## Marine killed in auto crash

Marine Corporal Ervin J. ("Butch") Nummer, home on leave from the Marine Corps, was killed instantly when his car left the roadway of M-21, near Ada, and hit a tree early Sunday morning.

According to Kent County Sheriff's Deputy Ron VanDyke, who investigated the accident, Nummer was thrown from the car which was sheared in half by the impact. He suffered severe head and neck injuries.

A member of the Marine Corps for the past three and a half years, he was due to return to the Marine Corps Supply Center at Barstow, California, on Sunday, September 17.

Corporal Nummer had recently returned from Phu Bai, Vietnam, where he had served a tour of duty with the Force Logistic Support Group "Alpha," a unit of the Force Logistic Command, The Third Marine Division is actively supported by this outfit which has been stationed in the northern most part of South Vietnam.

Nummer's enlistment period had only a few months to go before termination, at which time he was looking forward to a return to civilian life.

A local resident all his life, he was born September 14, 1946, and had celebrated his 21st birthday last Thursday. He graduated from Lowell High School in 1964. Corporal Nummer was interested in sports and was a member of the track team for four years. He was also fond of basketball. Friendly and helpful, he was known to everyone as a thoroughly nice person.

He is survived by his parents, Mr. and Mrs. Oscar Nummer; two sisters, Mrs. Robert (Marlene) Cain, & Charlene at home; and several aunts and uncles.

Funeral services were conducted by the Rev. Father James at the Roth Funeral Home in Lowell on Wednesday afternoon.

Interment was made in Chapel Hill Cemetery in Grand Rapids.

**Buicks, Chevrolets on display at Azzarello's**

Azzarello Chevrolet & Buick Inc. will have the new 1968 Chevrolet's and Buick's on display Thursday.

Both of the new cars are featuring all the newest safety items, plus hundreds of other new improvements in bodies and motors.

Be sure to stop at your local dealers to look over the new cars this weekend.

**Square dancing Saturday night**

Terry Bambrick, Y director, announced today that square dancing will be held this Saturday night at the Runciman Elementary School at 8 p. m. until 11:30. Admission is free and refreshments are available.

This dance will be for beginners and old-timers and dances will be taught and then practiced.

Calling will be Loyd Balderson of Ionia. Everyone is welcome and a good time is guaranteed. A good turn-out will insure future dances on a permanent scheduled basis.

## City delivery of zip-a-list kits

Lowell City letter carriers today started delivery of over 1,000 ZIP-A-LIST kits to every householder in the city.

Postmaster Charles Doyle urged all residents to use the postal cards contained in the kits to obtain the ZIP Codes needed for addresses in their personal mailing lists.

Each household will receive eight cards with spaces for the addresses to be "zipped" by the post office and for the return address. No postage is needed, Postmaster Doyle said.

The project is part of Postmaster General Lawrence F. O'Brien's program to make ZIP Codes more accessible to the mailing public and thereby increase the use of the codes in mailing addresses.

In addition to the kit, which is folded like a closed accordion, a separate card is being delivered to remind residents of the local ZIP Code number. "ZIP Code is necessary all year round to increase the efficiency of the postal service," Postmaster Doyle said, "but it is more important than ever around the holiday season. This year, the Post Office Department expects to handle well over nine billion pieces of mail during the Christmas rush. The ZIP Code will be a great help in delivering that mail accurately and on time."

The postal official reminded ZIP-A-LIST users to print clearly and to include their return address so that the post office will know where to deliver the completed form. Last year thousands of people throughout the nation forgot to include the return address and their efforts to cooperate in the project went for naught, he said.

## Baton program to meet in Legion building

The Michigan School of Baton is offering baton lessons to all area students. Miss Jeana Bos is no longer associated with the Michigan School of Baton and a very competent instructor trained by the United States Twirling Association will instruct the class.

Everyone participating in this program will have the opportunity of strutting with the Bonnie Bue Bells in parades and performances throughout the country. The Bonnie Bue Bells recently returned from a tour of Washington D. C. where they placed runner-up in National competition. The corps has also held the Michigan State Championship for the past 8 years.

This program is also offered to boys and many scholarships offered as drum majors are badly needed. Tom Veennall of MUS (head drum major) is drill instructor for the Michigan School of Baton.

Contests and performances will be held throughout the winter to encourage all students to practice and develop competitive spirit. Medals and ribbons will be offered for perfect attendance.

