Lowell's next action will be at the conference meet at Sparta next Thursday and Saturday.

Last semester, the Jr. High Camp Fire Girls enjoyed a trip to the Holiday on Ice show and the Shrine Circus at the Civic Auditorium in Grand Rapids.

A slumber party was held at the group's leader's home recently, and a Valentine's party has been planned for the forthcoming meeting.

Too Much OF The World

"They are not of the world" John 17:16

In the world, but not of it—this is the formula for Christian living. Yet, as we reflect on our lives, we discover how easily this formula breaks down and how often we disappoint our Lord. Because we are too much of the world, we continually fall down on the job.

We find ourselves taking the way of least resistance. It is easier to follow the crowds than to chart one's own course of action. It is tiring to be a discerning critic of our culture. Willingness to stand up and be counted on the side of truth and righteousness takes more courage than we can sometimes muster. It is far easier to be led by circumstances than by convictions. Giving in, cutting corners, making concessions—this is how a characterless Christianity is born. We let public opinion polls settle questions of right and wrong. We take over the

popular slogans of the day: religion and business don't mix, faith has no place in education, and God doesn't count in public life. This is how Christianity loses out in our world.

Rather than setting out to reform life around us, we accommodate ourselves to the prevailing ideals and standards.

We are too much of the world. And we excuse ourselves by saying, Everybody is doing it!

Clearly we too need Christ's prayer, lest we fall into a comfortable conformity to the world, rather than going all out to transform it according to the law of God.

A little poem puts it this way:
The ships sail east, the ships sail west,
By the self same wind that blow;
It is not the gale, but the set of the sail
That determines the way you go.