Should you be interested in this program you need only to come down and register any Monday between 4 and 5; we will be most happy to answer any questions you might have. American Legion Hall, classes at 4, 4:30, and 5.

## Holly J. Hand succumbs at 75

Holly J. Hand, aged 75, of Route 2, Ada, passed away September 12 at Butterworth Hospital.

Surviving are his wife, Mildred M.; a daughter, Mrs. Marvin (Geraldine) Saruk, of Chicago, Illinois; a son, Robert Lee Hand of Ripon, California; a twin sister, Mrs. Dolly Richardson of Onsted, Michigan; five grandchildren and several nieces and nephews.

Services were held Thursday at Metcalf Chapel with the Rev. Lee Dalrymple, pastor of First Congregational Church of Ada, officiating.

Interment was made in the Graceland Memorial Park.

## Rites to be held in Howard City

Hattie M. Westbrook, aged 66, passed away at her home at Route 2, Sand Lake, early Monday morning.

Mrs. Westbrook is the mother of Mrs. Edward (Esther) Neymeier and Clarence Westbrook, both of Lowell, and the late Pfc. Theodore Westbrook who passed away from wounds suffered in Vietnam on July 17 of this year.

In addition to her son and daughter, Mrs. Westbrook is survived by her husband, Valdy; three daughters, Mrs. Dee (Belva) Reburn of Pierson, June and Shirley both at home; five sons, William, Ivan and Robert, all of Hastings, Francis of Lansing and Leslie at home; 24 grandchildren and 2 great-grandchildren.

She is also survived by two sisters, Mrs. Almeda Barkley of Hastings and Mrs. Velda Martin of Freeport and one brother, Chester Hodges of Hastings.

Funeral services will be held Thursday afternoon from the Rogers Funeral Home in Howard City with the Rev. Henry Boehm officiating. Burial will take place in Reynolds Cemetery.

## B&PW Club to mark 50th year

The Michigan Federation of Business and Professional Woman's Clubs is this year observing the 50th anniversary of its organization, and many activities have been planned to make this a memorable year.

The State Federation has supported the National Federation in gaining recognition for business and professional women, in securing for them adequate remuneration commensurate with their services and abilities, and achieving legislation that has benefited all women as well as those in the business world.

For this anniversary observance each individual club has been asked to give the Federation a gift in the way of a project which carries out the Federation ideals and promotes the interest of business and professional women. Following the precepts of the Club's Collect—"to be always generous and forget not to be kind"—the Lowell B & PW Club has embarked upon a humanitarian project to bring some comfort, cheer and interest into the lives of the lonely and ill. This project was adopted during the recent business meeting of the Club, which was conducted by the new president, Mrs. Grace Kutchey.

Mrs. Elva Topp presented the program on membership and led a lively and interesting discussion which covered many points regarding membership: why members drop out, how to keep them interested and how to find and interest new members, including an orientation program to give them an understanding of the Federation aims and objectives.

At the final meeting last Spring it was voted that each member pay a special assessment of 25 cents a month, and this with the proceeds of the silent auction added a nice sum to the general fund.

**Amway's Barry kicks-off Jr. Achievement program**

D. Michael Barry, Manager of Area Coordination at Amway Corporation, Ada, was the guest speaker Friday, September 15, at the Ionia Country Club to help kick-off the 1967-68 Ionia Junior Achievement Program.

Mr. Barry addressed the Board of Directors and new Advisors of the Ionia Junior Achievement, and guests from its sponsoring companies.

Since being under the employ of Amway Corporation, Mr. Barry has received the Corporation's "Salesman of the Year" Award, which subsequently led to his reception of a "Distinguished Salesman Award for 1967" presented by the Grand Rapids Sales and Marketing Executives Club.

A new business listed as Moraco Corporation opened in the Odd Fellows building on East Main Street this week.

The company, operated by Robert Moore, plans to fabricate plastic packing units.

Al Gerlik has returned to the Parson's Motel in Grand Rapids for the winter. Police said he evidently fell down a flight of steps and was only slightly injured. Justice Rittenger made his reservation for 60 days with another 30 if the 60 days and costs were not paid.

Sheriff Parsons has all the luck in securing a good painter.

Lowell firemen were called to the Kroger Store last Thursday at 8 p. m. when a fire started in some electrical equipment, and was quickly extinguished. Tuesday morning firemen were summoned to Superior Furniture Co., on East Main Street.

Workmen had the blaze extinguished, and notified the firemen before the equipment was out of the fire barn.

Following a two-car crash on M-21 near Ada Tuesday evening at 6:25, Marian VanSprosen of 7225 Bradford, Ada, was admitted to Blodgett Hospital with serious injuries.

Slightly injured in the accident were her daughter, Sandra, 5, and the passenger in the other car, Eugene Bowen, jr., age 11. The driver of the other car, Eugene Bowen, sr., of 9151 Bennett Road, Ada, was not injured.

This proves again that driving this section of the infamous "Accident Alley" is dangerous.

A spurge of vandalism by two juveniles and Ed Whitley Weaver, 17, of Cascade Road was quickly halted by Lowell Police Sunday. Police were called to the Lewis Yalacki residence, on East Main St., at 1:35 p. m. where one bicycle had been stolen and tires on four others slashed.

At 6:45 that evening the officers had apprehended the adult and two juveniles and recovered the bicycle. The juveniles were turned over to juvenile authorities.

Weaver was sent to jail for 10 days when he failed to raise a \$25 fine and costs in Justice Rittenger's court Monday.

Police issued a reckless driving summons to Mathew E. Gould of Murray Lake Road who fell asleep at the wheel of his car on Grand River Drive at 2:47 a. m. Saturday morning.

Gould hit a tree and badly damaged his car but was not seriously injured in the crash.

Saturday police picked up two juveniles who were involved in the first theft from Curtis Laundry, and turned them over to the juvenile authorities.

The two admitted to stealing a gum ball machine from the laundry and dumping it in the gravel pit.

John C. MacDonald, 23, of Grand Rapids who was arrested by local police on September 9, fined and given two days in jail for driving on a suspended license was arrested again on Monday here on the same charge.

This time Justice Rittenger gave him 30 days in the jail with an additional 30 if he fails to pay fine and costs of \$104.90.

Terry Bambrick, Y director, announced today that the new fall program will be available September 28.

The program will include some new classes such as square dancing, judo and special club groups.

# Lowell loses opener; awaits Comstock Park

Last Friday evening, the Red Arrow varsity football team lost its season's opener to the Ionia Bulldogs by a 14 to 6 score. Ionia was first to hit paydirt when Wilson ran back a Lowell punt 32 yards in the first quarter to score.

The extra point attempt was good, it being a pass to end, La Pointe. The first half ended with the score Ionia 7, Lowell 0.

With 5 minutes remaining in the third quarter, the Red Arrows tallied their only touchdown of the evening. Lowell blocked and recovered a third down punt on Ionia's two yard-line. Roger Kropf, Lowell quarterback, pushed the ball over on a sneak.

The extra point place-kick by Steve Lessens was short and wide of the mark. This made the score Ionia 7, Lowell 6.

Later in the game, Wilson of Ionia again scored on a 40 yard run from the line of scrimmage. The point after touchdown attempt was good, making the score Ionia 14, Lowell 6. This was the final score as neither team threatened the rest of the game.

## workhorse

Bill Bennett, Red Arrow full-back, was the workhorse for

Lowell as he carried the ball 15 times and gained 66 yards. Steve Thurtell had the most yards per carry as he gained 43 yards on 5 carries.

Lowell had 73 yards rushing and 52 yards passing for a total of 125 yards. Six passes were completed in eleven attempts by quarterback, Kropf. Curt Fonger hauled in three of these.

Leading the defensive charges were Cla Avery and Terry Smith. Both played an outstanding game, as did their teammates on defense.

Lowell will travel to Comstock Park this Friday to tackle a tough Panther team which scored an upset in their first game.

With the first game under their belt, Lowell should be able to give a better offensive show in this game.

## 12 to 0

Last Friday afternoon, Lowell's Junior Varsity traveled to Ionia to battle the Bulldogs, only to come away on the short end of a 12 to 0 score.

Lowell's offense sputtered most of the afternoon as they couldn't get a sustained drive going. The brightest spot in this game was the Red Arrow defense, led by Pat Serne, Ray Smith, Ken Vos, Dale Kropf, and Bob Rottier, that forced

Ionia to punt eight times.

Ionia scored from Lowell's 38 yard line, on a third down and 20 yards to go situation, on a pass to their halfback. Early in the fourth quarter, Ionia's halfback scored again, this time on a 35 yard scamper. Both passes for the extra points were not good.

Lowell threatened late in the final period but time ran out with the football only inches away from six points.

These Red Arrows take on the Panthers of Comstock Park here, this Thursday, September 21st, at 7:00. The rest of the Junior Varsity schedule for the 67 season is printed below.

## ju schedule

September 28, Lowell at Cedar Springs; October 5, Grand Rapids Central Christian at Lowell; October 12, Sparta at Lowell; October 19, Belding at Lowell; October 26, Lowell at Middleville; and November 2, Lowell at Rockford.

All games are at 7 o'clock. Awaiting their first game of the season are 42 freshmen under the coaching of Harry Peacock and Mike Vander Velde.

These young Arrows will travel to Comstock Park to tangle with the Panthers in a game this Thursday, September 21st.

## Housing project has set back; consultant dies

C. K. Runciman, chairman of the committee for the housing development planned for senior citizens, revealed this week that Larry Upton, director of Urban America Inc., and consultant for the local project had died of a heart attack.

The untimely death of the consultant will set the project back several months, it is expected.

A new consultant is being assigned the local project but he will have to become familiar with the plans already well started by Mr. Upton.

Under present planning the project should be ready by next fall on the land purchased on Boves Road, Schneider Village as the project has been named is set up to have 35 housing units with another area set aside, where senior citizens can build their own units.

Also planned is a 30 bed convalescent home with large enough dining facilities to serve the tenants in the housing units if they wish to have their meals with the group.

## Abe DeYoung honored with Bronze Star

A Bronze star with "V" Device has been presented posthumously to Specialist Four Abe R. DeYoung for combat action in Vietnam which resulted in his death. Accepting the award was his mother, Mrs. Mary DeYoung, 1109 Fuller Avenue, NE, Grand Rapids.

DeYoung, who entered the Army in May, 1966 graduated from Lowell high school in 1965. He was 20 years old.

He was cited for "Distinguishing himself by valorous actions" when his unit came under attack from a "well entrenched, numerically superior Viet Cong force."

The attack lasted six hours, during which time DeYoung led his squad, exposing himself to hostile fire in open rice paddies until he was hit and mortally wounded.

DeYoung was a cross-country runner for Lowell and was voted the most valuable member of his team as its most consistent winner. He also was a member of the baseball team and was active in the Future Farmers of America.

## Boys commended for putting out grass fire

This past week, David Wisner of Route 1, Lowell, and Philip Nelson, formerly of Lowell, both received letters from D. V. Gonder, vice-president of Canadian National Railways thanking them for putting out a grass fire started by a passing train.

During the summer, David had gone to visit Phil at Paris, Ontario, Canada. The boys spotted the fire not far from Phil's home, and went into immediate action, to put it out.

**REPLACEMENT VALUE** Is the item to consider in fire insurance. Consult us before picking out that new policy. Peter Speerstra Agency, 897-9259.

## Baptist Church sets Fall program

A baptismal service and dedication of the new baptistry will take place at the new Lowell Baptist Church located west of Lowell on M-21 this Sunday evening, September 24, at 7 p. m.

According to the Rev. Keith McIver, pastor of the church, these services are only the beginning of a crowded fall program of special events and auxiliary services which the Lowell Baptist Church is offering the community.

There will be a Christian Service Brigade organized for boys 8 to 18 years of age and a Pioneer Girls group for girls of the same age. These groups have previously met at the Alto Baptist Church. Now, due to the new church building, the convenience of meeting in Lowell has been accomplished.

Both groups are open to all children of these ages. They need not be a member of the Baptist Church.

The third week in October, from the fifteenth to the twenty-first, there will be a "Prophetic Conference." Dr. Leon Wood of Grand Rapids will be the speaker. He will speak on prophecy as it is related to the Jewish people, Palestine and the Second Coming of Jesus Christ.

Saturday, October 21, there will be a community wide "Youth Rally."

## Launch drive for restoration

A committee meeting was held Tuesday evening at the home of Mrs. Bruce Tower, president of the West Central Michigan Historical Society for the purpose of launching a fund drive.

The money is necessary to pay the cost of a study to prepare a feasibility report for presentation to the government agency from which a loan is to be granted to restore the Fallsburg Pioneer Village.

Plans for this project have been underway since the organization of the Society early in 1965.

The reality is now very much in the realm of possibility. We are counting on the members and all who are interested to participate in the acquiring of this money.

A brochure is to be completed and ready for distribution in the very near future. Further information concerning the drive will be announced soon.

## Donna Beachum suffers injuries

Donna Beachum, 15, daughter of Mr. and Mrs. Donald Beachum of 1051 Beech Avenue, Lowell, broke her shoulder Sunday afternoon when her riding horse threw her.

After examination in a local doctor's office, Donna was treated and released at Butterworth Hospital in Grand Rapids. She will be wearing a large cast for at least six weeks.

Donna expects to return to school sometime this week.

## Class to build small garages and additions

A newly organized high school class in vocational carpentry has 23 juniors and seniors under instructor Gary Rivers and will construct garages and small buildings.

The construction of small buildings for private individuals is part of the course to give the young men training in vocational carpentry.

The class meets three hours a day, three days a week and students who complete the course satisfactorily will receive two credits. While a great portion of the course is on-the-job carpentry jobs there is considerable study of building practices.

Area contractors, carpenters, electricians, plumbers and other skilled tradesmen will be invited to talk to the class.

**Build for Individuals** . . . Instructor Gary Rivers revealed that five people have already requested the class to build garages and two others have asked about small additions. Anyone in the community who has plans to build small buildings and would like the class to build it are invited to discuss their plans with the instructor.

During the good weather this fall it is hoped that several garages will be completed. If the weather prevents outside work it is planned to do remodeling.

In the long range plans the class hopes to build a complete home in the community. At the present time the class will work on smaller projects.

## Local doctors attend meetings

Doctors Orval McKay, Donald Gerard and Marilyn Hunter will all be attending several sessions of the Michigan State Medical Society's Annual Session week to be held at the Grand Rapids Civic Auditorium and Pantlind Hotel the week of September 24. In all 2,500 persons are expected to attend.

The theme of the week-long annual meeting will be "More Doctors in Michigan" a state-wide problem.

The keynote speaker will be Dwight L. Wilbur, M.D., the president elect of the American Medical Society. Dr. Wilbur, of San Francisco, will tell Michigan doctors his views on medical manpower and make some suggestions as to how to increase it. Dr. Wilbur is chairman of the AMA effort to solve this growing problem.

These young Arrows will travel to Comstock Park to tangle with the Panthers in a game this Thursday, September 21st.

## State pistol shoot here this weekend

This weekend Lowell will host the Michigan State Outdoor Pistol Championship at the range on North Washington Street. The meet is being operated by Lowell Boy Scouts and their parents and some 140 are expected to participate in two days of shooting.

The scouts are operating the range built by the Pistol Club which has been turned over to the local troop for four meets a year to raise funds for the operation of local scouting.

The scouts are expecting to earn about \$2,000 this year from these schedule meets.

The top shooters from Michigan and several surrounding states will arrive Friday night and Saturday morning for two full days of shooting. Among the groups that will be here is the Michigan State Police team which won the National Championship.

The scouts and their leaders and parents will operate the range, and serve lunches on the grounds during the two days. Several hundred are expected to be here for the meet.

**Wittenbach's to show Pontiacs, Oldsmobiles**

Wittenbach Sales and Service Co. are presenting the newest 1968 Pontiac's and Oldsmobiles this weekend.

Pontiac the leading car in the medium class field will dominate the show with its bold front end design and engineering advances.

The new Olds have incorporated as standard equipment all the important safety features.

Be sure to see the new cars at this special open house showing with coffee and doughnuts for everyone.

## Army man is promoted to Captain's rank

1st Lt. Harold Richardson has been promoted to Captain in the United States Army according to information received by his mother, Mrs. Harriet Richardson, 7490 Cascade Road, SE, Grand Rapids.

Captain Richardson has been stationed at Watervliet Arsenal at Watervliet, New York, since his return from a tour of duty overseas.

# Semi-lates to close season at Marne

Proving his speed in the fast car dash, Adema took the checkered away from his four companions, Gordie Bisset, Bill Thurkette and Jerry Spear.

The novice driver worked his way through congested traffic to post victories in the somewhat confused first heat, and the fast moving fourth heat.

The consolation event went to Dave Kurland, who outdrove a field of 18 for the win. Jim Troland's No. 89 picked up his second win of the evening in the semi-final heat.

The evening's wind-up was the 30-lap season championship race which saw Adema starting on the pole, losing it on the 3th lap, starting again from the back, and ending up third at the finish.

Mr. and Mrs. Ira Sargeant had a surprise Monday when their old friends, formerly of Michigan, now of Globe, Arizona, Mr. and Mrs. Henry Lentz, spent the day with them.

## Men in the Locals

Mr. & Mrs. Carl Mathele of Middleville entertained with a family dinner on Sunday. Dinner was in honor of her brother, Carl Carey, who was celebrating his birthday. Others in attendance were Mrs. Carey, Mr. and Mrs. Paul Carey of Wayland, Mrs. Basil Green of Lansing, Mrs. Bert Carey and Mildred of St. Petersburg, Florida, Mr. and Mrs. F. J. Kaebele of Wayland and Kathy, and Margaret Mathele.

Mr. and Mrs. Clara Carey were Thursday dinner guests of Mrs. Lena Filch of Kewanee Village, Charlotte. They were accompanied by his sister, Mrs. Basil Green of Lansing.

Mrs. Earl Ketcham presented the program at the Sparta Garden Club entitled "Beauty by the Roadside" which included an arrangement made from grasses, peonies and pansies, and also a driftwood arrangement.

Mr. and Mrs. Ralph White, Mr. and Mrs. Alex Robertson and children, and Mrs. Sherman Reynolds attended the capping program at the Maple Grove Facility last Thursday evening when Mrs. White and Mrs. Robertson were presented with their Nurses Aides caps.

Marine Private Luis A. Luna, Jr. son of Mr. and Mrs. Louis C. Luna of 7777 Nash Road, Clarksville, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot at San Diego, California.

Luna will now undergo about three weeks of individual combat training and then, after a leave at home, he will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and also includes marksmanship, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and M-16 rifle are equally stressed and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects; hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine recruit's education and prepare Luna to join Marine combat forces.

Mrs. Mary Vreeland, Mrs. B. Porritt, Mrs. Myra Anderson attended the Girls of Yesterday meeting at Bowne Center on Thursday. A potluck dinner was enjoyed by members from Freeport, Lowell, Grand Rapids, Caledonia, Hastings, Mulliken and Alto. A business session was held later re-electing Mrs. Beatrice Karach of Hastings as president; Mrs. Anna Ellis of Lowell as vice-president; and Mrs. Jessie Porritt of Grand Rapids as secretary and treasurer.

The regular NROTC Program offers an outstanding opportunity for a young man to gain a regular commission while studying one of the 22 NROTC colleges and universities. The Navy furnishes tuition, fees, books, and uniforms, plus a subsistence allowance of \$9 per month to NROTC Midshipmen. Each summer NROTC Midshipmen go on interesting and rewarding at-sea training periods. After completing his college courses and all military requirements, an NROTC Midshipman is commissioned as a regular officer in the U. S. Navy or Marine Corps and goes on active duty with the operating forces.

The program is available to male high school seniors and graduates who will have reached their 17th but not 21st birthday by July 1, 1968. Those who make a qualifying score on the Navy College Aptitude Test will be interviewed and given thorough medical examination early in 1968. Approximately 1,700 young men from those remaining in competition will thus be selected to attend college next September to prepare for their naval service.

1968 NROTC Bulletin of Information and application forms are available from local high school counselors and Navy Recruiting Stations or from the Chief of Naval Personnel (Pers-3641), Department of the Navy, Washington, D. C. 20370.

Deadlines do help us get in more news

It may seem a paradox but deadlines for news help a paper get in more news.

If we don't have to rush so much at the last minutes, it allows us to plan ahead and give our news stories the consideration they rightly need.

For this reason, as announced in the Ledger during the past month, we're beginning to work under a copy deadline.

The deadline for general news and announcements sent to or dropped off at our office, is noon on Tuesday.

Any material received after 5 p.m. on Tuesday, will be run in condensed form in the Evening Edition column.

Any photographs must be submitted by noon on Saturday. Requests for photos to be taken by us must be made by 5 p.m. on Wednesday.

Of course, the earlier we receive a story or a news tip, the more time we have to work it into a complete, interesting article or feature.

These questions have led to a study by University of Michigan meteorologist Edward S. Epstein. The National Science Foundation has granted Prof. Epstein \$12,500 for his studies of the meaning and ways to evaluate weather forecasts.

Probability statements represent a significant advance in communicating useful weather data to the public.

It is a problem of the complexity of weather and weather data gathering applied to the need of the public for relatively simplified information.

For example, he said, a prediction reflects the forecast that precipitation will take place in a specific period—usually 12 to 24 hours—on any point in the forecast area.

He added that the public is always ready to give the best possible forecast. In some areas, this means a minimum of a hundredth of an inch, which is generally regarded as measurable precipitation.

In other areas, it might mean just a trace. Whether forecasts generally say what they mean, but radio, television and newspaper editors edit this out and dilute the meaning of prediction.

Wider-Tracking has never been farther removed from just plain ordinary driving. One look at our stylish '68 Pontiacs should tell you that. One ride will convince you.

Our sporty new Tempests and Le Mans are new from the wheels up. There's a new 175-hp Overhead Cam Six. New sports car feel. Smoother ride. Superior stability and response.

Talking must be taught; learn how

Parents with pre-school children of any age are urged to take part in a series of three or more meetings to learn how to help their children talk.

Like any other complex skill, must be taught. Since language habits are established during pre-school years, parents are most responsible for the quality of their children's speech.

The majority of meetings will be scheduled during evening hours at various locations throughout Grand Rapids and Kent County. Many schools and churches have already offered the use of their facilities for these meetings.

In addition to parent meetings, individual pre-school children with speech problems can be observed and evaluated. This will be necessary in some cases, to help parents begin to use methods and activities that are designed to improve their child's speech.

An early diagnosis indicated that a child has physical or emotional complications, he would then be referred for proper treatment or placement in existing programs geared to meet those needs.

The Center's fundamental purpose is to reduce the number of speech problems that are detectable during the pre-school years. Many parents do not realize how much a young child relies on them for guidance and direction as he gradually learns to talk.

By understanding the essential stages of speech development, every parent can become a more effective and important teacher for their child. The articulate and expressive speech your children experience will be the reward for your efforts.

If you are interested in attending meetings on language development, or wish information regarding your pre-school child, contact the Developmental Language and Speech Center by calling 454-9418. All services are provided without cost. The Center is a department of the Kent Intermediate School System and has been in existence since January 1967.

By Al Pardee

"The faith that only reaches to the head, will never sanctify the heart."

—S. H. Cox

To any drunken derelict on one of the 101 Sid Row thoroughfares of this country, to any person bereft of hope and pitifully teetering towards oblivion, and to whom happiness might still be a dry martini, a one last hope is offered in the brass-handled citadels of the Salvation Army.

Now wide as the world and universally recognized as a foremost social organization, the Salvation Army today pursues the same worthy objectives as those of its founder, William Booth. The noble cause of evangelization and rehabilitation of the outcasts of society moved Booth, an itinerant English Methodist revivalist preacher, to raise a tent over a disused Quaker burial ground in 1865.

Once known as the "East London Revival Society" and later as "The Christian Mission" the

Army recently invaded the Hippie stronghold in Greenwich Village with the opening of a storefront cafe. Here desolate kids from the teens to the thirties can always find a friendly soldier to listen and get sympathetic understanding of their basic problems. This newest extension of the Blood and Fire Flag (for Atonement and for Spirit) is just one other of the thousands of meaningful activities where by the Salvation Army reaches out a helping hand to the less fortunate in all classes of society.

In the 1880's the 7th child of William Booth, Evangeline Cory Booth, then a 15 year old Sergeant, began her work in the worst slums of London. In 1898 she led a mission to the Klondike goldfields and became, in 1904, National Commander of the North American operation, now a multi-million dollar Christian ministry to the down-trodden and the human wreckage of our time.

Salvation Army lassies in their distinctive bonnets have been seen around the watch-fires of a hundred camps of war and they have labored to establish Leper colonies in India; they have rendered first-aid to victims of the earthquake disasters in San Francisco and Japan as also the explosion at Texas City in 1947, the year the tiny tambourines were also evident in Guiana at the French government's request to supervise the clearance of Devil's Island.

It was not an easy march from a single tent to the major citadels in 100 countries. Thomas Henry Huxley called the movement "Corbanitic Chris-

tianity" (frenzied, agitated, unrestrained); hundreds ridiculed the street meeting technique; the unconventional methods shocked many an "old-fashioned" Christian.

In 1896 the organization suffered when the founder's second son, Ballington, separately organized the Volunteers of America, itself a nation-wide movement now with missions in many cities. Both groups recognize the deep-seated social needs of our time and provide rescue and maternity homes, adoption, guidance and prison programs.

General Booth's annual Christmas greeting was the one word "Others." We sincerely hope that, as frustration cannot be out-run and escapism continues to connect to desperation, despondency and a wholly depersonalized animal existence, the on-going demonstration of the mercies of Jesus Christ, as preached and practiced by the Salvation Army, will always be available as the last desperate hand-hold to lift many back from the pit of Hell itself.

### Class reunion

The Grandville Class of 1957 will hold their tenth anniversary class reunion at the Embers Restaurant, 3300-28th St., SW, Grandville on October 14, at 8:30 p. m.

An invitation has been extended to whoever was a member of the class during the years 1953 to 1957. Reservations should be made with Mrs. Lois (Fischer) Madura, 2130 Gordon, NW, Grand Rapids, 453-5856, or Gerry (Bates) Gromko, 1423 Gentian, SE, Kentwood, 243-5650.

### Seek volunteers to donate time to delinquents

Last year a plea was sent out through Suburban Life for women volunteers for the Kent County Juvenile Court for ladies to donate their time to help delinquent children in remedial reading.

Each volunteer will attend a course to be conducted Monday, Wednesday and Friday from 9 a. m. to 11 a. m., and will run for two weeks.

The course begins October 9, and runs through the 20th. It will be held at the Kent County Juvenile Court Chapel, Cedar and Ball Avenues, NE.

After the two weeks course is completed, each tutor is assigned a probation officer, who in turns assigns a child to each tutor. These children are on probation under the court.

The tutor will work with her assigned child three times a week for approximately one hour at the child's school. The time is arranged at the tutor's convenience and the child's schedule.

The court has found that most of the children coming under the auspices of the court are at least two years behind their classmates and their reading skills in many cases are many years below their classmates.

It has been found that the people who work with these children help the delinquent child a great deal, but that it proves to be a most rewarding undertaking for the tutor himself, a real sense of satisfaction in being gained from helping these

children. Interested volunteers may contact Mrs. H. E. Brunhoff, 676-1789 or Miss McKay at the Kent County Juvenile Court, 451-2011.

### Ribbon winning area Herefords

Rainy weather didn't dampen any enthusiasm of Hereford breeders and spectators during the exhibition of the 74 head of Whitefaces at the Michigan State Fair recently.

Twelve exhibitors, two from Indiana, the rest from Michigan, vied for top honors in this classification.

In the female judging, Grand Valley Hereford Farm of Ada won five blue ribbons and both championship awards.

Their champion heifer was GV Husker Princess 23, a junior yearling. GV Husker Princess 29, a spring yearling, won the reserve award.

Other Grand Valley Hereford Farm winners, in the show judged by Pete Dean of Brighton, were:

Spring yearling bull, GV Regent 1; Summer yearling heifer, GV Husker Princess 44; Senior heifer calf, GV Press 29; Junior heifer calf, GV Real Princess 103; get-of-sire, Husker Mischief 718; and pair-of-yearlings.

Also exhibiting prize herefords at the show were Egypt Valley Farms of Ada. Their winning exhibits were Senior yearling heifer, EV Colo Lassie F79; Winter heifer calf, EV Colo Heiress C90; and pair-of-calves.

### Computer speeds Amway work

Nine "electronic brains" capable of storing 19 million pieces of information and of adding two figures in six millionths of a second have been installed in the Amway Corporation complex at Ada.

The computer system, a series B-300 by Burroughs Corp., will be used at the start by Amway to do order processing, inventory control and mailing, according to Dale Discher, Amway treasurer and director of finance.

Later the system will maintain up-to-the-minute control of accounting and production as well as providing management with a constant flow of information on other matters," he said.

Gordon Teska, systems and procedure manager at Amway, and Dennis Huber, formerly with Burroughs, will direct the facility. The computers are housed in a 4,000 square foot unit recently added to Amway's administration Building. Additional computers may be added in the future.

# '68 Buick. Now we're talking your language.

We changed the Skylark from front to rear, we gave it a whole new look, simply because we believe you want a car like this. In other words, we're talking your language.

We thought you'd like to have a little easier time parking. So we shortened the wheelbase of the two-door Skylark down to 112 inches.

The '68 Buicks are at your Buick dealer's now. He's ready to talk your language.
